

# DOING BUSINESS IN MEXICO & CANADA

**SEPTEMBER 25, 2019 | GRAND RAPIDS, MI | 8:00AM - NOON**

Mexico and Canada account for 62% of all Michigan exports. Our North American neighbors and Michigan's largest trade partners, recorded a grand total of USD \$37.4 billion of trade in 2017. Due to the enormous export opportunities for Michigan companies to grow and develop in these markets, combined with an ever-evolving political landscape, it is important to keep up-to-date on the best practices for doing business in Mexico & Canada.

***Join us for our Doing Business in Mexico & Canada conference as we discuss:***

- Mexico's current business climate
- Canada's current business climate
- Negotiations and best practices for successful business deals
- Free trade agreements
