See page 2 for full breakdown of major requirements and prerequisites

¹ Students who self-place into WRT 120 should take this course in the fall semester and then take WRT 130 in the winter semester of their first year. Students who self-place into WRT 150 should normally take this course in the winter semester of their first year.

Students will not need to take WRT 120/130 or WRT 150 if they have earned credit for the course through AP/Dual Enrollment. A grade of C or better is required in WRT 130 or 150 in order to satisfy the WRT requirement at GVSU.

²MTH 131 and PHI 103 do not require MTH 110. If you change your major to something that requires any other math courses, you will need MTH 110. You can take the math placement test, see an advisor for specific details/recommendations
