## Welcome to July at the Children's Enrichment Center

The first month of our summer camp was full of exciting adventures around campus and throughout Grand Rapids. The Little Laker Water Days will be on Thursday. Please provide your child with a swimsuit, towel, and an extra pair of clothes. We are excited to continue the fun we have been having in July.

### A Fun and Easy Recipe

- Cooking Spray
- 2 cups of marshmallows
- 6 (1.5-oz.) chocolate bars, broken into squares
- 1 sleeve of graham crackers, broken into rectangles
- ½ cup semisweet chocolate chips, melted

Preheat oven to 400° and grease a baking dish with cooking spray. Add half of marshmallows to prepared baking dish, then top with half of chocolate squares and half of graham crackers. Repeat.

Bake until marshmallows are golden and chocolate squares have melted, about 10 minutes.

Drizzle with melted chocolate and serve.
