Program Benchmark(s):
i. Maintain aggregate PANCE exam scores above the national average in the individual and combined campuses
ii. All individual organ systems and task areas will perform no more than five percentage points below the national average in the individual and combined campuses on the PANCE exams.
iii. Maintain a first-time taker PANCE pass rate at or above the national average as published by the NCCPA for each test year in the individual and combined campuses.
score is > 5% below national average for two or more consecutive cohorts
score is below national average (below program benchmark)
score is above national average
score is above national average for three consecutive cohorts
