Agenda:

- 1) Arrivals and pre-meeting review of the Minutes (3:00 –3:05). Minutes taken via Zoom, support from recording.
- 2) Approval of minutes from 2/9/2026 (attachment).
 - a) The minutes were approved with no changes.
- 3) Report from the Chair
 - a) The UAC website has been migrated to CMS5. Thank you to Gideon for helping to make that happen quickly and efficiently.
 - b) Special Charge update, *Work with the Provost Office to see where and how the assessment data that programs collect and provide to UAC fits into a program health check process.*
 - i) Henderleiter, Besel and Lancaster met with AVP Aaron Lowen on Feb. 27 to discuss how UAC's work fits into the new Program Health Check process. Currently, the Program Health Check process is focusing on data collected via Gray DI. There is currently not a place for UAC's work in the Program Health Check process, but there may be in the future.
 - ii) Lancaster noted that HLC demands that institutions of higher learning have a program review process that includes curriculum and changes made to curriculum based on data. What this committee does around evaluating student learning outcomes should be part of a program review process. What we do in this committee can be a part of a broader program review process, and that's the way it's

written up in the accreditation documents. In the past, UAC's work has been combined FSBC's work to create a virtual program review, even though it's not a standard program review.

- 4) Report from the Provost's Office
 - a) None
- 5) New Business
 - a) Discuss UAC Recommendations for Assessment document, update to earlier policy. Original and updated versions are attached. Plan to discuss, approve if appropriate.
 - i) Two versions of the document were presented. The updated version was lightly edited and approved. It will be posted on the UAC website under *UAC Assessment Recommendations*.
- 6) Adjourn full committee, review teams meet as needed. Assessment reports are posted to Bb in the Winter 2026 folder, arranged by Review Team.
