PAS Program Student Clinical Rotation Grading Policy and Procedure

Students must meet all the following academic standards to pass core clinical rotations:

1. Preceptor Evaluation of Student score greater or equal to 80%
2. End-of-rotation examination score greater or equal to 70% (after one allowed re-test, if applicable).
3. Final rotation grade of 75% (average of preceptor evaluation and end-of-rotation examination scores)

Students must meet all the following academic standards to pass elective clinical rotations:

1. Preceptor Evaluation of Student score greater or equal to 80%
2. Final rotation grade of 80% (preceptor evaluation score)
