### **ROLE OF GRAND VALLEY STATE UNIVERSITY BOARD OF TRUSTEES AS AUTHORIZING BODY**

Section 2.1. Independent Status of the University. The University Board is an authorizing body as defined by the Code. In approving this Contract, the University voluntarily exercises additional powers given to the University under the Code. Nothing in this Contract shall be deemed to be any waiver of the University's powers or independent status and the Academy shall not be deemed to be part of the University Board. The University Board has provided the Department the accreditation notice required under Section 552.

Section 2.2. Independent Status of the Academy. The Academy is a body corporate and governmental entity authorized by the Code. The Academy is organized and shall operate as a public school academy and a nonprofit corporation. The Academy is not a division or part of the University. The relationship between the Academy and the University Board is based solely on the applicable provisions of the Code and the terms of this Contract or other agreements between the University Board and the Academy, if applicable.

Section 2.3. University Board Resolutions. For purposes of this Contract, the University Board has adopted the following resolutions:

- a) Method of Selection Resolution. The University Board has adopted the Method of Selection Resolution which is incorporated into this Contract as part of Schedule 1. At anytime and at its sole discretion, the University Board may amend the Method of Selection. - b) Authorizing Resolutions. The University Board has adopted the Authorizing Resolution, which is incorporated into this Contract as part of Schedule 1.

The Academy shall perform the compliance certification duties required by the University Board as outlined in the Contract and MCRR incorporated into this Contract as Schedule 5. Additionally, the Academy shall be responsible for the following:

- a) The Academy shall provide the Charter Schools Office with copies of reports and assessments concerning the educational outcomes achieved by pupils attending the Academy and shall provide necessary approvals for the Charter Schools Office to access electronic information received or stored by the State of Michigan including, but not limited to, the Department of Education or other agency authorized by the State to collect school data.
- b) In the event that the University President determines that the Academy's educational outcomes should be reviewed to help determine if the Academy is meeting the educational goals set forth in the Schedules, the University President, at his or her discretion, may require an objective evaluation of student performances by an educational consultant, acceptable to both the Academy and the University President. The Academy shall pay for the expense of the evaluation. In addition, at any time, the University President may require an evaluation of student performance to be selected by and at the expense of the University. The Academy shall cooperate with the evaluation, including any student testing required.
- c) The Academy shall submit audited financial statements, including auditor's management letters and any exceptions noted by the auditors, to the University Charter Schools Office. The financial statements and auditor's management letters

shall be submitted to the University Charter Schools Office within ninety (90) days after the end of the Academy's fiscal year.

- d) The Academy shall provide the University Charter Schools Office with a copy of the approved annual budget for the upcoming fiscal year of the Academy no later than July 1st. Section 2.5. University Board Administrative Fee. During the term of this Contract, the Academy shall pay the University Board an administrative fee of 3% of the state school aid payments received by the Academy. For purposes of this Contract, state school aid payments received by the Academy in July and August in any given year shall be deemed to have been received by the Academy during the Contract term. This fee shall be retained by the University Board from each state school aid payment received by the University Board for forwarding to the Academy. This fee shall compensate the University Board for issuing the Contract and overseeing the Academy's compliance with the Contract and all Applicable Law. This fee may also be used to fund college readiness work and scholarships for academies that are in compliance with this Contract.

Section 2.6. University Board as Fiscal Agent for the Academy. The University Board is the fiscal agent for the Academy. The University Charter Schools Office may disapprove the proposed agreement if it contains provisions in violation of this Contract or Applicable Law. No ESP agreement shall be effective unless and until the agreement complies with Section 11.16 of these Terms and Conditions. With respect to Academy employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages; (iii) dismiss employees; and (iv) control the employees' conduct, including the method by which the employee carries out his or her work. An employee hired by the Academy shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. The Academy Board shall prohibit any individual from being employed by the Academy, an ESP, or an employee leasing company involved in the operation of the Academy, in more than one (1) full-time position and simultaneously being compensated at a full-time rate for each of these positions. The Academy shall be responsible for carrying worker's compensation insurance and unemployment insurance for its employees.

Section 2.8. Financial Obligations of the Academy are Separate from the State of Michigan, University Board and the University. Any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral, of the State of Michigan, the University Board, or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of the University Board or the University shall ever be assigned or pledged for the payment of any Academy contract, agreement, note, mortgage, loan or other instrument of indebtedness.

Section 2.9. Academy Has No Power to Obligate or Bind State of Michigan, University Board or the University. The Academy has no authority whatsoever to enter into any contract or other agreement that would financially obligate the State of Michigan, University Board or the University, nor does the Academy have any authority whatsoever to make any representations to lenders or third parties, that the State of Michigan, University Board or the University in any way guarantee, are financially obligated, or are in any way responsible for any contract, agreement, note, mortgage, loan or other instrument of indebtedness entered into by the Academy.

Section 2.10. Authorizing Body Contract Authorization Process. Pursuant to the Code, the University Board is not required to issue a contract to the Academy. This Contract is for a fixed term and will terminate at the end of the Contract Term set forth in Section 12.14 without any further action of either the Academy or the University Board. Prior to the end of the Contract term, the University Board shall provide a description of the process and standards by which the Academy may be considered for the issuance of a new contract. The timeline for consideration of whether to issue a new contract to the Academy shall be solely determined by the University Board. The standards for issuance of a new contract shall include increases in academic achievement for all groups of pupils as measured by assessments and other objective criteria established by the University Board as the most important factor of whether to issue or not to issue a new contract. The University Board, at its sole discretion, may change its process and standards for issuance of a contract at anytime, and any such changes shall take effect automatically without the need for any amendment to this Contract. Consistent with the Code, the University Board may

elect, at its sole discretion, not to consider the issuance of a contract, consider reauthorization of the Academy and elect not to issue a contract, or consider reauthorization of the Academy and issue a contract for a fixed term.

Section 2.11. University Board Approval of Condemnation. In the event that the Academy desires to acquire property pursuant to the Uniform Condemnation Procedures Act or other applicable statutes, it shall obtain express written permission for such acquisition from the University Board. The Academy shall submit a written request to the Charter Schools Office Director describing the proposed acquisition and the purpose for which the Academy desires to acquire the property. The Charter Schools Office Director will generate a recommendation for consideration by the University Board with regard to the proposed acquisition. The request and the Charter Schools Office Director's recommendation will be submitted by the Charter Schools Office Director for the University Board's consideration in accordance with the University Board's generally applicable timelines and policies for the agendas of regularly-scheduled University Board committee meetings and formal sessions of the University Board. No acquisition may be made until the approval of the University Board is obtained by resolution adopted at a formal session of the University Board.

Section 2.12. Charter Schools Office Director Review of Certain Financing Transactions. If the Academy proposes to (i) finance the acquisition, by lease, purchase, or other means, of facilities or equipment, or renovation of facilities, in excess of \$150,000, pursuant to arrangements calling for payments over a period greater than one (1) year, and which include a pledge, assignment or direction to one or more third parties of a portion of the funds to be received by the Academy from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 et seq., or (ii) direct that a portion of its State School Aid Payments be forwarded by the Fiscal Agent University Board to a third party account for the payment of Academy debts and liabilities, the Academy shall submit the transaction for prior review by the Charter Schools Office Director as designee of the University Board, in the manner provided herein. The Academy shall, not later than thirty (30) days prior to the proposed closing date of the transaction, submit a written request to the Charter Schools Office Director describing the proposed transaction and the facilities or equipment to be acquired with the proceeds thereof (if any), and in the case of a transaction described in subparagraph (ii) of this Section, (a) a copy of the Academy Board's resolution authorizing the direct intercept of State School Aid Payments; (b) a copy of a State School Aid Payment Agreement and Direction document that is in a form acceptable to the University Charter Schools Office; and (c) copies of such other documentation regarding the transaction which is the subject of the proposed direct intercept as the University Charter Schools Office may request. Unless the Charter Schools Office Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the Charter Schools Office Director shall notify the Academy if the proposed transaction is disapproved. The Charter Schools Office Director may disapprove the proposed transaction if the proposed transaction violates this Contract or applicable law. If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lender, lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the Charter Schools Office Director. By not disapproving a proposed transaction, the Charter Schools Office Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.

## **ARTICLE III**

Section 3.2. Other Permitted Activities. Nothing in this Contract shall prohibit the Academy from engaging in other lawful activities that are not in derogation of the Academy's status as a public school or that would not jeopardize the eligibility of the Academy for state school aid funds. ### **AMENDMENT**

Section 9.1. Amendments. The University Board and the Academy acknowledge that the operation and administration of a public school academy and the improvement of educational outcomes over time will require amendment of this Contract. Except as provided in Sections 2.3, 5.2 and 6.11, the University Board delegates to its University President the review and approval of changes or amendments to this Contract. The Academy Board may

delegate the same authority to the Academy Board President. The Contract shall be amended upon agreement and approval of the respective authorized designees.

Following University Board approval, the Charter Schools Office shall provide notice of the termination to the Academy. If during the period between the University Board's action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the University Board may elect to initiate suspension or revocation of the Contract sooner as set forth in this Article X. If the Academy Board, after receiving a Suspension Notice from the University President continues to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may immediately convene a Revocation Hearing in accordance with the procedures set forth in Section 10.6(e) of the Terms and Conditions. The Hearing Panel has the authority to accelerate the time line for revoking the Contract, provided that notice of the revocation hearing shall be provided to the University Charter Schools Office and the Academy Board at least five (5) days before the hearing. - h) The Academy violates the site restrictions set forth in the Contract or the Academy operates at a site or sites without the prior written authorization of the University Board; or
- i) The University Board, its trustees, officers, employees, agents or representatives are not included as third party beneficiaries under any educational management agreement entered into by the Academy for purposes of indemnifying such parties in accordance with Section 11.16 of the Terms and Conditions.

- a) Notice of Intent to Revoke. The CSO Director, upon reasonable belief that such grounds for revocation of the Contract exist, shall notify the Academy Board of such grounds by issuing the Academy Board a Notice of Intent to Revoke for non-compliance with the Contract or Applicable Law. The Notice of Intent to Revoke shall be in writing and shall set forth in sufficient detail the alleged grounds for revocation.
- b) Academy Board's Response. Within thirty (30) days of receipt of the Notice of Intent to Revoke, the Academy Board shall respond in writing to the alleged grounds for revocation. If the Academy's response includes admissions of non-compliance with the Contract or Applicable Law, the Academy Board's response must also contain a description of the Academy Board's plan and time line for correcting the non-compliance with the Contract or Applicable Law. If the Academy's response includes a denial of non-compliance with the Contract or Applicable Law, the Academy's response shall include sufficient documentation or other evidence to support a denial of non-compliance with the Contract or Applicable Law. A response not in compliance with this section shall be deemed to be non-responsive. As part of its response, the Academy Board may request that a meeting be scheduled with the CSO Director prior to a review of the Academy Board's response.
- c) Plan of Correction. Within fifteen (15) days of receipt of the Academy Board's response or after a meeting with Academy Board representatives, whichever is sooner, the CSO Director shall review the Academy Board's response and determine whether a reasonable plan for correcting the deficiencies can be formulated. If the CSO Director determines that a reasonable plan for correcting the deficiencies set forth in the Notice of Intent to Revoke can be formulated, the CSO Director shall develop a plan for correcting the non-compliance ("Plan of Correction"). In developing a Plan of Correction, the CSO Director is permitted to adopt, modify or reject some or all of the Academy Board's response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The Notice of Intent to Revoke shall be withdrawn if the CSO Director determines any of the following: (i) the Academy Board's denial of non-compliance is persuasive; (ii) the non-compliance set forth in the Notice of Intent to Revoke has been corrected by the Academy Board; or (iii) the Academy Board has successfully completed the Plan of Correction. In the event the Notice of Intent to Revoke is withdrawn, the CSO Director shall notify the Academy Board, in writing, of such withdrawal.
- d) Plan of Correction May Include Conditions to Satisfy University Board's Contract Reconstitution Authority. Reconstitution of the Academy does not prohibit the Department from issuing an order under section 561 of the Code, MCL 380.561, directing the automatic closure of the Academy's site(s).

- e) Request for Revocation Hearing. The CSO Director may initiate a revocation hearing before the University Charter Schools Hearing Panel if the CSO Director determines that any of the following has occurred:

  - iv) the Academy Board's response contains denials that are not supported by sufficient documentation or other evidence showing compliance with the Contract or Applicable Law;

WHEREAS, the Michigan Legislature has provided for the establishment of a School of Excellence that is a Cyber School (“School of Excellence”) as part of the Michigan public school system by enacting Act Nos. 201 through 205 of the Public Acts of 2009; and

WHEREAS, according to this legislation, the Board of Trustees of Grand Valley State University (“University Board”), as the governing body of a state public university, is an authorizing body empowered to issue contracts to organize and operate a School of Excellence; and

WHEREAS, the Michigan Legislature has mandated that a School of Excellence contract be issued on a competitive basis taking into consideration the resources available for the proposed School of Excellence, the population to be served by the proposed School of Excellence, the educational goals to be achieved by the proposed School of Excellence, and the applicant’s track record, if any, in operating public school academies or other public schools; and

WHEREAS, the University Board, having received applications for organizing a School of Excellence, and having examined the ability of the proposed performance standards, proposed academic program, financial viability of the applicant, and the ability of the proposed School of Excellence board of directors to meet the contract goals and objectives;

NOW, THEREFORE, BE IT RESOLVED:

1. That the application for Michigan Preparatory Virtual School (“Academy”), submitted under Part 6e of the Code, MCL 380.551 et seq. (“Part 6e”), meets the University Board’s requirements and the requirements of applicable law and is therefore approved;
2. That the Board of Trustees establishes the method of selection, length of term and number of members of the Academy’s Board of Directors as follows:

Method of Selection and Appointment of School of Excellence Board Members:

- a. Initial School of Excellence Board Member Nominations and Appointments: As part of the School of Excellence application, the applicant shall propose to the Director of the University Charter Schools Office (“Director”), the names of proposed individuals to serve on the initial board of directors of the proposed School of Excellence Academy (“Academy Board”). When the Director recommends an initial contract for approval to the Board of Trustees, he/she shall include recommendations for initial Academy Board members. These recommendations may, but are not required to, include individuals proposed by the School of Excellence applicant. To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Academy Board Member Questionnaire prescribed by the University Charter Schools Office; and (ii) the Criminal Background Check Report prescribed by the University Charter Schools Office.

The Board of Trustees shall have the sole and exclusive right to appoint members to the Academy Board.
- c. Exigent Appointments: When the Director determines an “exigent condition” exists which requires him/her to make an appointment to a public school academy’s board of directors, the Director, with University President approval, may immediately appoint a person to serve as a public school academy board member for the time specified, but not longer than the next meeting held by the Board of Trustees when a regular appointment may be made by the Board of Trustees. The Director shall make the appointment in writing and notify the public school academy’s board of directors of the appointment. Exigent conditions include, but are not limited to when an Academy Board seat is vacant, when a Academy Board cannot reach a quorum, when the Board of Trustees determines that an Academy Board member’s service is no longer required, when an Academy Board member is removed, when an Academy

Board fails to fill a vacancy, or other reasons which would prohibit the Academy Board from taking action without such an appointment.

3. Qualifications of Academy Board Members: To be qualified to serve on the Academy Board, a person shall: (a) be a citizen of the United States; (b) reside in the State of Michigan; (c) submit all materials requested by the GVSU Charter Schools Office including, but not limited to, a GVSU Academy Board Member Questionnaire and a release for criminal history background check; (d) not be an employee of the Academy; (e) not be a director, officer, or employee of a company or other entity that contracts with the Academy; and (f) not be an employee or representative of GVSU or be a member of the Board of Trustees.

5. Length of Term; Removal: An appointed Academy Board member is an “at will” board member who shall serve at the pleasure of the Board of Trustees for a term of office not to exceed three (3) years. Regardless of the length of term, terms shall end on June 30 of the final year of service, unless shorter due to other provisions of this resolution. A person appointed to serve as an Academy Board member may be reappointed to serve additional terms. When an Academy Board member is appointed to complete the term of service of another Academy Board member, their service ends at the end of the previous Academy Board member’s term.

If the Board of Trustees determines that an Academy Board member’s service in office is no longer required, then the Board of Trustees may remove an Academy board member with or without cause and shall specify the date when the Academy Board member’s service ends. An Academy Board member may be removed from office by a two-thirds (2/3) vote of the Academy’s Board for cause.
6. Resignations: A member of the Academy Board may resign from office by submitting a written resignation or by notifying the Director. The resignation is effective upon receipt by the Director, unless a later date is specified in the resignation. A written notice of resignation is not required. If no such written notification is provided, then the Director shall confirm a resignation in writing. A board member who is absent from a meeting of the board due to military duty may participate in the meeting virtually, and that member’s virtual presence will count towards quorum and allow the absent member to participate in and vote on business before the board.

11. Manner of Acting: The Academy Board shall be considered to have “acted,” when a duly called meeting of the Academy Board has a quorum present and the number of board members voting in favor of an action is as follows:

The members of the Academy Board shall be selected by the following method:

1. **Method of Selection and Appointment of Academy Board Members:**
  - a. **Initial Academy Board Member Nominations and Appointments:** As part of the public school academy application, the public school academy applicant shall propose to the Director of the University Charter Schools Office (“Director”), the names of proposed individuals to serve on the initial board of directors of the proposed public school academy. When the Director recommends an initial contract for approval to the Board of Trustees, he/she shall include recommendations for initial Academy Board members. These recommendations may, but are not required to, include individuals proposed by the public school

academy applicant. To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Academy Board Member Questionnaire prescribed by the University Charter Schools Office; and (ii) the Criminal Background Check Report prescribed by the University Charter Schools Office.

- b. **Subsequent Academy Board Member Nominations and Appointments:** Except as provided in paragraph (2) below, the Academy Board may nominate individuals for subsequent Academy Board of Director positions. As part of the appointment process, the Academy Board may submit to the Director: (i) the name of the nominee; (ii) the board member candidate application materials identified in paragraph (a) above; and (iii) a copy of the Academy Board nominating resolution. The Director may or may not recommend the proposed nominee submitted by the Academy Board. If the Director does not recommend a nominee submitted by the Academy Board, the Director shall select a nominee and forward that recommendation to the Board of Trustees for appointment. The Board of Trustees shall have the sole and exclusive right to appoint members to the Academy Board.
  - c. **Exigent Appointments:** When the Director determines an “exigent condition” exists which requires him/her to make an appointment to a public school academy’s board of directors, the Director, with University President approval, may immediately appoint a person to serve as a public school academy board member for the time specified, but not longer than the next meeting held by the Board of Trustees when a regular appointment may be made by the Board of Trustees. The Director shall make the appointment in writing and notify the public school academy’s board of directors of the appointment. Exigent conditions include, but are not limited to when an Academy Board seat is vacant, when a Academy Board cannot reach a quorum, when the Board of Trustees determines that an Academy Board member’s service is no longer required, when an Academy Board member is removed, when an Academy Board fails to fill a vacancy, or other reasons which would prohibit the Academy Board from taking action without such an appointment.
2. **Qualifications of Academy Board Members:** To be qualified to serve on the Academy Board, a person shall: (a) be a citizen of the United States; (b) reside in the State of Michigan; (c) submit all materials requested by the GVSU Charter Schools Office including, but not limited to, a GVSU Academy Board Member Questionnaire and a release for criminal history background check; (d) not be an employee of the Academy; (e) not be a director, officer, or employee of a company or other entity that contracts with the Academy; and (f) not be an employee or representative of GVSU or be a member of the Board of Trustees.

4. **Length of Term; Removal:** An appointed Academy Board member is an “at will” board member who shall serve at the pleasure of the Board of Trustees for a term of office not to exceed three (3) years. Regardless of the length of term, terms shall end on June 30 of the final year of service, unless shorter due to other provisions of this resolution. A person appointed to serve as an Academy Board member may be reappointed to serve additional terms. When an Academy Board member is appointed to complete the term of service of another Academy Board member, their service ends at the end of the previous Academy Board member’s term.

If the Board of Trustees determines that an Academy Board member’s service in office is no longer required, then the Board of Trustees may remove an Academy board member with or without cause and shall specify the date when the Academy Board member’s service ends. An Academy Board member may be removed from office by a two-thirds (2/3) vote of the Academy’s Board for cause.

5. **Resignations:** A member of the Academy Board may resign from office by submitting a written resignation or by notifying the Director. The resignation is effective upon receipt by the Director, unless a later date is specified in the resignation. A written notice of resignation is not required. If no such written notification is provided, then the Director shall confirm a resignation in writing. 10. **Manner of Acting:** The Academy Board shall be considered to have "acted," when a duly called meeting of the Academy Board has a quorum present and the number of board members voting in favor of an action is as follows:

3. Gifted and talented funding provided by the federal and/or state government that is directly allocable to gifted and talented students enrolled at the School.
4. At-risk funding provided by the federal and/or state government that is directly allocable to at-risk students enrolled at the School.

5. Funding provided by the federal and/or state government that is directly allocable to students enrolled at the School with limited English proficiency.
6. All other federal and/or state grant sources, including, but not limited to, Title I and any start-up funding allocable to the School.
7. Grants and donations received by the School to support or carry out programs at the School (except to the extent PrepNet is not required or involved in soliciting, administering or managing the contribution and/or donation, in which case such funds shall be deposited in the Board Spending Account (as defined below)).
8. Fees charged to students as permitted by law for extra services provided by PrepNet as approved by the Board.

The expenditure of any Revenues received from governmental entities shall be consistent with all applicable regulations and policies. The expenditure of any Revenues received from non-governmental grants, contributions and donations shall be made consistent with the provisions of Article VI.

B. Budget. PrepNet shall provide the Board with an annual proposed Budget prepared and maintained in accordance with the Charter, the Budgeting and Accounting Act, and applicable law (the “**Budget**”). The Budget shall include all of the School’s projected revenues and expenses at the object level as described in the Michigan Department of Education’s Michigan School Accounting Manual. The Budget shall be submitted to the Board prior to June 1 for the next school year.

C. Review and Approval of Budget. The Board shall be responsible for reviewing and approving the Budget in accordance with the Charter and applicable law. At the request or recommendation PrepNet, the Board may consider amendments to the Budget. The Budget shall be amended from time to time as approved by the Board.

D. Board Spending Account. Notwithstanding any other provision of this Agreement to the contrary, each school year during the Term, the Board shall retain in an account controlled by the Board an amount equal to the lesser of: (i) 2% of state per pupil aid reflected in the Budget for that respective school year, or (ii) \$35,000 (the “**Board Spending Account**”). The aforesaid amount shall be transferred to the Board Spending Account pro-rata during the course of the School’s school year as Revenues are received. All funds in the Board Spending Account are the property of the School and may be used by the School at the discretion of the Board. Funds in the Board Spending Account that are not spent by the School during the school year shall carryover annually. Items purchased by PrepNet for the School and paid for by the School with funds from the Board Spending Account, such as non-proprietary instructional and/or curriculum materials, books, supplies and equipment, shall be the property of the School. The property of the School excludes items leased, financed or purchased by PrepNet with the Fee (as defined below). PrepNet agrees not to add any fees or charges to the cost of equipment, materials or supplies purchased by PrepNet at the request of or on behalf of the School with funds from the Board Spending Account.

PrepNet, in making such purchases for the School pursuant to this subsection, shall comply with the Charter and applicable law, as if the School were making such purchases itself from a third party, and shall provide the Board, upon request, available documentation evidencing the costs associated with such purchases. PrepNet shall maintain a listing of all assets owned by the School and shall make the asset list available to the Board annually upon request.

E. Fee. PrepNet shall receive all Revenues as its services fee (the “**Fee**”), and shall apply the Revenues received from the School as follows: (i) to the Educational Asset Fee, from which PrepNet shall pay all obligations of the Educational Asset Payable until the obligations are fulfilled; (ii) to the rent obligation under the terms of the facility lease, if any, in accordance with Article III (K) herein; and (iii) to the Educational Services Fee from which it shall pay all operating costs of the School as detailed in the Budget. PrepNet and the Board acknowledge that operating costs includes an administrative fee payable to the Authorizer as set forth in the Charter. Payment of the Fee shall be made on the same frequency that the School receives its Revenues. PrepNet shall be entitled to retain as compensation for the Services the difference, if any, between the Fee and the amount actually expended by PrepNet in operation and/or management of the School during the School’s fiscal year as reflected in the Budget approved by the Board. PrepNet agrees not to add any fees or charges to the cost of equipment, materials or supplies purchased by PrepNet and resold to the School at the request and on behalf of the School.

F. No Loans. PrepNet shall not make or extend loans to the Board that either bear interest or require the Board to repay any portion of the obligation with its own funds. The Educational Asset Payable (as defined below) is not a prohibited Loan under this Section.

G. Educational Asset Payable. The reselling of Educational Assets to the School by PrepNet shall create a non-interest bearing, non-recourse payable from the School to PrepNet (“**Educational Asset Payable**”). The Educational Asset Payable will be repaid by PrepNet from its Fee over the depreciable life of the underlying Educational Assets owned by the School. The Educational Asset Payable is not a Loan as prohibited by Section “F” of this section because neither the School nor the Board has any obligation to “repay” it from its funds. If the Services Agreement shall terminate for any reason, PrepNet shall be obligated to “forgive” the entire outstanding Educational Asset Payable balance as of the termination date.

H. Other Schools. The School acknowledges that PrepNet has entered into similar services agreements with other schools. PrepNet shall maintain separate accounts for expenses incurred in the operation of the School and other schools assisted by PrepNet, and shall reflect in the School’s financial records only those expenses incurred in the operation of the School. If PrepNet incurs expenses that are for both the benefit of the School and other schools assisted by PrepNet, then PrepNet shall allocate, to the extent permitted by law, such expenses among all such affected schools, including the School, on a prorated basis based upon the number of enrolled students, the number of classrooms, or the number of teachers at the affected schools, or on such other equitable basis as is reasonably determined by PrepNet. In no event shall marketing and development costs incurred solely for the benefit of PrepNet (and not the School) be allocated to the School.

I. Financial Reporting. PrepNet shall provide the Board with:

1. At least annually, the Budget as required by this Agreement.
2. Monthly, financial statements no more than forty-five (45) days in arrears and at least one week prior to each Board meeting. These financial statements will include a Balance Sheet, Statement of Revenues, Expenditures and Changes in Fund Balance at object level detail with a comparison of budget to actual revenue and expenditures and explanations of variances.
3. Quarterly, or as reasonably requested by the Board, a report on School operations and student performance.
4. As reasonably requested, other information to enable the Board to: (i) evaluate the quality of the Services; and (ii) timely provide all reports and information that are required by the Charter and applicable law.

J. Access to Financial Records. PrepNet shall keep accurate financial records pertaining to its operation of the School, together with all School financial records prepared by or in possession of PrepNet, and shall retain all of the aforementioned records according to the Charter and applicable law to which such books, accounts, and records relate. PrepNet and the Board shall maintain the proper confidentiality of personnel, students, and other records as required by law. All records shall be kept in accordance with applicable state and federal requirements.

K. Accounting Standards; Annual Audit.

1. The School shall at all times comply with generally accepted public sector accounting principles, accounting system requirements of the State School Aid Act of 1979, as amended, applicable Michigan Department of Education rules, and applicable law.
2. The Board shall select and retain an independent auditor to conduct an annual audit of the School's financial matters in accordance with the Charter and applicable law.
3. Subject to applicable law, all records in the possession or control of PrepNet that relate to the School, including but not limited to, financial records of the School, shall be made available to the School and the School's independent auditor upon request. The expense of the annual audit shall be included in the Budget.

L. Contributions; Repayment.

1. PrepNet shall make contributions to the School in the event School expenses for the Services exceed Revenues (the "**Contributions**"). The Contributions, if any, shall be in amounts acceptable to the Parties and, once made, shall be included in the Budget.
2. The School shall not be legally obligated to repay PrepNet for the Contributions. PrepNet's agreement to make such Contributions shall not

be deemed to negate or mitigate the need for the School to apply for or solicit state or federal start-up funds, grants or sub-grants which the School, as a public school, may be eligible to receive.

M. Other agreements between PrepNet and School will be separately documented and comply with Charter, applicable law and Authorizer policies.

## ARTICLE VIII

A. Qualified Personnel. PrepNet shall select and hire qualified personnel to perform the Services. PrepNet shall have the responsibility and authority, subject to this Article, to select, hire, evaluate, assign, discipline, transfer, and terminate personnel consistent with the Budget, the Charter and applicable law. Personnel assigned by PrepNet to work at the School shall be employees of PrepNet. PrepNet and the Board each shall be responsible for their respective employees, if any. However, the compensation of all employees working at the School shall be included in the Budget. Upon Board request, PrepNet shall disclose to the Board the level of compensation and fringe benefits provided by PrepNet to PrepNet employees working at the School. A criminal background check and unprofessional conduct search in compliance with applicable law shall be conditions for the hiring of or services provided by any person assigned by PrepNet under this Agreement to regularly and continuously work in any of the School's facilities or at program sites where the School delivers Services. PrepNet is responsible for and shall pay all salaries, wages, benefits, payroll and other taxes to or on account of its employees. The Academy shall not be liable for the payment of any such salaries, wages, benefits, payroll or taxes thereon for or on behalf of any PrepNet employee, contractor or agent. B. School Administrator. The School administrator (the "**Administrator**") shall be an employee of PrepNet and not the Board. The duties and terms of the Administrator's employment shall be determined by PrepNet. The Administrator shall work with PrepNet in the operation and management of the School. The Administrator shall attend meetings of the Board and shall provide reports to the Board. The accountability of PrepNet to the School is an essential foundation of this Agreement. PrepNet shall have the authority, consistent with this Article, to select, hire, evaluate, assign, discipline, transfer and terminate the Administrator, and to hold the Administrator accountable for the performance of the School. Without limiting the foregoing, PrepNet shall consult with the Board prior to the placement and/or removal of the Administrator. Absent compelling circumstances, the consultation shall commence at least ninety (90) days prior to PrepNet placing and/or removing the Administrator. PrepNet shall give due consideration to the input of the Board or the Board's designated representative prior to making a final decision regarding placement and/or removal of the Administrator. PrepNet shall remove the Administrator if the Board is reasonably dissatisfied with the Administrator's performance. Absent compelling

circumstances, however, the Board shall give PrepNet and the Administrator six (6) months to correct the basis for the Board's reasonable dissatisfaction. The parties agree that the purpose of the above provisions is not to deny the Administrator the opportunity for growth and/or promotion within PrepNet.

As the employer, PrepNet shall be solely responsible for the performance evaluation of the Administrator. PrepNet shall seek feedback from the Board prior to completing an annual Administrator performance evaluation.

C. Teachers. PrepNet shall, consistent with this Article, assign to perform Services at the School, teachers qualified to teach their assigned subjects and grade level. The curriculum taught by the teachers shall be consistent with the Educational Program. The teachers may, at the discretion of PrepNet, be assigned to work at the School on a full or part time basis. If assigned to work at the School on a part time basis, the teacher(s) may also be assigned to work at other schools for which PrepNet provides services. The cost for such teacher(s) shall be shared proportionately among the schools at which PrepNet has assigned the teacher(s) to work. Each teacher assigned to work at the School shall hold a valid teaching certificate issued by the State Board of Education or applicable state agency to the extent required by the Authorizing Law.

D. Support Staff. PrepNet shall, consistent with this Article, assign to perform Services at the School, qualified support staff as needed for PrepNet to operate the School in an efficient manner. The support staff may, at the discretion of PrepNet, be assigned to work at the School on a full or part time basis. If assigned to work at the School on a part time basis, the support staff may be assigned to work at other schools for which PrepNet provides services. The cost for such support staff shall be shared proportionately among the schools at which PrepNet has assigned the support staff to work. An individual assigned to work at the School that is not teaching, but for which a license is required under applicable law, shall have the appropriate license.

E. Training. PrepNet shall provide or procure training in its methods, curriculum, program, and technology to all teaching personnel on a regular basis. Instructional personnel shall be required to obtain at least the minimum hours of professional development as required by applicable law. Non-instructional personnel shall receive training as PrepNet determines reasonable and necessary under the circumstances.

F. Background Checks and Qualifications. PrepNet shall comply with applicable law regarding background checks, unprofessional conduct searches and certification/licensure, as applicable, for all persons working in the School, the costs of which shall be included in the Budget.

G. Terms of Employment. No member of the staff at the School shall be subject to any covenant not to compete or other employment restriction as part of the terms of his or her employment with PrepNet for the Services.

H. Limitations on Discretion. All decisions made by PrepNet, and any discretion exercised by PrepNet, in its selection, hiring, evaluation, assignment, discipline, transfer, and termination of personnel, shall be consistent with the Budget, the Charter, the parameters adopted

**ACADEMY'S ADMISSION POLICIES AND CRITERIA**

## **Admission and Enrollment Policy**

Admission to the School shall be open to all age-appropriate children for grade levels offered in accordance with the School's charter contract without charge for tuition and without discrimination on the basis of intellectual or athletic abilities, measures of achievement or aptitude, disability, status as a handicapped person, homeless status, English proficiency, religion, creed, race, sex, color, national origin or any other basis that would be illegal for an existing school district. Admission shall comply with all applicable federal and state laws. Admission shall be limited to those students who are residents of the state, except a foreign exchange student. The Academy may choose not to accept a student who has been suspended, expelled, or otherwise released or excluded from his or her previous school for disciplinary reasons. The School Leader shall make the decision based on the circumstances involved.

The School will remove barriers to the enrollment and retention in school of children and youth experiencing homelessness by developing and implementing practices and procedures consistent with the McKinney-Vento Homeless Education Assistance Act and applicable state law. The school will ensure that all identified homeless children and unaccompanied youth receive a free and appropriate education and are given meaningful opportunities to succeed in the school.

It is the policy of the School Board that its educational service provider develop and implement practices and procedures that control the admission and enrollment of students, including public notice, lottery and random selection drawing to be used when the number of applicants exceed the number of available spaces for grades offered. Detailed application, lottery and admission practices and procedures shall be available to parents and the general public at the school office. Admissions and Enrollment Practices & Procedures Homeless Child Practices & Procedures

Adopted: June 25, 2020

**PREPNET**  
**ADMISSIONS AND ENROLLMENT PRACTICES AND PROCEDURES:**

The school will comply with all applicable federal and state laws related to admissions and enrollment.

**Non-Discrimination**

The school will not discriminate on the basis of intellectual or athletic abilities, measures of achievement or aptitude, disability, status as a handicapped person, homeless status, English proficiency, religion, creed, race, sex, color, national origin or any other basis that would be illegal for an existing school district.

**Open Enrollment Period and Notice**

The “**Open Enrollment Period**” shall be from the first day of school of the current school year until 5:00 p.m. on the last day of business in February of the current school year. Notice of the Open Enrollment Period and application process will be designed to inform the persons most likely to be interested in the school.

PrepNet and/or the school will provide notice of open enrollment by (a) printing a legal notice of the enrollment period in a local newspaper of general circulation; (b) mailing a written notice of the open enrollment period and an application to all families who inquire about school enrollment; (c) posting a written notice of the open enrollment period at the school; and (d) posting the application on the school’s website. In addition, notice may also be provided by airing a public service announcement on local television.

As part of the enrollment process, the school staff will seek to meet with families, parents and students prior to the first day of school via parent and student orientation meetings. In this way, applicants and their parents will have the opportunity to become fully informed as to the nature and scope of the school, its curriculum, and requirements.

**Application Procedures**

Interested parties may obtain applications at:

- The school website
- PrepNet’s website ([www.prepnetschools.com](http://www.prepnetschools.com))
- The offices of the school (phone, email, or in-person)

Applications will be mailed or faxed to anyone requesting an application by telephone.

For the current school year, applications for available seats will be filled in the order received, or added to the wait list in the order received and according to enrollment preference.

Applications for the subsequent school year are received during the Open Enrollment Period. If applications received exceed offered seats in any grade level (“over-subscribed grades”), a random selection process will take place for all grade levels including under-subscribed grade levels. If applications received are fewer than offered seats in each and every grade level (“under-subscribed grades”), all eligible applicants will be accepted and a random selection process will not be conducted.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

Accepted applicants must confirm their intent to attend the school within ten (10) business days of acceptance by returning the forms included in the Acceptance Packet. The school will attempt to contact parents reminding them of this obligation in order to enroll their child. After multiple unsuccessful attempts to reach accepted applicants, the student's seat will be forfeited and the student must re-apply.

If a newly-enrolled student does not attend the first day of school or call in to request an excused absence on the first day of school; the student will forfeit his/her registered status in the school and will no longer be enrolled. The school will attempt to contact all such students before de-enrolling.

Once students are enrolled and remain enrolled, they will remain eligible to be re-enrolled at the school for successive years without having to re-enter the random selection process. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment Period showing intent to re-enroll for the subsequent school year.

All applicants on a waiting list must resubmit an application for the following school year during the next Open Enrollment Period.

### **Random Selection Process**

The random selection process shall be open to the public, and the school will notify all applicants of the time and place. A neutral third party will conduct the random selection process. This party will not be related to any student, staff member, or anyone applying to the school. Based on established enrollment preferences, names will be randomly selected until all offered seats have been filled. Any remaining names will be randomly selected to establish waiting list priority used to fill offered seats prior to and during the school year for which the student applied. After all eligible names have been randomly selected the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received, subject to established enrollment preference. The neutral third party will address any discrepancy that arises in the placement of students.

### **Class Size and Offered Seats**

Class size and offered seats will be recommended by PrepNet and submitted to the school board of directors for approval, prior to the end of Open Enrollment each year. In order to make provision for re-enrolling students who indicate that they are coming back but do not return on the first day of school (attrition), and new students who have been accepted for offered seats but are absent without excuse on the first day of school (erosion), the school may over-subscribe grades. The number of students to be over-subscribed will be determined based on historical and forecasted attrition and erosion and must be approved by the school board of directors. In addition, course offerings and the number of course sections may fluctuate in the event the number of students enrolled warrants such adjustment. In no event will over-subscription, or fluctuations in the number of course sections result in a violation of any provision or limit contained within the school's charter or applicable law.

### **Enrollment Preferences**

Enrollment preferences are in effect at all times of the application cycle. Preference is first given to currently enrolled students. Next preference is given to the following ordered categories of applicants:

- 1) Siblings of currently enrolled students;
- 2) Children of teachers and administrators;
- 3) Qualifying Students pursuant to matriculation agreements (if applicable);
- 4) Siblings of Qualifying Students (if applicable);
- 5) Students selected in the random selection process;
- 6) Siblings of students selected in the random selection process; and
- 7) All remaining applicants

If a student is selected for a grade level that still has offered seats available and the student has a sibling applying for a grade that no longer has offered seats available, the student will be accepted for his/her grade level and the

student's sibling will be placed on the waiting list for his/her grade level with sibling preference. Therefore, siblings in over-subscribed grades are not guaranteed a seat but are given preference on the wait list.

## **Procedural Steps**

### **Step 1: Setup**

A list with the name of each student who submitted an application during the Open Enrollment Period will be created. The list will include the information provided on the application form, including the student's name, grade level to which the student is applying, street address, whether the student has attended a matriculating school, and the names and grade levels of any siblings who are also applying for admission to the school or who currently attend the school.

### **Step 2: Admission of Applicants Applying for Under-Subscribed Grades**

Applicants will be accepted in the under-subscribed grade. If the accepted student has siblings who are also applying for admission in an over-subscribed grade, a list will be formed of siblings applying for over-subscribed grade(s). These students will have first priority in the admission of over-subscribed grades.

### **Step 3: Admission of Applicants Applying for Over-Subscribed Grades**

Applicants will be accepted in over-subscribed grades according to enrollment preference. If the number of applicants in a preference group exceeds the number of available seats, the applicants in this preference group will be randomly selected for admission and ranking on the wait list for the over-subscribed grade. From there, remaining applicants will continue to be drawn randomly (following remaining enrollment preference) until the wait list is complete.

### **Step 4: Applications Received After the Close of Open Enrollment**

Applications received after the Open Enrollment Period will be added to the end of the waiting list for the appropriate grade in the order in which they were received. Enrollment preference will continue to be in effect for wait list formation after the close of Open Enrollment. For example, if a qualifying student in an over-subscribed grade applies after the random selection process, his/her name will be inserted into the waiting list behind siblings of students selected in the random selection process but before remaining applicants on the wait list.

When a seat becomes available in a particular grade with a waiting list at any point in the application cycle, the available seat will be offered to the first student on the waiting list for that particular grade. The student on the wait list will have ten (10) business days to complete the enrollment process (with multiple contact attempts by the school) before the seat is forfeited and offered to the next student on the wait list.

## **Appeals**

Any parent or guardian who wishes to contest or appeal any aspect of the random selection process may do so in writing to the school's board of directors sent to the school's address. Following receipt of the parent's written appeal, a representative of the school board of directors will contact the parent to discuss the nature of the concern or objection. Final decisions will be made by the school board of directors or its designee.

# **PREPNET**

## **HOMELESS CHILD PRACTICES & PROCEDURES**

### **1. PURPOSE**

To remove barriers to the enrollment and retention in school of children and youth experiencing homelessness in compliance with the McKinney-Vento Homeless Education Assistance Act (42 USC §11434a[2]) ("McKinney-Vento Act").

### **2. PRACTICE**

The school will adhere to the provisions of the McKinney-Vento Act and applicable state requirements to ensure that all identified Homeless Children and Unaccompanied Youth receive a free and appropriate education and meaningful opportunities to succeed in the school.

#### ***Definitions***

“Homeless Child” - a child who does not have a fixed, regular, and adequate nighttime residence or whose primary nighttime location is in a public or private shelter designated to provide temporary living accommodations, or a place not designed for, or ordinarily used as regular sleeping accommodations for human beings. This definition includes a child who is:

- sharing the housing of other persons due to loss of housing, economic hardship or similar reason (sometimes referred to as double-up);
- living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations;
- living in a car, park, public space, abandoned building, substandard housing, bus or train stations or similar settings;
- abandoned in hospitals;
- awaiting foster care placement (eligibility for services for children already placed in foster care should be discussed between the Liaison and the social service provider);
- a migratory child who qualifies as homeless because he or she is living in circumstances described above; or
- an Unaccompanied Youth.

“School of Origin” - the school the child attended when permanently housed or the school in which the child was last enrolled.

“Unaccompanied Youth” - a youth not in the physical custody of a parent or guardian.

### **3. APPLICABILITY**

This document applies to all PrepNet schools.

### **4. RESPONSIBILITY**

**4.1** The school principal will designate a local homeless Liaison (“Liaison”).

**4.2** The Liaison will serve as one of the primary contacts between homeless families and school staff, district personnel, shelter workers, state coordinators for Homeless Children, public and private service providers in the community, housing and placement agencies, and other service providers.

#### 4.3 The Liaison will:

- Identify and enroll Homeless Children;
- Ensure that Homeless Children and their families receive eligible educational services;
- Make referrals to health, mental health, dental, and other services;
- Inform parents/guardians of educational and related opportunities available to their children;
- Provide parents/guardians with meaningful opportunities to participate in their child's education;
- Inform parents/ guardians and Homeless Children of all transportation services, and assist them in accessing these services;
- Clearly communicate all required information in a form, manner, and language that is understandable;
- Ensure proper mediation of enrollment disputes according to the McKinney-Vento Act and complaint procedures;
- Disseminate public notice of the educational rights of Homeless Children;
- Conduct annual training for school personnel on possible indicators of homelessness, sensitivity in identifying Homeless Children, and procedures for reporting to the Liaison; and
- Record student information data (See Exhibit 6.1);

### 5. PROCEDURES

#### 5.1 Identification

The burden is on the school to show that the child is not a Homeless Child. The Liaison, in collaboration with school personnel and community organizations, will identify Homeless Children, both in and out of school. Community organizations may include family and youth shelters, soup kitchens, motels, campgrounds, drop-in centers, welfare departments and other social service agencies, street outreach teams, faith-based organizations, truancy and attendance officers, local homeless coalitions, and legal services.

The Liaison must use the Student Residency Questionnaire ("SRQ") (Exhibit 6.2) upon enrollment and clearly describe current living arrangements of the child to determine whether the child meets the definition of a Homeless Child. Upon the receipt of an SRQ indicating potential homelessness, the Liaison will implement these practices and procedures document and ensure adherence with federal, state and PrepNet requirements.

#### 5.2 School Selection

Homeless Children have the right to remain at their School of Origin or to attend any school that houses students who live in the attendance area in which they are actually living.

If the parent/guardian agrees, Homeless Children will remain at their School of Origin to the extent feasible. Homeless Children may remain at their School of Origin the entire time they are in transition and until the end of any academic year in which they become permanently housed. The same applies if they lose their housing between academic years.

*Feasibility* is a child-centered determination, based on the needs and interests of the particular child and the parent/guardian or child's wishes. Services that are required to be provided, including transportation and services under federal and other programs, shall not be considered in determining feasibility. Feasibility considerations may include:

- Safety of the child;
- Continuity of instruction;
- Likely area of family or child's future housing;
- Time remaining in the academic year;
- Anticipated length of stay in temporary living situation;
- School placement of siblings; or
- Whether the child has special needs that would render the commute harmful.

### 5.3 Enrollment

The school selected for enrollment must immediately enroll any Homeless Child. Unaccompanied Youth may either enroll themselves or be enrolled by a parent, non-parent caretaker, older sibling, or the Liaison. Enrollment may not be denied or delayed due to the lack of any document normally required for enrollment, any unpaid school fees, lack of uniforms or clothing that conforms to the school's dress code or any factor related to the child's living situation.

The school will coordinate the transfer of school records with other schools and contact the child's previous school to obtain school records. Initial placement of a child whose records are not immediately available will be made based on the child's age and information gathered from the child, parent, and previous schools or teachers. If no immunization records are available, the school office will refer students to the Liaison to assist with obtaining these records from state registries and/or community based clinics.

The school will excuse any tardiness or absence related to a Homeless Child's living situation when applying any school policy regarding tardiness or absences.

### 5.4 Services

The school must provide Homeless Children services comparable to services offered to other students in the school, including:

- Transportation;
- Title I;
- Educational services for which the student meets eligibility criteria, including special education and related services and programs for English language learners;
- School nutrition programs (the school will provide free meals to the Homeless Child as all Homeless Children are automatically eligible for free meals);
- Vocational and technical education programs;
- Gifted and talented programs; and
- Before- and after-school programs

#### Transportation

At a parent/guardian's request, the school will provide transportation to and from the School of Origin. The Liaison will coordinate these arrangements, which may include arrangements with the social service district. The school must provide the transportation for the entire time the child has a right to attend that school, as defined above, including during pending disputes. The length of the commute will only be considered in determining the *feasibility* of placement in the School of Origin based on potential harm to the child. Prior to selection of a school, the Liaison will inform the parent/guardian or Unaccompanied Youth of this right to transportation. Transportation disputes will not result in a Homeless Child missing school. If such a dispute arises, the school will arrange transportation and immediately bring the matter to the attention of the state authorities following the appropriate complaint procedures as detailed in this document.

## Title I

Homeless Children are automatically eligible for Title I services. The school will reserve the necessary funds to provide services comparable to those provided to Title I students attending non-participating schools, including education related support services and removing barriers that prevent attendance. The Liaison and the Title I director at the PrepNet Service Center will develop the formula (based upon the per-pupil Title I expenditures) to use for determining the necessary funds to reserve.

The Title I director and the Liaison will ensure coordination between the Title I plan and the McKinney-Vento Act, including the academic assessment, reporting and accountability systems required by federal law and the U.S. Department of Education.

## Educational Services

The school shall give evaluations of Homeless Children suspected of having a disability priority and coordinate the evaluation with the student's prior and subsequent schools, as necessary, to ensure timely completion of a full evaluation. When necessary, the school will expeditiously designate a surrogate parent for Homeless Children suspected of having a disability. The school will immediately implement the child's Individualized Education Program (IEP), if available, and promptly conduct any necessary IEP meetings or re-evaluations. If complete records are not available, IEP teams will use good judgment in choosing the best course of action, balancing procedural requirements and the provision of services in an attempt to avoid any disruption in services.

### **5.5 Complaint and Dispute Resolution**

The following steps and procedures should take place in resolving disputes regarding enrollment, school placement, or services.

#### Complaint

- A complaint is an oral or written and signed statement alleging the violation of a federal or state law, rule, or, regulation. The complaint must allege a violation that occurred not more than one (1) year prior to the date that the complaint is received, unless a longer period is reasonable because the violation is considered systemic or ongoing.
- Parents, teachers, administrators, or other concerned individuals or organizations may file a complaint ("Complainant"). Faculty and staff with knowledge of a complaint must refer the Complainant to the Liaison.
- The Complainant may submit the complaint in writing to the Liaison, using the attached Complaint Resolution Initiation Form (Exhibit 6.3). The Complainant may choose to initiate the complaint orally.

#### Role of School

- Immediately enroll the child in the school preferred by the person(s) bringing the complaint.
- Provide all educational services for which the child is eligible, pending resolution of the dispute.

### Role of Liaison

- After receipt of the complaint, the Liaison must provide a written explanation of the school placement decision and/or provided services to the Complainant and discuss the complaint with the Complainant.
- If the Liaison does not resolve the dispute, the Complainant may forward it to the school principal. The Complainant has a right to obtain assistance from advocates or attorneys in addressing a complaint.
- The Liaison will carry out the dispute resolution in an expeditious manner and will provide the Complainant these written procedures, including the appeal procedures outlined below.
- In the event the school is unable to resolve the complaint, the Complainant may pursue the applicable appeal procedure(s).

### Appeal Procedures

If the dispute is not resolved at the school level, the Complainant may direct the complaint to the Michigan Department of Education. Complaints made under this process must be in writing and signed by the Complainant.

Address the complaint to the following address:

- State Homeless Coordinator, Office of Field Services, Michigan Department of Education, P.O. Box 30008, Lansing, MI 48909.

The complaint should include:

- the name, address, and telephone number of the person filing the appeal;
- the relationship or connection of the person to the child in question;
- the name and age of the child involved;
- the name of the school and school personnel involved in the complaint;
- the federal requirement alleged to have been violated;
- a description of the situation that prompted the complaint;
- a description of the attempts that were made to solve the issue; and
- the relief the person is seeking.

The State Homeless Coordinator will gather needed information from statements of the parties involved and will forward the information to the Director of the Office of Field Services along with a recommendation of resolution or for further investigation.

Within 30 days after receiving a complaint, the Director of the Office of Field Services will recommend a resolution and will inform interested parties in writing of the decision.

If a Complainant or one of the parties involved in the complaint disagrees with the decision, that party may, within 10 working days, appeal to the Deputy Superintendent. This appeal must be in writing and state why the party disagrees with the decision of the Director of the Office of Field Services.

Within 30 days after receiving an appeal, the Deputy Superintendent will render a final administrative decision and notify the Complainant and the school in writing.

If the party disagrees with the decision of the Deputy Superintendent, the party may request a review of the decision by the United States Secretary of Education in accordance with 34 CFR Part 299.11.
