- Going on for 4+ years
- Josh: The only promotion is lakerhub, do you guys use social media?
- Instagram, newsletters, whatsapp group messages, word of mouth
- Stephen: have you guys used suitable or anything in the past to track people.

Young Democratic Socialists of America (YDSA)

- Request: Queer rave (every semester), started a couple years ago. An event where students can enjoy music, likeminded queer people. Make new friends
- Questions:
- Lukas: computer streamers and strobe lights were zeroed out by the campus purchasing card.
- Will: what was the turnout for the winter queer rave and was there food leftover.
- Had a good amount of food leftover, but adjusted the food
- Josh: do you have any decor that you are using from before
- Have balloons and tablecloths that they are reusing.
- Sophie: have the expected students as 250, how do you gage that
- The rsvp from suitable and from previous queer raves
- Stephen: pizza viewpoint needs to be as close to enough dollar amount. Not able to do giveaways, and not able to fund disposable streamers.
- Reuse all the things from before, but it needs to match the event. Pizza is accurate for this year's queer rave.
- Stephen: fall semester's pizza was less than this time.
