This is NOT a complete list of all scholarships/grants! We strongly encourage students to do research on their own and/ or work with other offices to find out about more scholarships. Students are solely responsible for researching scholarship and grant opportunities that might apply to their study abroad program. The Padnos International Center has some information available to assist students in their search; however, this is not a comprehensive list of options that might be available. Students are responsible for seeking out applicable deadlines and application instructions.
