SEPTEMBER 2025 MONTHLY UPDATE

Join Us for the September Project Update

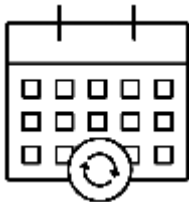

Join us for a campus-wide project update on **Wednesday, September 24, 2025, from 3:00–4:30 p.m.** This session is open to all faculty and staff and will highlight the latest design decisions, upcoming priorities, and other updates from project teams. There will also be an opportunity to ask questions.

Attend in person at the L. William Seidman Center (Charles W. Loosemore Forum) in Grand Rapids, or join virtually on Zoom. If you can't make it, a recording will be available on the Workday @ GVSU website.

From Build to Launch: Workday Student Timeline

The Workday Student journey is moving forward! Since 2024, our team has been building the foundation for a system designed to transform how GVSU students, faculty, and staff navigate the academic experience. Here's a quick look at the project timeline:

- **Dec 2025:** The design and build of the system will be complete!
- **Jan-Sept 2026:** Testing will begin and conclude with a mock semester to help the university prepare for the transition to Workday Student
- **Oct 2026 – Summer 2027:** Training and activities launch across the university, with certain areas beginning to use Workday Student for select processes.
- **Fall 2027:** Full implementation of Workday Student at GVSU.

What's Changing with Workday Student?

As we move toward Workday Student, many of our existing processes will shift to align with the new system. The [What's Changing](#) page

gives faculty and staff a clear look at how activities work now versus how they will with Workday. It's your go-to resource for understanding how Workday will impact day-to-day work across campus.

Reminder: Workday System Updates and Maintenance

Workday is continuously evolving to meet the needs of the GVSU community. Routine maintenance is scheduled on both a monthly and quarterly basis. During these periods, Workday will be temporarily unavailable.

In addition, Workday schedules major enhancement releases that add new features and improve functionality. The second major release of the year, Workday 2025 Release 2, is right around the corner.

Learning to Speak Workday: Financial Aid Workstream

Each month, we'll share key terms to help you get familiar with the language of the Workday project.

The **Financial Aid Workstream** is redesigning how students apply for, receive, and manage their aid. By integrating financial aid with academic records and billing, Workday Student will make the process more streamlined for students.
