Undergraduate Update Guide, 2018-2019:

For undergraduate programs, please review the following sections. Although you may not submit changes for the Degree Requirements and Minor or Certificate Requirements, please review them for accuracy.

Part 1: Program Description:

This section contains all the background information for your program. Included, in order, are the following:

- Program Title
- Website URL
- General Description of department or program
- Accreditation
- Participating Programs
- Honors Organizations

If your department does not contain one or more of these items, just skip it.

Part 2: Degree Requirements:

This section shows all degree requirements including emphasis and concentrations. If you need to make changes to this section, please submit these changes through UCC.

Required courses, electives, secondary admit if applicable

Please submit a suggested order of coursework for the 1st through the 4th year.

Part 3: Minor Requirements or Certificate Requirements:

This section shows all minor or certificate requirements. If you need to make changes to this section, please submit these changes through UCC.
