

Installing Blackboard Mobile

Blackboard Mobile is currently available for Sprint Android and Blackberry phones, as well as the iPhone, iPod Touch and iPad over Wi-Fi. This application is free to download.

Sprint Android

1. Open the Android Marketplace on your phone.
2. Search for “Blackboard Mobile Learn” and download.
3. Launch Blackboard Mobile Learn and search for your school.
4. Login using your GVSU username and password.

Sprint Blackberry

1. Click the App World link.
2. Search for Blackboard Mobile Learn and download.
3. Launch Blackboard Mobile Learn and search for your school.
4. Login using your GVSU username and password.

iPhone, iPod Touch and iPad

1. Verify that you are connected to a Wi-Fi network by clicking on the Settings button. Next to Wi-Fi you will be able to see if you are connected to a network (e.g. SGVSTUDENT or SGVSU). If you are not, click on the arrow to select a known network.
2. Back on your home screen, click on the blue App Store button.
3. At the bottom you will see a search icon, click on that and type “Blackboard Mobile Learn” in the search bar. Click on the Blackboard Mobile Learn result and open the description. At the top right of the screen you will see a blue “FREE” button. Click on the button and then click it again to install the app.
4. Open the Blackboard Mobile application once it installs and login using your GVSU username and password.
