Scenario Three

Email address is currently tied to an Amazon.com account

Separate your personal order history

Sign in to your existing Amazon.com account using the pre-populated email. **Selecting No, I want to create a new account to use for Amazon Business will allow you to maintain your purchase history on a personal Amazon account.**

Would you like to join **Example** with your current account?
Your order history will be migrated and will be visible to your business account Administrator.

Yes, join this account.

No, I want to create a new account to use for Amazon Business.

If you have an existing Amazon account tied to your work email and use this account for business and personal purchases, we will separate your personal order history from your work email. **The email you designate at this time will be used to access your previous account moving forward, including order history, saved payments, and shipping addresses.**

Choose a new email for your existing Amazon account. Your password stays the same.

- You'll have two separate accounts at Amazon.
- Your existing Amazon orders history, payment methods, and addresses stay out of your business user account.
- You'll sign into Amazon Business with Business Email Address
