NOTES
(These are some indications, please read and respect the accommodation contract!)

- If you have a disability that requires special accommodation, please advise us immediately and we will assist you in working with the host institution to determine how such accommodation can be arranged.
- You are requested to respect the deadlines.
- No pets are allowed in any area of the dormitory.
- We do not offer single rooms.
- The room will be shared with another international student of the same gender.

Your keeping the commitment would be a great help for the Center and for all the others students who need accommodation.
