

**PAS Program Student Policy on Student Solicitation of Clinical Sites and Preceptors**

1. Prospective and enrolled students are not required to provide or solicit clinical sites or preceptors.
2. The GVSU PAS program has a rigorous program of vetting clinical rotations that meet all educational requirements.
3. Students may recommend a clinical site or preceptor to the PAS program clinical faculty, but the clinical faculty is responsible to communicate with clinical sites and confirm rotations for each student.
