PLACEMENT EXAMPLES

DUBLIN, IRELAND

An Human Resources Management Company

At a company that provides employee wellbeing benefits platforms to some of the largest organizations in the US, UK, and Ireland, the interns learn how employee rewards programs can boost productivity and minimize absenteeism. The student provides support to entrepreneurial professionals in developing business in Ireland, gaining experience in using models to project revenues, identifying optimum products, markets, and timelines, and evaluating risk management.

"Each day I conduct market research and also attend project meetings where I am able to actively participate. The most enjoyable aspect is interacting with coworkers, and engaging in project meetings." -Junior, EUSA Dublin

FLORENCE, ITALY

Dynamic Marketing Consultancy Company

This company has unparalleled international expertise in sailing. As a full service marketing agency that is dedicated to sailing, they understand what it takes to implement successful integrated campaigns and initiatives. The selected intern(s) will work with the company's portfolio of clients in a variety of fields including marketing, management consultation, and new media design
