Affirmed RHT Endorsement letter.

### Update on Student Loan Changes

The Big Beautiful Bill has changed the limit of borrowing for students. **GVSU students are not impacted in any significant ways**; however, the information ecosystem out there is amplifying emotional misunderstandings around the situation.

**\*\*\*Good talking point:** when advocating for borrowing amounts, it is a good strategy to “not advocate for students to borrow obscene amounts of money when preparing for lower-paying industries (i.e. k-12 educators).”

More concerning change: Grad PLUS Loans are being eliminated entirely. Students who rely on this funding will have to look for alternative funding sources. Impacting new students or students who change programs.
