

STUDY ABROAD

Chile: Summer 2018 Universidad del Bío Bío

CHILLÁN, CHILE— Universidad del Bío Bío (UBB) has been a GVSU partner university since 2011. The partnership continues to grow with new opportunities developing each year for students, faculty and staff. This 11 week summer program is a collaboration between UBB faculty in Chillan and GVSU faculty. This program has been specifically designed to help meet the academic needs of students interested in Spanish language who also plan to pursue a career in one of the health professions. Participants will have opportunities to connect with UBB students who are also majoring in the health professions.

How do I pay for study abroad?

Students can use financial aid, scholarships, grants, personal funds and alternative loans to fund study abroad. For more information on funding, visit **www.gvsu.edu/studyabroad**

Total projected cost is based on in-state, upper-division tuition rates for 12-15 credits. All program information is subject to change. Cost varies based on housing selection. **Out of State Students who receive a GVSU tuition differential scholarship will be able to use that scholarship towards the cost of this program. Excludes international students. Out of state students who do NOT receive the tuition differential scholarship should reference the detailed budget for additional information.*
