

Themes Policy

Any student who has previously taken one or more Theme courses between 2000-2001 and 2013-2014 may use Theme courses they've taken to fulfill their Issues requirement upon returning to GVSU.

1. Both courses must be from 2 different prefixes/disciplines. Only 1 course can be taken at the 100 or 200 level.
2. If a course is cross listed in two prefixes/disciplines, your second course must be taken from a third prefix/discipline.
