**Chair's Report** – Gabriele Miller and Justin Melick are invited to attend the February 6<sup>th</sup> meeting to discuss digital literacy.

**Director's Report** – Director attended the AAC&U Conference this past week. They did not release the new Student Learning Outcomes. They are going to have some version of Digital Literacy. They do not have a rubric or an actual name for the SLO yet. They are thinking it would still be a year and a half before they have something to release. Rubrics are never going away. They continue to be adopted by schools. At a community college they assess every student, in every class, every year. They have assessment days to conduct some of the work.

**Provost Office Report** – None.

## **New Business**

- Collaboration – Does this skill need to be a long-term project?
