

**PAS Program Course Waivers, Course Substitutions, and Individual Program Plans  
Student Policy**

1. Advanced placement is not granted into the PAS program. All students are required to complete the full program.
2. If students who apply to GVSU PAS program believe they have completed coursework at Grand Valley State University that satisfies program requirements, they may submit a letter to the program after acceptance. This letter would include the official transcript of the course with the final grade and the syllabus of record for the course. Approval is up to the individual GVSU course instructors, with final approval from the PAS Program Director and Department Chair. This information will only be addressed after acceptance into the GVSU PAS program. This information does not pertain to high school “advanced placement” coursework.
3. This policy is consistent with the Graduate School Approval of Course Waivers, Course Substitutions, and Individual Program Plans Policy.
