Subject: Important Announcement: Theme Requirement Reduced to Two Courses

Following an affirmative vote of support by the University Academic Senate at its March 4th meeting, Gayle R. Davis, Provost and Vice President for Academic Affairs, has announced the reduction in the number of courses required to satisfy the Theme Requirement from three to two, for students graduating Fall 2011 and beyond. The reduction is being announced now so that students will be able to incorporate the reduction when they begin to register on March 21 for the 2011-12 academic year. Starting with Fall 2011, students will satisfy the Theme Requirement by completing any two courses within a Theme category.
