

Current and Proposed Distribution of GE Goals:

Natural Sciences: Physical

Current:

writing or speaking
critical/creative thinking
information literacy

Proposed:

writing
teamwork

Natural Sciences: Life

Current:

writing or speaking
critical/creative thinking
information literacy

Proposed:

information literacy
ethical reasoning

Mathematical Sciences

Current:

writing or speaking
critical/creative thinking
information literacy

Proposed:

critical/creative thinking
problem solving

Writing

Current:

Proposed:

writing
critical/creative thinking
information literacy

Arts

Current:

writing or speaking
critical/creative thinking
information literacy

Proposed:

problem solving
civic responsibility

Philosophy and Literature

Current:

writing or speaking
critical/creative thinking
information literacy

Proposed:

writing
ethical reasoning

Historical Perspectives

Current:

writing or speaking
critical/creative thinking
information literacy

Proposed:

writing
critical/creative thinking

Social and Behavioral Sciences (2 courses)

Current:

writing or speaking
critical/creative thinking
information literacy

Proposed:

information literacy
civic responsibility

World Perspectives

Current:

writing or speaking
critical/creative thinking
information literacy

Proposed:

speaking
critical/creative thinking

U.S. Diversity

Current:

writing or speaking
critical/creative thinking
information literacy

Proposed:

speaking
teamwork
