Welcome to November at the CEC

This month we are extra thankful to have such awesome families at our center. This month we are excited for our first ever Pizza Hut Fundraiser! Be on the look out for a flyer to present that will donate 20% of your dine in, carry out or delivery order to the CEC. November also brings another date night, conferences, and sign-up week. Check out the communication cabinet later this month to sign up.

**Oh The Weather Outside is (Almost) Frightful**

Colder weather is upon us! Please prepare your child for the weather with a coat, hat, and gloves. When the snow starts to fall, your child will also need boots and snow pants. If your child’s gloves are NOT waterproof, please plan to send two or three pairs. We go outside at least twice a day, and the gloves are often still wet for the second outing. Labeling your child’s gear will also help to ensure that their gear is returned home each night.
