

Calling all 4th - 8th grade students
to participate in the 7th annual

Design That! Competition

February 10-11, 2023

Hybrid format

(online entry form, online and/or in-person presentations)

Work in teams to solve problems:

- Humans in Space
- Communities in Space
- Technology in Space
- History of Space Exploration

Fun for everyone!

Great prizes for the winners!
