

## CONSENT FOR TAKING AND RELEASING PHOTOGRAPHS/VIDEOS

I give permission to the Interprofessional Simulation Department at Grand Valley State University (“GVSU”) to take photographs and/or videos of me to use for educational, promotional, or academic research purposes.

I understand that the photographs and videos may be used for:

- Educational activities, such as instruction or training.
- Program promotion, including University social media accounts.
- Academic research dissemination, including showing images or video clips during **live research presentations, academic conferences, classroom discussions, or similar educational settings**.

I understand that:

- These materials **will not** be distributed to others outside of live or in-person academic, instructional, or conference-related activities.
- The materials will **not** be used for entertainment.
- All photographs, videos, and related materials are the **exclusive property of GVSU and its licensees**.
- Any recordings made during my participation may be used in any media format for instructional or educational purposes.
- All intellectual property created through this process is owned solely by GVSU and its licensees.
- Recordings are saved for two (2) years and students will have secure access to the videos, if needed.

I release GVSU and its licenses from any and all claims I may have arising from use of my likeness, including any rights to sue for defamation, right to payment, or violation of my rights of privacy or publicity.

I understand that this consent remains valid until I choose to revoke it. To revoke my consent, I must notify the Simulation Department **in writing by registered mail**, and the revocation will take effect on the date it is received. I understand that my participation in this program does **not** depend on signing this form.
