AP Forum Format

- [World Cafe model](#) – not talk to everyone, but get smaller groups of people for more relational interactions
- Base tables on THEMES/QUESTIONS – allow folks to prioritize time based on questions they have
- Dr. Shorty perspective: want the event to be meaningful. Curate the event to be most beneficial (not just repeating information that is available already).
- Split event into two formats: Part 1 is World Cafe to learn from SLT to learn about what’s happening in divisions ; Part 2 is Town Hall where SLT asks questions to provide space for experiences to have the floor.
