

TURNING WHAT IF INTO WHAT IS

Grand Valley State University is a dynamic four-year public institution in Michigan, with primary campuses in Allendale and Grand Rapids, and a strong presence across the state.

Grand Valley is a catalyst for what could be. Where new ideas are explored. Where new interests are ignited. And where every student is encouraged to ask, "What if?"

Through personalized learning enhanced by active scholarship, we prepare globally minded citizens for the future they face and the communities they shape, and we accomplish our mission of empowering learners in their pursuits, professions, and purpose.

At GVSU, we are committed to turning what if into what is, transforming aspirations into achievements and possibilities into realities.

Experience Academic Excellence

- Choose from 107 undergraduate degrees, 44 graduate degrees, more than 350 areas of study.
- Grand Valley's liberal education foundation uses digital literacy, student agency, and experiential learning to ensure students acquire valuable, real-world skills that employers need.

First-rate Faculty

- Faculty members are accomplished scholars and mentors who offer the kind of expertise that will distinguish students' learning experiences.
- Unlike most schools, the majority of classes are taught by faculty members, not graduate assistants or teaching assistants.

Learning from Doing

- Internships, co-ops, and other experiential learning opportunities keep students engaged and give them an edge after graduation.
- State-of-the-art labs and learning facilities help students prepare for the real world.
- Faculty-mentored research opportunities stretch students academically and have real-world impact.

Committed to Safety and Health

- GVSU was awarded the 2025 *Insight into Academia's* Excellence in Mental Health and Well-Being Award for fostering a culture of mental health wellness of students, faculty members and staff members.
- College Choice ranks GVSU #14 in the nation for safest schools.

Built to Inspire

- Grand Valley's facilities — from our world-renowned library and learning center on the Valley Campus in Allendale to the newest buildings on our growing Health Campus in downtown Grand Rapids — set new standards and promote academic achievement across disciplines.
- All new Grand Valley buildings are built to LEED (Leadership in Energy and Environmental Design) standards. GVSU currently has 27 LEED-certified buildings.

Find Your Community

- From our 400+ student clubs and organizations to some of the newest living centers in the state, students have a chance to make memories with like-minded students while also learning more about themselves.
- Grand Valley boasts 37 club sports teams for everything from bass anglers and pompons to dodgeball and rowing. Grand Valley also boasts 28 intramural sports offerings as well as 20 Esports teams (17 club, and 3 premier).

All We do is Win, Win, Win

- Grand Valley's teams have celebrated 31 NCAA Division II national championship wins, with 23 of them coming from women's teams.
- Grand Valley claimed the Great Lakes Intercollegiate Athletic Conference (GLIAC) 2024-2025 Presidents' Trophy for the 26th consecutive year and a GLIAC-best 31st time overall.
