Where elevated western style meets modern glamour — inspired by iconic denim moments and the bold, polished energy of Cowboy Carter. Think dark wash denim, statement accessories, subtle sparkle, boots, tailored pieces, and refined western-inspired details.

From denim dresses and structured jackets to crisp button-downs and elevated basics, the vibe is stylish, polished, and celebration-ready. Dressy casual to cocktail attire is encouraged.

Most importantly, come as you are and wear what makes you comfortable. While themed attire is encouraged, your presence is what matters most.
