ARTICLE II

ROLE OF GRAND VALLEY STATE UNIVERSITY BOARD OF TRUSTEES AS AUTHORIZING BODY

Section 2.1. Independent Status of the University. The University Board is an authorizing body as defined by the Code. In approving this Contract, the University voluntarily exercises additional powers given to the University under the Code. Nothing in this Contract shall be deemed to be any waiver of the University's powers or independent status and the Academy shall not be deemed to be part of the University Board. The University Board has provided the Department the accreditation notice required under Section 502.

Section 2.2. Independent Status of the Academy. The Academy is a body corporate and governmental entity authorized by the Code. The Academy is organized and shall operate as a public school academy and a nonprofit corporation. The Academy is not a division or part of the University. The relationship between the Academy and the University Board is based solely on the applicable provisions of the Code and the terms of this Contract or other agreements between the University Board and the Academy, if applicable.

Section 2.3. University Board Resolutions. For purposes of this Contract, the University Board has adopted the following resolutions:

- a) Method of Selection Resolution. The University Board has adopted the Method of Selection Resolution, which is incorporated into this Contract as part of Schedule 1. At anytime and at its sole discretion, the University Board may amend the Method of Selection Resolution. Upon University Board approval, changes to the Method of Selection Resolution shall automatically be incorporated into this Contract and shall be exempt from the amendment procedures under Article IX of the Terms and Conditions.
- b) Authorizing Resolutions. The University Board has adopted the Authorizing Resolution, which is incorporated into this Contract as part of Schedule 1.

Section 2.4. Method for Monitoring Academy's Compliance with Applicable Law and Performance of its Targeted Educational Outcomes. The University Board has the responsibility to oversee the Academy's compliance with the Contract and all Applicable Law. The Academy shall perform the compliance certification duties required by the University Board as outlined in the Contract incorporated into this Contract as Schedule 5. Additionally, the Academy shall be responsible for the following:

- a) In the event that the University President determines that the Academy's educational outcomes should be reviewed to help determine if the Academy is meeting the educational goals set forth in the Schedules, the University President, at his or her discretion, may require an objective evaluation of student performances by an educational consultant, acceptable to both the Academy and the University

President. The Academy shall pay for the expense of the evaluation. In addition, at any time, the University President may require an evaluation of student performance to be selected by and at the expense of the University. The Academy shall cooperate with the evaluation, including any student testing required.

- b) Within ten (10) days of receipt, the Academy shall notify the University Charter Schools Office of correspondence received from the Department of Education or State Board of Education that requires a written or formal response.
- c) Within ten (10) days of receipt, the Academy shall report to the University Charter Schools Office and the University Counsel Office any litigation or formal proceedings alleging violation of Applicable Law or contractual agreement against the Academy, its officers, employees, agents, and/or contractors.
- d) The Academy shall permit review of the Academy's records and inspection of its premises at any time by representatives of the University. Normally, such inspections shall occur during the Academy's hours of operation and after advance notice to the Academy.
- e) The Academy shall provide the Charter Schools Office with copies of reports and assessments concerning the educational outcomes achieved by pupils attending the Academy and shall provide necessary approvals for the Charter Schools Office to access electronic information received or stored by the State of Michigan including, but not limited to, the Department of Education or other agency authorized by the State to collect school data.
- f) The Academy shall submit audited financial statements, including auditor's management letters and any exceptions noted by the auditors, to the University Charter Schools Office. The financial statements and auditor's management letters shall be submitted to the University Charter Schools Office within ninety (90) days after the end of the Academy's fiscal year.
- g) The Academy shall provide the University Charter Schools Office with a copy of the approved annual budget for the upcoming fiscal year of the Academy no later than July 1st. The Academy Board is responsible for establishing, approving and amending the annual budget in accordance with the Uniform Budgeting and Accounting Act, MCL 141.421 *et seq.*, and for providing all amendments and revisions to the University Charter Schools Office following Academy Board approval.
- h) The Academy shall provide to the University Charter Schools Office minutes of all Academy Board meetings no later than fourteen (14) days after such meeting.

Section 2.5. University Board Administrative Fee. During the term of this Contract, the Academy shall pay the University Board an administrative fee of 3% of the state school aid

payments received by the Academy. For purposes of this Contract, state school aid payments received by the Academy in July and August in any given year shall be deemed to have been received by the Academy during the Contract term. This fee shall be retained by the University Board from each state school aid payment received by the University Board for forwarding to the Academy. This fee shall compensate the University Board for issuing the Contract and overseeing the Academy's compliance with the Contract and all Applicable Law. This fee may also be used to fund college readiness work and scholarships for academies that are in compliance with this Contract.

Section 2.6. University Board as Fiscal Agent for the Academy. The University Board is the fiscal agent for the Academy. The University Board shall, within three (3) business days, forward to the Academy all state school aid funds or other public or private funds received by the University Board for the benefit of the Academy. The University Board shall retain any amount owed to the University Board by the Academy pursuant to this Contract. For purposes of this section, the responsibilities of the University Board, the State of Michigan, and the Academy are set forth in the Fiscal Agent Agreement incorporated herein as Schedule 4.

Section 2.7. Authorization of Employment. The Academy may employ or contract with personnel. If the Academy contracts for personnel with an Educational Service Provider, the Academy shall submit a draft of the proposed agreement to the University Charter Schools Office for review. The University Charter Schools Office may disapprove the proposed agreement if it contains provisions in violation of this Contract or Applicable Law. No ESP agreement shall be effective unless and until the agreement complies with Section 11.16 of these Terms and Conditions. With respect to Academy employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages; (iii) dismiss employees; and (iv) control the employees' conduct, including the method by which the employee carries out his or her work. An employee hired by the Academy shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. The Academy Board shall prohibit any individual from being employed by the Academy, an ESP, or an employee leasing company involved in the operation of the Academy, in more than one (1) full-time position and simultaneously being compensated at a full-time rate for each of these positions. The Academy shall be responsible for carrying worker's compensation insurance and unemployment insurance for its employees.

Section 2.8. Financial Obligations of the Academy are Separate from the State of Michigan, University Board and the University. Any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral, of the State of Michigan, the University Board, or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of the University Board or the University shall ever be assigned or pledged for the payment of any Academy contract, agreement, note, mortgage, loan or other instrument of indebtedness.

Section 2.9. Academy Has No Power to Obligate or Bind State of Michigan, University Board or the University. The Academy has no authority whatsoever to enter into any contract or

other agreement that would financially obligate the State of Michigan, University Board or the University, nor does the Academy have any authority whatsoever to make any representations to lenders or third parties, that the State of Michigan, University Board or the University in any way guarantee, are financially obligated, or are in any way responsible for any contract, agreement, note, mortgage, loan or other instrument of indebtedness entered into by the Academy.

Section 2.10. Authorizing Body Contract Authorization Process. Pursuant to the Code, the University Board is not required to issue a contract to the Academy. This Contract is for a fixed term and will terminate at that end of the Contract term set forth in Section 12.14 without any further action of either the Academy or the University Board. Prior to the end of the Contract term, the University Board shall provide a description of the process and standards by which the Academy may be considered for the issuance of a new contract. The timeline for consideration of whether to issue a new contract to the Academy shall be solely determined by the University Board. The standards for issuance of a new contract shall include increases in academic achievement for all groups of pupils as measured by assessments and other objective criteria established by the University Board as the most important factor of whether to issue or not issue a new contract. The University Board, at its sole discretion, may change its process and standards for issuance of a contract at any time, and any such changes shall take effect automatically without the need for any amendment to this Contract. Consistent with the Code, the University Board may elect, at its sole discretion, not to consider the issuance of a contract, consider reauthorization of the Academy and elect not to issue a contract, or consider reauthorization of the Academy and issue a contract for a fixed term.

Section 2.11. University Board Approval of Condemnation. In the event that the Academy desires to acquire property pursuant to the Uniform Condemnation Procedures Act or other applicable statutes, it shall obtain express written permission for such acquisition from the University Board. The Academy shall submit a written request to the Charter Schools Office Director describing the proposed acquisition and the purpose for which the Academy desires to acquire the property. The Charter Schools Office Director will generate a recommendation for consideration by the University Board with regard to the proposed acquisition. The request and the Charter Schools Office Director's recommendation will be submitted by the Charter Schools Office Director for the University Board's consideration in accordance with the University Board's generally applicable timelines and policies for the agendas of regularly-scheduled University Board committee meetings and formal sessions of the University Board. No acquisition may be made until the approval of the University Board is obtained by resolution adopted at a formal session of the University Board.

Section 2.12. Charter Schools Office Director Review of Certain Financing Transactions. If the Academy proposes to (i) finance the acquisition, by lease, purchase, or other means, of facilities or equipment, or renovation of facilities, in excess of \$150,000, pursuant to arrangements calling for payments over a period greater than one (1) year, and which include a pledge, assignment or direction to one or more third parties of a portion of the funds to be received by the Academy from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 et seq., or (ii) direct that a portion of its State School Aid Payments be

forwarded by the Fiscal Agent University Board to a third party account for the payment of Academy debts and liabilities, the Academy shall submit the transaction for prior review by the Charter Schools Office Director as designee of the University Board, in the manner provided herein. The Academy shall, not later than thirty (30) days prior to the proposed closing date of the transaction, submit a written request to the Charter Schools Office Director describing the proposed transaction and the facilities or equipment to be acquired with the proceeds thereof (if any), and in the case of a transaction described in subparagraph (ii) of this Section, (a) a copy of the Academy Board's resolution authorizing the direct intercept of State School Aid Payments; (b) a copy of a State School Aid Payment Agreement and Direction document that is in a form acceptable to the University Charter Schools Office; and (c) copies of such other documentation regarding the transaction which is the subject of the proposed direct intercept as the University Charter Schools Office may request. Unless the Charter Schools Office Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the Charter Schools Office Director shall notify the Academy if the proposed transaction is disapproved. The Charter Schools Office Director may disapprove the proposed transaction if the proposed transaction violates this Contract or applicable law. If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lender, lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the Charter Schools Office Director. By not disapproving a proposed transaction, the Charter Schools Office Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.

ARTICLE III

Section 3.1. Governmental Agency or Entity and Political Subdivision. The Academy shall act exclusively as a governmental agency or entity and political subdivision.

Section 3.2. Other Permitted Activities. Nothing in this Contract shall prohibit the Academy from engaging in other lawful activities that are not in derogation of the Academy's status as a public school or that would not jeopardize the eligibility of the Academy for state school aid funds. Subject to Section 2.7 and Section 6.15 of the Terms and Conditions, the Academy may enter into agreements with other public schools, public school academies, governmental units, businesses, community and nonprofit organizations where such agreements contribute to the effectiveness of the Academy or advance education in this state.

A person who does not serve in their individual capacity, or who serves as a representative or designee of another person or entity, shall be deemed ineligible

Except as provided in Sections 2.3, 5.2 and 6.11, the University Board delegates to its University President the review and approval of changes or amendments to this Contract. When acting during an emergency situation, the University President shall have the authority to act on behalf of the University Board, and such emergency action shall only be effective in the interim before the earlier of (a) rejection of the emergency action by the Chairperson of the University Board; or (b) the next meeting of the University Board. In developing a Plan of Correction, the CSO Director is permitted to adopt, modify or reject some or all of the Academy Board's response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The purpose of the Hearing Panel is to gather facts surrounding the

CSO Director's request for Contract revocation, and to make a recommendation to the University Board on whether the Contract should be revoked. The revocation hearing shall be held at a location, date and time as determined by the CSO Director. The hearing shall be transcribed by a court reporter and the cost of the court reporter shall be divided equally between the University and the Academy. The CSO Director or his or her designee, and the Academy Board or its designee, shall each have equal time to make their presentation to the Hearing Panel. Although each party is permitted to submit affidavits and exhibits in support of their positions, the Hearing Panel will not hear testimony from any witnesses for either side. If the State’s Automatic Closure Notice includes all of the Academy’s existing sites, then this Contract shall automatically be terminated at the end of the current school year in which the State’s Automatic Closure Notice is received without any further action of the University Board or the Academy.

Following receipt of the State’s Automatic Closure Notice the University Charter Schools Office Director shall forward a copy of the notice to the Academy Board and request a meeting with Academy Board representatives to discuss the Academy’s plans and procedures for the elimination of certain age or grade levels at the identified site or sites, or if all of the Academy’s existing sites are included in the notice, then wind-up and dissolution of the Academy corporation at the end of the current school year. If the University Board approves the Economic Hardship Termination recommendation, then this Contract shall terminate at the end of the current school year without any further action of the parties.

The University Board’s revocation procedures set forth in Section 10.6 do not apply to an automatic termination initiated by the State’s Automatic Closure Notice or an Economic Hardship Termination under this Section 10.7.

resolution was adopted unanimously:

WHEREAS, the Michigan Legislature has provided for the establishment of public school academies as part of the Michigan public school system by enacting Act No. 362 of the Public Acts of 1993; and

WHEREAS, the Board of Trustees, having requested applications for organizing public school academies and having reviewed the applications according to the provisions set forth by the Michigan Legislature;

NOW, THEREFORE, BE IT RESOLVED:

1. That the application for Hanley International Academy ("Academy"), submitted under Section 502 of the Revised School Code, meets the Board of Trustees' requirements and the requirements of applicable law, is therefore approved;
2. That the Board of Trustees establishes the method of selection, length of term and number of members of the Academy's Board of Directors as follows:
3. Method of Selection and Appointment of Academy Board Members:

a. Initial Academy Board Member Nominations and Appointments: As part of the public school academy application, the public school academy applicant shall propose to the Director of the University Charter Schools Office ("Director"), the names of proposed individuals to serve on the initial board of directors of the proposed public school academy. The Director shall select the proposed nominees for recommended appointment by the Board of Trustees. When the Director recommends an initial contract for approval to the Board of Trustees, he/she shall include recommendations for initial Academy Board members. These recommendations may, but are not required to, include individuals proposed by the public school academy applicant. To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Academy Board Member Questionnaire prescribed by the University Charter Schools Office; (ii) the Criminal Background Check Report prescribed by the University Charter Schools Office; and (iii) be recommended for appointment by the Director.

The Board of Trustees shall have the sole and exclusive right to appoint members to the Academy Board.

4. The Director shall make the appointment in writing and notify the public school academy's board of directors of the appointment.

Exigent conditions include, but are not limited to when an Academy Board seat is vacant, when an Academy Board cannot reach a quorum, when the Board of Trustees determines that an Academy Board member's service is no longer required, when an Academy Board member is removed, when an Academy Board fails to fill a vacancy, or other reasons which would prohibit the Academy Board from taking action without such an appointment.

If the Board of Trustees determines that an Academy Board member's service in office is no longer required, then the Board of Trustees shall specify the date when the Academy Board member's service ends. An Academy Board member may be removed from office by the Board of Trustees with or without cause, or by a two-thirds (2/3) vote of the Academy's Board for cause. A person appointed to serve as an Academy Board member may be reappointed to serve additional terms in office. Terms of service may be 2 years or 1 year if recommended by the Director or if desired by the Academy Board to stagger the appointment ending dates. When an Academy Board member is appointed to complete the term of service of another Academy Board member, their service ends at the end of the previous Academy Board member's term.
8. Resignations: A member of the Academy Board may resign from office by submitting a written resignation or by notifying the Director. The resignation is effective upon receipt by the Director unless a later date is specified in the resignation. A written resignation is not required to resign, and if no such resignation

notification is provided, then the Director shall confirm a resignation in writing. The resignation shall be effective upon the date the Director sends confirmation of the resignation to the resigning Academy Board member.

By approving and issuing the Contract, the Board of Trustees is not responsible for the Michigan Department of Education's issuance or non-issuance of a district code number. As a condition precedent to the Board of Trustees' issuance of the Contract, the Applicant, the Academy and the Academy's Board of Directors shall acknowledge and agree that the Board of Trustees, Grand Valley State University, its officers, employees and agents are not responsible for any action taken by the Academy in reliance upon the Michigan Department of Education's issuance of a district code number to the Academy, or for any Michigan Department of Education's decision resulting in the non-issuance of a district code number to the Academy.

The members of the Academy Board shall be selected by the following method:

1. Method of Selection and Appointment of Academy Board Members:
 - a. Initial Academy Board Member Nominations and Appointments: As part of the public school academy application, the public school academy applicant shall propose to the Director of the University Charter Schools Office ("Director"), the names of proposed individuals to serve on the initial board of directors of the proposed public school academy. When the Director recommends an initial contract for approval to the Board of Trustees, he/she shall include recommendations for initial Academy Board members. These recommendations

may, but are not required to, include individuals proposed by the public school academy applicant. To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Academy Board Member Questionnaire prescribed by the University Charter Schools Office; and (ii) the Criminal Background Check Report prescribed by the University Charter Schools Office.

CONTRACTUAL RELATIONSHIP

A. Authority. The Academy represents that it is authorized by law to contract with a private entity and for that entity to provide educational and management services. The Academy further represents that it has been issued a Contract by the

Authorizer to organize and operate a public school academy situated in Michigan. The Academy is therefore authorized by the Authorizer to supervise and control such academy, and is vested with all powers within applicable law for carrying out the educational program contemplated in this Agreement.

B. Contract. Acting under and in the exercise of such authority, the Academy hereby contracts with TRG to the extent permitted by law, to provide all functions relating to the provision of educational services and the management and operation of the Academy in accordance with the terms of this Agreement and the Academy's authorizing documents. TRG shall comply with all terms and conditions of the Contract to the extent TRG is performing services on behalf of the Academy. TRG agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy's obligations under the Academy's Contract issued by Grand Valley State University Board of Trustees. The provisions of the Academy's Contract shall supersede any competing or conflicting provisions contained in this Agreement.

C. Status of the Parties. TRG is a for-profit corporation, and is not a division or a part of the Academy. The Academy is a body corporate and governmental entity authorized by the Code, and is not a division or part of TRG. The relationship between TRG and the Academy is based solely on the terms of this Agreement. No provision of this Agreement shall interfere with the Academy's Board under the Contract and the Academy's duties under the Contract shall not be limited or rendered impossible

by any action or inaction of TRG.

D. Independent Contractor Status. The parties to this Agreement intend that the relationship between them created by this Agreement is that of an independent contractor, and not employer-employee. No agent or employee of TRG shall be determined to be the agent or employee of the Academy except as expressly acknowledged in writing by the Academy. The Academy agrees to define “school official” in the Academy’s annual notification of rights under 20 U.S.C. § 1232g, 34 C.F.R. § 99, the Family Educational Rights and Privacy Act (“FERPA”) to include a contractor who performs an institutional service or function for which the Academy would otherwise use its own employees, who is under the direct control of the Academy with respect to the use and maintenance of personally-identifiable information from education records, and who is subject to the requirements of 34 C.F.R. § 99.33(a) governing the use and re-disclosure of personally identifiable information from education records. The Academy Board designates TRG and certain of its employees and subcontractors as school officials of the Academy having a legitimate educational interest such that they are entitled to access to educational records under FERPA. TRG and its employees and subcontractors agree to comply with FERPA and corresponding regulations applicable to school officials. TRG will be solely responsible for its acts and the acts of its agents, employees, and subcontractors. No provision of this Agreement shall predetermine the Academy Board’s course of action in choosing to assert or not assert governmental immunity.

E. **Bankruptcy Notice.** TRG shall notify the Academy Board if any principal or officer of TRG, or TRG as a corporate entity (including any related organizations or organizations in which a principal or officer of the TRG served as a principal or officer), has filed for bankruptcy protection in the last six (6) months or within any applicable preference period, whichever is longer.

services to the Academy, building payments, maintenance, capital improvements and subcontractor fees. In paying costs on behalf of the Academy, TRG shall not charge an added fee. The Academy shall not reimburse TRG for any costs incurred or paid by TRG as a result of services provided or actions taken pursuant to Articles I, II, IV, VII, VIII (except as otherwise specifically indicated), IX, X, XII, XIII, and XIV of this Agreement. The Academy Board may pay or reimburse TRG for approved fees or expenses upon properly presented documentation and approval by the Academy Board, or the Academy Board may advance funds to TRG for the fees or expenses associated with the Academy's operation provided that documentation for the fees and expenses are provided for Academy Board ratification. No corporate costs of TRG shall be charged to, or reimbursed by, the Academy.

D. Time and Priority of Payments. The fee due to TRG shall be calculated for each school year at the same time as the State of Michigan calculates the SSA, and adjustments to such calculation shall occur at the same time as the State of Michigan makes adjustments to the SSA. TRG shall receive its fee as calculated pursuant to the preceding sentence in eleven (11) installments beginning in October of each school year and ending in August of each school year. Such installment amounts shall be due and payable within five (5) days of receipt by the Academy of its monthly SSA. Payments due and owing to TRG shall be made by the Academy to TRG on or before the last day of each month.

E. Other Revenue Sources. In order to supplement and enhance the school

aid payments received from the State of Michigan, and improve the quality of education, the Academy and TRG shall endeavor to obtain revenue from other sources. In this regard:

- (1) The Academy and/or TRG shall solicit and receive grants and donations consistent with the mission of the Academy.
- (2) Academy and/or TRG may apply for and receive grant money, in the name of the Academy subject to the prior approval of the Board.
- (3) To the extent permitted under the Code and approved by the Academy Board, TRG may charge fees to students for extra services such as summer and after school programs, athletics, etc., and charge non-Academy students who participate in such programs. TRG and the Academy will split all revenue collected, in a proportion agreed upon by the parties in advance of TRG conducting such programs, less expenses to the Academy caused by such programs, if not prohibited by law.

F. Other Institutions. The Academy acknowledges that TRG may enter into similar management agreements with other public or private educational schools or institutions (“Institutions”). TRG shall maintain separate accounts for reimbursable expenses incurred on behalf of the Academy and other Institutions, and only charge the Academy for expenses incurred on behalf of the Academy. If TRG incurs authorized reimbursable expenses on behalf of Academy and other Institutions which are incapable of precise allocation between the Academy and such Institutions, to the extent permitted under applicable law, then TRG, shall allocate such expenses among all such Institutions,

and the Academy, on a pro-rata basis based upon the number of students enrolled at the Academy and the Institutions, or upon such other equitable basis as is acceptable to the parties. All grants or donations received by the Academy or by TRG for the specific benefit of the Academy, shall be used solely for the Academy. Marketing and development costs paid by or charged to the Academy shall be limited to those costs specific to the Academy program, and shall not include any costs for the marketing and development of TRG.

G. Reporting. TRG shall provide the Academy with:

- (1) All information the Academy's auditors reasonably request.
- (2) Reports on Academy operations and student performance, upon request of the Academy, the Authorizer or the State of Michigan.
- (3) Level of compensation and fringe benefits of employees assigned to the Academy.
- (4) Monthly financial statements to the Academy Board to include a balance sheet, an object-level detailed statement of revenues, expenditures and changes in fund balance that includes a comparison of budget-to-actual information and an explanation of variances.
- (5) Other information on a periodic basis to enable the Academy to monitor TRG's educational performance and the efficiency of its operations of the Academy.

H. Access to Records. TRG shall keep accurate records pertaining to its operation of the Academy, together with all Academy records prepared by or in the possession of TRG, and, unless required by law to be retained for a longer period, retain all of said records for a period of five (5) years from the close of the fiscal year to which such books, accounts and records relate. All financial, educational and student records pertaining to the Academy are Academy property. Such records are subject to the Michigan Freedom of Information Act and shall be physically stored at the Academy's physical facilities or directly accessible at the Academy facility and shall be maintained in accordance with the policies of the Michigan Department of Education. All records shall be kept in accordance with applicable State and Federal requirements. All records pertaining to teacher and administrator certification, as well as a copy of the employee handbook shall be maintained physically on site or directly assessable at the Academy facility. TRG and the Academy shall maintain the proper confidentiality of personnel, student and other records as required by law. On an annual basis, TRG shall make all information available to the Academy as deemed necessary by the Academy Board to fully satisfy its obligation under the Contract and at least the information that a school district is required to disclose under MCLA 388.1618 for the most recent fiscal year for which information is available. Within thirty (30) days of receiving the foregoing information, the Academy Board shall make this information publicly available on its website, in a form and manner prescribed by the Michigan Department of Education.

I. Review of Budget. The Academy Board shall be responsible for

reviewing, revising, and approving the annual budget of the Academy.

J. Annual Audit. The Academy Board shall select, retain, and pay for an annual financial audit in accordance with the Contract and applicable state law. TRG shall cooperate with said auditor and will make sure that all Academy's financial records and TRG records related to the Academy will be made available to the Academy and the Academy's independent auditor.

Payment of Academy Funds. TRG or any employee of TRG shall not be a signatory on any Academy Board account. All funds received by the Academy shall be placed in the Academy's depository account as required by law. All interest earned on Academy depository accounts shall accrue to the Academy.

ARTICLE VI

PERSONNEL & TRAINING

A. Personnel Responsibility. The Academy and TRG agree that TRG has all the rights, discretion and authority required by law to constitute an "employer" as defined in 29 U.S.C. §152(2) of the National Labor Relations Act and is subject to the jurisdiction of the National Labor Relations Board. The Academy Board reserves the right to have TRG personnel placed elsewhere by TRG if the Academy is dissatisfied with their

performance. TRG shall not have contracts with staff assigned to the Academy (including by way of example and not limitation, teachers, administrators, counselors and the like) which contain non-compete agreements of any nature.

B. Principal. Because the accountability of TRG to the Academy is an essential foundation of this partnership, and because the responsibility of the leadership is critical to its success, the Superintendent and Principal will be employees of TRG. The Superintendent and Principal with TRG, in turn, will have similar authority to select and hold accountable the teachers in the Academy. In regard to Board reporting and correspondence, the Superintendent will be the main correspondence with the board and will report monthly updates as designated. The Principal and other members of the Senior Administrative Team will report out at board meetings as designated by the reporting structure. C. Teachers. Subject to the Contract and Academy Board policies, and from time to time thereafter, TRG shall recommend to the Academy Board the number of teachers, and the applicable grade levels and subjects, required for the operation of the Academy. Thereafter, the Academy Board shall determine the number and applicable grade levels and subjects of the Academy. TRG shall provide the Academy with such teachers, qualified in the grade levels and subjects required, as are required by the

Academy Board and the Contract. The curriculum taught by such teachers shall be the curriculum prescribed by the Academy and set forth by the Contract. Such teachers may, in the discretion of TRG, work at the Academy on a full or part time basis, provided that if teachers work at the Academy on a part time basis, such teachers' salaries and benefits shall be pro-rated in the Academy's budget. If assigned to the Academy on a part time basis, such teachers may also work at other schools managed or operated by TRG. Each teacher assigned or retained to the Academy shall hold a valid teaching certificate issued by the State Board of Education under the Code and shall have undergone a criminal background and record check and unprofessional conduct check, as required under the Code for teachers who are employees of the Academy.

TRG shall be responsible for paying worker's compensation, liability insurance, social security, unemployment, and any other taxes required by law to be paid on behalf of its employees. Unless required by applicable

statute, court or administrative decision, or Attorney General's opinion, TRG shall not make payments to the Michigan Public School Employees' Retirement System or any other public retirement system on behalf of its employees. TRG shall be responsible for conducting criminal background checks and unprofessional conduct checks on its employees, as if it were a public school academy under the Code and evidence of the same shall be stored, in physical form, at the Academy or directly accessible at the Academy facility. Teachers employed by TRG shall not be considered teachers for purposes of continuing tenure under MCLA § 38.71 *et seq.*

F. Training. TRG shall provide training in its methods, curriculum, program, and technology to all teaching personnel on a regular and continuous basis. The implementation of the educational program is based on developing college and career readiness in all students K-8 in the 21st Century. The achievement of this educational program will be measured by the attainment of the Academy's mission specific goals. Such methodology shall at a minimum use a train the trainer model for TRG's teaching staff to utilize their own professional abilities to provide in-service training to each other. Instructional personnel will receive at least the minimum number of professional development hours as required under the Michigan Code. Non-instructional personnel shall receive such training as TRG determines as reasonable and necessary under the circumstances to fulfill the requirements for the implementation of the educational program.

ARTICLE VII

ADDITIONAL PROGRAMS

A. **Additional Programs.** The services provided by TRG to the Academy under this Agreement consist of the Education Program during the school year and school day as set forth in the Contract. With prior approval of the Academy Board, TRG may provide additional programs including, but not limited to, adult and community education, summer school, and other special programs. In such cases where TRG is responsible for the cost of providing such additional programs, TRG and the Academy will split, in a proportion agreed upon by the parties in advance of TRG conducting such programs, with the Academy all revenues collected, less expenses to the Academy caused by such programs.
