PLACEMENT EXAMPLES

PRAGUE, CZECH REPUBLIC

A Group Tourism Agency

This organization is a small food-touring agency, run by two passionate locals who love food and travel. Their goal is to show travelers the best of Prague through food by avoiding the crowds and instead roaming the local districts in order to find out what they have to offer.

"This internship exceeded my expectations. Most of my work is independent, I conduct interviews with people and I like that I have so much freedom when it comes to my writing, and that I get to see and do something new every day. I have learned so much about the particular scene here, and about the world in general." -Junior, EUSA Prague

FLORENCE, ITALY

English-written Newspaper

This newspaper is an on-line and paper magazine in Florence. Written in English, it is an important informational resource to assist tourists and English-speaking inhabitants of the city. Participants in their internship program will have the opportunity to write stories and take photos that will be published with by-line credit. This is a phenomenal opportunity to work professionally with Florentine press offices and develop close professional relationships with the local community.
