PLACEMENT EXAMPLES

LONDON, ENGLAND

A Hotel Group

This company features a portfolio of 22 world-class international lifestyle hotels in global markets. They are the global leader and innovator of the lifestyle hospitality sector, dedicated to building a differentiated brand portfolio and establishing properties in 24 hour urban and select resort markets. The intern works in all areas of the finance office from Accounts Payable to Income Audit, allowing them to gain exposure to all the areas and how they interconnect.

"My daily tasks include releasing invoices, creating and posting journals, and exporting files. The most enjoyable aspect of my internship is the new knowledge I am gaining not only regarding accounting, but also about the operations and organization needed to successfully operate several hotels. My favorite part was being able to attend a credit meeting at the hotel." -Freshman, EUSA London

BARCELONA, SPAIN

Vacation Rental Company

This company provides management services and technology to clients around the world. They cater to property managers, property owners, and service providers with the goal of increasing occupancy and making their clients "super managers." Interns assist with day-to-day accounting procedures, statements, invoicing, client relationships, and eCommerce platforms for analysis, payroll, etc.
