

Amanda J. Dillard
 Department of Psychology
 Grand Valley State University
 1 Campus Dr., Allendale, MI 49401-9403

EDUCATION

Ph.D., 2006	Health Psychology, North Dakota State University
M.S., 2004	Experimental Psychology, North Dakota State University
B.A., 1999	Psychology, with Honors, Ohio State University

POSITIONS

2022-	Professor, Grand Valley State University
2015-2022	Associate Professor of Psychology, Grand Valley State University
2009-2015	Assistant Professor of Psychology, Grand Valley State University
2006-2009	Postdoctoral Fellow, Center for Behavioral and Decision Sciences in Medicine, VA Ann Arbor & University of Michigan

PEER-REVIEWED ARTICLES

TEACHING

Grand Valley State University

Courses

2009-Present

PSY 101- Introductory psychology

PSY 364- Psychology of physical disability

PSY 367- Health psychology

Workshops

2024

CLAS Voyage Summer Institute - Participant

2014, 2105

Executive Education Programs, Executive MBA, Seidman College of Business
“Emotion biases in risk perception and medical-decision-making”

MENTORING

(all Psychology at Grand Valley State University unless otherwise specified)

2025, Faculty adviser, *Honor's thesis* (Mya Hanna)

Summer, 2025, Research mentor, *McNair Program* (Mya Hanna)

Summer, 2024, Research mentor, *McNair Program* (Cruz Flores-Calderon)

2024, Faculty adviser, *Honor's thesis* (Emma Turner)

2022, Faculty adviser, *Honor's thesis* (Krystalyn Terski)

2021, Faculty adviser, *Honor's thesis* (Brianne Nickel; Allied Health Sciences)

Summer, 2021, Research mentor, *McNair Program* (Claire Stone)

Summer, 2020, Research mentor, *McNair Program* (Deon Hayes)

Summer, 2018, Research mentor, *Student Summer Scholars Program* (Alyssa Langenberg)

Summer, 2017, Research mentor, *McNair Program* (Adrian Hernandez)

2016-2017, Faculty adviser, *Master's thesis* (Matthew Fallon; Biomedical Sciences)

2016-2017, Faculty adviser, *Honor's thesis* (Leah DeVries; Biomedical Sciences)

Summer, 2015, Research mentor, *McNair Program* (Sarah Hayes)
 Summer, 2014, Research mentor, *Student Summer Scholars Program* (Megan Wertheimer)
 2013-2014, Faculty adviser, *Honor's thesis* (Allison Desautels)
 Summer, 2013, Research mentor, *McNair Program* (Garrett Hisler)
 Summer, 2012, Research mentor, *Student Summer Scholars Program* (Jackie Main)
 2010-2011, Faculty committee member, *Master's thesis* (Amanda Costello, Megan Bolthouse; Occupational Therapy)
 2009-2010, Faculty adviser, *Honor's thesis* (Andrew Cieslinski)

MENTORED STUDENT PRESENTATIONS

Student Scholar's Day

(since 2012)

- Shane, E. & Nieboer, G. (April, 2025). Testing a mindful intervention to reduce cell phone use in college students.
- Hanna, M. (April, 2025). Prospective associations between trait mindfulness, health behaviors, and behavioral intentions in college students.
- Campbell, B. (April, 2024). Testing the “natural-is-better” bias for sunscreen.
- Korol, J. (April, 2024). Trait mindfulness: Associations with physical symptoms and health behavior intentions.
- Holyfield, H. & Billeck, M. (April, 2021). The effects of retrospective versus anticipated regret on eating behaviors.
- Lester, J. (April, 2021). Assessing the relationship between Covid-19 risk perceptions and worry, severity, and behavioral intentions.
- Weber, AE. (April, 2021). Dispositional optimism and its protective role for women with infertility.
- Gilbert, H. (April, 2019). A test of the impact bias on the consumption of unhealthy snack foods.
- Langenberg, A., & Holyfield, H. (April, 2019). Reducing an impact bias towards a health food.
- Dubay, O., & Hey, K. (April, 2018). Descriptive data on occasional smokers.
- Wheeler, J., & Geselman, M. (April, 2016). Does mood interact with self-affirmation to reduce defensiveness to weight gain message?
- Wertheimer, M., & Senglaub, S. (April, 2015). The effects of past or anticipated regret on students' perceptions of the regret experience related to health behaviors.
- Wertheimer, M., & Mead, M. (April, 2014). Emotion as a modulator of self-affirmation in reducing defensiveness to health messages.
- Ortiz, S., & O'Donahue, S. (April, 2014). Effects of incidental emotions on risk perceptions, thoughts, and behavior related to cancer.
- Desautels, A., & Naftaly, J. (April, 2014). Is it okay to be sad? Perceptions of the emotions of individuals with disabilities.
- George, K., & Main, J.M. (April, 2013). Effects of incidental emotions on intuitive feelings of risk of developing cancer.
- Murphy, K. (April, 2012). The salience of disability and the impact of the presence of a person with a disability on perceived vulnerability to negative health outcomes.
- Graham, M., & Ouillette, T. (April, 2012). Effects of emotional vs. logical processing and messages on skin cancer risk behaviors.

Student Summer Showcase

(since 2012)

-Hanna, M. (July, 2025). Prospective associations between trait mindfulness, health behaviors, and behavioral intentions in college students.

-Hayes, D. (September, 2020). Effects of anticipated versus retrospective regret on eating behavior in real time. *Virtual*

-Langenberg, A. (July, 2018). Reducing an impact bias towards a health food.

-Hernandez, A. (August, 2017). Retrospective and anticipated regret for self and other: Are there implications for health behavior decision-making?

-Hayes, S. (August, 2015). Social influence and experiential processing as moderators of a narrative message about tanning.

-Wertheimer, M. (August, 2014). Reducing the impact bias in colorectal cancer screening.

-Hisler, G. (August, 2013). Effects of information processing systems and health message format on skin cancer risk perceptions and behavioral intentions.

-Main, J. M. (August, 2012). Effects of self-affirmation on coping and motivational systems.

GRANTS**Funded**

Center for Scholarly and Creative Excellence Grand Valley State University	11/1/22 – 8/1/23	\$5,000
---	------------------	---------

Catalyst grant

Affective forecasting in IVF patients

Role: Principal Investigator

Office of Undergraduate Research and Scholarship Grand Valley State University	8/20/18 – 4/19/19	\$1,000
---	-------------------	---------

Undergraduate Research Assistant in Social and Behavioral Sciences (URA-SBS)

Role: Supervisor

Office of Undergraduate Research and Scholarship Grand Valley State University	5/1/18 – 9/1/18	\$6,000
---	-----------------	---------

Student Summer Scholars (Mentee: Alyssa Langenberg)

Impact biases towards healthy foods

Role: Mentor

Office of Undergraduate Research and Scholarship Grand Valley State University	5/1/14 – 9/1/14	\$6,000
---	-----------------	---------

Student Summer Scholars (Mentee: Megan Wertheimer)

Reducing the impact bias in colon cancer screening

Role: Mentor

Office of Undergraduate Research and Scholarship Grand Valley State University	5/1/12 – 8/26/12	\$6,000
---	------------------	---------

Student Summer Scholars (Mentee: Jackie Main)

Exploring the effects of self-affirmation

Role: Mentor

Center for Scholarly and Creative Excellence
Grand Valley State University

3/1/11 – 3/1/12

\$3,000

Catalyst grantRelationships between perceived risk, worry,
and health behavior

Role: Principal Investigator

Foundation for Informed Medical Decision-Making

6/1/07 – 6/1/09

\$25,000

Investigator Grant

Using testimonials to improve decision outcomes

Role: Principal Investigator

Center for Health Communication Research
University of Michigan

9/1/07 – 9/1/08

\$41,000

Internal Grant

Improving risk communication through tailored testimonials

Role: Principal Investigator

Not funded

National Institutes of Health, NCI

R-15 Area grant

2/24/2014

\$357,797

Understanding barriers to colorectal cancer screening via
affective forecasting

Role: Principal Investigator

HONORS AND AWARDS

- May, 2014, Council of Undergraduate Research, *Posters on the Hill Selection*
- February, 2014, Center for Scholarly and Creative Excellence, GVSU, *Distinguished Early Career Scholar Award*
- May, 2009, Center of Excellence in Cancer Communication Research, 3rd Place Poster
- June 25-July 6 2007, Summer Institute in Informed Patient Choice, Dartmouth College, *Fellow*
- August 2005-July 2006, North Dakota State University, *Dissertation Fellowship*
- September 2004, International Positive Psychology Summit, *Fellow*
