Professional Mentorship Program 2016-2017
Management and Finance Department

The Department of Management and Finance Professional Mentorship Program partners local professionals one-to-one with Grand Valley State University management students for career preparation and life guidance. Students and their mentors will meet throughout the academic year to discuss everything from choosing the best career fit to their post graduation life. Your mentor will provide another voice that stresses the importance of a strong academic ethic that will translate into workforce success. They will encourage you to watch them in action and provide them an insider look into the industry of their future.
