## PCEC Student Services: (616)331-6025

- \* Engineering Foundation course
- + Students may enroll in PHY 231 instead of PHY 234
- # The Jr. Seminar fulfills one Issue and one SWS requirement.

HNR 312 will also fulfill US Diversity

Junior Seminars can be taken when students have >= 45 credits. Online seminars offered each semester.

- ECO 210 or 211 is required in the engineering curriculum. Also fulfills one SBS Honors requirement.
- ~ Course is only offered at Cornerstone University
- \$ HNR US Diversity requirement can be met with a Jr. Seminar (HNR 312).
- ^ Completion of EGR 485 and 486 will fulfill the HNR 499 Senior Project requirement.
- @ Fulfills HNR Life Science

| Second | lary | Admissions | Criteria: |
|--------|------|------------|-----------|
|        |      |            |           |

- A GPA of 2.7 or above in the Engineering Foundation courses
- Completion of each course in the Engineering Foundation with a grade of C (2.0) or above, with no more than one repeat per course
- Completion of preparation for placement in the cooperative engineering education, EGR 289

## Recommendation:

**Student Name:** 

It is strongly encouraged that students do not begin or break a curriculum thread by taking courses at other institutions; e.g., take the MTH 201 equivalent elsewhere, return to GV and continue in the math thread with MTH 202.
