

Class of 2026 Tuition, Fees, and Cost of Enrollment

Class of 2026	Didactic (16 months)	Clinical (12 months)	Notes
GVSU Application Fee	\$30	N/A	No fee if previously applied to GVSU
Tuition (resident and non-resident is same)	\$62,980 (67 credits)	\$33,840 (36 credits)	Based on tuition rates of \$940/credit hour. Subject to change by GVSU Board of Trustees.
Clinical Rotation Fee	N/A	\$4,400	Assessed as a course fee for PAS 610, 620, 630.
Program and Institution Subtotals *See below for tuition and fee breakdown per semester	Subtotal Didactic Phase Program and Institution Fees: \$63,010	Subtotal Clinical Phase Program and Institution Fees: \$38,240	Subtotal Program and Institution Fees: \$101,250
Housing/Transportation/Food	\$25,092	\$17,928-\$24,928	Clinical year travel can vary depending on site placement. These estimates are based on current federal government data used to determine financial aid eligibility, taking into account location and cost of living. Actual expenses may vary by individual circumstances.
Medical Equipment/Books/BLS/ACLS	\$1,300	\$500	Dependent upon the student's purchase, various options are available at lower costs.
Health Compliance	\$485	\$205	Health compliance costs vary by student. All students must establish a health compliance account and complete a background check, fingerprinting, drug screen, and healthcare visit to document ability to meet technical standards.

			Additional requirements include annual influenza immunizations and TB testing; students who have not previously received the required immunizations (Hepatitis A, Hepatitis B, COVID, Tdap, MMR, Varicella) may also need to obtain them. See the GVSU Health Compliance site for where to obtain services. Students are required to update TB testing and influenza immunizations. Depending on clinical site placement, students may be required to repeat criminal background checks and drug screenings.
Estimated TOTAL COST OF ENROLLMENT	\$89,887	\$56,873-\$63873	Total: \$146,760-\$153,760
