Here is what I am thinking:</p> <ol style="list-style-type: none"> 1. You review your projected headcount and we put in a catering order for what you think you need (i.e. ~100 people). We can always adjust it up or down accordingly as we approach the event! 2. You pay \$400 for catering from your budget (if approved) 3. I will take care of the rest as a donation in exchange for the Silver level as you described. I am estimating this will be a \$400+ donation at retail value. 4. I am open to doing a 10% back split right again as well, as we just recently did, to put us at Gold level. We can provide our logo and any other assets or information you need for marketing! <p>Sound good? Any thoughts? 🍌</p> <p>We appreciate you! ...</p>
