

## **PAS Program Policy for Participation in Clinical Experiences during the Clinical Year**

To participate in Clinical Experiences during the Clinical Year, all PAS students must

1. Wear appropriate professional attire as outlined in the PAS Program Student Professionalism Policy.
2. Bring their own medical diagnostic instruments (stethoscope, ophthalmoscope, otoscope, reflex hammer, etc.) to all clinical rotations.
3. Clearly display the University-provided nametag picture ID at all times during clinical educational opportunities.
4. Provide their own transportation to and from assigned clinical sites.
5. Pay for all lodging and other personal expenses during the clinical year.
6. Be aware that during some clinical experiences, students may be at risk of exposure to communicable diseases. Please refer to the PAS Program Student Exposure Policy for further details.
7. Adhere to the GVSU Health Compliance Policy at all times.
