

Continuing Education Credits

Category 1

Creighton University Health Sciences Continuing Education designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAPA accepts AMA category 1 credit for the PRA from organizations accredited by ACCME.

Nurse CE

Creighton University Health Sciences Continuing Education designates this activity for 6.0 contact hours for nurses. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacy

Creighton University Health Sciences Continuing Education (HSCE) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education (CPE). The *Developing Healthy Populations, Communities, and Systems through Interprofessional Collaboration* is accredited for 6.0 hour(s) for completion of all CE Sessions on September 19 & 20, 2019. The *Developing Healthy Populations, Communities, and Systems through Interprofessional Collaboration* is a knowledge-based activity.

Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Creighton University Health Sciences Continuing Education and Midwest Interprofessional Practice, Education and Research Center (MIPERC). Creighton University Health Sciences Continuing Education (HSCE) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The 2019 MIPERC Conference is designated as an American Interprofessional Health Collaborative (AIHC) affiliate conference.

Have you ever wondered why some teams have great chemistry as well as obtain the best patient outcomes? Come join us as we “imprint interprofessional collaboration in your safety DNA” through an engaging teambuilding challenge. Attendees will participate in an hour-long exercise where they will apply 4-5 tools for building healthy habits into their daily patient safety processes.

Individuals wishing to attend the pre-conference should register using the main conference registration link

(Eligible for 2 CE credits – CME, NUR, Pharmacy)

Conference Objectives

- Discuss the impact, clinical benefits, and costs of IPCP environments.
- Discuss models and approaches for embedding IPCP and IPE initiatives into practice settings involving academic-service partnerships.
- Describe what lessons have been learned by faculty and healthcare administrators as they have collaborated to establish IPCP environments involving health profession students and professional healthcare staff.
- Describe the preparation needed to assist organizations as they consider establishing IPCP environments, including leveraging and navigating power structures, relationship building, and transformation of interactional barriers.
- Cite successes for mutually beneficial, enduring academic-community agency alliances, which extend beyond student placements
