THE PUBLIC SCHOOL ACADEMIES OF DETROIT

By: [Signature]
Chairperson, Board of Directors
Authorization of Amended Method of Selection Resolution for the Public School Academies of Detroit

WHEREAS, the Michigan Legislature has provided for the establishment of urban high school academies as part of the Michigan public school system by enacting Act No. 179 of the Public Acts of 2003; and

WHEREAS, the Board of Trustees has issued a contract to the Public School Academies of Detroit, effective August 26, 2008; and

WHEREAS, the Public School Academies of Detroit desires an amendment to the Method of Selection to allow for increased board member participation;

NOW, THEREFORE, BE IT RESOLVED:

That the Board of Trustees establishes the method of selection, length of term and number of members of the Academy's Board of Directors as follows:

1. Method of Selection and Appointment of Academy Board Members:

a. Initial Academy Board Member Nominations and Appointments: As part of the public school academy application, the public school academy applicant shall propose to the Director of the University Charter Schools Office ("Director"), the names of proposed individuals to serve on the initial board of directors of the proposed public school academy. When the Director recommends an initial contract for approval to the Board of Trustees, he/she shall include recommendations for initial Academy Board members. These recommendations may, but are not required to, include individuals proposed by the public school academy applicant. To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Academy Board Member Questionnaire prescribed by the University Charter Schools
Office; and (ii) the Criminal Background Check Report prescribed by the University Charter Schools Office.

b. Subsequent Academy Board Member Nominations and Appointments: Except as provided in paragraph (2) below, the Academy Board may nominate individuals for subsequent Academy Board of Director positions. As part of the appointment process, the Academy Board may submit to the Director: (i) the name of the nominee; (ii) the board member candidate application materials identified in paragraph (a) above; and (iii) a copy of the Academy Board nominating resolution. The Director may or may not recommend the proposed nominee submitted by the Academy Board. If the Director does not recommend a nominee submitted by the Academy Board, the Director shall select a nominee and forward that recommendation to the Board of Trustees for appointment. The Board of Trustees shall have the sole and exclusive right to appoint members to the Academy Board.

c. Exigent Appointments: When the Director determines an “exigent condition” exists which requires him/her to make an appointment to a public school academy’s board of directors, the Director, with University President approval, may immediately appoint a person to serve as a public school academy board member for the time specified, but not longer than the next meeting held by the Board of Trustees when a regular appointment may be made by the Board of Trustees. The Director shall make the appointment in writing and notify the public school academy’s board of directors of the appointment. Exigent conditions include, but are not limited to when an Academy Board seat is vacant, when a Academy Board cannot reach a quorum, when the Board of Trustees determines that an Academy Board member's service is no longer required, when an Academy Board member is removed, when an Academy Board fails to fill a vacancy, or other reasons which would prohibit the Academy Board from taking action without such an appointment.

2. Qualifications of Academy Board Members: To be qualified to serve on the Academy Board, a person shall: (a) be a citizen of the United States; (b) reside in the State of Michigan; (c) submit all materials requested by the GVSU Charter Schools Office including, but not limited to, a GVSU Academy Board Member Questionnaire and a release for criminal history background check; (d) not be an employee of the Academy; (e) not be a director, officer, or employee of a company or other entity that contracts with the Academy; and (f) not be an employee or representative of GVSU or be a member of the Board of Trustees.
3. **Oath/Acceptance of Office/Voting Rights:** Following appointment by the Board of Trustees, Academy Board Appointees may begin their legal duties, including the right to vote, after they have signed an Acceptance of Public Office form and taken the Oath or Affirmation of Public Office administered by a member of the Academy Board, other public official or notary public.

4. **Length of Term; Removal:** An appointed Academy Board member is an "at will" board member who shall serve at the pleasure of the Board of Trustees for a term of office not to exceed three (3) years. Regardless of the length of term, terms shall end on June 30 of the final year of service, unless shorter due to other provisions of this resolution. A person appointed to serve as an Academy Board member may be reappointed to serve additional terms. When an Academy Board member is appointed to complete the term of service of another Academy Board member, their service ends at the end of the previous Academy Board member’s term.

If the Board of Trustees determines that an Academy Board member’s service in office is no longer required, then the Board of Trustees may remove an Academy board member with or without cause and shall specify the date when the Academy Board member’s service ends. An Academy Board member may be removed from office by a two-thirds (2/3) vote of the Academy’s Board for cause.

5. **Resignations:** A member of the Academy Board may resign from office by submitting a written resignation or by notifying the Director. The resignation is effective upon receipt by the Director, unless a later date is specified in the resignation. A written notice of resignation is not required. If no such written notification is provided, then the Director shall confirm a resignation in writing. The resignation shall be effective upon the date the Director sends confirmation to the resigning Academy Board member.

6. **Vacancy:** An Academy Board position shall be considered vacant when an Academy Board member:

   a. Resigns
   b. Dies
   c. Is removed from Office
   d. Is convicted of a felony
   e. Ceases to be qualified
   f. Is incapacitated

7. **Filling a Vacancy:** The Academy Board may nominate and the Director shall recommend or temporarily appoint persons to fill a
vacancy as outlined in the "Subsequent Appointments" and "Exigent Appointments" procedures in this resolution.

8. **Number of Academy Board Member Positions:** The number of member positions of the Academy Board of Directors shall be five (5), seven (7), nine (9), or eleven (11) as determined from time to time by the Academy Board.

9. **Quorum:** In order to legally transact business the Academy Board shall have a quorum physically present at a duly called meeting of the Academy Board. A "quorum" shall be defined as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># required for Quorum</th>

<td>Four (4)</td>
</tr>
<tr>
<td>Nine (9)</td>
<td>Five (5)</td>
</tr>
<tr>
<td>Eleven (11)</td>
<td>Six (6)</td>
</tr>
</tbody>
</table>

10. **Manner of Acting:** The Academy Board shall be considered to have "acted," when a duly called meeting of the Academy Board has a quorum present and the number of board members voting in favor of an action is as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># for Quorum</th>

Method of Selection Resolution

On motion by Ms. Myers and second by Mrs. Johnson, the following
resolution was adopted unanimously:

URBAN HIGH SCHOOL ACADEMY BOARD OF DIRECTORS:
METHOD OF SELECTION AND APPOINTMENT

WHEREAS, the Board of Trustees of Grand Valley State University
("University Board") is interested in issuing contracts to urban high school
academies, under PA 179 of 2003; and

WHEREAS, MCL 380.528(1)(c) of the Revised School Code ("Code")
provides that an authorizing body shall "adopt a resolution establishing
the method of selection, length of term, and number of members of the board
of directors of each urban high school academy that it authorizes," and

WHEREAS, the University Board has determined that each contract
issued by the University Board shall contain the following method of
selection and appointment process until otherwise amended by the
University Board;

NOW, THEREFORE, BE IT RESOLVED:

The following method of selection and appointment process for Urban
High School Academy Board members applies to all urban high school
academies authorized by the University Board:

1. Method of Selection and Appointment of Urban High School
   Board Members:

   a. Initial Urban High School Academy Board Member
      Nominations and Appointments: As part of the
      urban high school academy application, the
      applicant shall propose to the University Charter
      Schools Office Director ("CSO Director"), the
      names of proposed individuals to serve on the initial
      board of directors of the proposed urban high school

1 Campus Drive • Allendale, MI 49401-9403 • (616) 331-5000
academy ("Academy Board"). When the CSO Director recommends an initial contract for approval to the University Board, he/she shall include recommendations for initial Academy Board members. These recommendations may, but are not required to, include individuals proposed by the urban high school academy applicant ("Applicant"). To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Urban High School Academy Board Member Questionnaire prescribed by the University Charter Schools Office; and (ii) the Criminal Background and History Check Report prescribed by the University Charter Schools Office.

b. Subsequent Urban High School Academy Board Member Nominations and Appointments: Except as provided in paragraph (2) below, the Academy Board may nominate individuals for subsequent Academy Board member positions. As part of the appointment process, the Academy Board may submit to the CSO Director: (i) the name of the nominee; (ii) the board member candidate application materials identified in paragraph (a) above; and (iii) a copy of the Academy Board nominating resolution. The CSO Director may or may not recommend the proposed nominee submitted by the Academy Board. If the CSO Director does not recommend a nominee submitted by the Academy Board, the CSO Director shall select a nominee and forward that recommendation to the University Board for appointment. The University Board shall have the sole and exclusive right to appoint members to the Academy Board.

c. Exigent Appointments: When the CSO Director determines an "exigent condition" exists which requires him/her to make an appointment to an Academy Board, the CSO Director, with University President approval, may immediately appoint a person to serve as an Academy Board member for the time specified, but not longer than the next meeting held by the University Board when a regular appointment may be made by the University Board. The CSO Director shall make the appointment in writing and notify the Academy Board of the appointment. Exigent conditions include, but are not limited to when an Academy Board seat is vacant, when a Academy Board cannot reach a quorum, when the University Board
determines that an Academy Board member’s service is no longer required, when an Academy Board member is removed, when an Academy Board fails to fill a vacancy, or other reasons which would prohibit the Academy Board from taking action without such an appointment.

2. **Qualifications of Academy Board Members:** To be qualified to serve on the Academy Board, a person shall: (a) be a citizen of the United States; (b) reside in the State of Michigan; (c) submit all materials requested by the University Charter Schools Office including, but not limited to, a Urban High School Academy Board Member Questionnaire and a release for criminal records and history background check; (d) not be an employee of the Academy; (e) not be a director, officer, or employee of a company or other entity that contracts with the Academy; and (f) not be an employee or representative of the University or be a member of the University Board.

3. **Oath/Acceptance of Office/Voting Rights:** Following appointment by the University Board, Academy Board appointees may begin their legal duties, including the right to vote, after they have signed an Acceptance of Public Office form and taken the Oath or Affirmation of Public Office administered by a member of the Academy Board, other public official or notary public.

4. **Length of Term: Removal:** An appointed Academy Board member is an “at will” board member who shall serve at the pleasure of the University Board for a term of office not to exceed three (3) years. Regardless of the length of term, terms shall end on June 30 of the final year of service, unless shorter due to other provisions of this resolution. A person appointed to serve as an Academy Board member may be reappointed to serve additional terms. When an Academy Board member is appointed to complete the term of service of another Academy Board member, their service ends at the end of the previous Academy Board member’s term.

If the University Board determines that an Academy Board member’s service in office is no longer required, then the University Board may remove an Academy Board member with or without cause and shall specify the date when the Academy Board member’s service ends. An Academy Board member may also be removed from office by a two-thirds (2/3) vote of the Academy Board for cause.

5. **Resignations:** A member of the Academy Board may resign from office by submitting a written resignation or by notifying the CSO Director. The resignation is effective upon receipt by the CSO Director unless a later date is specified in the resignation. A written notice of resignation is not required. If no such written notification is provided, then the CSO Director shall confirm a
resignation in writing. The resignation shall be effective upon the
date the CSO Director sends confirmation to the resigning
Academy Board member.

6. **Vacancy:** An Academy Board position shall be considered vacant
when an Academy Board member:

   a. Resigns
   b. Dies
   c. Is removed from office
   d. Is convicted of a felony
   e. Ceases to be qualified
   f. Is incapacitated

7. **Filling a Vacancy:** The Academy Board may nominate and the
   CSO Director shall recommend or temporarily appoint persons
to fill a vacancy as outlined in the “Subsequent Appointments” and
   “Exigent Appointment” procedures in this resolution.

8. **Number of Academy Board Member Positions:** The number of
   Academy Board member positions shall be five (5), seven (7) or
   nine (9), as determined from time to time by the Academy Board.

9. **Quorum:** In order to legally transact business the Academy Board
   shall have a quorum physically present at a duly called meeting of
   the Academy Board. A “quorum” shall be defined as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># required for Quorum</th>
</tr>
</thead>
<tbody>
<tr>
<td>Five (5)</td>
<td>Three (3)</td>
</tr>
<tr>
<td>Seven (7)</td>
<td>Four (4)</td>
</tr>
<tr>
<td>Nine (9)</td>
<td>Five (5)</td>
</tr>
</tbody>
</table>

10. **Manner of Acting:** The Academy Board shall be considered to
    have “acted,” when a duly called meeting of the Academy Board
    has a quorum present and the number of board members voting in
    favor of an action is as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># for Quorum</th>

B. UPA operates three (3) public schools located at various locations in Detroit, Michigan (collectively referred to as the "UPA Schools").

C. The Board of Directors of UPA has decided to discontinue the operation of that organization as a separate entity and wishes to transfer its pupils, property, and assets to the Academy through a statutory merger and pursuant to Michigan law.

D. The respective boards of directors of the Academy and UPA deem it advisable and to the advantage, welfare and best interest of UPA and the Academy that UPA be merged with and into the Academy on the terms set forth in this Agreement.

NOW, THEREFORE, in consideration of the premises and the representations, warranties, covenants and agreements contained herein, the parties hereto, intending to be legally bound, agree as follows:

I — THE MERGER

1.1 The Merger. Subject to the terms and conditions of this Agreement, at the Effective Time (as defined in Section 1.2), UPA shall be merged with and into the Academy and the separate existence of UPA shall thereupon cease (the "Merger"). The Academy shall be the surviving corporation in the Merger (sometimes referred to in this Agreement as the "Surviving Corporation") and shall continue to be governed by the laws of the State of Michigan. After the Merger, the Surviving Corporation shall possess all of the rights, privileges, immunities and powers and shall be subject to all of the restrictions and duties of each of UPA and the Academy. All property, real, personal and mixed, and all debts of either UPA and the Academy shall be the property of the Academy and title to any real estate shall not revert or be impaired by the Merger in any way. The Merger shall have the effects specified in the Michigan Nonprofit Corporation Act (the "MNCA") and Public Act 1 of 2008. Except to the extent specifically provided in Section 3.1 of this Agreement, it is not the intention of UPA that the assets transferred to the Academy pursuant to the Merger be subject to any restrictions on their use beyond those applicable to such property immediately prior to the Effective Time.

1.2 Effective Time. The Academy and UPA will cause an appropriate Certificate of Merger (the "Certificate of Merger") to be executed and filed with the Michigan Department of Labor & Economic Growth on the date of the Closing (as defined in Section 1.3) or on such other
date and time as the Academy and UPA may agree. The Merger shall become effective at 11:59 p.m., on June 30, 2008, or on such other date and time as is agreed upon by the parties and specified in the Certificate of Merger. Such date and time is referred to in this Agreement as the "Effective Time." The separate existence of UPA shall cease at the Effective Time.

1.3 Closing. The closing of the Merger (the "Closing") shall take place at the offices of the Academy located at 435 Amsterdam Street, Detroit, Michigan 48202, at such other place, date or time as the Academy and UPA may agree.

Each director has one vote on all matters submitted to the board. The directors of the Surviving Corporation shall be the same as they were immediately prior to the Effective Time and shall serve until their successors have been duly elected or appointed and qualified, or until their earlier death, resignation or removal in accordance with the Articles of Incorporation and Bylaws of the Surviving Corporation; provided, however, immediately following the Effective Time, the Surviving Corporation shall nominate three (3) directors of UPA who were directors of UPA immediately prior to the Effective Time for subsequent Academy board member positions in accordance with Section 1.b of that certain Certified Copy of Resolution Adopted by the Board of Trustees of Grand Valley State University dated as of April 28, 2006 attached hereto as Exhibit A.

CERTIFIED COPY OF RESOLUTION ADOPTED BY THE BOARD OF TRUSTEES OF
GRAND VALLEY STATE UNIVERSITY ON APRIL 28, 2006:

06-3-14  Charter Schools Report

Method of Selection Resolution

On motion by Ms. Myers and second by Mrs. Johnson, the following
resolution was adopted unanimously:

URBAN HIGH SCHOOL ACADEMY BOARD OF DIRECTORS:
METHOD OF SELECTION AND APPOINTMENT

WHEREAS, the Board of Trustees of Grand Valley State University
(“University Board”) is interested in issuing contracts to urban high school
academies, under PA 179 of 2003; and

WHEREAS, MCL 380.528(1)(c) of the Revised School Code (“Code”)
provides that an authorizing body shall “adopt a resolution establishing the
method of selection, length of term, and number of members of the board
directors of each urban high school academy that it authorizes,” and

WHEREAS, the University Board has determined that each contract
issued by the University Board shall contain the following method of
selection and appointment process until otherwise amended by the
University Board;

NOW, THEREFORE, BE IT RESOLVED:

The following method of selection and appointment process for Urban
High School Academy Board members applies to all urban high school
academies authorized by the University Board:

1. Method of Selection and Appointment of Urban High School
Board Members:

   a. Initial Urban High School Academy Board Member
      Nominations and Appointments: As part of the
      urban high school academy application, the
      applicant shall propose to the University Charter
      Schools Office Director (“CSO Director”), the
      names of proposed individuals to serve on the initial
      board of directors of the proposed urban high school
academy ("Academy Board"). When the CSO Director recommends an initial contract for approval to the University Board, he/she shall include recommendations for initial Academy Board members. These recommendations may, but are not required to, include individuals proposed by the urban high school academy applicant ("Applicant"). To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Urban High School Academy Board Member Questionnaire prescribed by the University Charter Schools Office; and (ii) the Criminal Background and History Check Report prescribed by the University Charter Schools Office.

b. **Subsequent Urban High School Academy Board Member Nominations and Appointments:** Except as provided in paragraph (2) below, the Academy Board may nominate individuals for subsequent Academy Board member positions. As part of the appointment process, the Academy Board may submit to the CSO Director: (i) the name of the nominee; (ii) the board member candidate application materials identified in paragraph (a) above; and (iii) a copy of the Academy Board nominating resolution. The CSO Director may or may not recommend the proposed nominee submitted by the Academy Board. If the CSO Director does not recommend a nominee submitted by the Academy Board, the CSO Director shall select a nominee and forward that recommendation to the University Board for appointment. The University Board shall have the sole and exclusive right to appoint members to the Academy Board.

c. **Exigent Appointments:** When the CSO Director determines an “exigent condition” exists which requires him/her to make an appointment to an Academy Board, the CSO Director, with University President approval, may immediately appoint a person to serve as an Academy Board member for the time specified, but not longer than the next meeting held by the University Board when a regular appointment may be made by the University Board. The CSO Director shall make the appointment in writing and notify the Academy Board of the appointment. Exigent conditions include, but are not limited to when an Academy Board seat is vacant, when a Academy Board cannot reach a quorum, when the University Board
determines that an Academy Board member's service is no longer required, when an Academy Board member is removed, when an Academy Board fails to fill a vacancy, or other reasons which would prohibit the Academy Board from taking action without such an appointment.

2. **Qualifications of Academy Board Members:** To be qualified to serve on the Academy Board, a person shall: (a) be a citizen of the United States; (b) reside in the State of Michigan; (c) submit all materials requested by the University Charter Schools Office including, but not limited to, a Urban High School Academy Board Member Questionnaire and a release for criminal records and history background check; (d) not be an employee of the Academy; (e) not be a director, officer, or employee of a company or other entity that contracts with the Academy; and (f) not be an employee or representative of the University or be a member of the University Board.

3. **Oath/Acceptance of Office/Voting Rights:** Following appointment by the University Board, Academy Board appointees may begin their legal duties, including the right to vote, after they have signed an Acceptance of Public Office form and taken the Oath or Affirmation of Public Office administered by a member of the Academy Board, other public official or notary public.

4. **Length of Term; Removal:** An appointed Academy Board member is an “at will” board member who shall serve at the pleasure of the University Board for a term of office not to exceed three (3) years. Regardless of the length of term, terms shall end on June 30 of the final year of service, unless shorter due to other provisions of this resolution. A person appointed to serve as an Academy Board member may be reappointed to serve additional terms. When an Academy Board member is appointed to complete the term of service of another Academy Board member, their service ends at the end of the previous Academy Board member’s term.

If the University Board determines that an Academy Board member’s service in office is no longer required, then the University Board may remove an Academy Board member with or without cause and shall specify the date when the Academy Board member’s service ends. An Academy Board member may also be removed from office by a two-thirds (2/3) vote of the Academy Board for cause.

5. **Resignations:** A member of the Academy Board may resign from office by submitting a written resignation or by notifying the CSO Director. The resignation is effective upon receipt by the CSO Director unless a later date is specified in the resignation. A written notice of resignation is not required. If no such written notification is provided, then the CSO Director shall confirm a
resignation in writing. The resignation shall be effective upon the date the CSO Director sends confirmation to the resigning Academy Board member.

6. **Vacancy:** An Academy Board position shall be considered vacant when an Academy Board member:

   a. Resigns
   b. Dies
   c. Is removed from office
   d. Is convicted of a felony
   e. Ceases to be qualified
   f. Is incapacitated

7. **Filling a Vacancy:** The Academy Board may nominate and the CSO Director shall recommend or temporarily appoint persons to fill a vacancy as outlined in the “Subsequent Appointments” and “Exigent Appointment” procedures in this resolution.

8. **Number of Academy Board Member Positions:** The number of Academy Board member positions shall be five (5), seven (7) or nine (9), as determined from time to time by the Academy Board.

9. **Quorum:** In order to legally transact business the Academy Board shall have a quorum physically present at a duly called meeting of the Academy Board. A “quorum” shall be defined as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># required for Quorum</th>
</tr>
</thead>
<tbody>
<tr>
<td>Five (5)</td>
<td>Three (3)</td>
</tr>
<tr>
<td>Seven (7)</td>
<td>Four (4)</td>
</tr>
<tr>
<td>Nine (9)</td>
<td>Five (5)</td>
</tr>
</tbody>
</table>

10. **Manner of Acting:** The Academy Board shall be considered to have “acted,” when a duly called meeting of the Academy Board has a quorum present and the number of board members voting in favor of an action is as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># for Quorum</th>

INDEPENDENT CONTRACTOR AGREEMENT

This Independent Contractor Agreement (the "Agreement") is made effective as of July 1, 2012 by and between DETROIT 90/90, LLC, a Michigan nonprofit corporation ("Detroit 90-90") and THE PUBLIC SCHOOL ACADEMIES OF DETROIT, a Michigan public school academy (the "PSAD") formed under Part 6c of the Revised School Code, Public Act 451 of 1976 (the "Code"), as amended.

PSAD is an urban high school academy organized under the Code. PSAD has been issued a contract (the "Contract") by GRAND VALLEY STATE UNIVERSITY BOARD OF TRUSTEES (the "Authorizer") to organize and operate one or more urban high school academies.

PSAD and Detroit 90/90 desire to enter into an agreement, as defined in MCL 380.523c(2)(c), whereby PSAD and Detroit 90/90 will work together to deliver systems of educational excellence and services to PSAD and its University Preparatory Science and Math urban high school academy ("UPSM") based on the vision for the PSAD's urban high school academies as described in the Contract and Detroit 90/90's vision of school design, management principles, and the "Educational Program" (defined below).

THerefore, the parties agree as follows:

ARTICLE I
Relationship of the Parties and Other Matters

Section 1. Authority. PSAD represents that (a) it is authorized by law to contract with an educational management organization for the provision of management and operational services to PSAD, and (b) PSAD has been issued the Contract from the Authorizer to organize and operate one or more urban high school academies. To the extent permitted by law, PSAD authorizes and grants to Detroit 90/90 the right and power to perform under this Agreement.

Section 2. Agreement. The parties agree that Detroit 90/90, to the extent permitted by laws, shall provide all labor, comprehensive educational, and administrative, administrative services, and materials, and shall fulfill all obligations of the Service Agreement.

Detroit 90/90 and the parties agree that Detroit 90/90, to the extent permitted by laws, shall provide all labor, comprehensive educational, and administrative services, and materials, and shall fulfill all obligations of the Service Agreement.
enter into a similar educational management agreement respecting the operation of the PSAD University Preparatory Academy ("UPA") urban high school academy. The CEO for UPSM shall serve as the CEO for UPA. Detroit 90/90 shall provide periodic written updates about a CEO search to the Contract Administrator and PSAD. Detroit 90/90 shall not retain a CEO to which the Contract Administrator or PSAD objects. The CEO shall hold all required certifications as required by the Code. The CEO may be disciplined or terminated by Detroit 90/90 in its sole discretion. Detroit 90/90 shall notify the Board before the termination of the CEO. Detroit 90/90 will have the authority, consistent with applicable laws, to select and supervise the CEO and to hold the CEO accountable for the success of UPSM. Detroit 90/90 will empower the CEO with the authority to select and hold accountable the teachers and staff at UPSM.

Section 9. **Criminal Background Checks.** Detroit 90/90 agrees that it shall not assign any of its employees, agents or other individuals to perform any services under this Agreement except as permitted under Sections 1230, 1230a, 1230b and related provisions of the Code pertaining to criminal background and criminal conduct checks. Detroit 90/90 shall require that the results of the criminal background check are received, reviewed, and used (subject to a verification process) by the CEO acting on behalf of PSAD and/or the Board, only as permitted by law to confirm that the individual does not have a criminal history and to evaluate the qualifications of the individual for his/her assignment.

Section 10. **Unprofessional Conduct Checks.** Detroit 90/90 agrees that it will conduct unprofessional conduct checks, in accordance with MCL 380.1230b, before hiring an employee assigned to work at the UPSM worksite.

Section 11. **Compliance with Section 523c.** On an annual basis, Detroit 90/90 agrees to provide the UPSM Board with the same information that a school district is required to disclose under section 18(2) of the State School Aid Act of 1979, MCL 388.1618, for the most recent school fiscal year for which the information is available. Within thirty (30) days of receipt of this information, the UPSM Board shall make the information available on UPSM’s website home page, in a form and manner prescribed by the Michigan Department of Education. The defined terms in section 523c of the Code, MCL 380.523c shall have the same meaning in this Agreement.

Section 12. **The Board.** The Board is the governing body with oversight responsibilities over PSAD. The parties acknowledge that throughout this Agreement the term "Board" and the term "PSAD" are sometimes used interchangeably in some sections for the sole purpose of readability based on the nature and subject-matter of the article/section.

Section 13. **Availability of Funds.** Detroit 90/90 shall be liable to PSAD for any cost it incurs to PSAD to without the Board’s approval in the event such cost is beyond the amount in PSAD’s budget or any amendment thereto. Detroit 90/90 shall only be required to perform its responsibilities under this Agreement to the extent PSAD has appropriated funds in its budget, as amended.

Section 14. **Non-Compete Agreement.** Detroit 90/90 agrees that it shall not impose any contractual requirement or contractual obligation on any of its teachers, support staff,
on the applicable Fee Budget for such year of the Term, as agreed between Detroit 90/90 and PSAD.

In the event Detroit 90/90 incurs expenses in amounts less than those set forth in the applicable Fee Budget in any type or classification, resulting in a surplus (a "Budget Surplus") for any year of the Term, Detroit 90/90 shall make a proposal to PSAD for disposition of the Budget Surplus for such year of the Term for PSAD's review and approval. PSAD and Detroit 90/90 must mutually agree to the disposition of the Budget Surplus for such year of the Term. If the parties do not mutually agree to the disposition of the Budget Surplus for such year of the Term after informal discussion, the parties shall participate in mediation and, arbitration, if the matter is not resolved, as set forth in Article X of this Agreement. In the event Detroit 90/90 incurs expenses in amounts more than those set forth in the applicable Fee Budget in any type or classification, resulting in a deficit (a "Budget Deficit") for any year of the Term, Detroit 90/90 shall make a proposal to PSAD for an adjustment for the applicable Fee for such year of the Term for PSAD's review and approval. PSAD and Detroit 90/90 must mutually agree to the proposal for an adjustment for the applicable Fee in the event of a Budget Deficit for any year of the Term. If the parties do not mutually agree to the adjustment for the applicable Fee in the event of a Budget Deficit for any year of the Term after informal discussion, the parties shall participate in mediation and, arbitration, if the matter is not resolved, as set forth in Article X of this Agreement. Notwithstanding the foregoing, Detroit 90/90 shall give PSAD written notice not less than fifteen (15) days after becoming aware of a potential Budget Deficit.

Upon receipt of PSAD State Aid funds, PSAD shall immediately deposit those funds in an account mutually agreed upon by the parties and administered by the CEO of Detroit 90/90.

Section 2. Reimbursement of Costs. In addition to the Fee, PSAD shall reimburse Detroit 90/90 for all costs reasonably incurred and paid by Detroit 90/90 in providing the Services specifically related to PSAD except for those costs which are included in the applicable Fee Budget. Such reimbursable costs include, but are not limited to, certain employment or retention costs of Detroit 90/90 employees or staff assigned to UPSM, other expenses for building facilities, equipment, software, supplies, food service, transportation, special education, psychological services, and medical services. Detroit 90/90 will invoice PSAD for reimbursement of certain employment or staff costs of Detroit 90/90 employees or staff assigned to UPSM. Detroit 90/90 will invoice PSAD for reimbursement of all other costs not included in the applicable Fee Budget with a detailed receipt of material or services provided. PSAD shall only reimburse for costs included in an annual operating budget approved by the Board or as amended during the academic year. In paying such costs on behalf of PSAD, Detroit 90/90 shall not charge an added fee (or mark-up). Marketing and development costs paid by or charged to PSAD shall be limited to those costs specific to UPSM. Detroit 90/90 shall not include any costs for the marketing and development of Detroit 90/90 nor any other corporate costs of Detroit 90/90, including but not limited to insurance, audit, legal other corporate compliance expenses, or miscellaneous costs that are too detailed and burdensome to attribute to UPSM. All such non-reimbursable costs are the responsibility of Detroit 90/90 and shall be paid out of the Fee or such other revenue of Detroit 90/90. A complete description of costs that are not to be allocated to PSAD and UPSM are included in the Fee Budget.
PSAD’s failure to timely remit the Fee, all payroll costs, or any reimbursement due to Detroit 90/90. PSAD has thirty (30) days after notice from Detroit 90/90 to remedy a breach that involves the advancement of funds for all compensation required for payroll or to reach an agreement with Detroit 90/90 on the payment of those funds.

Termination before the end of the Term shall not relieve PSAD of any financial or other obligations to Detroit 90/90 outstanding as of the date of termination. Failure by Detroit 90/90 to (a) declare a breach, (b) place PSAD on notice thereof, or (c) fail to exercise or exert any remedy available to Detroit 90/90 under this Agreement or applicable laws, shall not be deemed a waiver of Detroit 90/90’s right and remedies whatsoever.

Section 2. Termination by PSAD. PSAD may terminate this Agreement before the end of the Term in the event that Detroit 90/90 fails to remedy a material breach within the required time frames below. A material breach includes, but is not limited to:

a. Failure by Detroit 90/90 to reasonably account for its expenditures;

b. Failure by Detroit 90/90 to pay PSAD operating expenses as required under this Agreement (provided funds are available);

c. Failure by Detroit 90/90 to substantially follow policies, procedures, rules, regulations, or curriculum duly adopted by the Board which are not in violation of applicable laws or this Agreement;

d. Failure by Detroit 90/90 to provide the Services as required by this Agreement; and/or

e. Any action or inaction by Detroit 90/90 that places the Contract in jeopardy of revocation, suspension or termination, as evidenced by written notification from the Authorizer.

f. Failure to meet the educational performance requirements in the Contract, any lease agreement entered into by PSAD for the operation of UPSM, or in Schedule B to this Agreement.

Detroit 90/90 has ten (10) days after notice from PSAD to remedy a breach that involves the non-payment of funds for all “compensation” required for payroll (provided that Detroit 90/90 has received such funds from PSAD to do so) or to reach an agreement with PSAD on the payment of those funds. Detroit 90/90 has thirty (30) days after written notice from PSAD to remedy all other material breaches.

Either party may also terminate this Agreement without cause before the end of the Term by giving written notice of termination to the other party by December 1 of a particular year, and unless otherwise agreed to by the parties, the termination shall be effective as of June 30 of the following year. Notice of termination provided after December 1 shall not be effective until one year after June 30 of the following year.
2. use its best efforts to maintain its relations and good will with suppliers, customers, landlords, creditors, employees, agents and others having business relationships with it.

3. make no material changes in administrative, operational, or management personnel, including the chief administrative officer, superintendent for UPSM, principals for each of the UPSM schools, or teaching staff without prior written approval of PSAD.

4. use its best efforts not to disturb UPSM's relations and good will with parents, students and the educational community relating to the operation and management of UPSM and otherwise comply with this Agreement;

5. comply with all legal requirements and contractual obligations assigned to it applicable to the operations of UPSM;

6. continue in full force and effect all required insurance coverages;

7. cooperate with PSAD in identifying the governmental authorizations or other approvals including but not limited to those regarding UPSM facilities, required by PSAD to operate UPSM; and

8. prepare and provide to PSAD within thirty (30) days of the provision of notice of termination, at Detroit 90/90's own expense, a draft transition agreement which shall specifically detail and plan for each and every transition issue and provide a timeline for addressing each issue.

Section 6. **Personal Property upon Termination or Expiration.** Upon any termination or the expiration of this Agreement, PSAD may elect (a) to purchase any personal property which has been purchased or leased from a third party solely with Detroit 90/90 funds, provided such purchase or lease is permitted under the purchase or lease documents relating thereto, at the fair market, depreciated value of such personal property or (b) to return same to Detroit 90/90. All personal property purchased or leased by Detroit 90/90 using PSAD funds shall remain the personal property of PSAD. PSAD shall own, without restriction, all property, tangible and intangible, purchased, licensed, or acquired in any fashion by or for PSAD, or by or with PSAD funds.

Section 7. **Obligations Upon Termination or Expiration.** Upon any termination or the expiration of this Agreement, the parties shall remain obligated for all financial or other obligations due at the time of the termination or expiration. After any termination or the expiration of this Agreement, and once all such obligations referenced above are satisfied, the parties shall have no further obligations to each other under this Agreement whatsoever except for the continuing obligations under (a) Article V (confidentiality and non-use/non-disclosure of proprietary information) and (b) Article VII (indemnification).

Detroit 90/90 believes that its schools—University Preparatory Academy (UPA) and University Prep Science & Math (UPSM)—offer a powerful and unique model for teaching and engaging urban children. Our schools are dedicated to educating the whole child in ways that prepare students for success in college, other post-secondary training, and life, as well as ensure high performance on required standardized tests and college entrance exams.

University Prep Schools understand that true college readiness does not depend solely on students’ academic success and mastery of standards. Readiness also hinges on developing students as confident, motivated self-managers and problem solvers, with a variety of talents and experiences. These are the characteristics and traits we build in our students, and the reasons our schools are able to graduate students who persist in college and fulfill their dreams.

Key elements of the University Prep Schools model that ensure college readiness for graduates, and are supported by research-based practices, include:

- **Rigorous curriculum designed to meet state and federal standards at every level.** The University Prep Schools curricula is designed to achieve the benchmarks set out in Michigan’s Curriculum Framework and the ACT College Readiness standards—and will evolve to meet the new Common Core standards. Our schools ensure student success on challenging work by providing support in different ways—starting with small classes, personalized learning plans for every student and differentiated instruction that enables advanced learners as well as struggling students to connect to academic content and reach their potential.

- **Intentional strategies to build and maintain strong relationships between and among students, parents, and teachers.** Our schools employ a wide range of practical, authentic, real-world experiences, from meaningful internships and community service to international travel and college campus tours, to complement academic instruction so that students can navigate the global marketplace with confidence and competence.

- **Curiosity, focus, and effort are critical to student learning.** University Prep Schools use personal relationships, a culture of success, integration of technology, and fun, interest-based projects to ensure strong student engagement. When learning is fun, learners invest much more energy and imagination in getting through the hard work. In addition, we employ a wide range of practical, authentic, real-world experiences, from meaningful internships and community service to international travel and college campus tours, to complement academic instruction so that students can navigate the global marketplace with confidence and competence.

- **Being able to think, talk, write, and speak about what’s being learned is crucial to becoming the self-directed learner demanded for success in college and the world of work.** From kindergarten through the 12th grade, University Prep Schools students present public exhibitions of their work several times each year.

- **An emphasis on staff development that focuses on effective teaching and learning strategies and continuous improvement.** Opportunities for reflection, team critique and data analysis are built into our model. Staff development also is an opportunity for student monitoring and real-time intervention. University Prep Schools use multiple measures that include state achievement tests, the Measures of Academic Progress, ACT practice tests, and a wide variety of classroom-based and building based assessments to monitor student achievement. The results of these measures are reviewed continuously throughout each school year, and used to identify students needing supplementary instruction. All University Prep Schools have designed robust supplementary instructional programs that offer additional learning opportunities within the school day, after school, and throughout the summer.
For the middle schools:

- Average daily attendance rate for students shall be at least 90% for each school year.

- Eighth graders will score within 10 percent of the state average in reading and math on the state exam, currently the MEAP, and outperform selected districts serving students from comparable demographic backgrounds.

- The middle schools in the University Prep Schools system will administer the Explore—or the actual ACT—to prepare students for success on the high stakes exam.

- Re-enrollment rates shall result in at least 75% of eligible eighth grade students entering the high school upon graduation from the middle schools each year (students who migrate from middle schools, students who move to other high performing schools as defined by MDE, and students who move out of the area are included in the percentage).

- University Prep Schools will meet whatever metric the state determines will replace Adequate Yearly Progress (AYP).

For the elementary schools:

- Each year, at least 90% of the eligible fifth graders will enter the middle schools the following fall.

- 75% of the sixth graders entering the middle schools who attended the elementary schools since kindergarten will read at or above grade level.

- Average daily attendance rate for students shall be at least 90% for each school year.

- University Prep Schools will meet whatever metric the state determines will replace Adequate Yearly Progress (AYP).

Detroit 90/90 Mandatory Reporting Requirements

For all schools:

- Annually, the PSAD Board will be provided certain mandatory reporting data as outlined and in the format as depicted in attached Exhibit. This data and the reports are to be provided by October 31st of each school year.

PSAD is not a division or any part of Detroit 90/90 and is a separate corporate and governmental entity authorized under the Code. The relationship between the parties was developed and entered into through arms-length negotiation and is based solely on the terms of this Agreement.

Section 5. **Detroit 90/90 as Independent Contractor/Agency.** In the performance of Services under this Agreement, Detroit 90/90 (its officers, directors, employees, and designated agents) shall be regarded at all times as performing services as independent contractors of PSAD. During the Term of this Agreement, PSAD may disclose confidential data and information to Detroit 90/90, and its respective officers, directors, employees and designated agents to the extent permitted by applicable law, including without limitation, the Individual with Disabilities Education Act ("IDEA"), 20 USC §1401 et seq., 34 CFR 300.610 -300.626; Section 504 of the Rehabilitation Act of 1973, 29 USC §794a, 34 CFR 104.36; the Michigan Mandatory Special Education Act, MCL 380.1701 et seq.; the American with Disabilities Act, 42 USC §12101 et seq.; the Health Insurance Portability and Accountability Act ("HIPAA"), 42 USC 1320d – 1320d-8; 45 CFR 160, 162 and 164; and social security numbers, as protected by the federal Privacy Act of 1974, 5 USC §552a; and the Michigan Social Security Number Privacy Act, MCL 445.84.

During the first year of the Term of this Agreement, the Board shall pay Detroit 90/90 an annual fee equal to eleven and two tenths percent (11.2%) of the total aid received by PSAD attributed to UPA from the state of Michigan, pursuant to the State School Aid Act of 1979, as amended, for the particular number of students enrolled in PSAD after deduction of the fee payable to Grand Valley State University pursuant to PSAD’s Charter Contract (the “Fee”). Detroit 90/90 shall receive the Fee in twelve (12) installments of approximately equal monthly amounts beginning in July of each academic year and ending in the following June.

The parties agree that the Fee amount is reasonable compensation for the provision of the Services and Detroit 90/90’s incurring of non-reimbursable expenses of the types and classifications, and in the amounts, set forth in Schedule A (the “Fee Budget”), as adjusted for each year of the Term. Section 3. Revocation or Termination of Contract. If the Contract, as it relates to UPA only, issued by the Authorizer is revoked or terminated or a new charter contract is not issued or obtained, this Agreement shall automatically terminate on the same date as the Contract is revoked or terminated without further action of the parties, provided, however, that this Agreement will continue to remain in effect until the termination date set forth in Article II if (i) PSAD has entered into a subsequent contract with an authorizing body, and (ii) this Agreement has not been terminated pursuant to Article VI.

Section 4. Change in Law. If any federal, state or local law or regulation, or court or administrative decision, or attorney general's opinion (collectively referred to in this Agreement as the "applicable laws") has a substantial and material adverse impact (as reasonably determined by the party suffering the impact) on the ability of the impacted party to carry out its obligations under this Agreement, then the impacted party, upon written notice, may request a renegotiation of this Agreement. If the parties are unable or unwilling to successfully renegotiate the terms of this Agreement within ninety (90) days after the notice, and after making good faith efforts which shall include, but not be limited to, the use of a third party arbitrator and/or alternative dispute resolution process, the impacted party may terminate this Agreement as of the end of the then-current academic year.

Moreover, after any notice of termination is provided by either party, Detroit 90/90 shall not initiate contact with (i) the parents and legal guardians or students of PSAD directly or indirectly to promote or recruit enrollment for other schools other than PSAD; or (ii) any employee or independent contractor who currently works at or for the educational or administrative operation or management of UPA to hire or retain any employee or independent contractor of a person who currently works at or for the educational or administrative operation or management of UPA.

Moreover, after any notice of termination is provided by either party and until the effective date of termination of this Agreement, Detroit 90/90 shall undertake the following:

1. carry out its obligations under this Agreement in the ordinary course of business;
90/90 and all of its employees, officers, directors, subcontractors and agents, harmless against any and all claims, demands, suits or other forms of liability that may be caused by any negligent or intentional misconduct by PSAD, its officers, directors, employees, subcontractors and agents, or by any failure to act or any omission that causes harm to Detroit 90/90 arising out of this Agreement. PSAD and Detroit 90/90 entered into an Independent Contractor Agreement dated July 1, 2012 (the “UPA-ICA”) to deliver systems of educational excellence and services to PSAD and its University Preparatory Academy urban high school academy (“UPA”).

AMENDED AND RESTATED
MANAGEMENT AGREEMENT
BETWEEN
CREATIVE URBAN EDUCATION
AND
THE PUBLIC SCHOOL ACADEMIES OF DETROIT

This Amended and Restated Educational Management Company Agreement ("Agreement") is made and entered into as of the 16th day of June, 2010 by and between Creative Urban Education, Inc., a Michigan non-profit corporation ("CUE"), and the Public School Academies of Detroit, a Michigan non-profit corporation (the "PSAD").

The following is a recital of facts underlying this Agreement:

The PSAD is organized to operate urban high school academies in Detroit pursuant to the Michigan Revised School Code, Part 6C (the "Code"). The PSAD has been issued a contract, as defined in the Code (the "Contract"), by the Board of Trustees of Grand Valley State University (the "Authorizer Board") on December 14, 2007, as amended, to organize and operate urban high school academies.

CUE is a nonprofit corporation founded with the purpose of bringing a new model of urban schools to the state of Michigan.

The PSAD and CUE desire to create an enduring educational partnership, whereby the PSAD and CUE will work together to bring educational excellence and innovation to one of the PSAD urban high school academies, The Henry Ford Academy: School for Creative Studies ("HFA:SCS"), based on CUE's school design and capacity to implement and manage a comprehensive educational program.

To pursue this purpose, the parties agree to amend and restate the terms of the Contract with the terms below.

Therefore, it is mutually agreed as follows:

ARTICLE I
CONTRACTING PARTIES

A. Authority. The PSAD is authorized by the Authorizer Board to provide educational management services. The Authorizer Board is therefore authorized by the Authorizer Board to carry out the educational program contemplated in this Agreement. Notwithstanding anything to the contrary in this Agreement, the PSAD's Board of Directors ("PSAD Board"), pursuant to the Code and in accordance with
B. Educational Program. Consistent with the Code, the Contract and the HFA:SCS Goals (as defined in Section G of this Article III), the educational program(s) and program(s) of instruction (collectively, the "Educational Program") provided by CUE at the HFA:SCS may be adapted and modified by CUE from time to time, it being understood that an essential principle of this Educational Program is its flexibility, adaptability and capacity to change in the interest of continuous improvement and efficiency, and that PSAD and CUE are interested in results and not inflexible prescriptions, provided that any modification must be consistent with the Contract and any substantial changes to the Educational Program may require a Contract amendment. The PSAD Board, including its Contract Administrator, shall be consulted before any substantial adaptation or modification to the Educational Program. Where the Code requires PSAD action in connection with the Educational Program, CUE shall advise the PSAD Board, including its Contract Administrator, that such action is required and shall, consistent with the terms of this Agreement, carry out the direction of the PSAD Board.

C. Specific Functions. CUE shall be responsible for the HFA:SCS’s management, operation, administration and Education Program. Such functions include, but are not limited to:

1. Implementation and administration of the Educational Program, including the selection and acquisition of instructional materials, equipment and supplies, and the administration of any and all extra-and co-curricular activities and programs approved by the PSAD Board;

2. Management of all personnel functions, including professional development for the School Administrator and all instructional personnel and the personnel functions outlined in Article VI;

3. Operation of the Subleased Premises (defined hereafter) and the installation of technology integral to school design;

4. All aspects of the HFA:SCS’s business administration, including but not limited to, the administration of HFA:SCS’s financial and bank accounts and the transfer of funds from such accounts for the payment of costs as provided in this Agreement until CUE establishes a dedicated bank account pursuant to Article V, Section M; and

5. Any other function necessary or expedient for the HFA:SCS’s administration.

D. Subcontracts. CUE reserves the right to subcontract any and all aspects of services it agrees to provide to the HFA:SCS. However, CUE shall not subcontract the management, oversight or operation of the teaching and instructional program, except as specifically permitted in this Agreement or with the PSAD Board’s prior written approval. Henry Ford Learning Institute ("HFLI") will provide to CUE services related to curriculum, technology, and all other services consistent with HFLI's rights and duties under the Education Network Services Agreement to be executed by CUE and HFLI (the "HFLI Network Services Agreement"). Without limiting CUE’s rights under this section, CUE may subcontract to HFLI the development, creation, and modification of curricula, technology and procedures to be recommended for HFA:SCS. The total amount charged by CUE to PSAD for such services and
LLC, a Michigan limited liability company (the "Master Tenant") located at 465-485 West Milwaukee, Detroit Michigan 48202 (the "Building Sublease"). TEF-SIX will also sublease the gymnasium from Master Tenant to be constructed adjacent to the Argonaut Building and CUE will sublease such gymnasium from TEF-SIX (the "Gymnasium Sublease"). The building and gymnasium are collectively referred to as the "Subleased Premises." TEF-SIX is a single member limited liability company whose single member is the Contract Administrator. The Contract Administrator will provide a limited guaranty of TEF-SIX's obligations under the Building Sublease. TEF-SIX will sublease the Subleased Premises to CUE and CUE is obligated, pursuant to Article III, Section N below, to provide the Subleased Premises to the PSAD for the operation of the HFA:SCS's middle school and high school grades.

N. Right of Entry. Pursuant to Article III, Section M, of this Agreement, CUE grants to PSAD and its agents, board members, employees, invitees, and students, unconditional permission for the Term of this Agreement to enter upon and use the Subleased Premises for the operation of the HFA:SCS for all purposes contemplated by the Contract issued by the Authorizer Board, including permission to bring upon the Subleased Premises any and all materials, supplies and furniture required to operate the HFA:SCS, and to conduct educational activities on the Subleased Premises, including without limitation, any and all activities which are principal, ancillary, customary and incidental to operating a public school; provided, however, that if the Gymnasium Sublease terminates before this Agreement terminates, PSAD’s right of entry to the gymnasium likewise terminates. CUE shall not charge PSAD any License or Right of Entry Fee. The operation of all school activities shall be done in accordance with all applicable laws, this Agreement, and the Contract.

ARTICLE IV

OBLIGATIONS OF THE PSAD BOARD

The PSAD Board shall exercise good faith in considering the recommendations of CUE including, but not limited to, CUE’s recommendations concerning policies, rules, regulations, procedures, curriculum, and budgets.

ARTICLE V

COMPENSATION FOR SERVICES

A. Compensation for Services. PSAD agrees that CUE shall be entitled to an annual fee for services provided each academic year under this Agreement, in accordance with the fee schedule set forth on the attached Exhibit A ("Management Fee"). During any academic year, CUE may irrevocably waive any or all of the Management Fee at its sole option. Payment or waiver of the Management Fee will not preclude the payment of Additional Compensation by PSAD if additional compensation is permitted or specified elsewhere in this Agreement or in any other agreements between the parties. "Additional Compensation" means additional funds paid by PSAD to CUE, or funds collected by PSAD and remitted to CUE, for services or programs conducted by CUE. Additional Compensation does not include funds to cover CUE’s costs or expenses in conducting such services or programs, nor does it include the amount of funds collected directly by CUE from users of, or participants in, such services or programs. In no event will the Additional Compensation paid by PSAD to CUE in an academic year exceed 25% of the Management Fee for that same academic year.
that none of the voting power or the governing body of PSAD will be vested in CUE or its
directors, members, managers, officers, shareholders and employees, and PSAD and CUE will
not be related parties as defined in Treas. Reg. § 1.150-1 (b).

G. Other Revenue Sources. To supplement and enhance the state school aid
payments, and improve the quality of education at the HFA:SCS, PSAD and CUE shall endeavor
to obtain revenue from other sources. In this regard:

1. PSAD may solicit and receive grants, and donations consistent with the
HFA:SCS’s mission;

2. PSAD and/or CUE may apply for and receive grant money, in the name of
CUE or PSAD;

3. To the extent permitted under the Code and the Contract, CUE may, with
the prior approval of the PSAD board, charge and retain fees from (a)
HFA:SCS students for extra services such as summer programs and (b)
non-HFA:SCS students and others who participate in programs or services
provided by CUE. To the extent any such fees are paid directly to PSAD,
PSAD will promptly remit such fees to CUE. The amount of such fees
remitted by PSAD to CUE, less CUE’s costs and expenses in providing
the additional programs or services, will be considered Additional
Compensation as defined in Paragraph A of this Article; and

4. Except for fees described in paragraph 3 above, all funds received by
PSAD or by CUE on PSAD’s behalf from such other revenue sources shall
inure to and be deemed PSAD’s property.

H. Start-up Funds. CUE and the PSAD Board shall, in good faith, work together to
identify and agree upon funding sources to be used to cover the HFA:SCS’s start-up costs. The
parties acknowledge that such costs may include expenses related to the development of a
curriculum, technology system and school operations plan; recruiting, selecting and pre-service
training of staff members; purchasing of instructional materials and supplies and other materials
deemed necessary to initiate the Educational Program. CUE and the PSAD Board agree that
start-up costs that are incurred prior to July 1, 2009 will be paid by CUE using funds from the
MDI grant received by CUE and PSAD and funds raised by CUE from other sources. If other
start-up funds are received by PSAD before July 1, 2009, the PSAD Board must approve the use
of such funds for start-up costs. Start-up costs incurred on or after July 1, 2009 will be made a
part of the budget submitted for the PSAD Board’s approval.

I. Other Public School Academies. PSAD acknowledges that CUE may enter into
similar management agreements with other public school academies or traditional public schools
in the future. CUE shall separately account for reimbursable expenses incurred on the
HFA:SCS’s behalf and other public school academies, and only charge PSAD for expenses
incurred on the HFA:SCS’s behalf. If CUE incurs reimbursable expenses on the HFA:SCS’s
behalf and other public school academies which are incapable of precise allocation between such
academies, the CUE shall allocate such expenses among all such academies, including the
maintained in the CUE HFA:SCS Trust Account. Only CUE agents will be authorized signatories to the CUE HFA:SCS Trust Account, and no PSAD Board agent shall be a signatory to the CUE HFA:SCS Trust Account. PSAD and CUE will coordinate efforts to have funds transferred by wire transfer or other means from the HFA:SCS Accounts to the CUE HFA:SCS Trust Account to enable CUE to draw funds from the CUE HFA:SCS Trust Account to fund school operations consistent with the approved budget as amended. PSAD's payment of the Management Fee and Additional Compensation shall be made to CUE's corporate accounts and not the CUE HFA:SCS Trust Account. The funds held on deposit by CUE in its CUE HFA:SCS Trust Account shall be PSAD property, and CUE shall make the account records for the CUE HFA:SCS Trust Account available immediately on request by PSAD.

F. Modifications of Model. From time to time HFLI may provide new or different versions of the Mark and make it available for PSAD's use under the same terms and conditions provided in this Agreement. PSAD will be responsible for all costs incurred in implementing such new or different Mark, to the extent it chooses to use it.

G. Mark. Neither PSAD nor HFLI will use or apply to register any trademark that incorporates or includes any part of, is confusingly similar to, or would tend to dilute the Mark, except as expressly authorized herein. PSAD acknowledges that the Mark is unique and original to HFLI and/or THF respectively, and that HFLI and/or THF are the respective owners of the Mark. PSAD will not, at any time after the Effective Date, dispute or contest, directly or indirectly, HFLI's or THF's respective exclusive ownership of the Mark. PSAD acknowledges that its use of the Mark inures to HFLI's and/or THF's benefit respectively, and that PSAD will not acquire any ownership in the Mark arising out of or related to its performance of this Agreement and any licenses granted between them. AMENDED AND RESTATED
MANAGEMENT AGREEMENT
BETWEEN
CREATIVE URBAN EDUCATION
AND
THE PUBLIC SCHOOL ACADEMIES OF DETROIT

This Amended and Restated Educational Management Company Agreement ("Agreement") is made and entered into as of the 26th day of June, 2010 by and between Creative Urban Education, Inc., a Michigan non-profit corporation ("CUE"), and the Public School Academies of Detroit, a Michigan non-profit corporation (the "PSAD").

The following is a recital of facts underlying this Agreement:

The PSAD is organized to operate urban high school academies in Detroit pursuant to the Michigan Revised School Code, Part 6C (the "Code"). The PSAD has been issued a contract, as defined in the Code (the "Contract"), by the Board of Trustees of Grand Valley State University (the "Authorizer Board") on December 14, 2007, as amended, to organize and operate urban high school academies.

CUE is a nonprofit corporation founded with the purpose of bringing a new model of urban schools to the state of Michigan.

The PSAD and CUE desire to create an enduring educational partnership, whereby the PSAD and CUE will work together to bring educational excellence and innovation to one of the PSAD urban high school academies, The Henry Ford Academy: School for Creative Studies ("HFA:SCS"), based on CUE's school design and capacity to implement and manage a comprehensive educational program.

To pursue this purpose, the parties desire to implement an arrangement for HFA:SCS's management and operation.

PSAD and CUE are parties to the Management Agreement dated January 9, 2009. PSAD and CUE wish to amend and restate the terms of such Management Agreement in accordance with the terms below.

Therefore, it is mutually agreed as follows:

ARTICLE I
CONTRACTING RELATIONSHIP

A. Authority. The PSAD is authorized by law to contract with a private entity for the provision of educational management services. The PSAD further has been granted the Contract by the Authorizer Board to organize and operate an urban high school academy. The PSAD is therefore authorized by the Authorizer Board to supervise and control such academy, and is invested with the powers set forth under the Code to carry out the educational program contemplated in this Agreement. Notwithstanding anything to the contrary in this Agreement, the PSAD's Board of Directors ("PSAD Board"), pursuant to the Code and in accordance with
the Contract, shall be accountable for the HFA:SCS’s overall oversight, monitoring and supervision, strategic planning, policies, and budgeting.

B. Contract. The PSAD contracts with CUE, to the extent permitted by law, the Contract, and as otherwise provided in the Contract Administration Agreement dated August 28, 2008 between PSAD and the Thompson Educational Foundation (the "Contract Administrator"), to provide all functions relating to the provision of educational services and the management and operation of the HFA:SCS as further set forth or limited herein.

C. Status of the Parties. CUE is a nonprofit corporation, organized and existing under the laws of the state of Michigan, and is not a division or part of the PSAD. The PSAD is a nonprofit corporation, organized and existing under the laws of the state of Michigan. Pursuant to Code, the PSAD is a body corporate and governmental agency of the State of Michigan, and is not division or part of CUE. The relationship between CUE and the PSAD is based solely on the terms of this Agreement, and the terms of any other agreements between them. In performing its duties under this Agreement, it is mutually understood and agreed that CUE shall at all times be acting and performing as an independent contractor. Nothing in this Agreement is intended to create an employer/employee relationship, partnership or joint venture relationship between the parties.

ARTICLE II
TERM

A. Term. The term of this Agreement (the “Term”) shall commence on July 1, 2009 or the corresponding commencement date of the term for HFA:SCS identified in the Contract, whichever is earlier, ("Commencement Date") and end on June 30, 2018, unless earlier terminated or further extended in accordance with this Agreement. For purposes of this Agreement, "academic year" or “school year” shall mean the fiscal year beginning July 1 and ending June 30 of the following year.

B. Renewal. This Agreement will be eligible for renewal at the time the Contract is eligible for renewal. In the event of renewal, the Management Fee will be reviewed and may be revised, subject to the written approval of PSAD and CUE.

ARTICLE III
CUE FUNCTIONS AND RESPONSIBILITIES

A. Responsibility. CUE shall be responsible and accountable to the PSAD Board and its Contract Administrator for the HFA:SCS’s administration, operation and performance. On and after the Commencement Date, CUE shall be responsible for the HFA:SCS’s day-to-day management and shall undertake such responsibilities in good faith and in the HFA:SCS’s best interests. CUE is granted such power and authority on PSAD’s behalf that is reasonably necessary or appropriate to perform its obligations under this Agreement, subject to the express limitations stated in this Agreement, the Code, and the Contract. Except as expressly stated herein, the descriptions of CUE’s power and authority stated in this Article III are not intended to limit or restrict other powers and authority which may be necessary or appropriate for CUE to perform its obligations under this Agreement. Nothing in this Agreement shall be construed to confer upon CUE authority to act where the Code requires official action by the PSAD Board.
B. Educational Program. Consistent with the Code, the Contract and the HFA:SCS Goals (as defined in Section G of this Article III), the educational program(s) and program(s) of instruction (collectively, the "Educational Program") provided by CUE at the HFA:SCS may be adapted and modified by CUE from time to time, it being understood that an essential principle of this Educational Program is its flexibility, adaptability and capacity to change in the interest of continuous improvement and efficiency, and that PSAD and CUE are interested in results and not inflexible prescriptions; provided that any modification must be consistent with the Contract and any substantial changes to the Educational Program may require a Contract amendment. The PSAD Board, including its Contract Administrator, shall be consulted before any substantial adaptation or modification to the Educational Program. Where the Code requires PSAD action in connection with the Educational Program, CUE shall advise the PSAD Board, including its Contract Administrator, that such action is required and shall, consistent with the terms of this Agreement, carry out the direction of the PSAD Board.

C. Specific Functions. CUE shall be responsible for the HFA:SCS's management, operation, administration and Education Program. Such functions include, but are not limited to:

1. Implementation and administration of the Educational Program, including the selection and acquisition of instructional materials, equipment and supplies, and the administration of any and all extra-and co-curricular activities and programs approved by the PSAD Board;

2. Management of all personnel functions, including professional development for the School Administrator and all instructional personnel and the personnel functions outlined in Article VI;

3. Operation of the Subleased Premises (defined hereafter) and the installation of technology integral to school design;

4. All aspects of the HFA:SCS's business administration, including but not limited to, the administration of HFA:SCS's financial and bank accounts and the transfer of funds from such accounts for the payment of costs as provided in this Agreement until CUE establishes a dedicated bank account pursuant to Article V, Section M, and

5. Any other function necessary or expedient for the HFA:SCS's administration.

D. Subcontracts. CUE reserves the right to subcontract any and all aspects of services it agrees to provide to the HFA:SCS. However, CUE shall not subcontract the management, oversight or operation of the teaching and instructional program, except as specifically permitted in this Agreement or with the PSAD Board's prior written approval. Henry Ford Learning Institute ("HFLI") will provide to CUE services related to curriculum, technology, and all other services consistent with HFLI's rights and duties under the Education Network Services Agreement to be executed by CUE and HFLI (the "HFLI Network Services Agreement"). Without limiting CUE's rights under this section, CUE may subcontract to HFLI the development, creation, and modification of curricula, technology and procedures to be recommended for HFA:SCS. The total amount charged by CUE to PSAD for such services and
technology provided pursuant to the HFLJ Network Services Agreement is depicted as part of the Management Fee in Exhibit A. CUE acknowledges that PSAD has no privity of contract with HFLJ and shall hold PSAD harmless from claims of HFLJ regarding the HFLJ Network Services Agreement.

E. Placement of Performance. CUE reserves the right to perform functions other than instruction, such as purchasing, professional development, and administrative functions, offsite at other CUE locations, unless prohibited by the Code, the Contract, or other applicable law.

F. Student Recruitment. CUE shall be responsible for the recruitment of students subject to the PSAD's recruitment and admission policies. Students shall be selected in accordance with the procedures set forth in the Contract and in compliance with the Code and other applicable law.

G. Legal Requirements. The parties acknowledge that the Contract establishes certain educational goals ("HFA:SCS Goals") for the HFA:SCS to achieve and the methods to provide the Educational Program in a manner that will reasonably meet (i) all applicable federal, and state laws and rules and regulations applicable to the HFA:SCS ("Applicable Law"), and (ii) the requirements imposed upon PSAD under the Code and the Contract (unless such requirements are or have been waived) and (iii) the HFA:SCS Goals.

H. Due Process Hearings. CUE shall cooperate with the PSAD Board in meeting PSAD's obligations to provide students with all necessary due process hearings in conformity with Applicable Law, including matters relating to discipline, special education, confidentiality and access to records.

I. Rules & Procedures. CUE shall recommend reasonable rules, regulations and procedures applicable to the HFA:SCS and is authorized and directed to enforce such rules, regulations and procedures that are adopted by the PSAD Board.

J. School Year and School Day. In accordance with the Contract and applicable law, the school year and the school day shall be determined each year by the PSAD Board.

K. Authority. CUE shall have the authority and power necessary to undertake its responsibilities under this Agreement except in the case(s) wherein such power may not be delegated by law.

L. Compliance With Applicable Law and the Contract. In carrying out its responsibilities hereunder, CUE shall observe and comply with, and cooperate with the PSAD Board and its Contract Administrator in complying with the Contract and Applicable Law. CUE agrees to perform its duties and responsibilities under this Agreement in a manner consistent with the PSAD's obligations under the Contract issued by the Authorizer Board. The provisions of the Contract shall supersede any competing or conflicting provisions in this Agreement.

M. Building Facility. It is anticipated that the middle school and high school grades of the HFA SCS will be located in suites 101, 102, 201, 301 and 401 in a renovated building facility, commonly known as the Argonaut Building, pursuant to a Sublease between TEF-SIX, LLC, a Michigan limited liability company ("TEF-SIX") and Argonaut Building Master Tenant.
N. **Right of Entry.** Pursuant to Article III, Section M, of this Agreement, CUE grants to PSAD and its agents, board members, employees, invitees, and students, unconditional permission for the Term of this Agreement to enter upon and use the Subleased Premises for the operation of the HFA:SCS for all purposes contemplated by the Contract issued by the Authorizer Board, including permission to bring upon the Subleased Premises any and all materials, supplies and furniture required to operate the HFA:SCS, and to conduct educational activities on the Subleased Premises, including without limitation, any and all activities which are principal, ancillary, customary and incidental to operating a public school; provided, however, that if the Gymnasium Sublease terminates before this Agreement terminates, PSAD’s right of entry to the gymnasium likewise terminates. CUE shall not charge PSAD any License or Right of Entry Fee. The operation of all school activities shall be done in accordance with all applicable laws, this Agreement, and the Contract.

**ARTICLE IV**

**OBLIGATIONS OF THE PSAD BOARD**

The PSAD Board shall exercise good faith in considering the recommendations of CUE including, but not limited to, CUE’s recommendations concerning policies, rules, regulations, procedures, curriculum, and budgets.

**ARTICLE V**

**COMPENSATION FOR SERVICES**

A. **Compensation for Services.** PSAD agrees that CUE shall be entitled to an annual fee for services provided each academic year under this Agreement, in accordance with the fee schedule set forth on the attached Exhibit A ("Management Fee"). During any academic year, CUE may irrevocably waive any or all of the Management Fee at its sole option. Payment or waiver of the Management Fee will not preclude the payment of Additional Compensation by PSAD if additional compensation is permitted or specified elsewhere in this Agreement or in any other agreements between the parties. "Additional Compensation" means additional funds paid by PSAD to CUE, or funds collected by PSAD and remitted to CUE, for services or programs conducted by CUE. Additional Compensation does not include funds to cover CUE’s costs or expenses in conducting such services or programs, nor does it include the amount of funds collected directly by CUE from users of, or participants in, such services or programs. In no event will the Additional Compensation paid by PSAD to CUE in an academic year exceed 25% of the Management Fee for that same academic year.
B. **Reasonable Compensation.** PSAD acknowledges and agrees that compensation payable to CUE under this Agreement is reasonable compensation for the services to be rendered by CUE to PSAD under this Agreement. CUE's compensation for services under this Agreement will not be based, in whole or in part, on a share of net profits from the HFA-SCS's operation.

C. **Payment of Costs.** CUE will be solely responsible for preparing the annual budget and budget amendments thereto for CUE's operation of the HFA-SCS and timely submit the annual budget and amendments to the PSAD Board for consideration and approval. Except as otherwise provided in this Agreement, PSAD shall fully fund the budget, as may be amended, the PSAD Board approves for CUE's operation of the HFA-SCS. In addition to the compensation described in paragraph A of this Article, CUE shall receive reimbursement from PSAD for all costs and expenses incurred and paid by CUE in providing the Educational Services, administrative services and other goods and services pursuant to this Agreement. Such costs include, but are not limited to, salaries for all personnel, curriculum materials, instructional materials, textbooks, library books, computer and other equipment, software, supplies, transportation, special education, building, maintenance, psychological services and medical services, rent and other sums payable pursuant to the Building Sublease and Gymnasium Sublease, and the cost of maintaining, repairing and operating the Subleased Premises. In paying costs and expenses on PSAD's behalf, CUE shall not charge an added fee unless such fee is approved in advance by the PSAD Board and, provided further, that such fees shall be considered Additional Compensation as defined in Paragraph A of this Article. In the event that CUE requests reimbursement under this Agreement for expenses that are not identified in the approved budget, CUE shall timely present invoices to the PSAD Board. Until the PSAD Board approves a CUE reimbursement request under this Agreement for expenses that are not identified in the approved budget, PSAD will have no obligation to pay such reimbursement.

D. **Time of Payment.** CUE shall receive its compensation pursuant to Paragraph A of this Article in eleven (11) installments beginning in October of each academic year and ending in August of such academic year. Such installment amounts shall be due and payable within ten (10) days of receipt by PSAD of each of its state school aid payments. Payments due and owing to CUE for invoices submitted pursuant to Paragraph C of this Article and approved by the PSAD Board shall be made by PSAD to CUE on the last day of each month, after PSAD Board approval.

E. **Priority of Payment.** PSAD shall satisfy its payment obligation under this Article to CUE in the following order of priority: (1) to reimburse CUE pursuant to Paragraph C of this Article for sums due and owing for previous months; (2) to reimburse CUE pursuant to Paragraph C of this Article for sums due and owing for the current month; (3) to pay CUE pursuant to Paragraph A of this Article for installment payments due and owing for previous months; and (4) to pay CUE pursuant to Paragraph A of this Article for installment payments due and owing for the current month.

F. **No Related Parties or Common Control.** In interpreting this Agreement and in the provision of the required services, CUE shall not have any role or relationship with PSAD that, in effect, substantially limits PSAD's ability to exercise its rights, including cancellation rights, under this Agreement. As required by PSAD's Articles of Incorporation and Bylaws, the PSAD Board may not include any director, officer or employee of a management company that contracts with PSAD. In furtherance of such restriction it is agreed between PSAD and CUE.
that none of the voting power or the governing body of PSAD will be vested in CUE or its
directors, members, managers, officers, shareholders and employees, and PSAD and CUE will
not be related parties as defined in Treas. Reg. § 1.150-1 (b).

G. Other Revenue Sources. To supplement and enhance the state school aid
payments, and improve the quality of education at the HFA:SCS, PSAD and CUE shall endeavor
to obtain revenue from other sources. In this regard:

1. PSAD may solicit and receive grants, and donations consistent with the
HFA:SCS’s mission;

2. PSAD and/or CUE may apply for and receive grant money, in the name of
CUE or PSAD;

3. To the extent permitted under the Code and the Contract, CUE may, with
the prior approval of the PSAD board, charge and retain fees from (a)
HFA:SCS students for extra services such as summer programs and (b)
non-HFA:SCS students and others who participate in programs or services
provided by CUE. To the extent any such fees are paid directly to PSAD,
PSAD will promptly remit such fees to CUE. The amount of such fees
remitted by PSAD to CUE, less CUE’s costs and expenses in providing
the additional programs or services, will be considered Additional
Compensation as defined in Paragraph A of this Article; and

4. Except for fees described in paragraph 3 above, all funds received by
PSAD or by CUE on PSAD’s behalf from such other revenue sources shall
inure to and be deemed PSAD’s property.

H. Start-up Funds. CUE and the PSAD Board shall, in good faith, work together to
identify and agree upon funding sources to be used to cover the HFA:SCS’s start-up costs. The
parties acknowledge that such costs may include expenses related to the development of a
curriculum, technology system and school operations plan; recruiting, selecting and pre-service
training of staff members; purchasing of instructional materials and supplies and other materials
deemed necessary to initiate the Educational Program. CUE and the PSAD Board agree that
start-up costs that are incurred prior to July 1, 2009 will be paid by CUE using funds from the
MDI grant received by CUE and PSAD and funds raised by CUE from other sources. If other
start-up funds are received by PSAD before July 1, 2009, the PSAD Board must approve the use
of such funds for start-up costs. Start-up costs incurred on or after July 1, 2009 will be made a
part of the budget submitted for the PSAD Board’s approval.

I. Other Public School Academies. PSAD acknowledges that CUE may enter into
similar management agreements with other public school academies or traditional public schools
in the future. CUE shall separately account for reimbursable expenses incurred on the
HFA:SCS’s behalf and other public school academies, and only charge PSAD for expenses
incurred on the HFA:SCS’s behalf. If CUE incurs reimbursable expenses on the HFA:SCS’s
behalf and other public school academies which are incapable of precise allocation between such
academies, the CUE shall allocate such expenses among all such academies, including the
HFA SCS, on a pro rata basis based upon the number of students enrolled at such academies, or on such other equitable basis as is acceptable to the parties.

J. **Financial and Other Reporting.** CUE shall provide PSAD with:

1. A projected annual budget prior to each academic year;

2. Detailed statements of all revenues received, from whatever source, with respect to the HFA:SCS, and detailed statements of all direct expenditures for services rendered to or on the HFA:SCS's behalf, whether incurred on-site or off-site, upon request;

3. Assistance with the annual audits that the PSAD Board must conduct in compliance with state law and regulations showing the manner in which funds are spent at the HFA:SCS;

4. Quarterly detailed reporting of revenues and expenditures in the form of: detailed budget-to-actual and balance sheet;

5. Reports on HFA:SCS operations, finances and student performance, upon request, but not less frequently than four (4) times per year; and

6. Other information on a periodic basis to enable the PSAD Board and the Contract Administrator to monitor CUE’s educational performance and the efficiency of its operation of the HFA:SCS.

K. **Access to Records.** CUE shall keep accurate financial records pertaining to its operation of the HFA:SCS, together with all HFA:SCS financial records prepared by or in the possession of CUE, and retain all such records in accordance with the State Record Retention Policy, Bulletin 522, as amended. CUE and PSAD shall maintain the proper confidentiality of personnel, students and other records as required by law. All HFA:SCS financial records retained by CUE shall be available to either PSAD or the Authorizer Board for inspection and copying upon reasonable request. CUE shall make information concerning the operation and management of the HFA:SCS, including without limitation, the information described in Schedule 6 of the Contract, available to the PSAD as deemed necessary by the PSAD Board in order to enable the PSAD to fully comply with Section 11.16 of the Terms and Conditions of the Contract.

L. **Review of Budget.** The PSAD Board shall be responsible for reviewing, revising, and approving the HFA:SCS's annual budget proposed by CUE. CUE shall provide the HFA:SCS budget information and other financial reports in a format required by the PSAD Board or its Contract Administrator.

M. **Maintenance of Financial Accounts.** The PSAD Board shall maintain one or more bank accounts for the receipt of funds from the state of Michigan or otherwise for the operation of the HFA:SCS (“HFA:SCS Accounts”). The PSAD Board shall appoint authorized signatories to HFA:SCS Accounts by board resolution, and no CUE agent shall be a signatory to the HFA:SCS accounts. CUE shall maintain a bank account solely to maintain funds for the operation of HFA SCS (“CUE HFA:SCS Trust Account”), and no CUE corporate funds shall be
maintained in the CUE HFA:SCS Trust Account. Only CUE agents will be authorized signatories to the CUE HFA:SCS Trust Account, and no PSAD Board agent shall be a signatory to the CUE HFA:SCS Trust Account. PSAD and CUE will coordinate efforts to have funds transferred by wire transfer or other means from the HFA:SCS Accounts to the CUE HFA:SCS Trust Account to enable CUE to draw funds from the CUE HFA:SCS Trust Account to fund school operations consistent with the approved budget as amended. PSAD's payment of the Management Fee and Additional Compensation shall be made to CUE's corporate accounts and not the CUE HFA:SCS Trust Account. The funds held on deposit by CUE in its CUE HFA:SCS Trust Account shall be PSAD property, and CUE shall make the account records for the CUE HFA:SCS Trust Account available immediately on request by PSAD.

ARTICLE VI
PERSONNEL & TRAINING

A. Personnel Responsibility. Subject to the Contract, CUE shall have the sole responsibility and authority to select, hire, evaluate, assign, discipline and transfer personnel, consistent with state and federal law.

B. School Administrator. Because the accountability of CUE to PSAD is an essential foundation of this partnership, and because the responsibility of the School Administrator of the HFA:SCS is critical to its success, CUE will have the authority, consistent with state law, to select and supervise the School Administrator and to hold him or her accountable for the HFA:SCS's success. The employment expectations of the School Administrator, and the duties and compensation of the School Administrator, shall be determined by CUE. The School Administrator and CUE, in turn, will have similar authority to select and hold accountable the teachers and other staff at HFA:SCS.

C. Teachers. CUE shall provide the HFA:SCS with such teachers, qualified in the grade levels and subjects required, as are required by PSAD; provided that the hiring of such teachers will be in accordance with the approved budgeted line item. The curriculum taught by such teachers will be the curriculum agreed upon by the PSAD Board and CUE, consistent with the Contract. Such teachers may, in CUE's discretion, work at the HFA:SCS on a full or part time basis. If assigned to the HFA:SCS on a part time basis, such teachers may also work at other schools operated by CUE in the future. Each teacher assigned to the HFA:SCS shall hold a valid teaching certificate issued by the state board of education under the Code, to the extent required under the Code.

D. Support Staff. CUE shall provide the HFA:SCS with such support staff, qualified in the areas required, as are required by PSAD; provided that the hiring of such support staff will be in accordance with the approved budgeted line item. Such support staff may, in CUE's discretion, work at the HFA:SCS on a full or part time basis. If assigned to the HFA:SCS on a part time basis, such support staff may also work at other schools operated by CUE in the future.

E. Training. CUE shall provide training in its methods, curriculum, program, and technology, to all teaching personnel, on a regular and continuous basis. Non-instructional personnel shall receive such training as CUE determines as reasonable and necessary under the circumstances.
ARTICLE VII
TERMINATION OF AGREEMENT

A. Termination by the Parties. Either party may terminate this Agreement at any time without penalty or cause prior to the end of the Term by giving 120 days' written notice of termination to the other party. Unless otherwise agreed by the parties, the termination shall become effective on the day after the last day of the school year, not to extend beyond June 30th, in which the termination notice is given. This Agreement may also be terminated due to the failure to meet the standards set forth in Exhibit B, attached hereto. This Agreement will also be automatically terminated upon the termination of the Building Sublease. If this Agreement is terminated, CUE shall be paid amounts owed or accrued to CUE to complete school operations through the last day of the school year.

B. Termination Upon Revocation of Contract. If the Contract issued by the Authorizer Board is revoked, not reissued or terminated, this Agreement shall automatically terminate on the same date as the Contract is revoked or terminated without further action of the parties.

C. Expiration. Upon expiration of this Agreement at the completion of the Term and where there is no renewal, CUE shall have the right to reclaim any usable property or equipment (e.g., including but not limited to desks, computers, copying machines, fax machines, telephones) that were purchased for the HFA:SCS by CUE at its sole cost or expense. Any usable property or equipment (e.g., including but not limited to desks, computers, copying machines, fax machines, telephones) that were purchased for the HFA:SCS by CUE with PSAD funds (including any state school aid, but excluding Management Fee or Additional Compensation funds) or for which CUE received reimbursement from PSAD shall remain PSAD property.

D. Transition. In the event of termination of this Agreement for any reason by either party or upon revocation of the Contract as provided under Paragraph B before the end of this Agreement's term, CUE shall provide PSAD reasonable assistance for up to 90 days after the termination effective date to assist in the transition. All reasonable costs and expenses incurred by CUE in providing such assistance beyond the termination effective date will be promptly reimbursed by PSAD.

ARTICLE VIII
PROPRIETARY INFORMATION

To the extent permitted by law, PSAD agrees that CUE, or third parties from whom it may license any materials, methods, curriculum, or other content, shall own all copyright and other proprietary rights to all instructional materials, training materials, curriculum and lesson plans, and any other materials developed by CUE, its employees, agents or subcontractors, or by any individual working for or supervised by CUE, which is developed during the working hours or during time for which the individual is being paid. And third, if mediation is unsuccessful or extends beyond ninety days from the parties’ initial meeting to resolve the matter, by arbitration, which at this point shall be the sole and exclusive remedy for such matters. If (i) CUE fails to meet in any school year during the Term any one or more of the standards relating to its operation of the HFA:SCS located within the Subleased Premises set forth in A, B or C below (those performance standard(s) which CUE fails to meet in such school year are collectively referred to herein as the "Failed Standards"), (ii) TEF-SIX, LLC, within thirty (30) days after it has been determined that CUE failed to meet such Failed Standards, gives CUE written notice that the Building Sublease will terminate if CUE fails to meet in the immediately succeeding school year any of the Failed Standards, and (iii) CUE fails to meet in such subsequent school year any of the Failed Standards (the "Second Failure"), the Building Sublease shall terminate effective as of the end of the school year in which the Second Failure occurs unless TEF-SIX, LLC otherwise revokes such termination:

A. Graduation Rate:

1. 80% of the freshman students entering the high school in the fall of 2009 shall graduate from the high school in June of 2013 or earlier;

2. 83.33% of the freshman students entering the high school in the fall of 2010 shall graduate from the high school in June of 2014 or earlier;

3. 86.67% of the freshman students entering the high school in the fall of 2011 shall graduate from the high school in June of 2015 or earlier;

4. 90% of the freshman students entering the high school in the fall of 2012 shall graduate from the high school in 2016 or earlier; and

5. With respect to any school year following the school year that began in the fall of 2012, either (a) 90% of the freshman students entering the high school in such school year shall graduate from the high school in four (4) years or earlier or (b) the average annual graduation rate (e.g., the percentage of students who graduate from the high school in four years or earlier) for such school year and the two immediately preceding school years is at least 90%;

B. Re-enrollment Rate:

1. For every freshman class subsequent to the class of 2009, the enrollment rate for the following school year and each year thereafter shall be at a rate such that the graduation rates specified in this subsection A above can be mathematically obtained; and

C. Post-Secondary Education Rate:

1. 80% of the graduates of the class of 2013 shall enroll in college or other post-secondary studies;

2. 83.3% of the graduates in the class of 2014 shall enroll in college or other post-secondary studies;
3. 86.67% of the graduates of the class of 2015 shall enroll in college or other post-secondary studies;

4. 90% of the graduates of the class of 2016 shall enroll in college or other post-secondary studies; and

5. With respect to the graduates of each class after the class of 2016, either (a) 90% of the graduates of such class shall enroll in college or other post-secondary studies or (b) the average annual percentage of the graduates of such class and the two immediately preceding classes that are enrolled in college or other post-secondary studies is at least 90%.

If (i) the enrollment of any incoming freshman class for any school year during the term of the Building Sublease shall be less than 100 students, (ii) the average daily attendance rate during any school year is less than 90% or (iii) any senior class at the high school shall have an average ACT score of less than 18, then an action plan will be developed by CUE and upon approval by the PSAD Board, will be pursued by CUE. In no event shall the occurrence of any of the events described in (i), (ii) or (iii) of the immediately preceding sentence or the failure to develop or pursue any action plan described above provide a basis for termination under this Agreement. The PSAD Board, the Contract Administrator and CUE shall develop mutually acceptable guidelines for calculating the Graduation, Re-enrollment and Post-Secondary Education Rates.
MANAGEMENT AGREEMENT
BETWEEN
CREATIVE URBAN EDUCATION
AND
THE PUBLIC SCHOOL ACADEMIES OF DETROIT

This Educational Management Company Agreement ("Agreement") is made and entered into as of the 9th day of January, 2009 by and between Creative Urban Education, Inc., a Michigan non-profit corporation ("CUE"), and the Public School Academies of Detroit, a Michigan non-profit corporation (the "PSAD").

The following is a recital of facts underlying this Agreement:

The PSAD is organized to operate urban high school academies in Detroit pursuant to the Michigan Revised School Code, Part 6C (the "Code"). The PSAD has issued a contract, as defined in the Code (the "Contract"), by the Board of Trustees of Grand Valley State University (the "Authorizer Board") on December 14, 2007, as amended, to organize and operate urban high school academies.

CUE is a nonprofit corporation founded with the purpose of bringing a new model of urban schools to the state of Michigan.

The PSAD and CUE desire to create an enduring educational partnership, whereby the PSAD and CUE will work together to bring educational excellence and innovation to one of the PSAD urban high school academies, The Henry Ford Academy: School for Creative Studies ("HFA:SCS") based on CUE's school design and capacity to implement and manage a comprehensive educational program.

To pursue this purpose, the parties desire to implement an arrangement for HFA:SCS, an urban high school academy, management and operation.

Therefore, it is mutually agreed as follows:

ARTICLE I
CONTRACTING RELATIONSHIP

A. Authority. The PSAD is authorized by law to contract with a private entity for the provision of educational management services. The PSAD further has been granted the Contract by the Authorizer Board to organize and operate an urban high school academy. The PSAD is therefore authorized by the Authorizer Board to supervise and control such academy, and is invested with the powers set forth under the Code to carry out the educational program contemplated in this Agreement. Notwithstanding anything to the contrary in this Agreement, the PSAD's Board of Directors ("PSAD Board"), pursuant to the Code and in accordance with the Contract, shall be accountable for the HFA:SCS's overall oversight, monitoring and supervision; strategic planning; policies; and budgeting.

B. Contract. The PSAD contracts with CUE, to the extent permitted by law, the Contract, and as otherwise provided in the Contract Administration Agreement dated August 28, 2008 between PSAD and the Thompson Educational Foundation (the "Contract Administrator"),
to provide all functions relating to the provision of educational services and the management and operation of the HFA:SCS as further set forth or limited herein.

C. Status of the Parties. CUE is a nonprofit corporation, organized and existing under the laws of the state of Michigan, and is not a division or a part of the PSAD. The PSAD is a nonprofit corporation, organized and existing under the laws of the state of Michigan. Pursuant to Code, the PSAD is a body corporate and governmental agency of the State of Michigan, and is not division or part of CUE. The relationship between CUE and the PSAD is based solely on the terms of this Agreement, and the terms of any other agreements between them. In performing its duties under this Agreement, it is mutually understood and agreed that CUE shall at all times be acting and performing as an independent contractor. Nothing in this Agreement is intended to create an employer/employee relationship, partnership or joint venture relationship between the parties.

ARTICLE II
TERM

A. Term. The term of this Agreement (the "Term") shall commence on July 1, 2009 or the corresponding commencement date of the term for HFA:SCS identified in the Contract, whichever is earlier, ("Commencement Date") and end on June 30, 2018, unless earlier terminated or further extended in accordance with this Agreement. For purposes of this Agreement, "academic year" or "school year" shall mean the fiscal year beginning July 1 and ending June 30 of the following year.

B. Renewal. This Agreement will be eligible for renewal at the time the Contract is eligible for renewal. In the event of renewal, the Management Fee will be reviewed and may be revised, subject to the written approval of PSAD and CUE.

ARTICLE III
CUE FUNCTIONS AND RESPONSIBILITIES

A. Responsibility. CUE shall be responsible and accountable to the PSAD Board and its Contract Administrator for the HFA:SCS's administration, operation and performance. On and after the Commencement Date, CUE shall be responsible for the HFA:SCS's day-to-day management and shall undertake such responsibilities in good faith and in the HFA:SCS's best interests. CUE is granted such power and authority on PSAD's behalf that is reasonably necessary or appropriate to perform its obligations under this Agreement, subject to the express limitations stated in this Agreement, the Code, and the Contract. Except as expressly stated herein, the descriptions of CUE's power and authority stated in this Article III are not intended to limit or restrict other powers and authority which may be necessary or appropriate for CUE to perform its obligations under this Agreement. Nothing in this Agreement shall be construed to confer upon CUE authority to act where the Code requires official action by the PSAD Board.

B. Educational Program. Consistent with the Code, the Contract and the HFA:SCS Goals (as defined in Section G of this Article III), the educational program(s) and program(s) of instruction (collectively, the "Educational Program") provided by CUE at the HFA:SCS may be adapted and modified by CUE from time to time, it being understood that an essential principle of this Educational Program is its flexibility, adaptability and capacity to change in the interest of
continuous improvement and efficiency, and that PSAD and CUE are interested in results and not inflexible prescriptions; provided that any modification must be consistent with the Contract and any substantial changes to the Educational Program may require a Contract amendment. The PSAD Board, including its Contract Administrator, shall be consulted before any substantial adaptation or modification to the Educational Program. Where the Code requires PSAD action in connection with the educational program, CUE shall advise the PSAD Board, including its Contract Administrator, that such action is required and shall, consistent with the terms of this Agreement, carry out the direction of the PSAD Board.

C. **Specific Functions.** CUE shall be responsible for the HFA:SCS's management, operation, administration and Education Program. Such functions include, but are not limited to:

1. Implementation and administration of the Educational Program, including the selection and acquisition of instructional materials, equipment and supplies, and the administration of any and all extra-and co-curricular activities and programs approved by the PSAD Board;

2. Management of all personnel functions, including professional development for the School Administrator and all instructional personnel and the personnel functions outlined in Article VI;

3. Operation of the Subleased Premises (defined hereafter) and the installation of technology integral to school design;

4. All aspects of the HFA:SCS's business administration; and

5. Any other function necessary or expedient for the HFA:SCS's administration.

D. **Subcontracts.** CUE reserves the right to subcontract any and all aspects of services it agrees to provide to the HFA:SCS. However, CUE shall not subcontract the management, oversight or operation of the teaching and instructional program, except as specifically permitted in this Agreement or with the PSAD Board's prior written approval. CUE also reserves the right to subcontract to Henry Ford Learning Institute ("HFLI") services related to curriculum, technology, and all other services consistent with HFLI's rights and duties under the Education Network Services Agreement to be executed by CUE and HFLI (the "HFLI Network Services Agreement"). Without limiting CUE's rights under the preceding sentence, CUE may subcontract to HFLI the development, creation, and modification of curricula, technology and procedures to be recommended for HFA:SCS. The total cost for such services and technology provided pursuant to the HFLI Network Services Agreement is the amount equal to (a) four percent, multiplied by (b) the amount of the state school aid received by PSAD for the particular students enrolled in the HFA:SCS less the amount the Authorizer Board receives for its oversight responsibilities as described in the Contract. CUE acknowledges that PSAD has no privity of contract with HFLI and shall hold PSAD harmless from claims of HFLI regarding the HFLI Network Services Agreement. The amount paid by PSAD for such services and technology provided pursuant to the HFLI Network Services Agreement is not a service fee, Management Fee (as herein defined) or Additional Compensation (as herein defined) paid to CUE, but rather payment to reimburse CUE's actual expenses, without any additional fee or
surcharge, to obtain the right to use the services and technology provided pursuant to the HFLL Network Services Agreement.

E. Placement of Performance. CUE reserves the right to perform functions other than instruction, such as purchasing, professional development, and administrative functions, offsite at other CUE locations, unless prohibited by the Code, the Contract, or other applicable law.

F. Student Recruitment. CUE shall be responsible for the recruitment of students subject to the PSAD's recruitment and admission policies. Students shall be selected in accordance with the procedures set forth in the Contract and in compliance with the Code and other applicable law.

G. Legal Requirements. The parties acknowledge that the Contract establishes certain educational goals ("HFA:SCS Goals") for the HFA:SCS to achieve and the methods to provide the Educational Program in a manner that will reasonably meet (i) all applicable federal, and state laws and rules and regulations applicable to the HFA:SCS ("Applicable Law"), and (ii) the requirements imposed upon PSAD under the Code and the Contract (unless such requirements are or have been waived) and (iii) the HFA:SCS Goals.

H. Due Process Hearings. CUE shall cooperate with the PSAD Board in meeting PSAD's obligations to provide students with all necessary due process hearings in conformity with Applicable Law, including matters relating to discipline, special education, confidentiality and access to records.

I. Rules & Procedures. CUE shall recommend reasonable rules, regulations and procedures applicable to the HFA:SCS and is authorized and directed to enforce such rules, regulations and procedures that are adopted by the PSAD Board.

J. School Year and School Day. In accordance with the Contract and applicable law, the school year and the school day shall be determined each year by the PSAD Board.

K. Authority. CUE shall have the authority and power necessary to undertake its responsibilities under this Agreement except in the case(s) wherein such power may not be delegated by law.

L. Compliance With Applicable Law and the Contract. In carrying out its responsibilities hereunder, CUE shall observe and comply with, and cooperate with the PSAD Board and its Contract Administrator in complying with the Contract and Applicable Law. CUE agrees to perform its duties and responsibilities under this Agreement in a manner consistent with the PSAD's obligations under the Contract issued by the Authorizer Board. The provisions of the Contract shall supersede any competing or conflicting provisions in this Agreement.

M. Building Facility. It is anticipated that the middle school and high school grades of the HFA:SCS will be located in suites 101, 102, 201, 301 and 401 in a renovated building facility, commonly known as the Argonaut Building, pursuant to a Sublease between TEF-SIX, LLC, a Michigan limited liability company ("TEF-SIX") and Argonaut Building Master Tenant, LLC, a Michigan limited liability company (the "Master Tenant") located at 465-485 West Milwaukee, Detroit Michigan 48202 (the "Building Sublease"). TEF-SIX will also sublease the

5700324.2 29187/1183113

- 4 -
gymnasium from Master Tenant to be constructed adjacent to the Argonaut Building and CUE will sublease such gymnasium from TEF-SIX (the "Gymnasium Sublease"). The building and gymnasium are collectively referred to as the "Subleased Premises." TEF-SIX is a single member limited liability company whose single member is the Contract Administrator. The Contract Administrator will provide a limited guaranty of TEF-SIX's obligations under the Building Sublease. TEF-SIX will sublease the Subleased Premises to CUE and CUE is obligated, pursuant to Article III, Section N below, to provide the Subleased Premises to the PSAD for the operation of the HFA:SCS's middle school and high school grades.

N. Right of Entry. Pursuant to Article III, Section M, of this Agreement, CUE grants to PSAD and its agents, board members, employees, invitees, and students, unconditional permission for the Term of this Agreement to enter upon and use the Subleased Premises for the operation of the HFA:SCS for all purposes contemplated by the Contract issued by the Authorizer Board, including permission to bring upon the Subleased Premises any and all materials, supplies and furniture required to operate the HFA:SCS, and to conduct educational activities on the Subleased Premises, including without limitation, any and all activities which are principal, ancillary, customary and incidental to operating a public school; provided, however, that if the Gymnasium Sublease terminates before this Agreement terminates, PSAD’s right of entry to the gymnasium likewise terminates. CUE shall not charge PSAD any License or Right of Entry Fee. The operation of all school activities shall be done in accordance with all applicable laws, this Agreement, and the Contract.

ARTICLE IV

OBLIGATIONS OF THE PSAD BOARD

The PSAD Board shall exercise good faith in considering the recommendations of CUE including, but not limited to, CUE’s recommendations concerning policies, rules, regulations, procedures, curriculum, and budgets.

ARTICLE V

COMPENSATION FOR SERVICES

A. Compensation for Services. PSAD agrees that CUE shall be entitled to an annual fee for services provided each academic year under this Agreement, in accordance with the fee schedule set forth on the attached Exhibit A ("Management Fee"). During any academic year, CUE may irrevocably waive any or all of the Management Fee at its sole option. Payment or waiver of the Management Fee will not preclude the payment of Additional Compensation by PSAD if additional compensation is permitted or specified elsewhere in this Agreement or in any other agreements between the parties. "Additional Compensation" means additional funds paid by PSAD to CUE, or funds collected by PSAD and remitted to CUE, for services or programs conducted by CUE. Additional Compensation does not include funds to cover CUE's costs or expenses in conducting such services or programs, nor does it include the amount of funds collected directly by CUE from users of, or participants in, such services or programs. In no event will the Additional Compensation paid by PSAD to CUE in an academic year exceed 25% of the Management Fee for that same academic year.
B. **Reasonable Compensation.** PSAD acknowledges and agrees that compensation payable to CUE under this Agreement is reasonable compensation for the services to be rendered by CUE to PSAD under this Agreement. CUE's compensation for services under this Agreement will not be based, in whole or in part, on a share of net profits from the HFA:SCS's operation.

C. **Payment of Costs.** CUE will be solely responsible for preparing the annual budget and budget amendments thereto for CUE's operation of the HFA:SCS and timely submit the annual budget and amendments to the PSAD Board for consideration and approval. Except as otherwise provided in this Agreement, PSAD shall fully fund the budget, as may be amended, the PSAD Board approves for CUE's operation of the HFA:SCS. In addition to the compensation described in paragraph A of this Article, CUE shall receive reimbursement from PSAD for all costs and expenses incurred and paid by CUE in providing the Educational Services, administrative services and other goods and services pursuant to this Agreement. Such costs include, but are not limited to, salaries for all personnel, curriculum materials, instructional materials, textbooks, library books, computer and other equipment, software, supplies, transportation, special education, building, maintenance, psychological services and medical services, rent and other sums payable pursuant to the Building Sublease and Gymnasium Sublease, and the cost of maintaining, repairing and operating the Subleased Premises. In paying costs and expenses on PSAD's behalf, CUE shall not charge an added fee unless such fee is approved in advance by the PSAD Board and, provided further, that such fees shall be considered Additional Compensation as defined in Paragraph A of this Article. In the event that CUE requests reimbursement under this Agreement for expenses that are not identified in the approved budget, CUE shall timely present invoices to the PSAD Board. Until the PSAD Board approves a CUE reimbursement request under this Agreement for expenses that are not identified in the approved budget, PSAD will have no obligation to pay such reimbursement.

D. **Time and Priority of Payment.** CUE shall receive its compensation pursuant to Paragraph A of this Article in eleven (11) installments beginning in October of each academic year and ending in August of such academic year. Such installment amounts shall be due and payable within ten (10) days of receipt by PSAD of each of its state school aid payments. Payments due and owing to CUE for invoices submitted pursuant to Paragraph C of this Article and approved by the PSAD Board shall be made by PSAD to CUE on the last day of each month, after PSAD Board approval.

E. PSAD shall satisfy its payment obligation under this Article to CUE in the following order of priority: (1) to reimburse CUE pursuant to Paragraph C of this Article for sums due and owing for previous months; (2) to reimburse CUE pursuant to Paragraph C of this Article for sums due and owing for the current month; (3) to pay CUE pursuant to Paragraph A of this Article for installment payments due and owing for previous months; and (4) to pay CUE pursuant to Paragraph A of this Article for installment payments due and owing for the current month.

F. **No Related Parties or Common Control.** In interpreting this Agreement and in the provision of the required services, CUE shall not have any role or relationship with PSAD that, in effect, substantially limits PSAD's ability to exercise its rights, including cancellation rights, under this Agreement. As required by PSAD's Articles of Incorporation and Bylaws, the PSAD Board may not include any director, officer or employee of a management company that contracts with PSAD. In furtherance of such restriction it is agreed between PSAD and CUE
that none of the voting power or the governing body of PSAD will be vested in CUE or its
directors, members, managers, officers, shareholders and employees, and PSAD and CUE will
not be related parties as defined in Treas. Reg. § 1.150-1 (b).

G. **Other Revenue Sources.** To supplement and enhance the state school aid
payments, and improve the quality of education at the HFA:SCS, PSAD and CUE shall endeavor
to obtain revenue from other sources. In this regard:

1. PSAD may solicit and receive grants, and donations consistent with the
   HFA:SCS’s mission;

2. PSAD and/or CUE may apply for and receive grant money, in the name of
   CUE or PSAD;

3. To the extent permitted under the Code and the Contract, CUE may, with
   the prior approval of the PSAD board, charge and retain fees from (a)
   HFA:SCS students for extra services such as summer programs and (b)
   non-HFA:SCS students and others who participate in programs or services
   provided by CUE. To the extent any such fees are paid directly to PSAD,
   PSAD will promptly remit such fees to CUE. The amount of such fees
   remitted by PSAD to CUE, less CUE’s costs and expenses in providing
   the additional programs or services, will be considered Additional
   Compensation as defined in Paragraph A of this Article; and

4. Except for fees described in paragraph 3 above, all funds received by
   PSAD or by CUE on PSAD’s behalf from such other revenue sources shall
   inure to and be deemed PSAD’s property.

H. **Start-up Funds.** CUE and the PSAD Board shall, in good faith, work together to

training of staff members; purchasing of instructional materials and supplies and other materials
deemed necessary to initiate the Educational Program. CUE and the PSAD Board agree that
start-up costs that are incurred prior to July 1, 2009 will be paid by CUE using funds from the
MDE grant received by CUE and PSAD and funds raised by CUE from other sources. If other
start-up funds are received by PSAD before July 1, 2009, the PSAD Board must approve the use
of such funds for start-up costs. Start-up costs incurred on or after July 1, 2009 will be made a
part of the budget submitted for the PSAD Board’s approval.

I. **Other Public School Academies.** PSAD acknowledges that CUE may enter into
similar management agreements with other public school academies or traditional public schools
in the future. CUE shall separately account for reimbursable expenses incurred on the
HFA:SCS’s behalf and other public school academies, and only charge PSAD for expenses
incurred on the HFA:SCS’s behalf. If CUE incurs reimbursable expenses on the HFA:SCS’s
behalf and other public school academies which are incapable of precise allocation between such
academies, the CUE shall allocate such expenses among all such academies, including the
HFA:SCS, on a pro rata basis based upon the number of students enrolled at such academies, or upon such other equitable basis as is acceptable to the parties.

J. **Financial and Other Reporting.** CUE shall provide PSAD with:

1. A projected annual budget prior to each academic year;

2. Detailed statements of all revenues received, from whatever source, with respect to the HFA:SCS, and detailed statements of all direct expenditures for services rendered to or on the HFA:SCS's behalf, whether incurred on-site or off-site, upon request;

3. Assistance with the annual audits that the PSAD Board must conduct in compliance with state law and regulations showing the manner in which funds are spent at the HFA:SCS;

4. Quarterly detailed reporting of revenues and expenditures in the form of: detailed budget-to-actual and balance sheet;

5. Reports on HFA:SCS operations, finances and student performance, upon request, but not less frequently than four (4) times per year; and

6. Other information on a periodic basis to enable the PSAD Board and the Contract Administrator to monitor CUE's educational performance and the efficiency of its operation of the HFA:SCS.

K. **Access to Records.** CUE shall keep accurate financial records pertaining to its operation of the HFA:SCS, together with all HFA:SCS financial records prepared by or in the possession of CUE, and retain all such records in accordance with the State Record Retention Policy, Bulletin 522, as amended. CUE and PSAD shall maintain the proper confidentiality of personnel, students and other records as required by law. All HFA:SCS financial records retained by CUE shall be available to either PSAD or the Authorizer Board for inspection and copying upon reasonable request. CUE shall make information concerning the operation and management of the HFA:SCS, including without limitation, the information described in Schedule 6 of the Contract, available to the PSAD as deemed necessary by the PSAD Board in order to enable the PSAD to fully comply with Section 11.16 of the Terms and Conditions of the Contract.

L. **Review of Budget.** The PSAD Board shall be responsible for reviewing, revising, and approving the HFA:SCS's annual budget proposed by CUE. CUE shall provide the HFA:SCS budget information and other financial reports in a format required by the PSAD Board or its Contract Administrator.

The employment expectations of the School Administrator, and the duties and compensation of the School Administrator, shall be determined by CUE. The curriculum taught by such teachers will be the curriculum agreed upon by the PSAD Board and CUE, consistent with the Contract. Such teachers may, in CUE's discretion, work at the HFA:SCS on a full or part time basis. If assigned to the HFA:SCS on a part time basis, such teachers may also work at other schools operated by CUE in the future. Each teacher assigned to the HFA:SCS shall hold a valid teaching certificate issued by the state board of education under the Code, to the extent required under the Code.

D. Support Staff. CUE shall provide the HFA:SCS with such support staff, qualified in the areas required, as are required by PSAD; provided that the hiring of such support staff will be in accordance with the approved budgeted line item. **OBLIGATIONS OF THE ACADEMY BOARD**

The Academy Board shall exercise good faith in adopting the recommendations of NUL including, but not limited to, NUL's recommendations concerning policies, rules, regulations, procedures, curriculum, and budgets.
ARTICLE V
COMPENSATION FOR SERVICES

A. Compensation for Services. The Academy shall pay NUL an annual fee not to exceed 3% of the state school aid that the Academy receives, directly or indirectly, from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, for the particular students enrolled in the Academy less the amount the Authorizer Board receives for its oversight responsibilities, as described in the contract. Such compensation will not preclude the payment of additional compensation if additional compensation is permitted or specified elsewhere in this Agreement or in any other agreements between the parties ("Additional Compensation"). Notwithstanding any other provision of the Agreement, the total annual management fee plus any Additional Compensation payable to NUL hereunder shall not exceed $250,000, nor shall such total annual management fee plus any Additional Compensation be less than $125,000, subject to change by agreement of the parties depending upon changes in annual enrollment.

B. Reasonable Compensation. The Academy acknowledges and agrees that compensation payable to NUL under this Agreement is reasonable compensation for the services to be rendered by NUL to the Academy under this Agreement. NUL's compensation for services under this Agreement will not be based, in whole or in part, on a share of net profits from the Academy's operation.

C. Payment of Costs. Except as otherwise provided in this Agreement, the Academy shall fully fund the budget the Authorizer Board approves for NUL's operation of the Academy. In addition to the Compensation described in paragraph A of this Article, NUL shall receive reimbursement from the Academy for all costs and expenses incurred and paid by NUL in providing the Educational Services, administrative services and other goods and services pursuant to this Agreement. Such costs include, but are not limited to, salaries for all personnel, curriculum materials, instructional materials, textbooks, library books, computer and other equipment, software, supplies, food services, transportation, special education, building payments, maintenance, capital improvements, psychological services and medical services. In paying costs and expenses on the Academy's behalf, NUL shall not charge an added fee unless such fee is approved in advance by the Authorizer Board and, provided further, that fees shall be considered Additional Compensation as defined in paragraph A of this Article V. The Authorizer Board may advance funds to NUL for such costs.

D. Time and Priority of Payment. The compensation due to NUL pursuant to Paragraph A of this Article shall be calculated for each school year at the same time as the State of Michigan calculates the State School Aid, and adjustments to such calculation shall occur at the same time as the State of Michigan makes adjustments to the State School Aid. NUL shall receive its compensation pursuant to Paragraph A of this Article in eleven (11) installments beginning in October of each academic year and ending in August of such academic year. Such installment amounts shall be due and payable within ten (10) days of receipt by the Authorizer Board of each of its State School Aid payments. Payments due and owing to NUL pursuant to Paragraph C of this Article shall be made by the Authorizer Board to NUL on the last day of each month.

E. The Academy shall satisfy its payment obligation under this Article to NUL in the following order of priority: (1) to reimburse NUL pursuant to Paragraph C of this Article for
sums due and owing for previous months; (2) to reimburse NUL pursuant to Paragraph C of this Article for sums due and owing for the current month; (3) to pay NUL pursuant to Paragraph A of this Article for installment payments due and owing for previous months; and (4) to pay NUL pursuant to Paragraph A of this Article for installment payments due and owing for the current month.

F. **No Related Parties or Common Control.** In interpreting this Agreement and in the provision of the required services, NUL shall not have any role or relationship with the Academy that, in effect, substantially limits the Academy's ability to exercise its rights, including cancellation rights, under this Agreement. As required by the Academy's Articles of Incorporation and Bylaws, the Academy Board may not include any director, officer or employee of a management company that contracts with the Academy. In furtherance of such restriction it is agreed between the Academy and NUL that none of the voting power or the governing body of the Academy will be vested in NUL or its directors, members, managers, officers, shareholders and employees, and the Academy and NUL will not be related parties as defined in Treas. Reg. § 1.150-1 (b).

G. **Other Revenue Sources.** To supplement and enhance the State School Aid payments, and improve the quality of education at the Academy, the Academy and NUL shall endeavor to obtain revenue from other sources. In this regard:

1. The Academy may solicit and receive grants, and donations consistent with the Academy's mission;

2. The Academy and/or NUL may apply for and receive grant money, in the name of NUL or the Academy; and

3. To the extent permitted under the Code, NUL may charge fees to students for extra services such as summer programs and charge non Academy students who participate in such programs. Such fees shall be considered Additional Compensation as defined in paragraph A of this Article V.

4. All funds received by the Academy or by NUL on the Academy's behalf from such other revenue sources shall inure to and be deemed the Academy's property.

H. **Start-up Funds.** NUL and the Academy Board shall, in good faith, work together to identify and agree upon funding sources to be used to cover the Academy's start-up costs. The parties acknowledge that such costs may include expenses related to the development of a curriculum, technology system and school operations plan; recruiting, selecting and pre-service training of staff members; purchasing of instructional materials and supplies and other materials deemed necessary to initiate the Educational Program.

I. **Other Public School Academies.** The Academy acknowledges that NUL may enter into similar management agreements with other public school academies or traditional public schools in the future. NUL shall separately account for reimbursable expenses incurred on the Academy's behalf and other public school academies, and only charge the Academy for expenses incurred on the Academy's behalf. If NUL incurs reimbursable expenses on the Academy's behalf and other public school academies which are incapable of precise allocation
between such academies, the NUL shall allocate such expenses among all such academies, including the Academy, on a pro rata basis based upon the number of students enrolled at such academies, or upon such other equitable basis as is acceptable to the parties.

J. Financial and Other Reporting. NUL shall provide the Academy with:

1. A projected annual budget prior to each academic year;
2. Detailed statements of all revenues received, from whatever source, with respect to the Academy, and detailed statements of all direct expenditures for services rendered to or on the Academy's behalf, whether incurred on-site or off-site, upon request;
3. Annual audits in compliance with state law and regulations showing the manner in which funds are spent at the Academy;
4. Quarterly detailed reporting of revenues and expenditures in the form of: detailed budget-to-actual and balance sheet;
5. Reports on Academy operations, finances and student performance, upon request, but not less frequently than four (4) times per year; and
6. Other information on a periodic basis to enable the Academy Board and the Contract Administrator to monitor NUL's educational performance and the efficiency of its operation of the Academy.

K. Access to Records. NUL shall keep accurate financial records pertaining to its operation of the Academy, together with all Academy financial records prepared by or in the possession of NUL, and retain all such records for a period of five (5) years from the close of the fiscal year to which such books, accounts, and records relate. NUL and the Academy shall maintain the proper confidentiality of personnel, students and other records as required by law.

All Academy financial records retained by NUL shall be available to either the Academy or the Authorizer Board for inspection and copying upon reasonable request. NUL shall make information concerning the operation and management of the Academy, including without limitation the information described in Schedule 14 of the Contract, available to the PSAD as deemed necessary by the PSAD. NUL shall fully comply with Section 11.16 of the Contract.

L. Review of);

revising, and approving the budget information and other financial data for the Academy. NUL shall provide its Contract Administrator.
B. **School Administrator.** Because the accountability of NUL to the Academy is an essential foundation of this partnership, and because the responsibility of the School Administrator of the Academy is critical to its success, NUL will have the authority, consistent with state law, to select and supervise the School Administrator and to hold him or her accountable for the Academy's success. The employment contract with the School Administrator, and the duties and compensation of the School Administrator, shall be determined by NUL. The School Administrator and NUL, in turn, will have similar authority to select and hold accountable the teachers in the Academy.

C. **Teachers.** NUL shall, consistent with the Education Program and within the parameters of approved Academy budgets, determine the number of teachers, and the applicable grade levels and subjects, required for the Academy's operation. NUL shall provide the Academy with such teachers, qualified in the grade levels and subjects required, as are required by the Academy. The curriculum taught by such teachers will be the curriculum agreed upon by the Academy Board and NUL, consistent with the Contract. Such teachers may, in NUL's discretion, work at the Academy on a full or part time basis. If assigned to the Academy on a part time basis, such teachers may also work at other schools operated by NUL in the future. Each teacher assigned to or retained by the Academy shall hold a valid teaching certificate issued by the state board of education under the Code, to the extent required under the Code.

D. **Support Staff.** NUL shall, consistent with the Education Program and within the parameters of approved Academy budgets, determine the number and functions of support staff required for the Academy's operation. NUL shall provide the Academy with such support staff, qualified in the areas required, as are required by the Academy. Such support staff may, in NUL's discretion, work at the Academy on a full or part time basis. If assigned to the Academy on a part time basis, such support staff may also work at other schools operated by NUL in the future.

E. **Training.** NUL shall provide training in its methods, curriculum, program, and technology, to all teaching personnel, on a regular and continuous basis. Non-instructional personnel shall receive such training as NUL determines as reasonable and necessary under the circumstances.

MANAGEMENT AGREEMENT

This Educational Management Company Agreement ("Agreement") is made and entered into as of the 1st day of August, 2008 by and between New Urban Learning, a Michigan nonprofit corporation ("NUL"), and the Public School Academies of Detroit, a Michigan non-profit corporation (the "PSAD").

The following is a recital of facts underlying this Agreement:

The PSAD is organized to operate urban high school academies in Detroit pursuant to the Michigan Revised School Code, Part 6C (the "Code"). The PSAD anticipates that it will enter into a contract, as defined in the Code (the "Contract"), with the Board of Trustees of Grand Valley State University (the "Authorizer Board") to organize and operate urban high school academies.

NUL is a nonprofit corporation founded with the purpose of bringing a new model of urban schools to the state of Michigan.

The PSAD and NUL desire to create an enduring educational partnership, whereby the PSAD and NUL will work together to bring educational excellence and innovation to one of the PSAD urban high school academies based on NUL’s school design and capacity to implement and manage a comprehensive educational program.

To pursue this purpose, the parties desire to implement an arrangement for the University Preparatory Academy (the "Academy") management and operation.

The Academy consists of one High School; one Middle School; and two Elementary Schools designated as Elementary I and Elementary II, for purposes of this agreement.

Therefore, it is mutually agreed as follows:

ARTICLE I
CONTRACTING RELATIONSHIP

A. Authority. The PSAD is authorized by law to contract with a private entity for the provision of educational management services. The PSAD further has been or will be granted the Contract by the Authorizer Board to organize and operate an urban high school academy. The PSAD is therefore authorized by the Authorizer Board to supervise and control such academy, and is invested with the powers set forth under the Code to carry out the educational program contemplated in this Agreement. Notwithstanding anything contained herein to the contrary, the PSAD’s Board of Directors ("Academy Board"), pursuant to the Code and in accordance with the Contract, shall be accountable for the Academy’s overall oversight, monitoring and supervision and shall be responsible for the establishment and/or approval of the Academy’s strategic planning, policies and budgeting.

B. Contract. The PSAD contracts to NUL, to the extent permitted by law or as otherwise provided in the Contract Administration agreement between PSAD and the Thompson Educational Foundation (the "Contract Administrator"), all functions relating to the provisions of educational services and the management and operation of the Academy in accordance with the
enrollment, age and grade level specifications for the Academy and as further set forth or limited herein.

C. Status of the Parties. NUL is a nonprofit corporation, organized and existing under the laws of the state of Michigan, and is not a division or a part of the PSAD or the Academy. The PSAD is a nonprofit corporation, organized and existing under the laws of the state of Michigan. Pursuant to Code, the PSAD is a body corporate and governmental agency of the State of Michigan, and is not division or part of NUL. The relationship between NUL and the PSAD is based solely on the terms of this Agreement, and the terms of any other agreements between them. In performing its duties under this Agreement, it is mutually understood and agreed that NUL shall be at all times acting and performing as an independent contractor. Nothing in this Agreement is intended to create an employer/employee relationship, partnership or joint venture relationship between the parties.

ARTICLE II
TERM

A. Term. The term of this Agreement (the 'Term') shall be for three years and commence on September 1, 2008 ("Commencement Date") and end on August 30, 2011, unless earlier terminated in accordance with this Agreement. For purposes of this Agreement, "academic year" shall mean the fiscal year beginning July 1 and ending June 30 of the following year.

NUL are interested in results and not inflexible prescriptions. The PSAD, through its Contract Administrator, shall be consulted before any substantial adaptation or modification to the educational program. Such compensation will not preclude the payment of additional compensation if additional compensation is permitted or specified elsewhere in this Agreement or in any other agreements between the parties ("Additional Compensation"). Notwithstanding any other provision of the Agreement, the total annual management fee plus any Additional Compensation payable to NUL hereunder shall not exceed $250,000, nor shall such total annual management fee plus any Additional Compensation be less than $125,000, subject to change by agreement of the parties depending upon changes in annual enrollment.

B. Reasonable Compensation. The Academy acknowledges and agrees that compensation payable to NUL under this Agreement is reasonable compensation for the services to be rendered by NUL to the Academy under this Agreement. NUL's compensation for services under this Agreement will not be based, in whole or in part, on a share of net profits from the Academy's operation.

C. Payment of Costs. Except as otherwise provided in this Agreement, the Academy shall fully fund the budget the Academy Board approves for NUL's operation of the Academy. In addition to the Compensation described in paragraph A of this Article, NUL shall receive reimbursement from the Academy for all costs and expenses incurred and paid by NUL in providing the Educational Services, administrative services and other goods and services pursuant to this Agreement. Such costs include, but are not limited to, salaries for all personnel, curriculum materials, instructional materials, textbooks, library books, computer and other equipment, software, supplies, food services, transportation, special education, building payments, maintenance, capital improvements, psychological services and medical services. In paying costs and expenses on the Academy's behalf, NUL shall not charge an added fee unless such fee is approved in advance by the Academy Board and, provided further, that fees shall be considered Additional Compensation as defined in paragraph A of this Article V. The Academy Board may advance funds to NUL for such costs.

D. Time and Priority of Payment. The compensation due to NUL pursuant to Paragraph A of this Article shall be calculated for each school year at the same time as the State of Michigan calculates the State School Aid, and adjustments to such calculation shall occur at the same time as the State of Michigan makes adjustments to the State School Aid. NUL shall receive its compensation pursuant to Paragraph A of this Article in eleven (11) installments beginning in October of each academic year and ending in August of such academic year. Such installment amounts shall be due and payable within ten (10) days of receipt by the Academy of each of its State School Aid payments. Payments due and owing to NUL pursuant to Paragraph C of this Article shall be made by the Academy to NUL on the last day of each month.

E. The Academy shall satisfy its payment obligation under this Article to NUL in the following order of priority: (1) to reimburse NUL pursuant to Paragraph C of this Article for
sums due and owing for previous months; (2) to reimburse NUL pursuant to Paragraph C of this Article for sums due and owing for the current month; (3) to pay NUL pursuant to Paragraph A of this Article for installment payments due and owing for previous months; and (4) to pay NUL pursuant to Paragraph A of this Article for installment payments due and owing for the current month.

F. **No Related Parties or Common Control.** In interpreting this Agreement and in the provision of the required services, NUL shall not have any role or relationship with the Academy that, in effect, substantially limits the Academy's ability to exercise its rights, including cancellation rights, under this Agreement. As required by the Academy's Articles of Incorporation and Bylaws, the Academy Board may not include any director, officer or employee of a management company that contracts with the Academy. In furtherance of such restriction it is agreed between the Academy and NUL that none of the voting power or the governing body of the Academy will be vested in NUL or its directors, members, managers, officers, shareholders and employees, and the Academy and NUL will not be related parties as defined in Treas. Reg. § 1.150-1 (b).

G. **Other Revenue Sources.** To supplement and enhance the State School Aid payments, and improve the quality of education at the Academy, the Academy and NUL shall endeavor to obtain revenue from other sources. In this regard:

1. The Academy may solicit and receive grants, and donations consistent with the Academy's mission;

2. The Academy and/or NUL may apply for and receive grant money, in the name of NUL or the Academy; and

3. To the extent permitted under the Code, NUL may charge fees to students for extra services such as summer programs and charge non Academy students who participate in such programs. Such fees shall be considered Additional Compensation as defined in paragraph A of this Article V.

4. All funds received by the Academy or by NUL on the Academy's behalf from such other revenue sources shall inure to and be deemed the Academy's property.

H. **Start-up Funds.** NUL and the Academy Board shall, in good faith, work together to identify and agree upon funding sources to be used to cover the Academy's start-up costs. I. **Other Public School Academies.** The Academy acknowledges that NUL may enter into similar management agreements with other public school academies or traditional public schools in the future. NUL shall separately account for reimbursable expenses incurred on the Academy's behalf and other public school academies, and only charge the Academy for expenses incurred on the Academy's behalf. If NUL incurs reimbursable expenses on the Academy's behalf and other public school academies which are incapable of precise allocation.
between such academies, the NUL shall allocate such expenses among all such academies, including the Academy, on a pro rata basis based upon the number of students enrolled at such academies, or upon such other equitable basis as is acceptable to the parties.

J. **Financial and Other Reporting.** NUL shall provide the Academy with:

1. A projected annual budget prior to each academic year;

4. Quarterly detailed reporting of revenues and expenditures in the form of: detailed budget-to-actual and balance sheet;
5. Reports on Academy operations, finances and student performance, upon request, but not less frequently than four (4) times per year; and
6. Other information on a periodic basis to enable the Academy Board and the Contract Administrator to monitor NUL's educational performance and the efficiency of its operation of the Academy.

K. **Access to Records.** NUL shall keep accurate financial records pertaining to its operation of the Academy, together with all Academy financial records prepared by or in the possession of NUL, and retain all such records for a period of five (5) years from the close of the fiscal year to which such books, accounts, and records relate. NUL and the Academy shall maintain the proper confidentiality of personnel, students and other records as required by law. All Academy financial records retained by NUL shall be available to either the Academy or the Authorizer Board for inspection and copying upon reasonable request. NUL shall make information concerning the operation and management of the Academy, including without limitation the information described in Schedule 14 of the Contract, available to the PSAD as deemed necessary by the PSAD Board in order to enable the PSAD to fully comply with Section 11.16 of the Contract.

CONTRACT ADMINISTRATION AGREEMENT

This Contract Administration Agreement (the "Agreement") is made and entered into as of the 28th day of August, 2008, by and between the Thompson Educational Foundation ("TEF"), a Michigan nonprofit corporation, and the Public School Academies of Detroit, a Michigan non-profit corporation (the "Academy") established and authorized to operate urban high school academies under a charter contract dated December 14, 2007, and as may be amended or restated, (the "Contract") issued by Grand Valley State University Board of Trustees (the "University Board") pursuant to Michigan’s Revised School Code, Act No. 451 of the Public Acts of 1976, as amended, being MCL 380.1 to 380.1852 of the Michigan Compiled Laws (the "Code").

RECITALS

A. TEF is the entity that applied for the Contract and is the applicant pursuant to MCL 380.529. The Contract authorizes TEF to undertake the activities under MCL 380.529.

B. TEF shall serve as the contract administrator between the Academy and any educational management company (an "EMC") contracted by the Academy to operate one or more urban high school academies as permitted under the Code and the Contract.

C. The Academy and TEF desire to create an enduring relationship whereby they will develop educational excellence at the urban high school academies.

THEREFORE, the parties mutually agree as follows:

ARTICLE I
TERM

1.01. Term. This Agreement will become effective as of the date hereof and will remain in effect as long as the Contract is in effect.

ARTICLE II
SERVICES PROVIDED

2.01. The Academy. The Academy Board of Directors shall retain all policy making functions and other legal responsibilities that cannot be delegated by contract or otherwise with respect to its urban high school academies.

2.02. TEF as the Applicant. The Academy acknowledges that pursuant to MCL 380.529, TEF, the entity that applied for the Contract, is authorized by the Authorizer to do any of the following activities in furtherance of the Academy's urban high school academies:

Participate in the recruiting, interviewing, and nominating process for
Academy Board members.

2. Conduct an independent educational review, on a periodic basis, to determine whether the Academy is successful in implementing the educational goals set forth in the Contract.

3. Serve as contract administrator between the Academy Board and any EMC contracted to operate an urban high school academy.

4. Make recommendations to the Authorizer and the Academy on how to improve the urban high school academies' operations.

2.03. **TEF as the Contract Administrator.** TEF shall be the contract administrator between the Academy Board of Directors and the EMCs of the urban high school academies. TEF shall supervise and report to the Academy Board on certain administrative operations concerning the urban high school academies, including but not limited to the following:

1. TEF will investigate and report to the Board regarding the selection, performance, and termination of the educational management companies ("EMCs") of the urban high school academies. The selection of EMCs includes due diligence, investigation, and reporting on prospective EMCs' educational curriculum, capacity to operate an urban high school academy, past experience, personnel assessments, financial resources, and compliance with statutory and Authorizer regulations and requirements. The investigation and reporting of EMC performance to the Academy Board by TEF includes the review of the respective EMC's compliance with the statutory, Contract, EMC contract, and lease requirements for the educational performance, reporting requirements, and financial practices. Where performance reviews, as well as input from the University Board's Charter Schools Office and other sources, indicate concerns about terminating an EMC, including the non-renewal of an EMC contract, TEF will investigate and report on findings and recommendations to the Academy Board on whether to terminate an EMC.

2. TEF will manage the Academy's real property interests in accordance with applicable law and Academy policies and direction. Each EMC will be expected to manage their respective urban high school academy facility and real property on a day-to-day basis in accordance with the planned lease and EMC contract obligations. This includes repairs, improvements, maintenance, insurance, utilities, and security. TEF is to periodically review such day-to-day operation to promote compliance with applicable law, lease, EMC contract obligations, and sound business practices. Where an EMC fails to adequately manage the day-to-day operations of the facility, TEF will recommend corrective action to the Academy Board. Where requested by the Academy, TEF will also conduct due diligence on
potential new sites for future urban high school academies and assist the Academy in gathering information to prepare a request to the University Board for an additional urban high school academy.

3. TEF will work with the EMCs, University Board's Charter Schools Office, and any advisory committees for the urban high school academies to better achieve the Academies' educational goals. Upon the Academy's request, TEF will compare and contrast best practices of administrative or educational operations of one or more urban high school academies for Academy Board's consideration to recommend that another urban high school academy EMC adopt certain best practices which have proven to be successful.

4. TEF will coordinate the provision of all administrative, budgetary, educational, and financial documentation for consideration, review, or approval by the Academy Board. When there is more than one urban high school authorized, TEF will work to coordinate each individual urban high school academy's budget, financial, and other reporting requirements into an overall Academy-wide report for the Academy Board's consideration. The Academy and TEF expect that each EMC and the respective urban high school academy will be responsible for the urban high school academy's educational, teaching, and instructional programs; budget, financial reports; technology; janitorial; transportation; and food services. Upon the Academy's request, TEF will coordinate and provide recommendations on how the EMCs and urban high school academies may better and more efficiently operate, especially as more urban high school academies are authorized.

2.04. **Reporting.** TEF will report to the Academy on a regular basis, or as requested by the Academy, on its activities conducted pursuant to this Agreement and the results of those activities. In addition, TEF will prepare all materials required by the Academy to perform its duties under this Agreement, the Contract and the Code.

2.05 **Compliance with the Contract.** TEF agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy's obligations under the Contract. The provisions of the Contract shall supersede any competing or conflicting provisions in this Agreement.

**ARTICLE III**  
**RELATIONSHIP OF THE PARTIES**

3.01. **Status of the Parties.** TEF is not a division or any part of the Academy. The Academy is a body corporate and a governmental agency authorized under the Code and is not a division or a part of TEF. TEF is the entity that applied to the Authorizer for the Contract and
will also serve as the contract administrator between the Academy and any EMC contracted to operate the urban high school academies as permitted under the Code. No employee of TEF will be considered an employee of the Academy by either party.

ARTICLE IV

TEF will be responsible for all actual costs incurred and paid by TEF in providing administrative services in an annual amount above one percent (1%) of the state school aid that the Academy receives, directly or indirectly from the state of Michigan pursuant to the State School Aid Act of 1979, as amended. Such costs include, but are not limited to, rent or lease payments and salaries of TEF employees and fees charged and expenses incurred by the EMCs that are paid for by TEF. TEF will not charge an added fee. TEF may waive any reimbursement at its sole discretion.

ARTICLE V
TERMINATION OF AGREEMENT

5.02. Change in Law. If any federal, State or local law or regulation, court or administrative decision or Attorney General's opinion has a materially adverse effect on the ability of either party to carry out its obligations under this Agreement, such party, upon written notice, may request renegotiation of this Agreement. Such renegotiation will be undertaken in good faith.

5.03 Real and Personal Property. Upon termination, all real and personal property leased by TEF, or a TEF related entity, to the Academy will remain the real and personal property and leases of TEF or its related entity, and all other personal property purchased by TEF with TEF funds shall be the personal property of TEF.

In addition, the Academy will reimburse TEF for any and all legal expenses and costs associated with the defense of any such claim, demand or suit. The indemnification requirements of this Section 6.01 may be met by the purchase of insurance pursuant to Article VII below.

The parties expressly acknowledge and agree that Grand Valley State University and its Board of Trustee members, officers, employees, agents or representatives may commence legal action against either party to enforce its rights as set forth in this Agreement.

CONTRACT ADMINISTRATION AGREEMENT

This Contract Administration Agreement (the "Agreement") is made and entered into as of the 28th day of August, 2008, by and between the Thompson Educational Foundation ("TEF"), a Michigan nonprofit corporation, and the Public School Academies of Detroit, a Michigan non-profit corporation (the "Academy") established and authorized to operate urban high school academies under a charter contract dated December 14, 2007, and as may be amended or restated, (the "Contract") issued by Grand Valley State University Board of Trustees (the "University Board") pursuant to Michigan’s Revised School Code, Act No. 451 of the Public Acts of 1976, as amended, being MCL 380.1 to 380.1852 of the Michigan Compiled Laws (the "Code").

RECITALS

A. TEF is the entity that applied for the Contract and is the applicant pursuant to MCL 380.529. The Contract authorizes TEF to undertake the activities under MCL 380.529.

B. TEF shall serve as the contract administrator between the Academy and any educational management company (an "EMC") contracted by the Academy to operate one or more urban high school academies as permitted under the Code and the Contract.

C. The Academy and TEF desire to create an enduring relationship whereby they will develop educational excellence at the urban high school academies.

THEREFORE, the parties mutually agree as follows:

ARTICLE I
TERM

1.01. Term. This Agreement will become effective as of the date hereof and will remain in effect as long as the Contract is in effect.

ARTICLE II
SERVICES PROVIDED

2.01. The Academy. The Academy Board of Directors shall retain all policy making functions and other legal responsibilities that cannot be delegated by contract or otherwise with respect to its urban high school academies.

2.02. TEF as the Applicant. The Academy acknowledges that pursuant to MCL 380.529, TEF, the entity that applied for the Contract, is authorized by the Authorizer to do any of the following activities in furtherance of the Academy's urban high school academies:

   Participate in the recruiting, interviewing, and nominating process for
Academy Board members.

2. Conduct an independent educational review, on a periodic basis, to determine whether the Academy is successful in implementing the educational goals set forth in the Contract.

3. Serve as contract administrator between the Academy Board and any EMC contracted to operate an urban high school academy.

4. Make recommendations to the Authorizer and the Academy on how to improve the urban high school academies' operations.

2.03. TEF as the Contract Administrator. TEF shall be the contract administrator between the Academy Board of Directors and the EMCs of the urban high school academies. TEF shall supervise and report to the Academy Board on certain administrative operations concerning the urban high school academies, including but not limited to the following:

1. TEF will investigate and report to the Board regarding the selection, performance, and termination of the educational management companies ("EMCs") of the urban high school academies. The selection of EMCs includes due diligence, investigation, and reporting on prospective EMCs' educational curriculum, capacity to operate an urban high school academy, past experience, personnel assessments, financial resources, and compliance with statutory and Authorizer regulations and requirements. The investigation and reporting of EMC performance to the Academy Board by TEF includes the review of the respective EMC's compliance with the statutory, Contract, EMC contract, and lease requirements for the educational performance, reporting requirements, and financial practices. Where performance reviews, as well as input from the University Board's Charter Schools Office and other sources, indicate concerns about terminating an EMC, including the non-renewal of an EMC contract, TEF will investigate and report on findings and recommendations to the Academy Board on whether to terminate an EMC.

2. TEF will manage the Academy's real property interests in accordance with applicable law and Academy policies and direction. Each EMC will be expected to manage their respective urban high school academy facility and real property on a day-to-day basis in accordance with the planned lease and EMC contract obligations. This includes repairs, improvements, maintenance, insurance, utilities, and security. TEF is to periodically review such day-to-day operation to promote compliance with applicable law, lease, EMC contract obligations, and sound business practices. Where an EMC fails to adequately manage the day-to-day operations of the facility. TEF will recommend corrective action to the Academy Board. Where requested by the Academy, TEF will also conduct due diligence on
potential new sites for future urban high school academies and assist the Academy in gathering information to prepare a request to the University Board for an additional urban high school academy.

3. TEF will work with the EMCs, University Board's Charter Schools Office, and any advisory committees for the urban high school academies to better achieve the Academies' educational goals. Upon the Academy's request, TEF will compare and contrast best practices of administrative or educational operations of one or more urban high school academies for Academy Board's consideration to recommend that another urban high school academy EMC adopt certain best practices which have proven to be successful.

4 TEF will coordinate the provision of all administrative, budgetary, educational, and financial documentation for consideration, review, or approval by the Academy Board. When there is more than one urban high school authorized, TEF will work to coordinate each individual urban high school academy's budget, financial, and other reporting requirements into an overall Academy-wide report for the Academy Board's consideration. The Academy and TEF expect that each EMC and the respective urban high school academy will be responsible for the urban high school academy's educational, teaching, and instructional programs; budget; financial reports; technology; janitorial; transportation; and food services. Upon the Academy's request, TEF will coordinate and provide recommendations on how the EMCs and urban high school academies may better and more efficiently operate, especially as more urban high school academies are authorized.

2.04 Reporting. TEF will report to the Academy on a regular basis, or as requested by the Academy, on its activities conducted pursuant to this Agreement and the results of those activities. In addition, TEF will prepare all materials required by the Academy to perform its duties under this Agreement, the Contract and the Code.

2.05 Compliance with the Contract. TEF agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy's obligations under the Contract. The provisions of the Contract shall supersede any competing or conflicting provisions in this Agreement

ARTICLE III
RELATIONSHIP OF THE PARTIES

3.01 Status of the Parties. TEF is not a division or any part of the Academy. The Academy is a body corporate and a governmental agency authorized under the Code and is not a division or a part of TEF. TEF is the entity that applied to the Authorizer for the Contract and
will also serve as the contract administrator between the Academy and any EMC contracted to operate the urban high school academies as permitted under the Code. No employee of TEF will be considered an employee of the Academy by either party.

ARTICLE IV
CONSIDERATION

4.01. Reimbursement of Costs. The Academy will reimburse TEF for all actual costs incurred and paid by TEF in providing administrative services in an annual amount not to exceed one percent (1%) of the state school aid that the Academy receives, directly or indirectly, from the state of Michigan pursuant to the State School Aid Act of 1979, as amended. TEF will be responsible for all actual costs incurred and paid by TEF in providing administrative services in an annual amount above one percent (1%) of the state school aid that the Academy receives, directly or indirectly from the state of Michigan pursuant to the State School Aid Act of 1979, as amended. Such costs include, but are not limited to, rent or lease payments and salaries of TEF employees and fees charged and expenses incurred by the EMCs that are paid for by TEF. TEF will not charge an added fee. TEF may waive any reimbursement at its sole discretion.

ARTICLE V
TERMINATION OF AGREEMENT

5.01. Termination. If the Contract is revoked or terminated, this Agreement shall automatically terminate on the same date the Contract is revoked or termination without further action of the parties; otherwise, this Agreement may only be terminated by the Academy and TEF mutually agrees in writing to terminate this Agreement.

5.02. Change in Law. If any federal, State or local law or regulation, court or administrative decision or Attorney General's opinion has a materially adverse effect on the ability of either party to carry out its obligations under this Agreement, such party, upon written notice, may request renegotiation of this Agreement. Such renegotiation will be undertaken in good faith.

5.03 Real and Personal Property. Upon termination, all real and personal property leased by TEF, or a TEF related entity, to the Academy will remain the real and personal property and leases of TEF or its related entity, and all other personal property purchased by TEF with TEF funds shall be the personal property of TEF.

ARTICLE VI
INDEMNIFICATION

6.01. Indemnification of TEF. The Academy will indemnify, defend and save and hold TEF and all of its employees, officers, directors, subcontractors and agents harmless against any and all claims, demands, suits or other forms of liability (including reasonable attorneys fees and
costs) that may arise out of, or by reason of, any noncompliance by the Academy with the Contract, the Code, or any agreements, covenants, warranties or undertakings of the Academy in or made pursuant to this Agreement, and any misrepresentations or breach of the representations and warranties of the Academy in or made pursuant to this Agreement. In addition, the Academy will reimburse TEF for any and all legal expenses and costs associated with the defense of any such claim, demand or suit. The indemnification requirements of this Section 6.01 may be met by the purchase of insurance pursuant to Article VII below.

6.02. Indemnification of the Academy. TEF will indemnify, defend and save and hold the Academy and its officers and directors, harmless against any and all claims, demands, suits or other forms of liability (including reasonable attorneys fees and costs) that may arise out of, or by reason of, any noncompliance by TEF with any agreements, covenants, warranties or undertakings of TEF in or made pursuant to this Agreement, and any misrepresentation or breach of the representations and warranties of TEF in or made pursuant to this Agreement. In addition, TEF will reimburse the Academy for any and all legal expenses and costs associated with the defense of any such claim, demand or suit. The indemnification requirements of this Section 6.02 may be met by the purchase of insurance pursuant to Article VII below.

6.03. Limitations of Liabilities. The Academy will assert all immunities and statutory limitations of liability in connection with any claims arising from its operations.

6.04 Indemnification of Grand Valley State University. The parties acknowledge and agree that the University Board, Grand Valley State University and its members, officers, employees, agents or representatives are deemed to be third party beneficiaries for purposes of this Agreement. As third party beneficiaries, the parties hereby promise to indemnify and hold harmless the University Board, Grand Valley State University and its members, officers, employees, agents or representatives from all claims, demands, or liability, including attorney fees, and related expenses, on account of injury, loss or damage, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage or any other losses of any kind whatsoever and not caused by the sole negligence of Grand Valley State University, which arise out of or are in any manner connected with the University Board's approval of the urban high school academy application, the University Board's consideration of or issuance of a charter contract, the Academy's preparation for and operation of a public school, or which are incurred as a result of the reliance by Grand Valley State University and its Board of Trustees members, officers, employees, agents or representatives upon information supplied by the Academy or TEF, or which arise out of the failure of the Academy to perform its obligations under the Contract issued to the Academy by the University Board. The parties expressly acknowledge and agree that Grand Valley State University and its Board of Trustee members, officers, employees, agents or representatives may commence legal action against either party to enforce its rights as set forth in this Agreement.

6.06 Compliance with the Contract. TEF agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Contract issued by
the University Board. The provisions of the Contract shall supersede any competing or conflicting provisions contained in this Agreement.

ARTICLE VII
INSURANCE

7.01. **Insurance Coverage.** The Academy will maintain general liability insurance and umbrella insurance coverage in the amounts required by the Contract. The Academy will comply with any information or reporting requirements applicable to the Academy with its insurer(s). The Academy and TEF may meet their respective indemnification requirements of Section 6.01 by the purchase of insurance.

7.02. **Workers’ Compensation Insurance.** Each party will maintain workers’ compensation insurance as required by law, covering its respective employees.

7.03. **Cooperation.** Each party will, upon request, present evidence to the other that it maintains the requisite insurance in compliance with the provisions of this Article VII. Re: Merger of University Preparatory Academy (T 38878) into
The Public School Academies of Detroit

The Attorney General’s office has received your request to review the proposed merger of
the above-captioned organizations. Please be advised that the Department of Attorney General
does not object to the merger provided that approval of the merger is granted by the Board of

Additionally, because this organization will cease to exist as a result of the proposed merger,
please be advised that the review performed by our office has been solely for purposes of

Dear Kristin,

Per your e-mail request of December 6, 2007, a description of the second UPA Elementary School is as follows:

TEF-FOUR, LLC purchased, in September 2007, a 72,000 three-story parking garage to house the second elementary (UPA K-5 II). Approximately 14,000 square feet is unusable due to the existing concrete ramps, which will be simply sectioned off as storage areas. A 8,600 square foot addition, to house the gymnasium and school entrance connector, will also be constructed to attach to the former parking garage building, which will bring the total usable square footage to approximately 67,000. The location of the UPA K-5 II will be at 435 Amsterdam in Detroit, which is three blocks northeast of the UPA High School in the New Center area. Construction began in November 2007 and will be completed by June 2008, with school classes beginning in September 2008. The total cost of the UPA K-5 II is estimated to be $10,000,000, which includes all hard and soft costs.

I have also included renderings and a site plan to further help you with your understanding of this facility.

Please do not hesitate to contact me for more information regarding this facility. My office number is 734.414.0153.

Very truly yours,

The academic and non-academic (behavioral) goals provide for the proposed program and describe desired outcomes that we hope to achieve. The Academies, together with the community and others, will provide students with opportunities and experiences to achieve academic and personal success in learning environments that are intellectually challenging, motivating, supporting and sustaining.

Goal 1: At least 90% of entering high school freshmen will graduate four (4) years later as measured by the state of Michigan’s graduation rate calculation for high schools.

Goal 2: At least 90% of students graduating from high school will be enrolled in post-secondary studies within the 12 months following graduation. Post-secondary studies will include four-year colleges, community college Associate Degree and Occupational Certificate programs, technical colleges, apprenticeships, and the military.

Goal 3: The percentage of students proficient on the MEAP will be higher than that of the selected peer (currently Detroit Public Schools).

Goal 4: Using the University Charter Schools Office MEAP regression model, the Academy will score no lower than one-half of a standard deviation below
the line of best fit after the first three (3) years of operation. The Academy’s regression score will also be compared to schools with similar racial demographics.

Goal 5: The Academy will administer the Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP) and use it to assess annual growth in reading, language usage and math, in 6th through 8th grades or other tests and grades that are a part of the University Charter Schools Office program. Scores will be compared to national and University Charter School Office norms.

Goal 6: As provided by the Michigan Merit Exam, the average ACT composite score at the Academy will be higher than that of selected peer (currently Detroit Public Schools). The Academy’s score will also be compared to schools with similar racial demographics.

Goal 7: Using the University Charter Schools Office ACT regression model, the Academy will score no lower than one-half of a standard deviation below the line of best fit after the first three (3) years of operation. The Academy’s regression score will also be compared to schools with similar racial demographics.

C. Transportation

Like traditional magnet public schools, the Academy will not offer students transportation to and from school. The school will facilitate car pools among parents and work with private van services that offer families who cannot transport their children at a relatively low cost option.

The Academy will transport students on field trips using its own standard school bus, and will rely on contract with private van services to transport students to and from their internships and job shadows and, when needed, to and from courses at college and community college campuses in the Detroit area.

D. Food Service

The Academy will provide hot lunches for students, with a large number – 65 percent plus – eligible for free or subsidized federal lunches. The Academy will contract with private food services companies that prepare, deliver and serve meals.

E. Co-Curricular and Extra-curricular Activities

The Academy’s after school and summer programming will focus heavily on academic achievement, particularly in math, science and technology. The specific program has not yet been developed. Intramural sports and other activities will also be offered.
SCHEDULE 8-1

EDUCATIONAL GOALS AND PROGRAMS

UPSM Elementary Educational Goals and Program Summary

University Prep Science & Math Elementary School—Miller Campus will be a general admissions charter public K-5 elementary school in the city of Detroit providing predominately low-income Detroit children with a solid academic foundation to matriculate to and succeed in the district’s rigorous, project based middle school and, subsequently, its college prep science, technology, engineering and mathematics ("STEM") high school.

The school will use the Expeditionary Learning ("EL") model as its programmatic anchor. It will be a project-based, experiential learning program emphasizing not only literacy and numeracy, but also core habits of mind and habits of work such as responsibility, perseverance, engagement, risk-taking, teamwork and hard work.

It will be the primary feeder school for UPSM Middle School, which opened in 2008, and UPSM High School, which opened in 2010. UPSM Schools are accountable for graduating at least 90 percent of incoming 9th graders and sending at least 90 percent of those graduates to college.

UPSM Schools, which serve grades 6-10 currently, are high performing, outpacing by far the Detroit Public Schools and many suburban districts on state assessments. UPSM Schools also outperform peer schools on the national norm-referenced Measures of Academic Progress (MAP) test as well as the ACT Explore and ACT Plan.

According to Excellent Schools Detroit 2011 report/ranking of Detroit schools, UPSM Middle School, which received a Walton Family Foundation start-up grant in 2008, was the 15th highest performing middle school in the City of Detroit on the state mandated Michigan Educational Assessment Program (MEAP). That report used data from 2007-2009, which captured only UPSM Middle School’s first year in operation. Scores have improved significantly since then.

(Note: This year the state changed the cut score needed to be "proficient" on that exam and that data and the companion analysis are not releasable at this time.

UPSM High School, which received a Walton Family Foundation start-up grant in 2010 has yet to administer the state exam known as the Michigan Merit Exam (MME). However, student performance on the ACT Explore and ACT Plan puts incoming 9th graders at a composite average of 15 and incoming 10th graders at a composite average of 15.5. UPSM students—especially those who matriculate from UPSM Middle School—score at the beginning of high school what the average Detroit Public Schools’ students score at the end of their high school career.

UPSM Elementary School will embrace the core programmatic pillars of UPSM’s success. They are:
• Differentiated instruction and the use of personalized learning plans;
• on-going, job embedded professional development directed by experienced principals;
• community-based partnerships;
• relationship development through Advisory;
• project-based learning.
• rigor on a par with relevance and relationships;
• data drive all programming and staffing decisions.

Located at 2251 Antietam, Detroit, 48207, in the safe and stable community known as Lafayette Park, UPSM Elementary School will, like its sister middle and high school, be a school that is of the community, by the community and for the community. Expeditionary Learning will facilitate and intensify such community immersion, which has been a hallmark of UPSM Schools since the system opened.

The mission of UPSM Elementary School is to realize each child’s unique potential for excellence and cultivate their spirit of adventure and engagement through exemplary character development, intellectual achievement, and social responsibility.

The elementary school, which is an historic Detroit Public Schools building that is being renovated and tailored to the specific program needs, will open in 2013 and enroll approximately 450 students with 75 students per grade.

UPSM Elementary School will likely be a Title I school, like the middle and high schools, with at least two-thirds of the students qualifying for free and reduced-price lunch. UPSM Elementary School will be committed to enrolling students from diverse racial and ethnic backgrounds. To that end, UPSM will increase marketing activities in the Hispanic, Albanian, Middle Eastern and Hmong communities.

In addition, UPSM Elementary School hopes to draw some middle class families who live or work in Detroit to the program. Research is clear that low-income students perform better in diverse learning communities. UPSM Elementary School will also reach out to area childcare and preschool programs to increase the likelihood that incoming students have had quality early childhood learning experiences. UPSM Elementary School will recruit K-5 general admissions students from across Detroit. The elementary school will provide solid general academic preparation with a focus on literacy and numeracy. Science, technology, engineering and mathematics (STEM) will be strong, but will not dominate the curriculum. Students need not have a special interest in those areas to benefit from and thrive in the program. Student enrollment will comply with Board policy and state law. If UPSM Elementary School receives more than 75 applicants for any grade, it will conduct a lottery. Students not selected through the lottery will be placed on a waiting list in the order in which their names are drawn. All families will be notified of enrollment status within one week of the lottery.

Parents of children offered enrollment will be required to attend a parent orientation meeting to review UPSM Elementary School program. It is essential that parents/guardians who are choosing UPSM Elementary School clearly understand what they are selecting for their
child(ren). At the conclusion of this meeting, parents/guardians will have the opportunity to formally accept a place at UPSM Elementary School or reject the offer.

The expectation is that students will move from UPSM Elementary School to UPSM Middle School and then on to UPSM High School. The system will have three separate campuses within a two-mile radius in three distinct and thriving parts of the city.

Business and community partnerships will be critical parts of UPSM. Aligning with respected community institutions and businesses provides fundraising opportunities, powerful allies and strong protection from hostile legislation. The primary partnership for the elementary school will be with EL. That relationship will support and strengthen the instructional framework through professional development and ongoing monitoring, accountability standards and technical assistance. In addition, UPSM Elementary School will partner with the Society of Automotive Engineers Foundation ("SAEF") through its use of A World in Motion, an elementary engineering program. Finally, the elementary school will benefit from UPSM’s district level partnerships including the Detroit Science Center and the University of Michigan. These relationships involve curriculum development, support and review, professional development, student mentoring, college readiness activities, project-based learning opportunities and staff recruitment.

UPSM Elementary School will join the rest of the district in forging relationships that support cross-cultural experiences such as pen-pal initiatives and visits to important local cultural sites to prepare students for the middle and high school study abroad experiences.

In keeping with UPSM’s core principles UPSM Elementary School will maintain the following student achievement goals and school characteristics:

**Student Achievement Goals**

1. % MEAP Proficient greater than or equal to Detroit Public Schools (grades 3-5 average);

2. % MEAP Proficient not lower than .5 std below SES regression (grades 3-5 average); and

3. NWEA MAP test comparison to GVSU and National Norms (grades 3-5 average)

**School Characteristics**

- **Small classes**—25 students—led by a teacher and an aide, both of whom will loop with students for two years to ensure every student is well known, able to connect with others and develop caring teacher-student relationships.

- **Differentiated Instruction/Individualized Learning Plans** for every student to personalize their education, build on their specific strengths and close academic gaps/weaknesses. Teams including teachers, aids, students, parents, mentors, etc. will meet quarterly to create and revise plans based on student progress, needs, interests and core curriculum.
- **Project-based learning through robust expeditions** to link student interest to the curriculum, provide authentic audience and engaging, hands-on learning experiences that contribute to the community.
- **Student exhibitions** in addition to narrative assessments, test scores and some grades to demonstrate student subject-mastery and fine-tune communications skills.
- **A year round school calendar that is also longer** than most school calendars to prevent summer learning loss and provide more time for relationship and relevance activities as well as academic preparation. The instructional year is 185 regular school days stretched out over a balanced calendar with three weeks off in the winter, three weeks off in the summer and a compact six-week summer vacation.
- **Global awareness** to support the International Study requirement that mandates students study/travel abroad between 6th and 12th grades to graduate.
- **Art, music and physical education** to provide a rich and well-rounded academic experience comparable to affluent suburban schools.

EL will complement and enhance the UPSM Elementary School especially in the area of developing school culture.

EL Schools are based on the educational ideas of German educator Kurt Hahn, the founder of Outward Bound. There are more than 150 schools implementing EL in 30 states and the District of Columbia. The core is project-based Learning Expeditions, in which students engage in interdisciplinary, in-depth study of compelling topics, in groups and in their community, with assessment coming through cumulative products, public presentations, and portfolios. The EL model emphasizes high levels of student engagement, achievement, and character development.

SCHEDULE 8-2

CURRICULUM

A. Overview of UPSM Curriculum

UPSM Middle School and UPSM High School will be the premier science and math middle and high school in Southeast Michigan. It will offer a rigorous, project-based science and math curriculum as well as foreign language (exploratory with emphasis on Chinese and Spanish), humanities, art, music and physical education.

UPSM Middle School and UPSM High School will meet Michigan PA 25 (MCL 380.1278) Core Curriculum through an individualized and differentiated approach. Student interests and classroom projects will drive each student’s tailored learning plan. Teachers and advisors will be held accountable for integrating the state’s Grade Level Content Expectations and assuring mastery of them at every level.

B. Overview of UPSM High School

1. Academic Structure & Staffing

UPSM High School will be organized into advisories with a teacher-advisor and 18-20 students. This class will serve as a student’s home base during the first two years of high school (Junior Institute), with students entering a new advisory for their last two years (Senior Institute). Advisories will be grouped into trios—with one advisory led by a certified Language Arts teacher, one by a certified Mathematics teacher, and the third by a certified Science teacher. These three teacher/advisors will team teach the 54-60 students in the trio, though each will retain primary responsibility for the academic and social success of the 18-20 students in his or her advisory. This structure provides a way to combine the deep personal relationship of advisory as demonstrated at UPA High School, and the need for deep teaching knowledge demanded by a high level science and math-focused curriculum. This approach is currently used in UPSM Middle School, and a variant has been used successfully for some time at UPA Middle School.

Some consideration is being given to a quad approach, which would include a certified Social Studies teacher and would expand the learning community by 18-20 students. The approach to learning and community building would otherwise remain the same.

Other school structures that will support the teaching of Michigan’s core curriculum and mastery of the high school graduation requirement include:

- Personalized Learning Plans for every student adds a customized layer to each child’s education and builds on his or her specific skills, learning styles, and interests. Individual Student Learning Teams, that include the student, the teacher-advisor, and parents, will meet four times a year to create and revise annual student learning plans based on student
progress, needs, interests and core curriculum. Performance data will be used heavily to shape students’ Personalized Learning Plans, and to adjust learning strategies and activities to insure each student’s academic progress.

- Cross-curricular project-based learning and independent study options to link student interest to the curriculum and provide engaging, hands-on learning experiences;
- Unpaid student internships with adult mentors in business, professional, and public settings that build student aspiration and provide a real-world relevance for academics;
- Student public exhibitions, known as Presentations of Learning, in addition to narrative assessments, test scores and grades to demonstrate student subject-mastery and fine-tune communications skills;
- Advanced Placement classes in both mathematics and science that will be required for graduation;
- A longer school year to preserve adult relationships and provide more academic preparation. 190 regular school days + a mandatory 16-day summer program = 206-day school year;
- A summer program including a mandatory four-week math and science boot camp on campus to provide for remediation for struggling students and an array of enrichment courses for accelerated students;
- Mandatory tutoring in math and literacy during the school year to insure that no student falls behind;
- Saturday success sessions for students to stay on top of their academics by receiving tutoring, more time to complete homework and projects, opportunities for community service, and prep classes for ACT/SAT and AP tests;
- Required foreign language and foreign culture (Spanish & Chinese) courses to provide students with a global framework; and multi-cultural competence;
- Art and music offerings to provide a rich and well-rounded academic experience comparable to affluent suburban schools.

We contemplate the following staff to implement our reform strategies:

- A principal with a background in math and/or science, strong leadership experience, and a proven record of engaging teenagers in rigorous, project-oriented work. The principal will have two primary responsibilities: lead the school community of students, teachers, and parents to vigorously and collaboratively pursue the school’s academic vision of college preparation with special emphasis on science and math; and, serve as the instructional leader for the staff. Traditional administrative duties that frequently saddle principals will be handled by an operations team.
- 24 teacher/advisors in core subjects. The position description for all of these teacher/advisors outlines a demanding mix of skills including a facility for building strong personal relationships with individual students, and real depth of content knowledge. Extraordinary resources will be committed to recruiting teachers nationally to find teachers who possess both these qualifications, and are committed to the mission of providing urban children with a world-class math and science education. Certified teachers will be required in the following core areas:
- Chemistry
- Biology
- Physics
- Mathematics
- Language Arts
- Social Studies

- Additional teaching and administrative staff required:
  - **Internship Coordinator:** This person will work with students and their advisors to find unpaid internships in the community that reflect the student’s learning interests. The job includes finding these opportunities, preparing the internship mentors for their roles, overseeing criminal checks, and arranging transportation from the school to the internship sites and back. A major requirement is a high comfort level with making cold calls on business and professional people to solicit internship opportunities.
  - **Chinese and Spanish Teachers:** For these positions depth of knowledge and ability to make the learning of language fun and interesting are key.
  - **Special Education Teacher:** When the school opens, it will employ one full-time resource room special education certified teacher. Testing for IEP’s, social work, speech therapy, and other specialized support required will be contracted through existing social service agencies.
  - **Music Teacher:** Mathematics and music are related areas. UPSM High School has made a major commitment to build advanced music programs. The initial music teacher will be hired in close consultation with our music partner, the Detroit Symphony Orchestra.
  - **Technology Integration Specialist:** As a STEM school, UPSM High School will provide students and teachers with cutting edge technology tools for both learning as well as producing learning products. We are seeking someone with a rich technology background who is a good listener, and can work well with teachers. This Tech Specialist need not be a certified teacher.
  - **Family Services Coordinator:** Part of the UPSM brand is exceptional customer service. The University Prep schools have had great success with designating persons to serve parents and guardians as primary customers, thereby taking some of this service load off the Principal. The Family Services Coordinator requires the skills of an effective ombudsman who is proficient at interpersonal relations.
  - **Receptionist:** This person greets visitors, answers the phone, and undertakes some clerical tasks (all staff, including the Principal, are expected to produce their own documents and correspondence.)

We expect to contract out administrative operations such as compliance, financial management, human resources, school maintenance, and lunch operations to New Urban Learning (NUL), the non-profit organization that has responsibility for managing UPSM Middle School.
2. **Universal Design**

Based on recent brain research that confirms the effectiveness of teaching using multi-media, UPSM High School is strongly committed to using technology and other tools to provide a multi-media teaching and learning experience. Considerable investment is going into technology that permits teachers to both project objects on to screens as well as project directly from the Internet. In this way, students will receive information visually, verbally, and in written form. Every student’s learning progress will be continuously measured, with the resulting data stream used to enable teachers to individualize learning strategies and activities to ensure each student’s progress. UPSM High School has been utilizing such real time feedback on student performance as a central design element, and will serve to accelerate the UPSM learning curve in this critical area.

Learning will be organized to be constructive, requiring students to actively participate in forming their insights and understanding. Project Lead-The-Way (PLTW), the nationally acclaimed engineering curriculum that will drive much of the science and math activity, is designed around active doing rather than passive listening. Group as well as individual projects will be used to organize much of the learning as a way to integrate student interests, hands-on engagement, and real-world relevance. Project-based learning also permits the integration of a student’s particular intelligence and learning style into his learning activities, thereby increasing his chances of success.

UPSM High School will build a set of activities around the growing research that reflects the power of real-time intervention to keep students from falling behind and losing confidence in their identity as competent students. Any time a student struggles to understand a concept or operation during regular class periods, that student will be required to participate in tutoring that day to make sure he or she possesses the understanding upon which the next day’s learning will be based. Similarly, homework that is not completed or is of low quality will require after school time with adult help to complete the work. If every student is to graduate college-ready, no student can be left to fall behind.

Assessment will be multi-faceted. Students will present their work at public exhibitions every trimester, teachers will write narrative reports for students and parents regarding the quality of student work, students will also receive traditional grades, and various standardized assessment will be used including the PLAN, EXPLORE, ACT, and MME.

3. **Personalized Learning Plans**

Every student at UPSM High School will have a Personalized Learning Plan (PLP) designed around the student’s needs, strengths, learning styles, interests, and passions. The PLP is a driving force in the UPSM High School model. It is designed to define and meet the physical, emotional, academic and social needs of all students—whatever it takes. The initial PLP will be created by the student’s Individual Learning Team, consisting of the student, his or her parents, and the teacher-advisor. The Individual Learning Team reconvenes after each trimester to review the PLP, and make necessary modifications.
PLPs will spell out the differentiated strategies that will be used with each student according to data from standardized tests, class work, the student’s particular learning style, parent knowledge of their child’s learning history, as well as the student’s strengths, challenges, interests and passions. Students will express their learning at UPSM High School in varied ways as well—multi-media digital presentations, artwork, written products, theatrics, blogs, tests and other methods—three times a year through trimester-based Presentations of Learning (POLs).

UPSM High School will provide students with a Learning Resources System, composed of in-house and external resources to support students with special needs, particularly those with IEPs. The system will provide supplemental assessment, specialized equipment, materials and methods, consultation and instruction as needed to ensure the full participation of every student. UPSM high school will be barrier-free and accessible. Assistive technology will be available where necessary and useful.

UPSM High School also will put in place Student Study Teams (SST). The purpose of SSTs is to provide a systematic process for the functional assessment and the development of problem-solving interventions for students who are experiencing academic, social and/or behavioral difficulties.

4. **Connections With Caring Adults**

UPSM High School will offer every child powerful and enduring relationships with teachers and mentors from the world of work and other parts of the community.

Adult connections at UPSM High School will be used to address both relationship and relevance in the school design. Here the work by UPA will be utilized to provide every student with deep, enduring adult relationships.

As indicated above, every student will have an advisor with whom the student will work closely for two years, before being assigned to another advisor for the final two years. These advisors will take ultimate responsibility for the success of their students. Keeping classes small is critical if advisors are to know each student well, and have the time to provide whatever support is needed. At UPA each advisor is told: “You are the aunt or uncle who went to college, and these students in your advisory should be regarded as nieces and nephews. You are expected to do what ever it takes to make sure each student succeeds, graduates from high school, and goes on to post-secondary studies.” Sometimes this can be accomplished by simply being that college-educated aunt or uncle, i.e., interested adult. Sometimes it necessitates playing a more involved role.

With 98 percent of the Class of 2008 graduating from University Prep High, and 94 percent going on to college with a predominantly poor minority student body, UPSM is committed to creating these same effective advisor-student relationships.
Unpaid internships provide another set of adult relationships for all students. Internship mentors model successful behavior in the world of work, and provide another set of interested, educated adults for students to connect with, confide in, and model.

5. **Integrating Out-of-School Activities & Student Learning**

The UPSM High School design integrates out-of-school activities and student learning in a number of proven ways:

- All students participate in unpaid internships each year with the goal of connecting relevant project work at the internship site with learning goals that are part of the student’s Personal Learning Plan. The internships, known as Learning Through Internship or LTI, are not job shadows or busy work. The student’s mentor, advisor, and the student must design a project that is academically ambitious, produces a product that is of use to the workplace organization, and is consistent with the student’s PLP learning goals. LTI’s are a powerful means of giving school-based learning objectives real relevance to students.

- The mandatory after-school tutoring and homework club described above are powerful devices for strengthening student class-based learning. These requirements for extra learning time are not offered as punishment, but rather as evidence of the commitment the school and student’s family has to making sure the student is college-ready upon graduation.

- Dual-enrollment courses for junior and senior students will be a major design element at UPSM High School. By taking college courses at University of Michigan-Dearborn, Henry Ford Community College and Wayne State University, students will get a strong sense of what constitutes academic excellence and college readiness. The work ethic demanded at the high school becomes more meaningful and less arbitrary as students struggle with college work loads.

- Academic Games, FIRST Robotics, debate, and strings, choir and jazz band and chess become important after-school activities that draw on school-based skills and efforts to develop critical thinking, while strengthening and reinforcing them. These activities, along with Science Fair competitions, are the extra-curricular activities that UPSM High School will commit to and strive to excel in both state and national competitions.

- Being that a strong body supports a strong mind, UPSM High School will offer a PE program and limited interscholastic sports, with boys and girls basketball and co-ed track as the initial options.

C. **Overview of UPSM Middle School**

A positive, achievement-oriented school culture is a critical foundation to student and staff success. UPSM Middle School will embrace the successful curriculum created and used by the award-winning staff at Perspectives Charter High School (Grades 6-12) in Chicago.

A student’s “Personal Learning Team” (advisor, student, parent, mentor) chooses each quarter’s learning goals and help to create a students’ Learning Plan. The goals selected each quarter
reflect both what a student needs to work on, the learning opportunities his/her project presents and the state’s Grade Level Content Expectations.

A Disciplined Life© builds a culture of success – personal success and academic success. It addresses each student as a whole person, understanding that personal character growth and academic progress are interdependent in producing responsible members of society who wish to lead meaningful lives.

A Disciplined Life nurtures intellectual individuals prepared to thrive in a rigorous academic environment, and engage members of their community in spirited debate and dialogue. It gives our students the tools to foster a genuine community of young adults who understand, appreciate and respect the differences of their peers.

Key components of the curriculum are:

Self Perception

- Accept only quality work from yourself
- Take responsibility for your actions
- Seek wisdom
- Be open-minded
- Think critically and be inquisitive
- Love who you are
- Demonstrate honesty, integrity, and decency
- Be generous

- Be reflective
• Be reliable
• Take initiative
• Demonstrate perseverance

1. **Scope and Sequence of Academic Curriculum**

**Science Curriculum**

*The Detroit Science Center partnership*

UPSM Middle School will be physically and programmatically attached to the Detroit Science Center, providing significant, but as yet unrefined, curriculum partnership opportunities. The Detroit Science Center will house one of its education directors at UPSM to ensure smart, coordinated lessons and programming around permanent and traveling exhibits.

All of the Detroit Science Center’s exhibits will be available for UPSM students to visit and to use in hands-on lessons. UPSM students will literally interact with real science, scientists and science enthusiasts every school day.

UPSM also plans to draw on the expertise of Margaret Holtschlag, a recent Michigan Teacher of the Year, whose specialty is developing curriculum that aligns with state standards and uses museums, zoos, historical sites and other community resources.

In addition, UPSM is finalizing a partnership with the University of Michigan’s College of Engineering. The goals of the partnership are to work in consultation with college faculty and professional engineers to develop meaningful engineering-related lessons, experiences and career exposure for students and staff. The partnership provides for curriculum development, professional development, on-campus experiences and research opportunities for students and staff as well as mentoring and college application and preparation assistance.

**IQWST**

The formal science curriculum at UPSM will be the Investigating and Questioning our World through Science and Technology (IQWST), an inquiry and project-based science curriculum developed by the National Science Foundation in partnership with the University of Michigan's Center for Highly Interactive Classrooms, Curricula and Computing in Education (hic3e), Northwestern University, Michigan State University, Columbia University, the University of Illinois, and Project 2061.

UPA Middle School will be piloting the curriculum in the 2007-2008 school year and adjustments will be made as necessary for implementation at UPSM in 2008-2009.

IQWST materials align with national standards, are rooted in principles of project-based scientific inquiry, focus on science’s “big ideas,” and employ research-based practices shown to promote students’ science and science literacy learning.
The coordinated curriculum for grades 6-8 sequences physics, earth science, biology and chemistry instruction to build upon students' prior knowledge and experiences in the real world, and to build understanding from unit to unit both within and across the middle school years. Students learn complex scientific ideas by engaging in practices that include working with models, constructing scientific explanations, engaging in argumentation and debate, analyzing data gathered either from students' own investigations or captured within complex datasets, and presenting ideas to peers.

IQWST is grounded in five principles:

1. Inquiry
   Each unit will be structured around investigations that require students to ask questions, plan experiments, and collect, analyze and share data and information. The investigations will also allow students to experience scientific phenomena and processes, and to examine new information.

2. Driving Questions
   The context for the inquiry is created through the use of driving questions, based on real world experience. A driving question is rich, open-ended, and connects with authentic interests and curiosities students have about the world. The target science ideas and skills are instrumental to understanding and answering the driving question.

3. Real World Phenomenological Experience
   IQWST uses anchoring events to help students apply their emerging scientific understandings to the real world, thus helping them see value in their academic work. An anchoring event might engage students in observations of their environment.

4. Connecting to Community Problems and Issues
   Once driving questions are developed, IQWST uses a number of strategies to connect the driving questions posed by students to specific problems or issues that exist in their communities. The curriculum draws on parents and community members to generate resources that can be used to carry out investigations and to apply scientific concepts learned in the classroom to the actual problems of the community.

5. Literacy Links
   IQWST attends to scientific literacy issues such as highlighting how scientific language, discourses, and writing genres differ from the technical language, discourses, and genres of other content areas. The program integrates scientific literacy outside of science classrooms by making links to language arts classrooms, where teachers engage students in the production of texts related to the scientific concepts and community problems that they are studying.
IQWST provides opportunities for students to engage in and critique scientific discourse, such as making explicit how and why scientists communicate with one another, with the public, and with political leaders. Students might examine actual documents prepared by scientists on different sides of a science policy issue. In addition, students might examine how the same scientist writes differently about an issue when writing to another scientist and when writing to inform the public or representatives of a government agency.

Mathematics Curriculum

Wayne State Math partnership

UPSM will continue using Wayne State University (WSU) Math instructors. They will, however, intensify the successful math curriculum they have been providing to UPA students.

The goals of the WSU Mathematics Program at UPSM Middle School are two-fold:

- First, a culture of excellence among the students is expected where every student meets high standards and high expectations.
- Second, WSU will provide each student with authentic and rigorous mathematical foundations and reasoning skills necessary for further study and continued academic success. The mathematics program will support and enhance the work completed in the science program.

The curriculum is designed to meet the guidelines established in the Grade Level Content Expectations and to enable students with the skills and confidence necessary to prepare them for college and STEM careers. Classes are designed to address the individual needs of every student and equip them with a full year of Algebra by the end of the eighth grade. In addition to regular mathematics instruction, students will participate in a mathematical thinking course. This class introduces material well beyond the reach of the standard curriculum. It is designed to build students’ confidence and pride in their work with mathematics, establish the relevance and power of the “basic” curriculum, strengthen and extend critical thinking skills, engage students in the “fun” of mathematics and provide them with an appreciation of the subject that will encourage them to pursue higher mathematics courses.

Singapore Math & Other Asian math principles

UPSM Middle School will also draw on Singapore Math and other Asian math strategies to ensure the highest levels of math achievement possible.

Those principles include the following four items:

1. Simplifying the curriculum so that students learn fewer things each year but learn them in much greater depth.

   Research indicates as much as 75 percent of the math taught each year in American classrooms is a review of previously learned material. UPSM Middle School will follow the lead of Singapore and Hong Kong and reduce dramatically the time spent on such review by focusing on fewer concepts and operations each year and making sure students master them.
2. Constructing pedagogy for math that always moves from the concrete to the abstract when introducing new math concepts and operations to students.

UPSM Middle School will draw on instructional power of using concrete objects and digital representations of objects to introduce new math ideas to students. Once students are able to grasp a concept using physical objects, they can move to theoretical representation of problems much more effectively and with a better grasp of the problem.

3. Organizing real time tutoring to make sure no student falls behind.

UPSM Middle School math teachers will use daily quizzes to make sure they receive constant feedback on each student’s comprehension of the material. Whenever feedback reveals that a student has failed to understand some part of the learning for that day, students will receive individual tutoring around the specific math challenge within 24 hours.

4. Immersing students in mathematics.

In order to make mathematics a priority for students, schools must surround children with math. At UPSM Middle School, math and mathematical symbols will show up everywhere from the steps to the lockers and from the bulletin boards to the ceilings. UPSM Middle School will have math labs, math libraries, game rooms, and math competitions.

**Language Arts**

UPA’s experience has shown that incoming sixth graders often are reading and writing at second to fourth grade levels and need significant remediation to perform at grade level. Based on that history with Detroit’s general admissions students, within five years, UPSM will achieve the following:

- 90 percent of students to read at beginning 8th grade level or above by the end of the 8th grade;
- Students will achieve 90 percent proficiency on the 8th grade MEAP in English Language Arts.

UPA students tend to fall into three developmental reading categories:

- Students who read at or above grade level;
- Students who read 1 or 2 years below grade level;
- Students who read 2+ years below grade level.

UPA has provided teachers with two literacy approaches to increase the reading proficiency of struggling readers and challenge high performing ones.
READ 180

READ 180 for students reading two or more years below grade level. READ 180 is comprehensive reading intervention program that is proven to meet the needs of students performing below proficient levels. READ 180 incorporates adaptive and instructional software with high-interest literature and continual analysis of student performance.

Balanced Literacy Approach

UPSM will use a balanced literacy approach for all students, combining phonics and whole language to target strengths and weaknesses.

Components of this approach are:

UPSM Middle School has not selected a pre-packaged English/Language Arts curriculum at this point.

Staff will build on the current offerings at UPA using *Guiding Readers and Writers (Grades 3-6)* by Irene Fountas and Gay Su Pinnell. The curriculum development guide book is one of the most comprehensive literacy resources available and will assist UPSM in creating a robust language arts program built around the following principles:

- The language/literacy program will build community through language, word study, reading, writing, and the visual arts.
- Students will develop interests as readers, selecting books for themselves every day. Independent reading activities, mini lessons, conferences and reading response journals will be incorporated.
- Students will engage in guided reading and teachers will use be proficient in dynamic grouping and selecting and using leveled texts.
- Students will have rich and lively experiences with literature, including book clubs, group reading, interaction with authors and others in the community. UPSM will seek to establish a “One Book, One Community” project whereby youth and adults in the community read and react together to a selected piece of literature.
• Students will be steeped in comprehension and word analysis activities as well as the reading and writing process and various ways to construct meaning from text.
• Phonics, spelling and vocabulary will be built into the program.
• Students will learn to connect reading and writing through poetry, writer’s notebooks, writer’s talks, genre, content literacy, and research. Students will learn to read and write a variety of genre.

**Foreign Language/International Culture**

UPSM Middle School students will begin foreign language studies in the sixth grade with a Foreign Language Exploratory Course (FLEX) in which they will be exposed to Chinese, Spanish, French and Arabic language and culture.

Exposure will include lessons in the language and also field trips to culturally significant sites, restaurants, museum exhibits and community resources. Speakers from the different cultures will visit students regularly and sister school and pen pal relationships will be established online and in person with peers around the world.

After students are exposed to the FLEX they will choose to pursue either Chinese or Spanish beginning in eighth grade. The exposure and preparation at the middle school will prepare students for the UPSM High School study-abroad program. Beginning in the ninth grade, students will travel to sister schools around the world and further deepen their cultural competence and international savvy. By graduation from UPSM High School, students will be proficient in Chinese or Spanish language and culture.

**Art**

UPSM Middle School is working with the College for Creative Studies (CCS) to formulate an arts curriculum and artist-in-residence program that will provide students with a sophisticated understanding and appreciation of art. UPSM Middle School students will develop an appreciation of art as a form of communication as well as an expression of historical and cultural traditions.

Students will experiment with a variety of media to create visual art. UPSM Middle School students will learn the elements of art—line, shape, space, color, value, texture and form—through two-and/or three-dimensional work. Students also will learn to apply art principles—rhythm, movement, balance, proportion, variety, emphasis and unity—in their work. Students will develop a respect for their own ideas and artistic expressions and those of others as they analyze and evaluate works of art in school, in the community and around the world.

**Music**

UPSM Middle School will, like UPA, draw on the resources of MOSAIC Youth Theatre for some drama and music instruction.
In addition, UPSM Middle School has entered into partnership discussions with the Detroit Symphony Orchestra. The DSO education director and certified teacher Charles Burke and staff will work with UPSM Middle School’s music teacher to craft a curriculum that explores the major musical periods from Renaissance to contemporary through literature and performance and uses the symphony and its facilities as key resources. Students will become well-versed in and have real-world experiences with different musical genres from jazz to classical and from swing to hip-hop.

Based on their interests and passions, students will be able to participate in band(s), string ensembles, choir(s) and perform for the community through the DSO’s Civic Youth Ensemble program.

**Physical Education**

UPSM Middle School will offer physical education, including rigorous physical activity, multiple times per week. The school’s approach to physical education will stress fitness, safety, nutrition and good health for life. The state’s health education requirement will also be fulfilled through the physical education class at UPSM Middle School.

The physical and heath education lessons will be designed to work closely with the science and math programs at UPSM Middle School, integrating anatomy, physiology, nutrition and other relevant lessons as much as possible.

UPSM Middle School staff and students will make a public commitment to be a healthy school. There will be no candy, pop or other unhealthy snacks in vending machines. The school will teach and model healthy, active lifestyles and work aggressively to curb teen obesity and give students the education and the motivation to avoid smoking, drugs and alcohol abuse.

2. **Unique Instructional Designs and Methodologies**

UPSM Middle School will follow the UPA instructional principles, which have proven successful for urban learners. In a broad sense, those principles are: personalization, relevance and rigor.

UPA and other successful urban schools have demonstrated that academic rigor alone does not provide the motivation or the cultural competence required for urban learners to thrive in high school, college or work environments.

Personalization and real-world connections round out an urban student’s educational experience because they compensate for what is so often lacking their home and community experiences.

**Personalization**

Best practices research and UPA’s eight years of experience confirm that learning must be personalized to be deep, meaningful and motivating. UPSM Middle School’s approach to learning is inspired by the Big Picture Company’s “one student at a time” philosophy and, in
accordance, will develop a tailored curriculum for each student while maintaining a focus on state, national and school curriculum standards and mandates.

The following structures make this promise real:

- Small schools with small classes led by teachers who also serve as advisors to ensure that every student is known, able to connect with others and develop caring teacher-student relationships.

UPSMM Middle School will enroll 324 students in grades six and seven for the 2008-2009 school year, and add another 162 students and an eighth grade the following year for a total of 486 students at capacity.

Math, science and language arts classes will be taught by advisors who are highly qualified in—and passionate about—those subjects. The classes will be limited to 18 students each. Each house will include nine advisories divided into one team of three sixth grade advisors sharing 54 students, one team of three seventh grade advisors sharing 54 and a team of three eighth grade advisors sharing 54 students.

Students remain in the same advisory for all three years of middle school, creating a family or community of learners who know each other well and operate as a cohesive, collaborative unit over time. Students will learn foreign language, art, music and PE outside of their advisories during the school day.

- Individualized Learning Plans for every student to personalize their education and build on their specific interests. Teams including teachers, students, parents, mentors, etc. will meet quarterly to create and revise plans based on student progress, needs, interests and core curriculum.

These plans are based upon the student’s interest, state, national and school standards and the team’s assessment of the student’s needs and progress.

Differentiated learning groups and projects are fundamental strategies that will be used at UPSMM Middle School.

- Family connections are critical to knowing and connecting with students. UPSMM Middle School staff will make home visits prior to the start of the school year. They will interview parents and other family members to deepen their understanding of each student. They will also meet with parents and family members every quarter to discuss and refine learning plans.

Relevance

Best practice research, and UPA’s eight years of success, underscore that learning is enhanced and students are more engaged when their school work is authentic, connected to the real world and embedded in their interests.
UPSM Middle School will provide relevance in the following ways:

- Project-based learning to link student interest to the curriculum and provide engaging, hands-on learning experiences.

- Learning Through Internships to connect students to organizations and mentors in the community and provide a real-world, relevant connection to academics. UPSM Middle School students will spend a half-a-day a week at a mentor’s worksite, a job-shadow experience or an independent project at the Science Center.

- Student-led exhibitions in addition to narrative assessments, test scores and some grades to demonstrate student subject-mastery and fine-tune communications skills. The student-led presentation of competence drives home the importance of self-assessment and goal-setting. It also reminds students that they play a critical role in establishing their work each quarter.

- Pick-Me-Up (PMU) will be a central design feature of UPSM Middle School. It is the time each morning when the entire school or an entire house comes together as a community to discuss school-wide issues and events, witness student performances, and listen to interesting people from the broader community. It is where a good deal of the school culture-building activities occur.

**Rigor**

High expectations are fundamental to student achievement and school success. Researchers and educators have confirmed that expecting and demanding more yields more. At the same time, UPSM Middle School, drawing from UPA’s experience, recognizes that simply increasing and identifying expectations does not guarantee they will be achieved.

UPSM Middle School will hold students to the same high standards as the best suburban and private schools. To ensure that students rise to those expectations, UPSM Middle School will provide the following:

- A longer school year to preserve relationship and relevance activities and provide more academic preparation. 190 regular school days + 16-day required summer program = 206-day school year.

- Substantive partnerships with the University of Michigan colleges of education and engineering. These relationships involve curriculum development, support and review, professional development, student mentoring and college readiness and teacher recruitment.

- A summer program including a mandatory four-week math and science camp on campus to provide for remediation for struggling students and enrichment for accelerated students.
• Scholastic's READ 180, a rigorous reading and literacy intervention program that moves struggling readers through challenges quickly and effectively using technology, print and professional development. The program directly addresses individual needs through differentiated instruction, adaptive and instructional software, high-interest literature, and direct instruction in reading, writing, and vocabulary skills.

• Learning resources system that uses internal and external resources to support students with special needs—including gifted and talented students. This system provides additional assessment, specialized equipment, materials and methods as needed to ensure the full participation of every student.

3. **Technology Plan**

UPSM Middle School will integrate technology into all aspects of schooling. The curriculum will be designed to ensure that students become producers and creators of technology, not just consumers. Students will gain useful technology skills through application to core academic content, rather than learning about technology for its own sake.

In science, for example, UPSM students will interact with more powerful tools than have been traditionally available for students, so they can more thoroughly access, analyze, and interpret scientific data. The IQWST curriculum uses technology to enhance the learning of science and allow students to take part in inquiry that would not be possible without such tools. IQWST demands that students use technology repeatedly so it becomes a routine part of their scientific practice.

UPSM will also equip a “digital lab” where students will learn to use a range of cutting edge production programs and become proficient using multi-media technology to present their work.

SMARTBoard technology will be used across the curriculum to improve the interactive nature of lessons and provide efficient, digital access to information for students, staff and parents.

Students will also regularly access online courses through Michigan Virtual University, the Wayne County RESA and colleges and universities. The experiences will be monitored by certified teachers at UPSM Middle School for relevance, rigor and quality.

Technology goals for the school include the following:

• Students will use cutting edge technology as a tool for learning academics, networking inside and outside of the community and creating products and artifacts.
• Technology will be integrated into all courses.
• Students will master technological skills needed to express their learning and accomplishment and function in an increasingly high-tech world.
• Students will use modem connectivity and wireless technology to have access and to interact with the information on the Worldwide Web.
• Email and other electronic communications will be used as a primary communication tool
within the school, the community and the world.

- Students will develop ethical values with regard to the use of technology.
- Technology will be used to motivate students to learn.
- Students will use technology to create imaginative and innovative solutions to problems.
SCHEDULE 8-2

CURRICULUM

UPSM Elementary Curriculum

UPSM Elementary School will meet Michigan PA 25 (MCL 380.1278) Core Curriculum through an individualized and differentiated approach. Classroom projects and expeditions will drive each student's tailored learning plan. Teachers and advisors will be held accountable for integrating the state's Grade Level Content Expectations/Common Core assuring mastery of them at every level.

UPSM Elementary School will have a seven-hour school day from 8:30 a.m. to 3:30 p.m. including a half hour lunch, and a 185-day school year, delivered through a balanced year-round schedule with three weeks off in the winter, three weeks off in the spring and a compact six-week summer break.

UPSM Elementary School will follow the UPSM Schools instructional principles, which have proven successful for urban learners. In a broad sense, those principles are: personalization, relevance and rigor.

Many successful urban schools have demonstrated that academic rigor alone does not provide the motivation or the cultural competence required for urban learners to thrive in high school, college or work environments. A strong achievement-oriented school culture is essential to student and staff success.

UPSM Elementary will use the Expeditionary Learning Model as a framework, with special emphasis on the culture-building aspects of the program.

Expeditionary Learning schools build cultures of respect, responsibility, courage, and kindness, where students and adults are committed to quality work and citizenship. School structures and traditions such as crew, community meetings, exhibitions of student work, and service learning ensure that every student is known and cared for, that student leadership is nurtured, and that contributions to the school and world are celebrated. Students and staff are supported to do better work and be better people than they thought possible.

An Expeditionary Learning school culture is planned for, developed, and sustained through practices that bring the community together, promote shared understandings, and encourage all community members to become crew, not passengers. Students in EL schools are known well and supported by adults. The structure of crew allows for relationship building, academic progress monitoring, and character development. Crew allows students to build positive connections with their peers and with their crew leader. Crew leaders strategically plan crew to address and assess these multiple goals. Multi-year relationships are also forged in other school structures (e.g., multi-age classrooms, looping) to ensure that students' needs are met and individual strengths are discovered. Outside of school, mentoring, internships, and apprenticeships foster relationships between students and community members.
Crew in Elementary Classrooms

1. Crew meetings, typically involving the whole class, are held at the beginning of the day (often referred to as “morning meeting”) and frequently at the end of the day as well.
2. As crew leaders, teachers develop learning targets and instructional plans to support relational and performance character development, literacy, portfolio work, adventure, service learning, and school-wide concerns.
3. Crew allows students and teachers to forge productive relationships over time to support their achievement.
4. Crew provides a time to focus on relationship building among students and between adults and students (e.g., through greetings, personal sharing, classroom discussions).
5. Crew provides a check-in on how the class is doing in terms of character and academic progress, and how well individuals are doing. If there are problems with courtesy, behavior, tolerance, or responsibility in the group, those problems are often addressed in this setting.
6. Crew provides an opportunity to help students define what it means to be an EL school (e.g., commitment to positive character, exploration of the design principles, the concept of “crew, not passengers”).
7. Crew leaders set the tone for high achievement by engaging students in collaboration and competition in a joyful, supportive environment (e.g., through the use of cooperative and problem-solving games).
8. Whenever possible, students in crew sit in a circle so they can see each other, participate actively in discussion, and hold each other accountable for high standards of character.

Expeditionary Learning is built around ten Design Principles, each of which, philosophically, supports the development of a strong culture of excellence.

They are:

Primacy of Self-Discovery

Learning happens best with emotion, challenge, and the requisite support. People discover their abilities, values, passions, and responsibilities in situations that offer adventure and the unexpected. In Expeditionary Learning schools, students undertake tasks that require perseverance, fitness, craftsmanship, imagination, self-discipline, and significant achievement. A teacher’s primary task is to help students overcome their fears and discover they can do more than they think they can.

Having Wonderful Ideas

Teaching in Expeditionary Learning schools fosters curiosity about the world by creating learning situations that provide something important to think about, time to experiment, and time to make sense of what is observed.

Responsibility for Learning

Learning is both a personal process of discovery and a social activity. Everyone learns both individually and as part of a group. Every aspect of an Expeditionary Learning school
encourages both children and adults to become increasingly responsible for directing their own personal and collective learning.

Empathy and Caring

Learning is fostered best in communities where students’ and teachers’ ideas are respected and where there is mutual trust. Learning groups are small in Expeditionary Learning schools, with a caring adult looking after the progress and acting as an advocate for each child. Older students mentor younger ones, and students feel physically and emotionally safe.

Success and Failure

All students need to be successful if they are to build the confidence and capacity to take risks and meet increasingly difficult challenges. But it is also important for students to learn from their failures, to persevere when things are hard, and to learn to turn disabilities into opportunities.

Collaboration and Competition

Individual development and group development are integrated so that the value of friendship, trust, and group action is clear. Students are encouraged to compete, not against each other, but with their own personal best and with rigorous standards of excellence.

Diversity and Inclusion

Both diversity and inclusion increase the richness of ideas, creative power, problem-solving ability, and respect for others. In Expeditionary Learning schools, students investigate and value their different histories and talents as well as those of other communities and cultures. Schools and learning groups are heterogeneous.

The Natural World

A direct and respectful relationship with the natural world refreshes the human spirit and teaches the important ideas of recurring cycles and cause and effect. Students learn to become stewards of the earth and of future generations.

Solitude and Reflection

Students and teachers need time alone to explore their own thoughts, make their own connections, and create their own ideas. They also need to exchange their reflections with other students and with adults.

Service and Compassion

The curriculum of UPSM Elementary School will align with the Michigan Department of Education's Curriculum Framework, the new and evolving Common Core and the ACT College Readiness Standards.
UPS M Elementary School staff will identify Power Standards for each grade level in each core curriculum area. These are the subset of concepts and skills deemed to be most critical in establishing the foundation students need to progress from grade to grade. Curriculum programs and materials will be selected by UPS M Elementary School’s staff to promote achievement of State standards/Common Core, to most effectively engage students, and to provide as much authentic learning as possible.

UPS M Elementary School will use the Balanced Literacy approach to teaching reading and writing, developed by nationally recognized researchers Irene Fountas and Gay Su Pinnell. This approach combines many elements of literacy development, including phonics, comprehension, thinking about reading and writing, talking about reading and writing, and writing about reading and writing to produce highly capable readers and writers.

The Measures of Academic Progress (MAP), administered three times a year, will be used to determine student growth. Accelerated Reader, by Renaissance Learning will be used as a formative assessment tool to determine student progress on a weekly and monthly basis. Remediation and acceleration will be provided in real time based on the results of these assessments.

The Everyday Math Program, a nationally recognized research-based program developed at the University of Chicago, will be used in mathematics.

The MAP will also be used to determine student growth in mathematics. STAR Mathematics, also by Renaissance Learning, will be used as a formative assessment tool to determine student progress on a weekly and monthly basis. Remediation and acceleration will be provided in real time based on the results of these assessments.

Science will be taught using Sangari Active Science Curriculum, which is the elementary companion for Investigating and Questioning our World Through Science & Technology (IQWST), which is used at UPS M Middle School. Sangari uses hands-on investigations and an inquiry-based approach anchored by Big Questions to get students actively involved in their learning.

Sangari units and lessons are tightly aligned to relevant national, state, and local standards. The current national movement to set fewer, higher, and clearer standards dovetails with the Sangari approach.

For each Big Question, students develop hypotheses about the answers. They work in small groups to gather data and discuss their ideas. They reflect on what they’ve learned by recording their thoughts in Science Journals. They revise their ideas based on the evidence. And their small groups decide how best to present their findings to the rest of the class.

Sangari uses technology allows teachers integrate assessments into the learning process. Embedded formative assessments, including open-ended and constructed-response items, provide a check for understanding throughout every lesson. Benchmark tests, aligned to national
or local science standards, are given about three times per year, providing feedback to educators on student progress and a blueprint for student strengths and areas for improvement.

To provide an additional resource for instruction, the Sangari Active Science item bank has a variety of standards-aligned, skill-building items, both multiple choice and constructed response.

Teachers will also administer the science portion of the MAP three times annually to capture another formative as well as summative assessment of science proficiency.

Social Studies Alive, by TCI, is a technology rich curriculum that will be used to teach social studies at UPSM Elementary School. It is aligned with national standards and Michigan Grade Level Content Expectations (GLCEs). The technology drives interactive lessons and puts teachers in touch with colleagues and those who can support creativity and differentiation in lessons.

Social Studies lessons will be used in conjunction with literacy development at UPSM Elementary School.

Finally, UPSM Elementary School will use the SAEF’s A World in Motion curriculum to integrate engineering concepts into elementary instruction through either the literacy or the science curriculum. AWIM lessons are designed to introduce design concepts that build engineering minded learners, but also support the development of reading and literacy.

An example is the AWIM lesson designed around the story of the Three Little Pigs. Students read the book and then “design” their own houses out of products that mimic the straw, the sticks and the bricks used in the book. They experience the building process, work in teams and discuss their results.

When students enter UPSM Elementary School they are placed in a class with one highly qualified teacher, a paraprofessional and 24 other students. This group stays together for two years. This enables teachers to get to know each student very well and maximize opportunities for learning. Students, parents, and teachers build strong, collaborative relationships that are used to accelerate the development of every individual student. At the start of the second year, students know exactly what to expect. They have developed a strong bond with their teacher and peers, and everyone can get deeply involved in learning from day one.

Elementary students receive instruction in English Language Arts, Social Studies, Math, and Science in their classroom groupings. They also spend one hour per day in AMPP (Art, Music, Physical Education, and Performing Arts) classes. These classes are taught by teachers who specialize in these areas.
Administrator and Teacher Evaluation Systems. The Academy Board shall adopt and implement for all teachers and school administrators a rigorous, transparent, and fair performance evaluation system that complies with sections 1249 and 1250 of the Code. If the Academy enters into an agreement with an Educational Service Provider, then the Academy Board shall ensure that the Educational Service Provider adopts a performance evaluation system that complies with this section.

Performance Evaluation System Commencing with the 2013-2014 School Year. If the Academy Board adopts and implements for all teachers and school administrators a performance evaluation system that complies with section 1249(7) of the Code, then the Academy Board is not required to implement a performance evaluation system that complies with section 1249(2) and (3). If the Academy enters into an agreement with an Educational Service Provider, then the Academy Board shall ensure that the Educational Service Provider adopts a performance evaluation system that complies with this section.

Parent Notification of Ineffective Teacher Ratings. Beginning with the 2015-2016 school year and continuing on during the term of this Contract, if a pupil is assigned to be taught by a teacher who has been rated as ineffective on his or her 2 most recent annual year-end evaluations under section 1249, the Academy Board shall notify the pupil’s parent or legal guarding that the pupil has been assigned to a teacher who has been rated as ineffective on the teacher’s 2 most recent annual year-end evaluations. The notification shall be in writing and shall be delivered to the pupil’s parent or legal guardian by U.S. mail not later than July 15th immediately preceding the beginning of the school year for which the pupil is assigned to the teacher, and shall identify the teacher who is the subject of the notification.

Teacher and Administrator Job Performance Criteria. The Academy Board shall implement and maintain a method of compensation for its teachers and school administrators that includes job performance and job accomplishments as a significant factor in determining compensation and additional compensation earned and paid in accordance with Applicable Law. The assessment of job performance shall incorporate a rigorous, transparent, and fair evaluation system that evaluates a teacher’s or school administrator’s performance at least in part based upon data on student growth as measured by assessments and other objective criteria. If the Academy enters into an agreement with an Educational Service Provider, then the Academy Board shall ensure that the Educational Service Provider complies with this section.
SCHEDULE 8-3

STAFF RESPONSIBILITIES

UPSM Elementary Staff Responsibilities

UPSM will recruit 18 teachers and 18 aides from the regular pool of highly qualified candidates in Detroit, Michigan and nationally. Experience has demonstrated that the “ideal” candidate for the UPSM educational model has about five to seven years of teaching experience, at least some of it in an urban setting, a disdain for bureaucracy, an entrepreneurial spirit, and a commitment to embrace a group of 20-25 students as family members for at least two consecutive school years.

UPSM Elementary School will use the hiring protocol developed two years ago for UPSM Schools. The framework was designed to find candidates who possess the seven traits identified as necessary for success at UPSM. Those traits are:

Worry = Seldom worried (esp. when in stress)

Interpretation = Optimistic (vs. realistic)

Rebound Time = Bounce back easily from stress

Taking Charge = Moderate desire for leadership

Change = Energized by change, embrace it

Perfectionism = Produce high quality results

Drive = Crave even more achievement

With competitive salaries, a strong reputation for quality and staff support and a respectable record of results, UPSM Elementary School is well situated to attract competent, committed teachers and staff.

While UPSM seeks a diverse teaching staff, historical experience suggests it will have a slightly higher percentage of minority staff than the average school in Michigan. African American male teachers are difficult to find in the market, but a special effort will be made to hire African American males at each grade level.

Teaching jobs will be posted in the traditional venues and recruiting among Michigan’s several highly regarded teacher-training institutions (University of Michigan, Eastern Michigan University, Michigan State University, Western Michigan University, Central Michigan University, etc.) has already begun.

UPSM Elementary School staff will engage with Teach for America and will seek to employ two to three corps members who exhibit the habits of work and habits of mind necessary for success at UPSM Schools.
UPSM Elementary School administrators will reach out to minority sororities and fraternities to recruit teacher candidates and is also work with current UPSM staff members to identify qualified and interested peers.

In addition to the teaching corps, which will include a reading specialist, a social worker and paraprofessionals in every classroom, UPSM Elementary School will also employ a principal, an operations manager called a Family Services Coordinator, a receptionist, and a non-profit charter management organization for facilities and back office support including HR, IT and accounting. UPSM Elementary School will continue to use Creative Education Solutions, a community-based business that provides special education support staff for UPSM Middle School and UPSM High School, will be contracted to supply such personnel as social workers, speech pathologists and occupational therapists as required by the special education population and their IEPs.

UPSM Elementary School will align with UPSM Middle School’s and UPSM High School’s practice of job-embedded professional development and will facilitate the development of a powerful, critical and transparent professional learning community. At least one day a month will be dedicated to collegial staff development on top of three weeks of job-related learning and growth activities annually in August. UPSM will be a Professional Learning Community (PLC) and as such will foster an environment of constant conversation aimed at improving practices among the teaching, administrative and support staff. Structured team conversations will occur weekly, and team leaders will be accountable for results. Grade level teachers will have common planning time during the school day every day.

Staff will participate fully in the decision-making process about professional development. Further, UPSM Elementary School staff will also interact with colleagues at the middle and the high school with the goal of using “backward design” and district-level data to drive curriculum and program decisions.

Teacher evaluation is a priority at UPSM Schools.

UPSM Elementary School teachers will experience similar support and guidance as the middle and high school teachers do. The principal and leadership team will do weekly “mini-observations” of staff (about 10 per week) and provide feedback to teachers in real time. Four or five such mini-observations with immediate dialog afterwards can be more effective that one cumulative evaluation given to the teacher at the end of the year. UPSM, however, also provides teachers with “formative” and “summative” evaluations over the course of the year. In addition, teachers videotape themselves doing lessons and review with colleagues routinely. They have “de-privatized” their practice and enthusiastically invite one another into their classrooms for critique and support. The approach was informed by Charlotte Danielson’s “Framework for Teaching” evaluation rubrics and Kim Marshall’s rubric as outlined in his book “Rethinking Teacher Supervision and Evaluation: How to Work Smart, Build Collaboration, and Close the Achievement Gap.”
UPSM Elementary School will fit into the UPSM organization chart in the same fashion as the other schools, with essentially the same hierarchy. All job descriptions are currently being rewritten and existing versions are available upon request.
SCHEDULE 8-3

Customer Relations

It is the policy of the organization to provide its customers with the best possible service. Employees are expected to treat customers in a courteous, respectful manner at all times.

Employees should always remember that the customer comes first, is the primary source of the organization's income, and is, therefore, the ultimate source of each employee's job and income. Customers should always be treated with the same common courtesy and respectful manner that each employee would want if their roles were reversed.

Employees with customer contact are expected to promote the organization's best interest and to build customer goodwill. Such employees should also report recurring customer-related problems to their supervisor and/or make suggestions for changes in organization policies or operating procedures.

Employees should be prepared to listen carefully to customer inquiries and complaints and then deal with them in a responsive, professional manner. If a controversy arises, the employee should attempt to explain organization policy in a clear, yet deferential manner. If a customer becomes unreasonable or abusive and the employee cannot resolve the problem, the customer should be referred to the employee's supervisor.

Employees should be particularly careful to exercise courtesy and thoughtfulness in using the telephone. A positive telephone contact with a customer can enhance goodwill while a negative experience can destroy a valuable relationship. The following procedures should be observed whenever possible:

When answering the telephone, use a pleasant tone of voice, give the name of the department, identify yourself, and ask how you may help;

If the person with whom the caller wishes to speak is on another line, ask the caller if they would like to be placed on hold;

If a caller has been placed on hold, carefully monitor the holding period and offer to have the call returned if the person with whom he wishes to speak is not available within a reasonable time;

When a caller leaves a name, number, or message, make sure it is recorded correctly and given promptly to the appropriate individual; and

When using the telephone, all employees should take and place their own calls.

Responsibilities of NUL Personnel

All employees, because of their proximity to students, are frequently confronted with situations that, if handled incorrectly, could result in liability to the organization and personal liability to the employee. It is the organizations' intent to minimize that possibility.

- Employees shall maintain a standard of care for supervision, control and protection of students commensurate with assigned duties and responsibilities.
- Employees shall not send students on any personal errands.
- Employees shall not transport students in a private vehicle without the approval of the school leader and legal guardian.
- A student shall not be required to perform work or services that may be detrimental to his/her health.
- Employees shall not associate with students in a manner which gives the appearance of impropriety, including, but not limited to, the creation or participation in any situation or activity which could be considered abusive or sexually suggestive, or involve illegal substances such as tobacco, alcohol or drugs.

- Employees who through conversations and/or observations suspect sexual/physical abuse of students are required by law to report the situation directly to Wayne County Protective Services and should notify their Principal of their intent to do so.
Employment Practices

Employment Relationship

At-Will Employment Relationship

All employees of the Organization are "at-will" employees. This means that you have the right to terminate your employment with the Organization at any time, with or without cause and with or without notice. The Organization retains the same right.

This at-will policy supersedes any other provisions of this handbook and any other prior or contemporaneous document, policy or oral or written statement that could be interpreted to alter, modify, or conflict with your at-will employment status. Your at-will employment status cannot be altered or modified, other than by a written agreement signed by both you and the president of the Organization, which specifically states that it alters, modifies, or supersedes this at-will employment policy.

Completion of the training and probationary period or conferral or regular status does not change an employee’s status as an employee-at-will or in any way restrict the organization’s right to terminate such an employee or change the terms or conditions of employment.

Employee Status Definitions

The following definitions were established to standardize terminology and provide common understanding in our references to employees.

Regular Full-Time Employees: Those employees who have completed the Training and Orientation period and work a minimum of 32 hours weekly on a continuous basis.

Regular Part-time Employees: Those employees who have completed the Training and Orientation period and work less than 32 hours per work week. Regular part-time employees are not eligible for benefits.

Temporary/Seasonal Employees: Those employees whose services are intended to be of limited duration. Such employees may be full or part-time. If a part-time employee is subsequently hired as a regular full time employee, his/her length of service will be determined by the regular full-time hire date unless otherwise provided in a specific benefit plan. Temporary/Seasonal employees are not eligible for benefits.

FLSA Definitions

Hourly Non-Exempt: Employees who receive pay for each hour worked and are eligible for overtime pay as described under the Fair Labor Standards Act.

Salaried Exempt: All executives and supervisors and other exempt employees as defined under the Fair Labor Standards Act. Salaried exempt employees are not eligible for overtime pay.

Exempt/Salary Basis Complaint Procedure

Exempt employees that are required to be paid on a "salary basis" to be exempt may file a complaint as set forth below if they believe that their salary was not properly paid. A salary basis is regularly receiving a predetermined weekly amount (payable weekly, bi-weekly, monthly or as otherwise allowed by law) that is not subject to reduction because of variations in the quality or quantity of the work performed.
Subject to the exceptions outlined below, the Organization will pay exempt employees that must be paid on a salaried basis the full salary for any week in which the employee performs any work without regard to the number of days or hours worked. Exempt employees will not be paid for any workweek in which they perform no work.

The exceptions are as follows:

1. Absence from work for one or more full days for personal reasons, other than sickness or disability. If an exempt employee is absent for one and a half days for personal reasons, the Organization can deduct only for the one full-day absence; it cannot reduce salary for partial day absences. If, however, the employee has accrued but unused vacation time available in accordance with Vacation policy, the Organization can charge the employee’s vacation bank for partial day absences and, the employee may use vacation time, if available, for full day absences.

2. Absences of one or more full days occasioned by sickness or disability (including work-related accidents) if the deduction is made in accordance with another policy provided by the Organization under its disability plans which provide compensation for loss of salary occasioned by such sickness or disability (regardless of waiting periods). The Organization will not pay any portion of the employee's salary for full-day absences for which Employee receives compensation under the plan, policy or practice. Deductions for such full-day absences also may be made before the employee has qualified under the plan, policy or practice, and after the employee has exhausted the leave allowance there under. If, however, the employee has accrued but unused vacation available, the Organization can require that the employee use that time for partial day absences occasioned by sickness and disability and, the employee may use vacation, if available for full day absences before short and long term disability leave time is available.

3. The Organization can offset any amounts received by an employee as jury fees, witness fees or military pay for a particular week against the salary due for that particular week without loss of the exemption.

4. Infractions of safety rules of major significance.

5. Unpaid disciplinary suspensions of one or more full days imposed in good faith for infractions of workplace conduct rules in accordance with the Organization's written policies.

6. The Organization may pay a proportionate part of an employee's full salary for the time actually worked in the first and last week of employment. In such weeks, the payment of an hourly or daily equivalent of the employee's full salary for the time actually worked will meet the requirement.

7. The Organization is not required to pay the full salary for weeks in which an exempt Employee takes unpaid leave under federal or state law.

If an employee believes that the Organization has violated this policy in any way, the employee may file a written Complaint with the Human Resources Coordinator. If it is determined that improper deductions have been made, the Organization will reimburse Employee for any improper deductions.

**Discrimination**

**Non-Discrimination Policy**

It is the policy of the Organization not to discriminate against any person in employment because of race, religion, color, sex, age, military status or application, national origin or disability or any other basis protected by state, federal or otherwise applicable law.

The Organization policy of nondiscrimination covers all aspects of the employment relationship, including recruitment, selection, placement, training, compensation, promotion, transfer, layoff, recall and termination.

Under Michigan and federal law, an employee may not be discriminated against in employment because of a disability. In certain cases the Organization has a duty to accommodate disabled individuals. Under Michigan law a disabled employee who needs an accommodation must notify
his/her employer, in writing, of the need for accommodation within 182 days after the date the employee knows or reasonably should know that an accommodation is needed. Should you require an accommodation, you should notify the Organization Human Resources department directly at the phone numbers provided in this Handbook. An employee's failure to timely notify the Organization of a need for accommodation may result in the loss of legal rights under Michigan law.

Any questions or problems related to this policy, or any perceived deviation from this policy, should immediately be brought to the attention of Human Resources.

Harassment

Sexual and Other Unlawful Harassment

It is illegal and against the Organization policy for any employee, supervisor, or supervisor to harass another employee, on the basis of race, color, religion, sex (but not limited to sexual harassment), national origin, age, disability, military status or application, or any other basis protected by state, federal or other applicable law.

Prohibited Conduct Includes:

1. Sexual Harassment

Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature constitutes sexual harassment when: (1) submission to such conduct is made, either explicitly or implicitly, a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or it creates an intimidating, hostile, or offensive working environment.

Sexual harassment may include, but is not limited to, unwelcome sexual advances or sexual flirtations; physical conduct of a sexual nature; request for sexual favors; verbal abuse of a sexual nature; graphic verbal commentaries about an individual's body; sexually degrading words used to describe an individual, including sexual nicknames; sexually oriented jokes and displays in the work place; or sexually suggestive objects, pictures or cartoons.

2. Other Harassment

Harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward an individual or his/her relatives, friends, or associates, because of his/her race, color, religion, gender (not limited to sexual harassment), national origin, age, or disability, military status or application, or any other basis protected by state or other applicable law, and that: (1) has the purpose or effect of creating an intimidating, hostile, or offensive working environment; (2) has the purpose or effect of unreasonably interfering with an individual's work performance; or (3) otherwise adversely affects an individual’s employment opportunities.

Harassing conduct includes, but is not limited to, name calling, slurs, negative stereotyping or threatening, intimidating, or hostile acts that relate to one's race, color, religion, gender, national origin, age, qualified disability, military status or application or any other basis protected by state or other applicable law; or written or graphic material that defames or shows hostility or aversion toward an individual or group because of the foregoing characteristics and that is placed on walls, bulletin boards, or elsewhere on the premises or circulated in the work place.

Where to Complain:
Any employee who believes that workplace actions or words constitute harassment must immediately report or complain to your Superintendent, Matthew Medley, or Axios Human Resources, John Sanford, at 616-949-2525. If you are uncomfortable complaining to such individual, employees must bring such complaints to the attention of Ann Hayes, Vice President of Operations, Human Resource Services, Axios Incorporated at 616-949-2525. All complaints or incidents brought to the attention of the Organization will be investigated immediately in as confidential a manner as possible. Appropriate action will be taken. In determining whether alleged misconduct constitutes sexual or other unlawful harassment, the Organization will look at the totality of the circumstances.

Penalty:

An act found to constitute harassment in violation of this policy will result in disciplinary action up to and including discharge.

Non-Retaliation:

No employee will be retaliated against for filing a complaint or participating in an investigation of a violation of this policy. If an employee feels he/she is being retaliated against in violation of this policy, he/she should follow the complaint procedure outlined above.

Harassment by Non-Employees:

Any employee who believes he or she has been the subject of unlawful harassment as defined in this policy by a non-employee, such as a client or customer, during work time or in relation to the employee's work, should immediately contact your Superintendent, Matthew Medley, or Axios Human Resources, John Sanford, at 616-949-2525. If the employee does not feel comfortable discussing the matter with such individual, then the employee should bring the complaint to the attention of Ann Hayes, Vice President of Operations, Human Resource Services, Axios Incorporated at 616-949-2525. An investigation of the complaint will be undertaken as stated above.

If, after appropriate investigation, it is found that a non-employee has unlawfully harassed an employee during work time or in relation to the employee's work, appropriate action will be taken.

**Employee Relations**

The Organization subscribes to the following philosophy on employee relations:

- Respect all employees
- Provide good working conditions
- Encourage open and direct communications between employees and their supervisors
- Employee suggestions, comments, and complaints will be considered by management
- Management will attempt to respond promptly to employee problems

We ask that you uphold these standards. We urge you to foster an environment where problems are comfortably raised, cooperatively discussed, and equitably resolved.

**Open Door Policy**

It is important that management and employees maintain effective communications and understanding. A conscious effort is made at the Organization to maintain close rapport among staff through an open door policy. The following guidelines should be followed if a problem should arise:
Step 1: Report issue to supervisor. Problems should be discussed honestly and sincerely. There is a good possibility that problems can be resolved at this stage with your supervisor. You are encouraged to approach your supervisor to resolve employment related issues. If you feel your supervisor has not assisted you in resolution, you should notify him/her in writing of your wish for further consideration. This must be done within 5 calendar days of the occurrence of the problem to ensure a timely resolution.

Step 2: Next level management. If you feel that your supervisor has not responded appropriately to you, you must present a written request to the next level management (above your supervisor) which outlines the issue, within ten calendar days of the occurrence of the problem (the date of the supervisor’s response). The next level supervisor will discuss the issue with you privately and respond within ten calendar days unless you are notified otherwise.

Step 3: Human Resources at Axios. If you are not satisfied with the answer at Step 2, you have ten calendar days to present a written request to Human Resources at Axios. Axios will investigate the issues and give you a response within ten calendar days of receiving the request unless you are notified otherwise.

Not every problem can be resolved to everyone’s total satisfaction; however, through an open discussion of mutual problems and working to reach an understanding we believe concerns can be appropriately dealt with.

**Attendance & Punctuality**

It is the policy of the Organization to encourage habits of good attendance and punctuality on the part of its employees. The Organization recognizes that circumstances beyond your control may cause you to be absent from work for all or part of a day. However, unauthorized absences or tardiness will not be tolerated and may result in disciplinary action including probation and/or discharge.

When your absence from work is unavoidable, your supervisor must be notified at least two hours prior to the start of your scheduled work shift of the reason for your absence or tardiness and its probable duration. We must have adequate time to schedule a substitute. Should inadequate notice be given, your pay for that day may be forfeited.

You will be considered as having "quit" if you are absent for 3 consecutive working days without reporting to your supervisor, unless you have satisfactory reasons both for the absence and for the failure to report your absence. If you are experiencing personal difficulties which cause absences, you should discuss the situation with your supervisor as soon as possible.

Regular attendance and punctuality are important factors in your work performance. Your attendance record is considered in matters such as wage increases, promotions and transfers.

Should you be unable to work on a scheduled day, you must call and report such directly to your supervisor.

**Personal Phone Calls**

Certain emergency personal calls may be necessary during office hours (such as calls to arrange transportation, check on the safety of immediate family and other important outgoing calls). They should be local calls and must be made at a time when they do not interfere with your work. They should be brief and not cause you to fall behind in your duties.

Incoming calls need to be extremely brief since they will normally come at a time when you are busy. Avoid having people call you at work.

Social, church, and civic activities in which you are involved are looked upon as extremely worthwhile by this office. However, since these activities are disruptive to the office and learning environment, you are encouraged to pursue them while at home.
Personal cell phone use should be limited using the criteria above for personal calls. Calls should be short and not intrude on the work day. Ideally, if you receive a call you should let your voice mail answer it and return the call during your lunch break or after work. If your cell phone becomes a distraction, we reserve the right to ask you to turn it off during working hours.

**Personal Appearance**

We want to stress the importance of personal appearance and cleanliness. A well-groomed employee makes a good impression both for the Organization and the employee. Therefore, all employees shall maintain the highest standards of personal cleanliness and grooming and shall present a neat, professional, appearance at all times during working hours. Extremes of any style are not permissible.

Employees clothing must be neat, clean and without holes in them. No excessively baggy, long or low riding clothing is permitted. Excessive exposure of skin should be avoided. Management reserves the right to determine whether a particular article of clothing is appropriate or not.

**Electronic Communication Policy**

Computers, computer files, telephones, cell phones, voicemail systems, the E-mail system, software, and any other electronic devices or related parts (collectively referred to as "electronic devices") furnished to employees are University Preparatory Academy property to assist users in performing their jobs and advance the mission and goals of the Organization. The electronic devices, including E-mail, Internet, telephone, voice mail systems and the computers and software are to be used for business related purposes. The Organization treats all documents, data and messages sent, received, created, edited, or stored in any electronic device including E-mail, Internet, computer or voice mail systems as shared, non- confidential messages. Users must apply the same standards and care to their electronic communications as with other forms of communication (written or oral). Inappropriate use can have serious consequences both for the Organization and the employees.

1. The use of the computer system and its or other electronic devices is consent by the employee to all monitoring of his/her use by the Organization. The log-on procedures and passwords do not give rise to any employee expectation of privacy. Employee recognizes the Organization's right to monitor all use with or without additional notice to the user or further employee consent to such action of the Organization. Employees should, however, protect their passwords so that others do not abuse it and their workstation. The right to monitor in this policy is limited to the Superintendent, Business Supervisor, IT professionals, Axios Incorporated, and other management personnel as designated by the Superintendent. The Organization has the capability to, expressly reserves the right to, and will from time to time, access, review, copy and delete any information sent, received, created, edited, or stored in the E-mail (including E-Mails accessed (sent or received) from third party servers), Internet, or voice mail systems or with use of Organization computers and its electronic devices, to the extent permitted by applicable law for legitimate business purposes. The Organization may disclose such information to any party (inside or outside the Organization) it deems appropriate.

2. You may make occasional incidental use of electronic devices for personal use (less than 5%) during non-work time provided that you abide by all provisions in this policy. The abuse of this policy will subject the employee to discipline and/or a request for reimbursement. It must be understood that any personal information will be treated no differently from other information, which will be accessed, monitored, utilized and disclosed by the Organization to the extent permitted by applicable law. Accordingly, users cannot use electronic devices, including the computer systems, E-mail, Internet or voice mail systems to send, receive, create, edit or store any information that they wish to keep private. Users should treat the E-mail, Internet, voice mail systems, and any other system of an electronic device as a shared file system (such as the system for word processing documents which are publicly available Organization documents) with the expectation that information sent, received or stored in the system will be available for review.
by the Organization for any purpose as stated above. Should circumstances require that you place a long-distance call, we ask that you use a personal calling card or call collect.

3. The Organization prohibits the use of its electronic devices, including its computers, the Internet, telephones, voice mail or the e-mail system to harass, insult or intimidate, or use in any way that is disruptive or harmful to employees; to engage in any unlawful activity, enterprise or scheme; to transmit defamatory, obscene, offensive or harassing information; to transmit information that discloses personal information without authorization or to otherwise use in any other way that is in violation of Organization policies. For example, but not by way of limitation, the display or transmission of sexually explicit images, messages, cartoons, ethnic slurs, racial comments, off-color jokes or anything that may be construed as harassment is not allowed. Employees should not send confidential or proprietary documents over the internet without the approval of his or her supervisor.

4. The Organization purchases and licenses the use of various computer software for business purposes and does not own the copyright to this software or its related documentation. Unless authorized by the software developer, the Organization does not have the right to reproduce such software for use on more than one computer. Employees may only use software on local area networks or on multiple computers according to the Organization’s software license agreement. The Organization prohibits the illegal duplication or downloading of software and its related documentation. Use of the E-mail system or the Internet to copy and/or transmit any documents, software, or other information protected by the copyright laws is prohibited. The installation or use of computer games or any other unauthorized software is a violation of Organization policy and will not be permitted. Any questions regarding the use of the system or software should be addressed to the Superintendent or Business Supervisor.

5. Organization rules for document retention apply to all electronic communications. Electronic material/communications can be required as evidence in legal proceedings.

6. Employees must know and recognize that the use of deletion keystroke does not necessarily mean that the document has been eliminated from the computer system.

7. Employees may not send any form of a personal chain letter or mass mailings (including virus warnings) to other individuals or groups. Mass mailings and chain letters refer to emails addressed to more than four individuals.

8. Viruses can quickly spread from one location throughout the entire affiliate. If you suspect that you have a virus, shut down your computer and contact the IT Department.

E-mail

Always consider the following protocol before you send an e-mail:

1. E-mail access is provided for Organization business.

2. Always use business-like and clear language.

3. Only use Organization provided or authorized mail systems.

4. Always use the utmost care, sufficient discretion, and security when sending confidential and proprietary business information by e-mail.

5. Always keep your passwords private. Unauthorized use of another employee’s ID is strictly prohibited. Never send an email under someone else’s name.

6. When you leave your work area, log off your e-mail or institute a password to protect your workstation.

7. If you change any e-mail before forwarding it, clearly indicate every change.
8. Type "DO NOT FORWARD" on any email you do not want forwarded, and don't forward email marked "DO NOT FORWARD."

9. Never use profanity, inappropriate language, or send discourteous or offensive e-mails.

10. Don't read misdirected e-mails; return them to their senders.

11. Don't expect e-mail to be private.

12. When sending an attachment by e-mail, identify the software and versions. Do not send large attachments and do not send non-business e-mails to more than 4 or more persons.

13. Inappropriate use of e-mail should be reported immediately to Management.

14. Remember, e-mail is not always the most appropriate method of communicating. Depending on the circumstances, a phone call, memo, or face-to-face meeting may be better.

**Threatening E-Mails:** A user who receives a threatening e-mail at the office or home should:

1. Keep the e-mail in their mailbox.

2. Forward a copy of the e-mail to IT personnel and your immediate supervisor.

3. Notify the Human Resources Department, the Business Supervisor, or your supervisor.

**Internet**

The Internet represents a valuable resource to the Organization for specifically defined business functions and to promote the mission of the Organization. It also exposes the Organization in an unprecedented and highly visible fashion as compared to a secured network. The Organization may be implicated for a range of inappropriate or unethical use by individuals who were provided Internet access.

1. Use of Organization-provided Internet services to access, download or send material that is not business related is prohibited. The Internet is to be used primarily for business purposes.

2. Transmission of sensitive and proprietary business information over the Internet is strongly discouraged, unless required to meet a critical business need. Supervisor's approval should be obtained in advance.

3. Software and data that is obtained from the Internet must not violate the intellectual property rights of others.

4. Business functions or divisions electing to publish on the Internet must first secure the necessary Organization approvals and maintain an ongoing approval process when the content of published information changes.

5. Certain sites lacking sufficient business justification or that interfere with the operations of Organization information technology may be blocked.

6. Where applicable, the same policies and rules covering communication or material (i.e., content, appropriateness, security, business purpose) outlined above apply equally to Internet usage.
7. Employees may not post any electronic communication that could be misconstrued as an endorsement by the Organization, or could reflect negatively on the Organization. Be aware that items posted to Internet bulletin boards, mailing lists, and others, are identified by the Organization staff e-mail address.

8. If you feel you must utilize a site for research and/or teaching that could be construed as inappropriate by a reasonable person/parent, you must first consult with the Assistant Superintendent and receive written authorization. Failure to do so may lead to disciplinary action up to and including termination.

Limited personal use of the Internet is allowed by the Organization. However, the employee-user is reminded that use of any and all Organization property is primarily for the purpose of Organization business. Any personal use of the Internet is expected to be on the user's own time and is not to interfere with the person's job responsibilities.

This policy should be read and interpreted in conjunction with all other Organization policies including but not limited to policies prohibiting harassment, discrimination, offensive conduct or inappropriate behavior. Employee-users are prohibited from accessing the Internet for any unethical purposes, including pornography, violence, gambling, racism, harassment, or any illegal activity.

Violation of this policy, or the failure to report any violations of this policy, can lead to disciplinary action up to and including discharge.

Organization Property

No Organization vehicle or property such as tools, office machines, supplies, computers, etc. may be used without prior consent of management. Utilization of organization vehicle, tools, equipment or other organization property for personal use is prohibited unless the Assistant Superintendent or Business Supervisor has granted prior authorization.

If you are granted authorization, you understand and agree that the organization is not liable for personal injury incurred during the use of organization property for personal projects. As an organization employee, you accept full responsibility for any and all liabilities for injuries or losses, which occur, or for the malfunction of equipment. You are responsible for returning the equipment or tools in good condition and you agree that you are required to pay for any damages that occur while the equipment or tools are used for personal use.

Standard of Conduct

The Organization considers employees to be professionals in their particular area of employment. Inasmuch as each employee is regarded by the community as a representative of the organization, it is important that such contacts be a credit to the Organization. This includes, anytime while representing the Organization:

- To and from job sites
- Driving organization vehicles
- Dealing with organization vendors
- Interacting with parents, guardians or other family members on campus or at extracurricular activities
- Any time you could generally be understood to be representing the Organization

Disregard of this responsibility may be cause for termination of employment at the Organization.

Disciplinary Procedure
As in any organization, rules governing the conduct of all employees are as necessary as regulations governing the conduct of people who live in our community. We try to keep our rules to a minimum, but there are some which are necessary for the Organization to run smoothly and for the protection of all employees. Persons who tend to "play by their own rules" usually end up trespassing on the rights of other people and are not members of our team. We will make an effort to help such employees correct their conduct, but the primary responsibility for abiding by the rules rests with you.

Any employee who violates any of the Organization's rules or general standards of good employee conduct shall be subject to disciplinary action at the sole discretion of the Organization. While employment at the Organization is at will, in some cases the disciplinary action may result in either verbal or written warnings, suspension or discharge. The Organization will assess numerous factors in determining the degree of discipline rendered. Among others, these factors include severity of the conduct violation, impact on the Organization, state and federal laws, extenuating facts and circumstances, and the general facts and circumstances of the incident. The following list of offenses is not meant to be all inclusive and is meant to be used as a guideline. Failure to use common sense and good judgment may also result in disciplinary action.

Disciplinary Tools

Following is an example of a typical disciplinary tools utilized by the organization; the organization retains the right to discipline as needed based on individual situations and the severity of the issue. This policy is not intended to conflict with the Organization's at-will employment relationship with all its employees. All employees of the Organization are and will continue to be at-will employees. Either the employee or the Organization may terminate employment at any time, with or without cause, and with or without prior notice.

Verbal Re-orientation: To discuss the specific work-related problem and remind the associate about the policy concerning the issue - a Verbal Re-orientation may be documented in some way.
Written Reminder: When an associate breaks a policy for a second time or a more serious situation needs to be addressed, formal documentation will be produced to reinforce the policy and how important it is to follow the policies and procedures in order to be successful.
Final Written Reminder: For the most serious situations that do not warrant immediate separation, or if the situation has been addressed previously, a letter is sent to remind the employee of the policy again and that any further violations will result in termination.
Termination: At this point, the employee has terminated his/her own employment by violating the policy again or they have committed a policy violation so severe that immediate separation is warranted.

Performance Evaluations

Your job performance will be evaluated annually. Informal performance feedback will be expressed on an on-going basis. Advisors should meet on a quarterly basis to conduct goal setting and goal-setting follow up reviews.

At these performance review sessions, we accomplish two things:

1. Review: We want to review all of your tasks and behaviors so that we can provide feedback on how you are handling them. We will discuss your performance and efficiency. Naturally, we will make suggestions for improvement on those areas you are having difficulty with and compliment you on those you are doing well.

2. Listen: We want to listen to you. Each session is planned so that we can talk about your job. Many times the finest suggestions for improvement come from you. Together we can redirect our efforts in order to do better.
Factors to be considered in the evaluation include, without limitation:
- Knowledge of the job
- Quantity and quality of work
- Promptness in completing assignments
- Cooperation
- Initiative
- Reliability
- Attendance
- Judgment
- Acceptance of responsibility

At the time of the discussion with the Supervisor, the employee shall be given the opportunity to examine the written evaluation, correct inaccuracies, and make written comments concerning any aspects of the evaluation. The written evaluation shall then be made part of the employee's personnel file.

Promotions & Transfers

Promotions to jobs of greater responsibility in the Organization go to persons who have best prepared themselves for advancement by hard work, study, ability, and initiative. It is our policy to fill job openings by promotion whenever possible, as determined in the sole discretion of the Organization. Skills, job performance, experience, ability to perform the job, and cooperation are only a few of several factors to be considered in the selection process.

At times the Organization may transfer employees from one job to another, either at their own request or as a result of a decision by management. These transfers may be temporary or permanent. Such transfers allow for the more efficient utilization of personnel throughout the Organization.

Reductions in Workforce and Recall

It is the Organization's goal to maintain full employment for everyone to the greatest extent possible. In the event that a reduction in workforce is necessary at the Organization, the Organization shall determine which employees will be affected based upon a number of factors, including need, department, qualifications, behaviors, productivity, and general performance. Should a re-hire be possible, the re-hire of previous employees shall be decided using the same factors. The exact method or manner of this reduction and subsequent re-hire will be left to the sole discretion of the Organization. No vacation, holidays, or other paid time off will be earned by terminated employees following a reduction in workforce.

Documents and Records

It is policy of the Organization to comply with the law and to maintain accurate records of organization business.

Employees shall not alter, destroy, conceal or falsify any record or document, including those in hard copy, electronic form, or video and audio files. All records will be preserved in the normal course of business. If you have any questions about whether and where a document should be retained, including electronic records, you should discuss it with your supervisor. In the event the Organization is under an investigation by a government agency or such an investigation or litigation is anticipated, all documents directly or indirectly related must be preserved.

Reporting Unethical or Illegal Conduct

Maintaining ethical and legal standards is the responsibility and obligation of every employee. If any practice, act, or conduct seems unethical or improper, or if you have questions regarding the best course of action, you may contact any of the following:
• your direct supervisor
• Business Supervisor
• Assistant Superintendent
• Superintendent
• Axios Human Resources

For concerns that relate to the Organization’s accounting, internal accounting controls, auditing matters, or any related concerns, you may contact a member of the board of directors in addition to, or instead of, any of the above persons.

Conflict of Interest

The Organization’s business affairs are to be conducted with honesty, integrity and the highest order of business ethics. In all cases, employees are expected to act legally and ethically and in the best interest of the Organization. Employees must refrain from taking part in, or exerting influence on, any transaction, investment or business, or having any other employment, in which their own interests may conflict with the best interests of the Organization.

Employees are prohibited from owning any interest in, working for, or accepting compensation in any form from any of our customers, competitors or suppliers except as specifically authorized in writing by an officer of the Organization. All employees are required to disclose in writing to the President of the Organization any proprietary or financial interest they may have in any organization with which the Organization does business or with which it is in competition so that a determination can be made as to whether a conflict of interest exists.

Nothing in this Handbook is intended to restrict investment or require disclosure of any investment by any employee in a stock or other security of any corporation listed on a national securities exchange or regularly traded by national securities dealers, provided that such investment does not exceed one percent of the market value of the outstanding securities of such corporation.

Confidentiality Statement

In the performance of duties, the employee may have access to corporate financial, personal, or other confidential data. This information is the property of the Organization and is to be used solely for organization purposes. This information should not be discussed with, or distributed to anyone outside the Organization or anyone within the organization who does not need to know this information to perform their duties.

Outside Employment

If you are considering a second job, please discuss it with us before you accept the position. We do care about you and are concerned that holding two jobs may be more than you can handle. Activities away from the office must not adversely affect the employee’s job performance or compromise the Organization’s interest and will not be considered an excuse for poor job performance, absenteeism, tardiness, or refusal to work different hours or overtime.

Resignation

If, at some future time, you should decide to leave the Organization, we ask that you provide your Supervisor with at least thirty (30) days’ advance notice in order to permit the Organization to hire and train a replacement for you.

All Organization property must be returned and all debts settled with the Organization on or before the last day of employment.

Upon termination of employment, an "exit" interview will be conducted by your Supervisor. This provides an opportunity for you to discuss the work situation, ask questions regarding your departure and offer suggestions for improvement in the work place.
Personnel Records

Organization maintains a confidential personnel file on each member of the staff. Where applicable, employee medical records are also kept confidential and separate from personnel file documents. Personnel files are the property of the Organization and access to the information they contain is restricted. Generally, access to an employee’s personnel file is only allowed on a “need to know” information basis and is limited to: the employee, management and human resources. It is important that personnel files contain up-to-date information regarding each employee. Employees should inform the personnel office immediately whenever there are changes in their personal data. In the event that you wish to change your status on any of your benefit plans, it is necessary that you contact the Human Resources Department in writing within 30 days of the change.

The Organization is committed to protecting the privacy of its current and former employees. Employees who receive calls or written requests about current or former employees should refer such requests to the Human Resources Department. No employee may release information about a current or former employee without specific authorization by the employee and the Human Resource Department. All employees are prohibited from making a recommendation for or commenting on, either verbally or in writing, any current or former employee without specific authorization by the Human Resources Department.

Employment References & Data

Employment references should be directed to your Human Resource Department whether they are verbal or in writing. Only factual information contained within your file (see above) may be shared without an additional release signed by the employee (or former employee).

Employees that require outside parties to obtain employment data (creditors, adoption agencies, etc.) from the organization should complete a release supplied by the party requesting the information and forward said release to the Human Resource Department to be reviewed and fulfilled.

Social Security Number Privacy

The Organization keeps all records containing employee social security numbers confidential. These records are maintained in employee personnel files, which are kept in a locked filing cabinet. Limited access to personnel files is described above. The Organization prohibits the unlawful disclosure and/or use of employee social security numbers. Personnel file documents containing employee social security numbers are retained throughout employment and for a period of six years following the end of employment. Following the retention period, documents containing social security numbers will be shredded and disposed of. Any employee that violates this policy will be subject to disciplinary action, up to and including termination.

Exit Interviews

The exit interview process provides an opportunity for employees, upon separation from employment, to provide feedback on their employment experience. You may request an exit interview form from your supervisor or from Human Resources that can be completed and returned to Human Resources. This will give you the opportunity to share information regarding your employment experience. The Organization requests that you give two weeks written notice upon resignation of employment.

Employment of Relatives

The Organization will consider hiring relatives, providing that qualifications and skills are appropriate for the position. However, relatives will not be put in a position where either would have any supervisory or leadership responsibilities over the other. Should reporting relationships
occur during any type of position responsibility shift, promotion, transfer, or reorganization, one of the relatives will be required to resign, or transfer. If a position is not available, termination will be necessary. Relatives are defined as immediate family members and do include in-laws and/or step-relationships, cousins, etc.
Leaves of Absence

Medical Leave of Absence

To the extent permitted by law, all the Organization employee leaves of absence, including workers' compensation leaves of absence, FMLA leaves or a leave required by applicable state law, shall be coordinated, and the time allowed under the Medical Leave Policy, the Family and Medical Leave Policy, or applicable state law, shall run concurrently as permitted by law. The employee is entitled to any greater rights set forth in the more specific provisions in the policies below or under applicable state law if all eligibility requirements and obligations are met.

Family and Medical Leave Act

Summary of FMLA

The Organization will grant eligible employees up to twelve (12) weeks of unpaid leave during any rolling twelve (12) month period measuring backward from the first day of the employee's FMLA leave for the following reasons: (1) because of the birth of and to care for the employee's newborn child; (2) because a child is placed with the employee for adoption or foster care; (3) to care for the employee's spouse, child or parent with a serious health condition; or (4) because of an employee's own serious health condition that prevents performance of his or her functions. A serious health condition may include a condition that requires inpatient care at a hospital, hospice, or residential medical care facility, a condition that results in a period of incapacity of more than three consecutive calendar days that also involves treatment two or more times by a health care provider or, treatment by a health care provider at least once with an ongoing regimen of treatment, pregnancy or prenatal care, chronic conditions that cause incapacity or require treatment, or a long-term health condition which, if left untreated, would result in a period of incapacity of more than three days, or any other qualifying condition. Questions about whether a condition is covered should be directed to Human Resources.

Leave taken under the FMLA and for under any the Organization policy, including but not limited to workers' compensation leave and disability leave, or under applicable state law, shall be coordinated and, to the extent permitted by law, the periods of leave permitted by the FMLA, any the Organization policy, or applicable state law shall run concurrently.

Eligible Employees

To be eligible for an FMLA leave, an employee must have been employed by the Organization for at least twelve (12) months, whether or not consecutive. An employee must also have had at least 1250 hours of service during the twelve (12) month period before the requested leave and must be employed at a work site within 75 miles of which 50 or more employees are employed by the Organization.

Notice and Documentation Requirements

When possible, the employee must give thirty (30) days advance notice of the need for leave. If not possible, the employee must give as much notice as is practical. In addition, when the requested leave is for planned medical treatment for the employee or a spouse, son, daughter, or parent of the employee, the employee must make a reasonable effort to schedule the treatment so as not to unduly disrupt the operations of the Organization.

If the reason for the leave is to care for an employee's spouse, child or parent with a serious health condition, or for the employee's own serious health condition, the employee must have a health care provider complete the Organization Medical Certification Form and return it to the Organization Human Resources Department within 15 calendar days or the request for leave may be denied or delayed.
The Organization reserves the right to request re-certification from the physician in certain cases or to request certification by another physician specified by the Organization at the Organization expense. In the case of a conflict between two physicians, the Organization, at its own expense, may obtain a third certification by a physician approved jointly by the Organization and the employee. The third physician's opinion will be binding on both the Organization and the employee.

If the absence exceeds ten (10) work days, before an employee may return to work from a medical leave occasioned by the employee's serious health condition, the employee is required to provide a certification from his or her doctor that the employee is able to resume work, with or without accommodations.

Any additional documentation or requirements required by any other applicable the Organization policy are still effective for periods in which the employee is seeking paid leave or leave which extends beyond the FMLA period pursuant to that policy.

Failure of an employee to provide the requested certification may result in denial of the leave and/or denial of any pay pursuant to any the Organization policy for which the employee might otherwise be eligible during the FMLA leave.

Use of Paid Time

Employees must use paid time to which they are entitled during FMLA leave as follows: (1) during a FMLA leave for an employee’s own serious health condition, the employee must use all paid time for which he/she is eligible under the Organization short-term disability benefits policy or workers’ compensation. The employee must use accrued but unused paid vacation and sick/personal days during FMLA leave for this purpose; (2) for all other FMLA leave, the employee must use any unused paid vacation and sick/personal days, which time will be credited against the employee’s FMLA leave period.

If, for any period of leave, an employee receives insured and/or uninsured benefits that exceed 100% of his/her pre-leave wages the employees agrees to reimburse the Organization the excess amount.

Intermittent or Reduced Schedule Leave

If the reason for a requested leave is due to the serious health condition of the employee or a spouse, child, or parent, the employee may be entitled to leave on an intermittent or reduced schedule basis. Such leaves are permitted only where medical necessity is established by written documentation subject to verification, and the employee makes every reasonable effort to schedule the treatment so as not to disrupt the business operation of the branch or department. The Organization may temporarily transfer an employee who requests intermittent leave or leave on a reduced schedule to an available alternative position with equivalent pay and benefits that better accommodates recurring periods of leave than the employee’s regular position.

Spouses Working for the Same Employer

There may be a few situations in which both spouses work for the Organization. If each spouse seeks unpaid leave to care for his/her own sick parent, because of the birth of and to care for a child, or because of the placement of a child for adoption or foster care, their combined allowed leave is twelve (12) weeks during any consecutive twelve (12) month period. However, if each spouse requests an unpaid leave because of the serious health condition of a child or the other spouse, then each spouse is entitled to the full twelve (12) weeks of leave. In the instance of FMLA leave to care for an ill spouse who works for the Organization the leave would be unpaid for the “caring” spouse (except for use of paid vacation or personal time.) The spouse who is ill may receive pay in accordance with any disability policy or plan sponsored by the Organization.

Benefits
During FMLA leave, employee group health plan coverage will be maintained at the level and under conditions coverage would have been provided in the absence of the leave for up to twelve (12) weeks during any rolling twelve (12) month period measured backward from the first day of the leave, subject to any changes to such plans that may become effective during the period of leave.

If an employee does not return to work or if the employee is eligible for additional leave under the Organization policy, he/she may be eligible to participate in the group health plan coverage at the employee's expense under COBRA. The Organization will not continue the coverage at its expense beyond the FMLA period provided by law, except as otherwise stated in the Organization Medical Leave Policy.

Whether an employee is eligible to continue to participate in other the Organization benefits plans while on an FMLA leave of absence shall be determined by the terms of the applicable plan.

Restoration to Position

Upon return from an approved FMLA leave, the employee will be restored to his or her former position or an equivalent position with equivalent pay, benefits, and other terms and conditions of employment. Key employees may be denied restoration if the Organization determines that restoration to employment will cause substantial and grievous economic injury to its operation. No employee returning from a FMLA leave will lose any employment benefit that the employee earned or was entitled to before going on such leave.

Employees are prohibited from performing work for other business entities or engaging in self-employment during a leave of absence, unless written authorization from the President is obtained by the employee. Violation of this provision may result in termination of employment.

Notwithstanding the foregoing, an employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously and actively employed during the FMLA leave period. See, Department of Labor regulation 825.312(d).

State Parental, or Family and Medical Leave Act Policy

The Organization will observe any applicable state law requiring a leave of absence. To the extent permitted by law, leave under any such state law shall run concurrently with leave time permitted under the FMLA or under the Organization Medical Leave policy. The employee is entitled to any greater rights as set forth in the more specific provisions or under applicable state law if all eligibility requirements and obligations are met.

Service Member Family And Medical Leave

The Family and Medical Leave Act (FMLA) also entitles eligible employees to take leave for a covered family member's service in the Armed Forces ("Service Member FMLA"). This policy supplements our FMLA policy and provides general notice of employee rights to such leave. Except as mentioned below, an employee's rights and obligations to Service Member FMLA Leave are governed by our existing FMLA policy.

Leave Entitlement

Service member FMLA provides eligible employees unpaid leave for any one, or for a combination, of the following reasons:

- A "qualifying exigency" arising out of a covered family member's active duty or call to active duty in the Armed Forces in support of a contingency plan; and/or
- To care for a covered family member who has incurred an injury or illness in the line of duty while on active duty in the Armed Forces provided that such injury or illness may render the family member medically unfit to perform duties of the member's office, grade, rank or rating.
Duration of Service Member FMLA
- When Leave Is Due To A "Qualifying Exigency": An eligible employee may take up to 12 workweeks of leave during any 12-month period.
- When Leave Is To Care for an Injured or Ill service member: An eligible employee may take up to 26 workweeks of leave during a single 12-month period to care for the service member. Leave to care for an injured or ill service member, when combined with other FMLA-qualifying leave, may not exceed 26 weeks in a single 12-month period.
- Service member FMLA runs concurrent with other leave entitlements provided under federal, state, and local law.

Leave under State Military Leave Laws
A growing number of states provide leave for family members of service members. The entitlements for such leave differ from state to state. Our policy is to comply with such laws in any circumstances where they apply to employees of our Company.

Work Sabbatical

If an opportunity arises for a member of the instructional, advisory, or administrative/management staff to undertake a special project or educational experience outside of the organization for a period of one year or less, the employee may request a work sabbatical. Applicants must have been employed full-time by the organization for at least two years and must meet the following criteria:

- The employee's work performance is superior
- The employer deems that there are acceptable resources and adequate coverage available during the employee's absence.
- The employee provides a detailed description and documentation of opportunity.
- The employee understands and accepts that this is a leave without pay.
- The employee has not taken an unpaid leave of absence in the prior two years.

No more than one employee per calendar year may be granted a work sabbatical. Clerical and support staff are not eligible for this program.

If the supervisor and the employee agree to all of the above conditions, then the following items should be discussed and the Work Sabbatical Leave Form completed and signed:

- The employee can opt to continue his/her selected benefits for the agreed-upon time period if he/she pays the entire premium to the organization. The organization will make the payments to the various insurance carriers on the employee's behalf. If the employee elects to continue his/her benefits, the organization will notify each carrier in writing of the employee's leave of absence.
- If electing to continue his or her benefits, the employee must submit a check representing the full monthly payment, made payable to Axios Incorporated, no later than the fifteenth of the preceding month. Failure to submit payment will cause the employee's benefits to end immediately.
- Employees who opt to discontinue their benefits must understand that, upon their return to work, they will be treated as new employees and any waiting period and/or exclusion of pre-existing conditions may apply.
- Once the time period for a work sabbatical is agreed upon in writing, it cannot be extended without a written request for extension and approval by management. If it is
shortened, prior notice to the supervisor also is required. The total leave taken may not exceed one year.

- The employee and supervisor agree and understand that the position will remain open and available when the employee returns. Should the employee fail to return to work at the end of the agreed period of time, the position will filled permanently via other means.

NOTE: This leave is not intended to be an extension of FMLA, STD/LTD and/or any other current benefit provided by the organization. This policy does not constitute a guarantee of continued employment. Rather, employment with the organization is on an "at will" basis.

**Military Leave**

In an effort to encourage and assist employees in the performance of their military obligations, employees who are ordered to perform inactive duty for training, active duty for training, or extended active duty with the Armed Forces of the United States shall be granted a military leave of absence. Upon completion of this leave the employee shall be entitled to receive re-employment rights and other benefits as required by law.

**Bereavement**

In the event of a death in your immediate family, you will be allowed up to three (3) normally scheduled consecutive working days off with pay immediately following the death to arrange for and/or attend the funeral. "Immediate family" is defined as current spouse, and your or your current spouse’s mother, father, sister, brother, child, grandparents, great-grandparents and grandchildren.

One day is allowable in the case of death of "other family." "Other family" is defined as an aunt or uncle; aunt- or uncle-in-law; niece or nephew. Special consideration will also be given to any other person whose association with the employees was similar to any of the above relationships.

In the case of employee death, employees may attend the funeral without loss of pay with school leader’s approval. You will be paid your regular daily rate, and satisfactory evidence may be required to support the leave. This benefit applies to full-time employees who have completed the orientation period.

**Jury & Witness Duty**

An excused absence will be granted to all employees who are summoned for jury duty or to serve on a jury for the period of service. To obtain approval of the absence, it is necessary for you to submit a copy of the notification or summons to your supervisor immediately upon receipt of the document. The Organization will pay full time employees their regular salary or wages (excluding overtime) provided that you turn your jury fee over to the Human Resource Department. You may keep compensation for mileage and other travel expenses.

If the jury duty assignment only requires less than three (3) hours of the work day, it is expected that the employee will return to complete the balance of the normal, regular work day and also to report for work on any regular scheduled working day when the court is not in session.

A jury report must be filed within 10 days of jury duty completion. Jury duty is to be reported as time off for jury duty on employee time sheets or exception reports.

An employee in Michigan who is a victim of crime and is subpoenaed or requested to attend court for the purpose of giving testimony or an employee who is a victim representative and desires to attend court during a victim’s testimony will be granted an unpaid excused absence.
Compensation

Total Compensation

The Organization provides a competitive wage and benefit program. The compensation program is designed to reward conscientious, productive employees and make their association with the Organization a satisfying and rewarding experience.

Your total compensation consists of a combination of your direct and indirect pay. Your direct pay is the money you receive in your paycheck. Your indirect pay is "Employee Benefits," such as insurance benefits, which provide various forms of protection for you and your family. These benefits are largely provided for you at the Organization expense. Although these benefits are not paid in the same form as the money in your paycheck, they represent an important part of your total compensation.

Wages

It is the policy of the Organization to pay wages and salaries which are based upon the nature of the job performed. Wage increases, if any, are given at the sole discretion of the Organization and are intended to reward above-average job performance. You can increase your salary through individual effort and performance which includes such factors as attendance and dependability, behaviors on the job, the progress exhibited in learning the job as well as the quality and quantity of work.

Wage and salary increases are based on merit alone, not length-of-service or the cost-of-living. Having your compensation reviewed does not necessarily mean that you will be given an increase.

Time Keeping

Non-exempt (hourly) employees must keep track of hours worked by the use of a time sheet. You are required to keep a time sheet showing your starting time, lunch period and other unpaid breaks, and quitting time for each workday - actual times must be utilized. You should fill in your time sheet every day. At the end of each pay period you should sign the time sheet and return it to your supervisor.

No one may record hours worked on another Team Member's time card. Tampering with another Team Member's time card is cause for disciplinary action, including possible dismissal, of both Team Members. Do not alter another Team Member's record, or influence anyone else to alter your record for you. In the event of an error in recording your time, please report the matter to your supervisor immediately.

You should not punch in or out more than 7 minutes before or after your shift without your supervisor's permission.

Work Hours

The normal work week for full-time employees consists of 32+ hours worked over five days. Under no circumstances are employees to work alone at University Preparatory Academy without prior written approval from management.

Overtime

Overtime compensation will be paid to all nonexempt employees who work in excess of forty (40) hours during the normal workweek. This overtime compensation shall be at one-and-one-half times the employee's established hourly rate.
Hours paid that are not actually worked, for example, holidays, vacation, etc., do not count as hours worked for overtime purposes. It is the Organization policy to avoid overtime whenever possible. Therefore, hours in excess of one's regularly scheduled workday may not be worked without the prior approval of the employee's Supervisor.

**Payday and Paychecks**

Employees will be paid every two weeks with Friday being payday. The work week begins on Saturday and ends the following Friday. On each payday employees will receive a statement showing gross pay, deductions, and net pay. City, state, federal, and Social Security (FICA) and other required taxes or withholdings will be deducted automatically.

For your convenience, the Organization offers the opportunity for your paycheck to be automatically deposited into your bank account. See the HR Consultant for details.

Report lost paychecks immediately to the Organization. It will take several days to stop payment and secure a duplicate check. Checks are to be cashed as soon as possible after receipt. Wage changes, as well as changes in deductions, are effective at the beginning of a payroll period. Keep your paycheck stubs. They are a record of earnings and hours worked, as well as payroll deductions, withholdings and taxes.

Every effort is made to avoid errors in your paycheck. If you believe an error has been made, contact human resources or the payroll department immediately. They will take the necessary steps to research the problem and to assure that any necessary correction is made properly and promptly.

The organization will not cash your paychecks.

**Garnishments**

The Organization is required to comply with all writs of garnishments it receives. Deductions will be taken from your paycheck if we receive a writ of garnishment requiring us to withhold and pay a portion of your wages to a court. Information about the garnishment will be held in confidence. If you have questions regarding a garnishment, please contact the Axios Payroll Department.

Flexible Spending

All executive and internal staff employees are eligible to set-up a Flexible Spending Account through the Organization Professional Employer Division. The plan year begins January 1 and ends December 31st. The Flexible Spending Account operates like a pre-tax checking account that can be applied toward specific dependent care expenses as well as some un-reimbursed medical expenses that are not covered by health, dental or vision insurance. In addition, your premium contributions to the Organization health plan will be deducted from your paycheck on a pre-tax basis. Please see the Benefits Administrator for details.

Holiday Pay

The following days are paid holidays for regular full-time employees who have completed their Training and Orientation period. They will be paid in accordance with their regularity scheduled hours.

- Part-time employees and employees on leaves of absence, suspension or layoff are not eligible to receive holiday pay. However, part-time employees are eligible to make up those hours lost at another time as approved by their Supervisor.
- Holiday pay will not be paid if an employee has an unexcused absence the scheduled day before or after the observed holiday.
- Holiday pay is paid at straight time and is not included in the overtime calculation.
- If the holiday falls on a day when you are on an approved vacation, then this day will be paid as a holiday and not a vacation day.
- If the holiday falls on Saturday or Sunday, the organization reserves the right to schedule another day or, in the alternative, to pay you're an extra days pay at the regular rate.
The organization permits absences from work for employees to participate in religious observances. These absences must be arranged with the employee's supervisor or Assistant Superintendent who is encouraged to accommodate the employee's request to the extent that it is practicable in the unit. Employees are responsible for giving supervisors at least a thirty (30) day notice of the proposed absence.

Employees may request this time as either paid vacation or time off without pay or have the option to make up equivalent time by arrangement with their supervisor.

Reasonable accommodations to bona fide religious observances and practices should be made in accordance with work scheduling.

**Vacation**

The Organization recognizes the value of rest and relaxation and encourages employees to use all vested vacation benefits. The organization's vacation calendar starts July 1st and ends June 30th. Employees who have successfully completed their orientation period shall be granted annual vacation with pay based on years of service in accordance with the following guidelines.

Regular full-time employees other than Advisors and other Instructional Staff shall receive five and one-half (5½) weeks of paid vacation time:

- The three and one-half (3½) weeks when school is closed during the traditional school year: the two (2) weeks for Christmas and New Year, the two (2) days for winter semester break, and Easter week break. Alternatives to this schedule must be approved in writing by your supervisor.
- Two (2) weeks during the summer for the administrative staff. This time may be shifted based on district/employee needs with Superintendent approval.
- Part-time, and orientation employees shall not receive any vacation benefits.
- Vacation pay shall consist of the employee's regular rate of pay at the time of the vacation and must be taken in ½ day (4 hour) increments.
- You must submit vacation plans to your Superintendent or their designee, in writing at least thirty (30) days prior to the requested vacation. Should circumstances compel a change of vacation plans reasonable notice must be given. Generally, no more than one person from each department or branch will be permitted to take vacation at the same time. In the event of conflicting vacation plans, priority shall be based upon the order which notice is received by the organization.
- The organization shall have the right to designate the maximum or minimum length and time of any vacation period. Vacations must be taken in increments of one day unless specially authorized by your Supervisor, and you may not take more than 10 days of vacation at any one time.
- We believe that it is important to your health and well-being that you have time for rest and relaxation each year. Therefore, it is the policy of the organization that vacation days are not cumulative from year to year and must be taken in the year for which they have become vested, unless previously agreed upon by management. As a result, you will not be paid for unused vacation remaining at the end of the year unless necessitated by work requirements and approved by your Supervisor. An employee may not receive vacation pay in lieu of time off.
- An employee will not accrue vacation time while on layoff or leave of absence. Your earned vacation hours will be adjusted based on your actual time worked should you be on a leave of absence for an extended period of time.
- If a paid holiday falls within an employee's vacation period, an additional day of vacation will be granted.
- Employees will not be paid for unused accrued vacation time at the time of termination or resignation of employment.
Sick Leave

When illness strikes, we want you to know that the organization has anticipated your needs and prepared a policy which attempts to protect your wages, even though we can do very little to protect you from common illness.

If you are a full time employee and have successfully completed your orientation period, you shall be eligible for sick leave benefits in the event you are unable to perform your duties because of personal illness or injury which is not work related. You will be paid your regular straight time pay in accordance with the following schedule:

1. The sick pay schedule will begin each July 1 and end on June 30 for Administrative Staff. The sick pay schedule will begin each August 1 and end on July 31 for Advisors.

2. Qualifying employees shall be entitled to ten (10) paid sick leave. If your hire date is mid year or otherwise, your entitlement to sick days shall be pro-rated for the first calendar year.

3. Sick leave benefits will be paid at your regular rate of pay and must be used in 1/2 day (4 hour) increments.

4. Sick leave is accumulative from year to year up to a cap of ninety (90) days.

5. All sick leave benefits will be forfeited if the employee resigns or is discharged.

6. In order to be eligible for sick leave benefits, you must notify your Principal or Immediate Supervisor of your illness one-half (1/2) hour prior to the start of each workday you will miss. Sick leave may not be used for vacation purposes. A doctor's slip may be required prior to the payment of sick leave benefits for five (5) days or more.

7. Upon returning to work from a sick leave absence, an employee may be required to provide a physician's verification that he or she may safely return to work. The organization may require verification of illness through a health care provider of its own choosing and at the organizations expense.

8. Upon returning to work from a sick leave absence where a physician's note is not required, the staff is required to submit the sick leave form to their Principal or Immediate Supervisor within three (3) days of returning back to work. If this time frame isn't met, the sick leave absence may not be paid.

9. Paid sick leave may be used in minimum increments of one-half day. Eligible employees may use sick leave benefits for an absence due to their own illness or injury or that of a family member who resides in the employee's household.

Please note that the organization does not provide for Short-Term Disability other than through this policy. Sick or other paid time off must be utilized under these circumstances until Long-Term Disability is available per the plan documents.

Personal Time Off

The organization provides for additional time off outside of the standard vacation schedule.

Advisors and Administrative staff will be given two (2) paid personal days off during the school year. The Personal Time off schedule will begin each July 1 and end on June 30 for Administrative Staff. The Personal Time schedule will begin each August 1 and end on July 31 for Advisors.

Upon your return from a Personal Day off, you must submit the time off form to your Principal or Immediate Supervisor within three (3) days of returning to work. If your time off slip isn't turned in
within the three day time frame, you will not be paid for the time off. Personal time will be paid at a minimum of ½ day (4 hour) increments.

Personal time is not carried over from year to year if the time is not used within the contract year.

401K Plan

Eligible employees will be able to participate in the organizations 401K Plan. The plan will allow participating employees to put away dollars pre-taxed for retirement. Please see Benefits Administrator at Axios for eligibility requirement and details.

Government Required Coverage

Worker's Compensation
The Michigan Worker's Compensation Law is a no-fault insurance plan which is supervised by the state and one hundred percent (100%) paid for by the organization. This law was designed to provide you with benefits for any injury which you may suffer in connection with your employment. Under the provisions of the law, if you are injured while at work, you are eligible to apply for Worker's Compensation. The organization aggressively manages claims and provides for light duty work to help employees return to productive work as soon as is possible.

Unemployment Compensation
The organization pays a percentage of its payroll to the Unemployment Compensation Fund according to the organization's employment history. If you become unemployed, you may be eligible for unemployment compensation, under certain conditions, for a limited period of time. Unemployment compensation provides temporary income for workers who have lost their jobs. To be eligible you must have earned a certain amount and be willing and able to work. The organization aggressively manages claims to help employees return to productive work as soon as is possible.

Social Security
The United States Government operates a system of contributory insurance known as Social Security. As a wage earner, you are required by law to contribute a set amount of your weekly wages to the trust fund from which benefits are paid. As your employer we are required to deduct this amount from each paycheck you receive. In addition, the organization matches your contributions dollar for dollar, thereby paying one-half of the cost of your Social Security benefits.
Employee Safety, Security & Health

Employee Safety

The Organization will provide a safe and healthy work environment for all employees. Employees are expected to comply with all safety requirements whether established by management or by federal, state, or local law. Any safety violation or any accidents resulting in injuries to employees should be reported immediately to management. Safety equipment must be used at all times. Employees are responsible to:

- Know and follow all safety rules established for your site, department and job task.
- Promptly report any unsafe acts or conditions to your supervisor or organization.
- Work in such a way that ensures our safety as well as the safety of co-workers.
- Help fellow employees with safety requirements.
- Request help when unsure of how to perform a task safely.
- Use and maintain all safety devices and guards as provided.
- Properly use and maintain all tools under our control.
- Maintain physical and mental health conducive to working safely.
- Perform work in ways that will not imperil others.
- Do not leave unsafe conditions on any jobsite.
- Abide by the safety rules of each owner on their sites.
- Work in strict compliance with OSHA standards.

Accidents and Injuries

All accidents, whether or not resulting in personal injury, that you are involved in that arise out of or during the course of your employment, involving Organization vehicles or equipment, customer property, or people, no matter how trivial, must be reported immediately to your Supervisor or Assistant Superintendent with as much information as possible.

If necessary, in instances of personal injury, your Supervisor will see that medical attention is administered. Your Supervisor should also be notified if you become sick while at work and you will be given necessary assistance in these situations.

Any injuries you sustain in recreational activities on Organization or client property, regardless of when such activities are conducted, are your sole responsibility. The Organization assumes no responsibility for any such injuries.

Housekeeping

All employees are expected to maintain their work area in a neat and orderly manner. Desktops should be cleaned off each evening, and excess clutter stored in drawers, etc.

Coffee and soft drinks are permitted at your desk. Empty cups, cans, etc., should be cleaned and removed each evening, and all food and eating confined to food areas provided at each facility.

In our business, good housekeeping is the daily responsibility of each employee. Without a well-kept office, workflow is inhibited and our public image suffers significantly. Please keep your desk and surrounding work area neat, clean, organized, and free of articles that clutter your area.

Good housekeeping reflects business professionalism, and your cooperation in such efforts is expected.
Substance Abuse Policy

The organization recognizes that alcohol and drug abuse in the workplace have become major concerns. We believe by reducing drug and alcohol abuse we will improve the safety, health and productivity of team members.

The use, possession, sales, transfer, delivery, purchase or being under the influence of alcoholic beverages, illegal drugs or other intoxicants by team members at any time on organization premises or while on organization business is prohibited. The illegal use of any drug, narcotic or controlled substance is prohibited. Team members must not report for duty or be on organization property while under the influence of, or have in their possession any alcoholic beverage, marijuana or illegally obtained drug, narcotic or other illegal substance.

The Organization reserves the right to send a team member in for drug testing or alcohol testing at any time if the team member is suspected of drug use. Conditional new hires will be required to have a drug test within the first five days of employment. In addition, the Organization reserves the right to do universal drug testing at random and reserves the right to terminate any team member found with a positive drug test. If an accident or safety incident occurs during work, the team member will be required to take a drug test and alcohol test.

Confirmation of any use as listed above is not tolerated and will result in immediate discharge.

An employee who is taking drugs prescribed by a licensed physician who may diminish his/her ability to work safely must inform a member of management at the Organization prior to beginning work. For safety reasons, such an employee may be required to perform duties other than those scheduled to be assigned or take a leave of absence rather than be permitted to work under the influence of prescribed medication.

Also, pursuant to the Drug Free Workplace Act of 1988, you must notify the Organization of any criminal drug statute conviction for a violation occurring in the course of employment. This notification must be given within five (5) days after such conviction.

All employees must abide by the terms of this Substance Abuse Policy if they are to remain employees of the Organization. FOR EVERYONE’S HEALTH AND SAFETY, PLEASE HELP US MAINTAIN A DRUG AND ALCOHOL-FREE WORK ENVIRONMENT.

Material Safety Data Sheets

Material Safety Data Sheets (MSDS) are located at the main office and may be looked at as requested.

Organization Security

The Organization will assist its employees in safeguarding their personal property while at work. However, the Organization cannot assume responsibility for the personal belongings of its personnel.

All employees and their possessions will be subject to search, surveillance, and interrogation whenever the Organization feels such action must be taken to maintain security or protect its property. These activities will be conducted only when deemed reasonably necessary by the Organization and will be handled in as discreet a manner as possible to avoid personal embarrassment.

Workplace Violence Prevention

The Organization is committed to offering employees an environment free from violence. Therefore, we enforce a clear policy of zero-tolerance for all forms of violence in our workplace including, but not limited to: physical assault, verbal or nonverbal threats or intimidation, possession of any type of
weapon (concealed or otherwise), destruction or defacing of Organization property, and the use of profanity or threatening abusive language, stalking or intimidation. The Organization will determine, in its discretion, whether an act is violent or not.

It is important that every employee understand that there is no such thing as an idle threat. The Organization will interpret any threatening statement or gesture as "intent to carry it out" and will not accept as a defense that an employee was "only joking or fooling around."

After investigation, anyone who is found to have engaged in an act of violence will be disciplined up to and including discharge. All violence allegations will be thoroughly investigated on a case-by-case basis as promptly as practical. The Organization will take the appropriate corrective action as warranted by such investigation. All violence complaints will be handled in as confidential a manner as possible, consistent with resolution of the problem.

Also, if an employee feels they are in danger of a violent act, they must inform management or Human Resources so that the Organization can take any necessary precautions.

**Concealed Weapons Policy**

The organization strictly prohibits possession of weapons of any type on all Organization and Client property (including leased properties), including guns, both concealed and visible, and without regard to the validity of any permits. Also included are knives, explosives or any other deadly object.

The organization reserves the right to search a person, vehicle, or other locations on Organization or Client property when there is cause for suspicion.

Violators are subject to termination of employment, criminal prosecution or any combination of sanctions.

**Fire, Tornado & Emergency**

Employees are required to comply with posted fire, tornado, and emergency policies.

Should evacuation of the building be necessary, employees shall follow instructions for evacuation procedures as established by the academy safety program. Employees are responsible for familiarizing themselves with all building exits and safe areas.

In addition, the school has emergency procedures in place should a lock down be necessary. Employees shall follow instructions for these procedures as established by the academy safety program. Employees are responsible for familiarizing themselves with these procedures.

**Smoking**

By state law, smoking will not be permitted on organization property.

**Personal Electronics**

Radios, tape decks, CD or MP3 players, etc. may be played during working hours but the volume should be kept so as not to disturb or distract other employees. Management reserves the right to restrict this use as necessary to ensure an appropriate work and/or learning environment.

**Emergency Closings**

At times, emergencies such as severe weather, power failures, etc., can disrupt the academy’s operations. In extreme cases, these circumstances may require the academy to close. In the event that such an emergency occurs during non-working hours, employees will be notified by the academy’s established emergency notification procedure.
School personnel are expected to report to school unless notified by the school leader that the day is a non-contract day. In that event, school staff will be credited the day and the day will be added to the school calendar or to professional development as needed at the conclusion of the school year.

**Security Inspections**

Desks, lockers, and other storage devices may be provided for your convenience but remains the sole property of the Organization. Accordingly, they as well as any articles found within them, can be inspected by any agent or representative of the Organization at any time, either with or without notice.
Additional Information

Licensing

Depending on the nature of the position, a teachers’ certificate/license, chauffeur’s or CDL license may be required. If the employee requires a specific license, the employee will be expected to abide by and follow all rules and regulations associated with that licensing.

Membership Dues

The Organization may provide reimbursement of your expenses for membership in professional organizations. You should discuss these needs with your supervisor prior to making a commitment of expenditures.

Meetings Outside Of the Office

Employees leaving the office for a period of time during the day, or for more than one day, must leave information where they can be reached. Employees should leave the name of the organization, phone number, and if possible, the name of the person with whom they will be meeting. Employees who plan to visit several organizations should try to give their team members a general timetable of their schedules with corresponding locations and telephone numbers where they can be reached. This is very important in cases of emergencies. This information is also needed if an employee will be out of the office for personal business.

Mileage Reimbursement

Employees are reimbursed at the current IRS rate for mileage when using personal vehicles for authorized organization business upon approval from management.

Parking

You must park in employee designated parking areas. Handicapped, visitor parking spaces & fire lanes must remain free for their intended use. Damage to employee vehicles (for any reason) is the responsibility of the employee.

Solicitations

In an effort to assure a productive and harmonious work environment, persons not employed by the organization may not solicit or distribute literature in the workplace at any time for any purpose.

The organization recognizes that employees may have interests in events and organizations outside the workplace. However, employees may not solicit or distribute literature concerning these activities during work time. Work time does not include lunch periods, work breaks, or any other periods in which employees are not on duty.

In addition, the posting of written solicitations on organization bulletin boards is restricted. If employees have a message of interest to the workplace, they may submit it to their supervisor for approval.

One Last Reminder

This Employee Handbook does not include all of the rules and regulations applicable to the Organization employees and is subject to interpretation and application within the sole discretion of the Organization based upon the facts of each particular case, including the right not to follow the Handbook where deemed appropriate by an officer of the Organization.

SCHEDULE 8-5

METHODS OF ACCOUNTABILITY AND PUPIL ASSESSMENT

UPSM Elementary Methods of Accomplishment and Pupil Assessment

UPSM Elementary School will be among the most rigorous schools in the region. Its students will go on to UPSM Middle School and, subsequently, to UPSM High School if they are interested in a STEM program. They will be well prepared to take on the demands of high school, graduate and attend highly competitive colleges and universities.

One of UPSM’s goals is that once at UPSM High School, at least 90 percent of those students will graduate. At least 90 percent of those graduates will enroll in post-secondary education. Within the first three graduating classes, UPSM students will achieve an average ACT score of at least 24, putting them among the top 10 performing high schools in the tri-county region.

And, perhaps the most ambitious goal of all is the “Third 90”—at least 90 percent of UPSM’s graduates enrolled in post-secondary studies will complete their course of study within six years.

In addition, UPSM Elementary School has spelled out the following expectations:

Goal 1: Within five years, UPSM Elementary School will ensure that seventy-five percent of all students will meet or exceed Michigan standards on the Michigan Educational Assessment Program (MEAP) in all content areas tested at each tested grade level.

Goal 2: Students will be prepared to take on a rigorous college prep program course of study, such as AP or IB upon entry to UPSM High School in the ninth grade.

Non-Academic (Behavioral) Goals

Goal 1: Daily student attendance will exceed 90 percent.

Goal 2: A 90 percent student retention rate will be maintained each year.

Goal 3: Daily staff attendance will exceed 95 percent.

Goal 4: A minimum of 90 percent of parents/guardians will attend two or more parent conferences/learning team meetings.

Goal 5: Parent and community satisfaction with the instructional program and staff will exceed 90 percent each year.

Goal 6: Students will embrace a culture of achievement, embody a solid work ethic, produce high quality products comparable to the best suburban
schools and carry themselves in a positive and professional manner at school and in the community.
SCHEDULE 8-6

ACADEMY ADMISSION POLICIES AND CRITERIA

See attached Admission Policy and Criteria.
Public School Academies of Detroit (PSAD)  
Enrollment Guidelines & Admission Policies for the 2010-2011 School Year

A public lottery for each grade offered at each PSAD school will be held at each PSAD district when there are more applicants than openings for that particular PSAD school to assign seats to new students and to assign the order of the waitlist for any new seats that become available. Siblings of students returning for the 2010-2011 school year and newly accepted students for the 2010-2011 school year will be given priority for admission in the order detailed below.

The priorities for admissions will be conducted in the following order:

**Priority 1: Siblings* of 2010 Graduates and Students Returning for the 2010-2011 School Year**  
Siblings of students returning for the 2010-2011 year are given 1st priority to their siblings PSAD district. If there are more of these siblings than classroom spaces available in a given grade, the PSAD School will hold a random selection lottery for the classroom spaces from among the siblings in that grade. The remaining siblings will be placed on the waitlist based on the number they receive in the sibling random selection process ("Lottery") as long as they submitted an application during the open enrollment period. Note: Sibling priority does not range across PSAD districts.

**Priority 2: PSAD Transfer Students**  
Any student enrolled in the 8th, 9th, or 10th grade at any PSAD School in the preceding school year will be given transfer student priority (priority 2) provided there is sufficient classroom space available. Transfer student priority is given in the following manner: students enrolled in a PSAD School the previous academic year who apply for the 9th, 10th, or 11th grade during open enrollment to the school they wish to transfer to will receive second priority. Each PSAD School will hold a Lottery for transfer students in that grade. These students will be placed on the waitlist below the priority 1 students based on the number they receive in the transfer student Lottery. Students who are transferring between University Preparatory Academy and University Prep Science & Math must declare in which system they wish to enroll for the 2010-11 school year by the school decision deadline date. University Preparatory Academy and University Prep Science & Math will not accept such transfer students for enrollment in the 2010-2011 school year after the school decision deadline.

**Priority 3: Children of Persons employed at PSAD schools or Children of PSAD Board of Directors**  
These children (including by Michigan law all adopted children or legal wards) are placed behind Priority 2 students based on the number they receive in the Lottery as long as they submitted an application during the open enrollment period.

**Priority 4: Siblings* of Newly Accepted Students**  
Siblings of newly accepted students (students who are accepted for enrollment for the 2010-2011 school year) are placed behind Priority 3 students based on the number they receive in the Lottery on the waitlist within the same district their sibling was accepted as long as they submitted an application during the open enrollment period. Note: a sibling in one PSAD district does not provide a basis for sibling priority in another PSAD district.

**NOTE: Any sibling that DOES NOT submit an application during open enrollment will NOT be given sibling preference.**

**Priority 5: New Applicants with No Siblings at the PSAD district in which they are applying**  
Students who apply during open enrollment but do not win a seat in the Lottery and who do not have a sibling at the PSAD district in which they are applying will be placed on the waitlist based on the number they received in the lottery below priority 4 students.

**Priority 6: Applicants Applying After Open Enrollment**  
Students who apply after open enrollment (all applications received after the deadline date) will be placed on the wait list behind the Priority 1, 2, 3, 4, and 5 applicants based on the date and time their application is received. This includes siblings that submit applications after the deadline date.

*Sibling Determination: Siblings who receive preference include:
- Full siblings (children who share the same mother and father) regardless of whether the full siblings live in the same household.
- Step-siblings/half-siblings who live in the same household.

** They must live in the same household at the time they apply. If the student moves in with their sibling they need to reapply at that time and the old application is deleted. The parent may be asked to supply some sort of proof of residence for the student.
Public School Academies of Detroit (PSAD)  
Enrollment Guidelines & Admission Policies for the 2010-2011 School Year

1.) Purpose
The purpose of this policy is to outline the enrollment policy and process for the Public School Academies of Detroit (PSAD) for the enrollment of students into its urban academies (Grand Valley State University Board of Trustees ("University Board") has authorized PSAD under Part 6 of the Revised School Code to operate one or more urban academies, including but not limited to University Preparatory Academy, University Prep Science and Math, and Henry Ford Academy. School for Creative Studies schools individually a "PSAD School" or collectively "PSAD Schools").

2.) Open Enrollment Dates
Open Enrollment will last the duration of one month. Applications can be picked up from each of the schools campuses between 8:00am and 4:00pm on school days or on their website. All applications must be received by 4:00pm on the last day of Open Enrollment, the deadline date, in order to be considered for the random selection process ("Lottery.")

3.) Re-enrollment of current students
Students currently enrolled in any PSAD school in the preceding school year will be automatically admitted for the next school year to that same PSAD district.

4.) PSAD Transfer Students
Any student enrolled in the 8th, 9th, or 10th grade at any PSAD school in the preceding school year will be given transfer student priority (priority 2) provided there is sufficient classroom space available. Transfer student priority is given in the following manner: Students enrolled in a PSAD School the previous academic year who apply for the 9th, 10th, or 11th grade during open enrollment to the school they wish to transfer to will receive second priority. Each PSAD School will hold Lottery for the classroom spaces from among the transfer students in that grade. These students will be placed on the waitlist below the priority 1 students based on the number they receive in the transfer student Lottery. Students who are transferring between University Preparatory Academy and University Prep Science & Math must declare in which system they wish to enroll for the 2010-11 school year by the school decision deadline date. University Preparatory Academy and University Prep Science & Math will not accept such transfer students for enrollment in the 2010-2011 school year after the school decision deadline.

5.) Siblings who receive preference include:
Siblings of currently enrolled students receive the 1st priority in enrollment with siblings of newly accepted students receiving 4th priority. See Enrollment Guidelines (reverse) for more information regarding sibling priority.

6.) Children of Persons Employed at a PSAD School & PSAD Board of Directors
Children of persons working at PSAD schools and children of PSAD board of directors who apply during open enrollment receive third priority before the Lottery. If there are more children of persons working at a PSAD School and PSAD board of directors applying than classroom spaces available in a given grade, the PSAD school will hold a Lottery which will include these children and all other applicants. The children will be put on the waitlist for that grade in the order of random selection number received, just below the 2nd priority students.

7.) Enrollment for under-subscribed grades/sibling preference
Priority 1 students will be automatically admitted for the next school year to each grade that does not reach full enrollment by the Deadline Date. Transfer students have the next priority in enrollment. If Full Enrollment for a particular grade is not reached by the Deadline Date, PSAD will continue to receive applications for that grade level as long as necessary to complete Full Enrollment. Applications received after the Deadline Date will be enrolled in order of receipt.

8.) Enrollment for over-subscribed grades
Students will be selected for admission by random lottery for each grade that exceeds Full Enrollment if their applications were received by the Deadline Date. Applications received after the Deadline Date for each grade that has reached Full Enrollment will be added to the official waiting list in the order in which they are received. Kindergarten students must attain the age of five (5) years on or before December 1st of the year for which they are applying, to be eligible for the Lottery.

9.) Lottery
A random selection process is required if the number of applications exceeds the number of available spaces. Prior to the application period, the PSAD School shall do the following: (1) establish written procedures for conducting a random selection process; (2) establish the maximum number of spaces available per grade or grouping level; (3) establish the date, time, place and person to conduct the random selection process; and (4) notify the University Board Charter Schools Office of both the application period and the date of the Lottery, if needed. The University Board Charter Schools Office may have a representative on-site to monitor the random selection process. The PSAD School shall use a credible, neutral "third party" such as a CPA firm, government official, ISD official or civic leader to conduct the Lottery. Further, the PSAD School shall conduct the random selection process at a public meeting where parents, community members and the public may observe the process; and use a system that guarantees fairness and does not give an advantage to any applicant. The PSAD School shall notify applicants not chosen in the random selection process that they were not selected and that their name has been placed on the PSAD school's official waiting list for openings that may occur during the academic year. Students shall appear on the official waiting list in the order they were selected in the random selection process.

10.) Record of enrolled students
As students are selected for admission, their names will be recorded on the Chart of Admitted students.

11.) School Decision Deadline
Parents of students that applied to University Preparatory Academy and University Prep Science & Math school districts and are accepted to either school, must choose which school they wish to attend by the School Decision Deadline. Students already enrolled the previous school year in either district will be considered applicants to the new system for the coming school year. Declaring their school choice automatically moves that student off of the waitlist or acceptance list of the district they do not choose. Having declared their school choice, a family will not be eligible to transfer their child to the other system until the following school year via that system's open enrollment and lottery process. This does not apply to students accepted at HSFSC.

12.) Enrollment Requirements
• PSAD shall not discriminate on the status as a handicapped or any other basis that would be illegal for an existing school district
• PSAD shall provide for the education of its pupils without discrimination as to religion, creed, race, sex, color or national origin. The Academy shall comply with all state and federal civil rights laws.
• PSAD shall not charge tuition (but may charge fees in the same manner as existing public schools).
• PSAD shall not enroll any student who is not a resident of this state, except a foreign exchange student
• PSAD shall comply with all state and federal laws applicable to public schools concerning church-state issues.
• PSAD may establish a policy providing enrollment priority to enrolled pupils of a PSAD School, siblings of currently enrolled pupils, children of a person who is employed by or at a PSAD School, or children of PSAD Board Members (See priority on reverse side).
• PSAD shall provide legal notice indicating Open Enrollment for each PSAD school in a local newspaper.

EXHIBIT A
GROUND LEASE AND JOINT USE AGREEMENT
GROUND LEASE AND JOINT USE AGREEMENT

THIS GROUND LEASE AND JOINT USE AGREEMENT (this “Lease”), is made as of this 12th day of December, 2007, between the DETROIT SCIENCE CENTER, a Michigan non-profit corporation, whose address is 5020 John R. Street, Detroit, MI 48202 (hereinafter referred to as the “Landlord”) and TEF-FIVE, LLC, a Michigan limited liability company, whose address is P.O. Box 6349, Plymouth, Michigan, 48170 (hereinafter referred to as “Tenant”). Landlord and Tenant are sometimes individually referred to in this Lease as a “Party” and collectively as the “Parties”.

Section 1 LEASE OF PREMISES

Landlord, in consideration of the rents to be paid and the covenants and agreements to be performed by Tenant, does hereby lease to Tenant and Tenant does hereby lease from Landlord, all of the Landlord’s interest in that certain piece of land situated in the City of Detroit, County of Wayne and State of Michigan as indicated and more particularly described in the survey attached hereto as Exhibit A (this survey, as updated by Tenant, shall be defined as the “Survey”) and made a part hereof (the “Demised Premises”), subject to all zoning and building ordinances and all easements and restrictions of record, if any. Landlord shall deliver the Demised Premises to Tenant with any and all liens thereupon subject to the interests of Tenant and with an agreement acceptable to Tenant assuring that so long as Tenant is not in breach hereof, the holders of such interests will not disturb or otherwise interfere with the rights and interests of Tenant as created hereunder. Tenant shall have the right to impose liens upon its leasehold interest only.

In addition to the demised premises, Tenant shall have the use of one classroom located in the Landlord’s adjacent premises (Science Center Premises as hereinafter defined) as well as the parking and drive areas hereinafter discussed.

The Demised Premises are located adjacent to a parcel of land owned by Landlord as indicated and more particularly described in the Survey (the “Science Center Premises”). For purposes of this Lease, the Demised Premises are not included in the term “Science Center Premises”. There currently exists an approximately one hundred ten thousand (110,000) square foot building upon the Science Center Premises. This existing building and any and all subsequent additions, improvements and replacements thereto and thereof are collectively referred to herein as the “Science Center Building”. The Science Center Premises and Science Center Building are sometimes collectively referred to herein as the “Science Center Property”.

Tenant acknowledges that as of the date of this Lease it has inspected, analyzed, reviewed and evaluated the Demised Premises and that it is thoroughly aware of the condition of the Demised Premises. EXCEPT AS MAY BE OTHERWISE PROVIDED IN THIS LEASE, THE DEMISED PREMISES ARE LEASED HEREUNDER TO TENANT “AS IS, WHERE IS” BASIS WITHOUT ANY REPRESENTATION OR WARRANTY OF ANY KIND, EITHER
EXPRESS OR IMPLIED AND WITH ALL FAULTS AND WITHOUT ANY REPRESENTATION OR WARRANTY OF ANY NATURE WHATSOEVER, EXPRESS OR IMPLIED, ORAL OR WRITTEN, AND IN PARTICULAR, WITHOUT ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; AND, LANDLORD DISCLAIMS AND TENANT HEREBY WAIVES ANY OBLIGATION, LIABILITY, RIGHT, CLAIM OR DEMAND IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE WITH RESPECT TO THE DEMISED PREMISES. Without limiting the generality of the foregoing, Tenant acknowledges and agrees that Landlord neither represents nor warrants that the Demised Premises or any part thereof will serve any purpose satisfactorily; Landlord shall have no liability or responsibility for the condition and/or operation of the Demised Premises; and Tenant is leasing the Demised Premises based solely upon its own inspection, evaluation, review and analysis, and Tenant assumes the entire risk associated therewith.

Section 2  TERM

(a) The initial term of this Lease shall commence on the date on the "Effective Date" hereto and shall continue and shall end ninety-nine (99) years later. The "Effective Date" hereof shall be the date upon which all contingencies have been removed or June 1, 2008 whichever is later.

(b) For the purposes of Subparagraph (a) above, the contingencies which must be removed include the following:

(i) Granting of any necessary variances by the Detroit Board of Zoning Appeals;
(ii) Execution by Landlord's financing institutions of mutually acceptable Subordination and Non-Disturbance Agreements (This Agreement must be acceptable to both Landlord and Tenant as well as Landlord's financing institutions);
(iii) Securing by Tenant of acceptable and adequate offsite parking;
(iv) All other necessary approvals by the City of Detroit, Wayne County and the State of Michigan for the contemplated construction;
(v) Issuance of Building Permit;
(vi) Securing by Tenant of Contractor willing to construct facility upon terms and conditions acceptable to Tenant;
(vii) Subtenant securing any Charter necessary for operation of the anticipated school;

(c) In the event that the contingencies set forth above have not been removed or waived by Tenant on or before June 1, 2008, then this Ground Lease and Joint Use Agreement shall be deemed null and void.

(d) This Ground Lease will not be effective unless or until Detroit Science Center obtains a mutually satisfactory consent letter from its lender group. If such letter is not received on or before December 31, 2007 (which date may be extended by mutual consent of the parties),
the Ground Lease and Joint Use Agreement will be null and void.

(d) Absent a separate agreement to the contrary between the parties hereto, commencement of construction shall not occur until all contingencies have been removed.

**Section 3**  
**RENT**

Tenant shall pay rent to Landlord for the leasing of the Demised Premises at the office of Landlord, or at such place or places as Landlord shall designate from time to time in writing during the continuance of the Term, in the amount of $1.00 per year ("Base Rent") without any offset, abatement or deduction whatsoever, and without previous demand therefore. The purpose and intent of this Lease is that the Base Rent provided for in this Section shall be, except as may otherwise be provided in this Lease, an absolutely net return to Landlord and shall continue unreduced and unabated throughout the entire Term and shall be absolutely net of all costs, expenses, taxes (real and personal), assessments and charges of every kind and nature whatsoever relating to the ownership, occupancy, use, maintenance, upkeep and preservation of the Demised Premises, except as otherwise provided herein, which shall be borne and paid by Tenant so that the Base Rent constitutes the minimum income realized by Landlord from the Demised Premises. Tenant will indemnify and hold harmless Landlord from and against such costs, expenses, taxes, assessments and charges. The base rental rate shall cover the Tenant's right to use one classroom in the Science Center Premises as well as the four parking spaces and the drive area of the Science Center Premises.

**Section 4**  
**USE OF DEMISED PREMISES**

(a) The Demised Premises shall be used exclusively for the purpose of constructing, maintaining and operating a high performance educational facility upon the Demised Premises and no other purpose or use whatsoever except as may otherwise be provided in this Section 4. A change in structure from a high performance educational facility shall be considered a Material Change and subject to 4(b) below.

(b) There shall be no Material Change (as hereinafter defined) in the Use without Landlord's prior written consent. For purposes hereof, the term “Material Change” shall mean any change that would meaningfully, materially or substantially change the Use so that the use of the Demised Premises would no longer reflect the ideals, mission and purpose of the Use in a meaningful, material or substantial manner or way. If Landlord's consent is sought in connection with a proposed use of the Demised Premises for another school or learning institution, Landlord's construction of the term “Material Change” shall be reasonable and Landlord's consent thereto shall not be unreasonably withheld. In every other instance however, Landlord may withhold its consent in its sole and unfettered discretion. A change in subtenant or Operator of the school alone shall not constitute a Material Change.

If Landlord shall consent to a single Material Change, that shall not be deemed to constitute a consent of any subsequent change in Use that is or may be identical or similar to the change that Landlord previously consented to. Moreover, any and all changes in Use shall be
subject to the provisions of this Section 4 and the process provided by this Section 4 shall be repeated each and every time a change in Use is proposed by Tenant.

(c) If a Material Change is proposed, Tenant shall submit a written request to Landlord for Landlord’s consent describing the proposed change in Use, accompanied by a copy of the sublease agreement and lease agreement pursuant to which the Demised Premises and Improvements would be leased. Landlord shall thereafter have thirty (30) days to consider such request and during such period:

(i) Landlord may provide its consent whereupon this Lease shall continue subject to the terms and conditions hereof; or

(ii) Landlord may withhold its consent whereupon (a) this Lease shall continue subject to the terms and conditions hereof and (b) if Tenant shall fail to conform to the requirements of Section 4(a) concerning the Use within the following ninety (90) days, Landlord shall then have the option to purchase the Improvements at the Fair Market Value (as hereinafter defined) within the next one hundred eighty (180) days. To effect such option Landlord shall give written notice to Tenant during the first 30 days of such period. Within 30 days of such notice the three appraisers referenced below in this paragraph shall be retained. Within 30 days of receipt of the three appraisals the Landlord shall confirm in writing to the Tenant its intent to purchase the property at the “Fair Market Value”. If the Landlord fails to confirm its intent to purchase the property its option shall expire. The resulting sale and purchase shall be consummated on the first (1st) business day of August of the next year following the year such option is exercised and upon the consummation of such sale and purchase, this Lease shall terminate. If Landlord elects not to purchase the Improvements, Tenant shall be entitled to sell or lease the Improvements for any permitted zoning use, which would allow for the highest and best permitted use. For purposes hereof, the term “Fair Market Value” shall mean (unless the Parties agree otherwise) the average of three (3) appraisals conducted by three (3) appraisers, one (1) appraiser chosen by each Party and the third appraiser being chosen by the other two (2) appraisers.

Section 5  CONSTRUCTION OF IMPROVEMENTS

(a) The Demised Premises shall be divided into three areas. The first area shall be the “School Area”. The School Area shall be constructed by Tenant. The second area shall be the “Shared Space Area”. The Shared Space Area shall be constructed by the Tenant. The third area shall be the “DSC Space”. The Tenant shall construct the basic structure for the DSC Space. All subsequent construction including the extension of various utilities shall be the sole responsibility of the Landlord. The Plans attached hereto as Exhibit C.3 shall define each area.

(b) Tenant shall, at its sole cost and expense, remove any existing improvements upon the Demised Premises and provide all work and materials of whatsoever nature in order to construct the Improvements consisting of a school building of not less than seventy-five thousand (75,000) gross square feet and not more than eighty-five thousand (85,000) gross square feet, together with site preparation, utilities, restoration of existing landscaping, and
irrigation, and all other improvements whatsoever in connection therewith, as approximately set forth on the preliminary design attached hereto Exhibit C.1 and C.2 (the school building and all other such improvements are herein collectively referred to as "Improvements", as further detailed in Exhibits C.1 and C.2). Tenant shall also, at its sole cost and expense, connect and integrate the Improvements to the Science Center Building in accordance with Exhibit C.1 and C.2, and in a manner that shall not adversely affect or impair the structure, components, systems or use of the Science Center Property. Tenant shall, at its sole cost and expense, furnish the Tenant Space with all necessary and desired equipment. The furnishing of all desired equipment furniture and fixtures for the DSC Space shall be completed at the sole cost and expense of Landlord.

(c) Landlord hereby approves the preliminary design plans attached as Exhibit C.2 Schematic Design. Minor changes and deviations in such preliminary plans are fine. However, any subsequent material change to the Improvements shall be subject to Landlord's prior written approval. Landlord shall use its best efforts to respond timely to any request for Landlord's approval under this subsection (c) so as to not impede the progress of construction and in any case, such approval shall not be unreasonably withheld. Tenant shall submit final construction drawings, plans and specifications (together with all supporting documentation and information necessary for Landlord to review the plans) to Landlord for Landlord's written approval, before submitting for building permits and shall not construct any improvements unless and until Landlord has approved the same in writing. In the event that Landlord rejects the plans or requests additional information to complete its review, Tenant shall revise the plans or submit such additional information as reasonably required by Landlord in order to obtain Landlord's approval. Landlord shall review such plans, as revised from time to time, and advise Tenant of any changes required by Landlord. (d) Tenant shall, at its sole cost and expense obtain any and all requisite building, construction, zoning and other licenses, variances, permits and approvals relating to the construction of the Improvements.

(e) Upon issuance of such building permits, Tenant shall promptly undertake the construction and diligently prosecute such construction to completion. All construction shall be performed in accordance with the Plans relating thereto as approved by Landlord. The following provisions shall govern the construction:

(i) During construction, Tenant shall pay for all electricity, water and other utilities consumed in performing such construction. Tenant shall be responsible for the removal of all construction debris and trash relating to the construction of the Improvements.

(ii) All such work shall conform to applicable statutes, ordinances, laws, codes and governmental regulations. Tenant shall obtain and convey copies to Landlord of all applicable permits and all approvals as may be required by local or state authorities and utility companies. Meter cost fees, tapping, use and capital charges incurred by reason of supplying utilities shall be paid by Tenant except for any separate metering required to supply metering service to Landlord kitchen area, which costs shall be paid by Landlord.
(iii) All of the contractors and subcontractors performing any such work shall be capable of performing quality workmanship.

(iv) All of such work shall be performed in a first-class, workmanlike manner and shall be in good and usable condition at the date of completion.

(v) Tenant shall take all reasonably necessary measures to minimize any damage, disruption or inconvenience in the area of the Demised Premises and/or Science Center Property caused by such construction, and make adequate provision for the safety and convenience of all persons affected thereby. Dust, noise and other effects of such construction shall be controlled using accepted methods customarily utilized in order to control such conditions. Tenant shall not permit the accumulation outside of dirt, debris, trash or the like.

(vi) After completion of the improvements, and upon receipt by Tenant, Tenant shall supply Landlord with a copy of the certificate of occupancy from the local or state building department and one (1) set of "as-built" drawings for record purposes.

(vii) Upon commencement of construction the Limited Guaranty of Completion in the form attached hereto and made a part hereof as Exhibit B shall be executed by The Thompson Educational Foundation.

(viii) Construction shall commence upon issuance of all necessary building permits and shall be substantially completed within 18 months after issuance of such permits. For purposes of this provision, "commencement" shall mean the beginning of installation of the foundation for the Improvements. Once commenced, Tenant shall diligently proceed with construction. For purposes of this provision, "completed" shall mean the earlier of (a) use and occupancy of the Improvements by the Operator, or (b) issuance of a final certificate of occupancy for the Improvements.

(ix) Tenant shall have access to and shall be permitted to use the adjacent parking area for construction staging purposes.

(x) Upon completion of the Improvements, Tenant shall at its sole cost and expense, repair or replace if necessary, any and all parking, landscaping and other areas impacted by the construction of the Improvements in accordance with the approved plans and specifications.

(f) Upon the expiration or the earlier termination of the Term, title to all Improvements, including fixtures, shall vest in and become the property of Landlord without, except as otherwise provided in this Lease, any additional compensation or further instrument of conveyance. Tenant shall, if so requested, deliver, at no cost or expense to Landlord, a confirmatory deed or other document requested by Landlord of the foregoing. The Improvements shall be surrendered and transferred to Landlord free and clear of all liens or claims to or against them by Tenant or any third persons, and Tenant shall defend and indemnify Landlord against all liability or loss arising from such liens or claims. Tenant shall not waste or
(g) The Parties covenant and agree for themselves and all Parties claiming under them that the Improvements are real property. It is the intent of the Parties that the separation of title to the Improvements and the Demised Premises is not to change the character of the Improvements as real property. It is also the intention and agreement of the Parties that the ownership of Tenant’s leasehold estate and all of Tenant’s right, title and interest in and to the Improvements shall be non-separable and that any attempt to transfer such right, title and interest in the Improvements shall be void and ineffective unless accompanied by a complete transfer of Tenant’s leasehold estate in accordance with the terms hereof. This shall not however, limit or restrict the right if any, otherwise provided Tenant under this Lease, to assign and transfer its rights in and to this Lease and the leasehold interests created hereby.

Section 6  JOINT USE OF FACILITIES

(a) Tenant may request the use of any public portion of the Science Center Building (including, meeting rooms and exhibit areas) without the payment of any additional Base Rent for any appropriate educational purposes, subject to availability and also subject to the prior consent of Landlord, which consent shall not be unreasonably withheld. Tenant may however, be required to pay the direct costs incurred by Landlord for using such facilities (For example, Imax license Fees). Tenant’s use of such additional facilities shall not however, interfere with the use and operation of such facilities by Landlord and/or the use and enjoyment thereof by Landlord’s invitees and guests. Tenant and Landlord shall cooperate in scheduling Tenant’s use of such facilities. Tenant shall provide Landlord written notice of its desire to use the Science Center Building reasonably in advance of the date of each such proposed use, which notice shall specify the precise areas to be used, the duration of the use, and the number of people Tenant expects to use such areas. Tenant’s use shall be at Tenant’s risk of loss except in the case of Landlord’s gross negligence or intentional acts.

(b) Landlord shall be permitted to use all or any portion of the Improvements, except private office and lounge areas, outside of school semesters, during evenings and weekends and during other non-school hours, subject to availability. Landlord’s use of such Tenant areas shall not however, interfere with the use and operation of such facilities by Tenant and/or the use and enjoyment thereof by Tenant’s invitees and guests. Landlord and Tenant shall cooperate in scheduling Landlord’s use of such facilities. Landlord shall provide Tenant written notice of its desire to use such Tenant areas reasonably in advance of the date of each such proposed use, which notice shall specify the precise areas to be used, the duration of the use, and the number of people Landlord expects to use such areas. Landlord use shall be at Landlord’s risk of loss except in the case of the Tenant’s gross negligence or intentional acts, however, Landlord shall not otherwise be required to pay any rental or other charges for the use of such Tenant areas.

(c) Landlord and Tenant (and their respective employees, invitees, guest and students) shall be entitled to use the Shared Space (as hereinafter defined) in common and in cooperation with each other but, in a manner so as to not adversely affect the other Party’s use
thereof. “Shared Space” shall mean the areas and space designated as “Common Areas” on the
preliminary plans attached hereto as Exhibit C.3 and thereafter, on the permitted plans and
specifications, their replacements and such other areas, which may be designated by Landlord for
the general use in common of all of the users of the Science Center Building and Improvements.
The Shared Space (including, building access) shall be kept open and made available to Landlord
and its invitees and guests during such hours and on such days that Landlord is open or has a
function and after such hours and on such other days if Landlord and its invitees and guests
adhere to security rules and regulations established by Landlord and Tenant. Landlord and its
employees, invitees and guests shall have the right and license to use the Science Center Space
(as hereinafter defined). “Science Center Space” shall mean the areas and space designated as
“DSC Space” on the preliminary plans attached hereto as Exhibit C.3 and thereafter, on the
permitted plans and specifications, their replacements and such other areas Landlord and Tenant
may hereafter designate for the use of Landlord and its employees, invitees and guests. Landlord
shall maintain the Science Center Space at its sole cost and expense except as otherwise provided
in this Lease.

Without the consent of the Parties (which consent shall not be unreasonably withheld),
the Shared Space shall not be changed or altered in any manner which would materially change
or alter the Shared Space’s useable square feet or location or adversely affect a Party’s use,
operation, accessibility or availability so as to effectively deprive such Party with the use thereof.

Throughout the Term, Tenant shall be solely responsible for maintaining the Shared
Space in first class condition and repair. Tenant shall pay to Landlord its Proportionate Share (as
hereinafter defined on Exhibit E), of the Operating Expenses for the Shared Space in the manner
hereinafter set forth. Throughout the Term, Landlord shall determine such Operating Expenses
on a monthly basis, in arrears and shall provide the details and calculation thereof to Tenant.
Within thirty (30) days of receipt of such detail, Tenant shall pay to Landlord amount then due
promptly following such determination. Tenant shall be entitled to review Landlord’s
determination on request, including the method of determination and the data relied on in making
the determination.

Landlord and Tenant “Proportionate Share of Operating Expenses” shall be apportioned
in accordance with Exhibit E. “Operating Expenses” shall mean the actual, reasonable and direct
costs incurred by the Landlord and or Tenant with respect to the operation, maintenance, repair

(e) The Parties shall each have the right and license to procure vending machines within their respective areas.

Landlord and Tenant shall have joint use of the public drop off area. Landlord shall exclusively and solely, own, control and operate any and all adjacent parking areas around and about the Demised Premises and Science Center Property and shall exclusively and solely retain any and all charges, fees and revenue of any kind from such parking areas.

Landlord shall maintain such parking and drop off areas free and clear and in good condition and repair and Landlord and Tenant shall equally share the costs of the driveways and drop off areas in accordance with Exhibit E. Tenant shall pay its proportionate share of the parking area maintenance and repair expense in accordance with Exhibit E. Landlord shall have the right to establish reasonable rules and regulations (and to alter them from time to time) governing the use of the parking lot. The Landlord and Tenant shall, from time to time, mutually agree on rules and regulations governing the use and operation of the drop off areas.

Section 8 TAXES AND UTILITIES

(a) Landlord is now tax exempt. The Operator (as hereinafter defined) will be tax exempt as well. If the State of Michigan, any political subdivision thereof (including Wayne County, the City of Detroit and the Wayne County Community College District) or any other governmental authority having jurisdiction thereof, imposes an assessment, surcharge or tax of any kind or nature upon, against or with respect to the Demised Premises and/or Improvements (and any personal property within or comprising the Improvements), Tenant shall, during the Term, pay and punctually discharge the same as and when the same shall become due and payable.

(b) Except as set forth in this Agreement, Tenant shall, during the Term pay and punctually discharge any and all charges for any and all services and utilities to or for the Demised Premises and Improvements of whatsoever nature as and when the same shall become due and payable including, any and all charges for water, sewer, and trash removal.

Landlord expressly reserves the right to name the Science Center Property including the demised premises and the improvements. Landlord may install such decorations, exterior lights, exhibits, markings, media, identification, paintings or signs as it desires in its sole and exclusive discretion, on, in, upon or about the above mentioned property.

Section 10 REPAIRS: ALTERATIONS

Any and all such repairs, removals, reconstructions or improvements shall be governed by the provisions of Section 5 in the same manner such provisions governed the original construction of the Improvements. Should the making of such repairs, alterations, removals, reconstructions or improvements cause any interference with Landlord's use of the Shared Space, such interference shall not relieve Landlord from the performance of its obligations hereunder nor shall such interference be deemed an actual or constructive eviction or partial eviction or result in an abatement of rent.

Section 11 DAMAGE AND DESTRUCTION

In the event the Improvements are damaged or destroyed in whole or in part by fire or other casualty during the Term hereof, Tenant shall, at its own cost and expense, repair, replace and restore the Improvements to the same condition such Improvements were in before such casualty. Any and all such repairs, replacements and restorations shall be governed by the provisions of Section 5 in the same manner such provisions governed the original construction of the Improvements. In the event the Science Center Property is damaged or destroyed in whole or in part by fire or other casualty during the Term hereof, Detroit Science Center may, at its own cost and expense, repair, replace and restore the Science Center Property.

In the event that Landlord elects not to repair, replace or restore the Science Center Property, it shall be Landlord's obligation to design and reconstruct the Shared Space and the School Area in a manner approved by Tenant that will restore use thereof to Tenant.

In the event that Tenant elects not to repair, replace or restore the Tenant Space, it shall be Tenant's obligation to design and reconstruct the Shared Space and the DSC Space in a manner approved by Landlord that will restore use thereof to Landlord.

The proportionate share of Operating Expenses paid by Landlord shall be adjusted so as to reflect the actual increase or decrease in the proportion of services provided to Landlord by Tenant until such time as the Improvements are restored to such condition. Landlord shall, at its own cost and expense, remove such of its furniture and other belongings from the Detroit
Science Center Space as the Tenant shall require in order to repair and restore the Improvements. During any reconstruction period, Landlord shall use its reasonable efforts to provide Tenant with alternative space if such space is available.

Section 12 EMINENT DOMAIN

If all of the Demised Premises shall be taken as a result of the exercise of the power of eminent domain (including any private sale in lieu thereof), this Lease shall terminate. In the event that a partial or total taking or sale in lieu thereof renders Tenant’s continued operation of the Improvements impractical or impossible, then either Party shall be entitled to terminate this Lease on thirty (30) days prior written notice to the other Party thereto. Any partial taking that affects the continued operations of either Party shall constitute a total taking.

In the event of a partial taking of the Demised Premises which does not result in a termination of this Lease, the Base Rent thereafter to be paid shall be reduced pro-rata in proportion to the square footage of the Demised Premises so taken, and all other charges payable by Landlord for the Shared Space hereunder shall be adjusted pro-rata in proportion to the portion of the Shared Space so taken.

In the event of any taking of any Improvements, Tenant shall be entitled to any and all compensation, damages, income, rent, awards or any interest therein whatsoever which may be paid or made in connection with such taking. Moreover, Landlord shall be entitled to any and all compensation, damages, awards, or any interest therein whatsoever which may be paid or made in connection with any taking of the land comprising the Demised Premises (separate from the Improvements constructed by Tenant thereon), and Tenant shall have no claim against Landlord or the condemning authority for the value of the land. Provided further, that neither Party shall be entitled to any portion of any award made to the other Party for loss of the other Party’s business or taking of the other Party’s personal property or equipment, or costs of removal and/or relocation of the same and such other Party’s attorneys’ fees.

Section 13 HAZARDOUS MATERIALS

Tenant shall not use, generate, store, or dispose of, or permit the use, generation, storage or disposal of Hazardous Materials on or about the Demised Premises except in a manner and quantity necessary for the ordinary performance of Tenant’s operations and instructional purposes, and then in compliance with all applicable laws, rules, regulations and guidelines. If Tenant breaches its obligations under this Section 13, Landlord may immediately take any and all action reasonably appropriate to remedy the same, including taking all appropriate action to clean up or remediate any contamination resulting from Tenant’s use, generation, storage or disposal of Hazardous Materials. Notwithstanding any other provision contained in this Lease to the contrary, Tenant shall defend, indemnify, and hold harmless Landlord and its representatives and agents from and against any and all claims, demands, liabilities, causes of action, suits, judgments, damages and expenses (including reasonable attorneys’ fees and cost of clean up and remediation) arising from Tenant’s failure to comply with the provisions of this Section 13. This indemnity provision shall survive termination or expiration of this Lease.
The term "Hazardous Materials" means any substance, material, or waste which is now or hereafter classified or considered to be hazardous, toxic, or dangerous under any federal, state or local law, rule, regulation or guideline relating to pollution or the protection or regulation of human health, natural resources or the environment, or poses or threatens to pose a hazard to the health or safety of persons on the Demised Premises.

Section 14  OPTIONS TO PURCHASE; ACQUISITION OF IMPROVEMENTS

(a) The Science Center Property is currently subject to the lien of a mortgage held by a consortium of banks. Such mortgage was recorded on January 31, 2000 in Liber 33153, beginning on Page 1298, Wayne County Register of Deeds (the "Mortgage"). If the Mortgage is foreclosed upon, Landlord shall provide Tenant with notice thereof. If Landlord shall have the right to redeem the Science Center Property from such foreclosure for a period of time (the "Redemption Period"), Tenant shall have, during the last fifteen (15) days of the Redemption Period, an option to purchase Landlord's right of redemption for One ($1.00) Dollar and 00/100, provided Landlord has not previously elected to exercise the right of redemption itself. Any such sale of such right of redemption shall be made by a quitclaim deed, without any representation or warranty by Landlord whatsoever.

(b) If Landlord sells the Science Center Building and Tenant determines, in its discretion, that the use of the Science Center Building is incompatible with the operation of a high performance educational facility, then Tenant reserves the right to relocate, at its sole cost and expense, the entrance location in such a fashion as to create separate entrances for Tenant and the Successor Landlord and to redesign the Shared Space in accordance with Exhibit C.A. The Tenant shall contract for the architectural design incorporating at a minimum construction plans for the separation wall on the First Floor, rework of the fire protection piping with corresponding annunciator, rework of HVAC duct work with appropriate fire dampers, electrical power, lighting, domestic water and gas supplies to HVAC units supporting the Lower Level and First Floor. Upon such occurrence, the proportionate share of Operating Expenses paid by Landlord and Tenant shall be adjusted so as to reflect the actual increase or decrease in the proportion of services consumed by each and the scope of the Tenant Space, Shared Space and DSC Space shall be redefined accordingly.

(c) If Landlord desires to sell the Science Center Building, Tenant shall have the first option to purchase the Science Center Building at Fair Market Value as provided by Section 4(c) above.

Section 15  ENTRY BY LANDLORD DURING TERM

Landlord and its agents may enter the Improvements at (a) reasonable hours to (i) inspect the same, (ii) determine whether Tenant is complying with all of its obligations hereunder, (iii) supply any services to be provided by Landlord to Tenant hereunder, and (iv) make repairs, alterations or improvements to any portion of the Science Center Building; provided, however,
that all such work shall be done as promptly as reasonably possible and without unreasonably interfering with operations; and (b) immediately, in the case of any emergency or urgency.

Prior to commencement of the Term, Landlord shall provide Tenant with a written list of all persons to whom Landlord has provided keys and/or access to Improvements, and shall update such list as necessary from time to time and re-certify the accuracy of such list. Landlord shall at all times have and retain a key or access card with which to unlock all of the doors in, on or about Improvements; and Landlord shall have the right to use and any and all means which Landlord may deem proper to open said doors in an emergency or urgency in order to obtain entry to Improvements, and any entry to Improvements obtained by Landlord by any of said means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into or a detainer of Improvements or an eviction, actual or constructive, of Tenant from the Improvements, or any portion thereof. Notwithstanding the foregoing, Landlord shall have no access whatsoever (except in the case of emergency or urgency) to designated file cabinets, file drawers or other areas containing student records and health records pertaining to Tenant students.

Landlord, Tenant and Operator (as hereinafter defined) shall, from time to time, establish reasonable rules and regulations concerning access.

Section 16  ASSIGNMENT; SUBLETTING

It is further anticipated that Tenant will sublease the Demised Premises and lease the Improvements to one or more operating entities who, from time to time during the Term, shall actually operate the high performance educational facility ("Operator"). The form of such a Lease is attached hereto as Exhibit D and made a part hereof. Landlord hereby consents to such action and the execution and delivery of such Lease or a Lease such as this in all material respects and subject to the terms and conditions of this Section 16, such action shall not require any further consent of Landlord.

As a condition to subleasing the Demised Premises and leasing the Improvements to an Operator, at least thirty (30) days prior thereto, Tenant shall introduce Landlord to the proposed Operator. As a further condition, the proposed Operator shall expressly agree in writing, in a form provided by Landlord for that purpose, to take subject to, and to jointly with Tenant, be bound by and to observe and perform, all of the provisions of this Lease on the part of Tenant to be observed and performed.

Tenant may also freely assign and transfer this Lease, directly or indirectly, to a foundation or charitable organization.

Any other subleasing, assignment or transfer of this Lease of the Demised Premises and/or Improvements or any part thereof without the prior written consent of Landlord, which shall not unreasonably be withheld, is hereby prohibited.

Section 17  INSURANCE AND INDEMNIFICATION
(a) Tenant shall, at its sole cost and expense, during the entire Term of this Lease, procure, pay for and keep in full force and effect or cause the same to be procured, paid for and kept in full force and effect: (i) an occurrence form commercial general liability policy, including insurance against assumed or contractual liability under this Lease with respect to the Demised Premises and the operations of Tenant and any person or entity conducting activities in, on or about the Demised Premises in which the limits with respect to personal liability and property damage in a commercially reasonable amount not less than Ten Million Dollars ($10,000,000) combined single limit for bodily injury and property damage per occurrence; (ii) special causes of loss property insurance for the full replacement value (without any deductions for depreciation or otherwise) of the Improvements, including business interruption insurance for a period of at least one (1) year; (iii) special extended coverage property insurance, including theft and, if applicable, boiler and machinery coverage, written at a replacement cost value in an adequate amount to avoid coinsurance and a replacement cost endorsement insuring Tenant’s trade fixtures, furnishings, equipment, plate glass, signs and personal property of Tenant; (iv) workers’ compensation coverage as required by law; and (v) with respect to the construction of Improvements, alterations, improvements and the like required or permitted to be made by Tenant hereunder, contractor’s protective liability and builder’s risk insurance, in amounts satisfactory to Landlord.

Any such request by the Landlord to increase the limits of insurance shall be consistent with generally accepted market limits.

(c) Prior to commencement of the construction of the Improvements and until full completion thereof, Tenant shall secure, pay for and maintain or cause its contractor to secure, pay for and maintain, as the case may be, during construction, the following additional forms of insurance coverage:

(i) Workmen’s Compensation Insurance - statutory limits;

(ii) Commercial General Liability Insurance - (including Contractor’s Protective Liability, Completed Operations, Contractual Liability, Explosion and Collapse coverage), with a commercially combined single limit of Ten Million Dollars ($10,000,000) each occurrence with respect to bodily injury and/or property damage (which coverage may be achieved by using an umbrella liability policy in combination with Tenant’s primary liability policy); and

(iii) Comprehensive Automobile Liability Coverage - (including coverage for owned, hired and non-owned automotive equipment) with a reasonable combined single limit of Ten Million Dollars ($10,000,000) per occurrence for bodily injury and property damage (which coverage may be achieved by using an umbrella liability policy in combination with Tenant’s primary liability policy);
(iv). Tenant shall provide a Completed Value Form “All Physical Loss” Builders Risk Policy, as it relates to the Building, naming the interests of Landlord and its agents as additional insured.

All insurance policies referenced in this subsection (e) shall name Landlord and such other parties as reasonably requested by Landlord as additional insured under the policies. Tenant or Tenant’s contractor shall deliver the necessary insurance certificates to Landlord prior to commencing work. Further, Tenant agrees to hold and save Landlord from any and all liability, claims and damages arising out of the construction of the Improvements.

(d) All policies of insurance required to be carried by Tenant pursuant to this Section shall be written by responsible insurance companies licensed to do business in the State of Michigan and with a Best rating of at least A-X. A copy of each paid-up policy evidencing such insurance or a certificate of the insurer, certifying that such policy has been issued, providing the coverage required by this Section and containing provisions specified herein, shall be delivered to Landlord prior to the commencement of the Term and, upon renewals, not less than thirty (30) days prior to the expiration of such coverage (except for notice of ten (10) days for cancellation due to non-payment of the premium). Landlord may, at any time and from time to time, inspect and/or copy any and all insurance policies required to be procured by Tenant hereunder.

(e) Each policy evidencing insurance required to be carried by Tenant pursuant to this Section shall contain the following provisions and/or clauses: (i) a cross-liability, severability or substantially similar clause; (ii) a provision that such policy and the coverage evidenced thereby shall be primary and noncontributing with respect to any policies carried by Landlord and that any coverage carried by Landlord shall be excess insurance; (iii) a provision including Landlord and such other parties as reasonably requested by Landlord as an additional insured (except with respect to workers’ compensation insurance); and (iv) a provision that the insurer will not cancel, materially change or fail to renew the coverage provided by such policy without first giving Landlord thirty (30) days’ prior written notice.

(f) Landlord and Tenant hereby release each other from any liability (by way of subrogation or otherwise) for any injury or death of any person or loss or damage to any building, structure or other tangible property, or any resulting loss of income, or losses under workers’ compensation laws and benefits, resulting from damage by casualty (irrespective of the cause of such casualty) to the extent that such injury, death, loss or damage is insured or required to be insured by such Landlord or Tenant, as the case may be, under this Lease. Upon or before the execution of this Lease, each Party shall obtain an express waiver of subrogation from their respective insurers.

(g) Throughout the Term, Landlord shall maintain insurance against public liability for injury to person (including death) or damage to property arising out of the use of the Science Center Property. Throughout the Term, Landlord also agrees to keep in effect on the Science Center Property, property physical damage insurance in an amount not less than the replacement cost of the Science Center Building. Landlord may, at its option, also carry special
endorsements, including, but not limited to, endorsements relating to power surges from any source whatsoever. All costs for such insurance shall be the sole responsibility of Landlord. Tenant shall be an additional named insured upon all such policies maintained by Landlord. Upon request, Landlord will furnish Tenant with copies of all such policies and certificates of insurance evidencing that such policies remain in full force and effect.

(h) Subject to subsection (f) above, Tenant shall defend, indemnify and hold harmless, Landlord and it's agents, directors, employees, officers, trustees, employees and representatives from and against all claims, demands, liabilities, causes of action, suits, judgments, damages and expenses (including reasonable attorneys fees) arising from any injury to or death of any person or any damage to or theft, destruction, loss or loss of use of any property (a) occurring on, about or within the Demised Premises or Improvements; (b) occurring on, about or within the Science Center Property to the extent caused by the negligence or willful misconduct of Tenant or Operator or their agents, contractors, employees, licensees, guests, invitees, patrons, students, suppliers and any other person claiming under Tenant or Operator; (c) relating in any way to the Demised Premises or Improvements; or (d) arising from any breach or default of any obligation of Tenant or Operator under this Lease. The provisions of this subsection shall survive the expiration or termination of this Lease.

(i) Subject to subsection (f) above, Landlord shall defend, indemnify and hold harmless, Tenant and Operator and their respective agents, directors, employees, officers, trustees, employees and representatives from and against all claims, demands, liabilities, causes of action, suits, judgments, damages and expenses (including reasonable attorneys fees) arising from any injury to or death of any person or any damage to or theft, destruction, loss or loss of use of any property (a) occurring on, about or within the Science Center Property; (b) occurring on, about or within the Demised Premises or Improvements to the extent caused by the negligence or willful misconduct of Landlord or it's agents, contractors, employees, licensees, guests, invitees, patrons, students, suppliers and any other person claiming under Landlord; (c) relating in any way to the Science Center Property; or (d) arising from any breach or default of any obligation of Tenant or Operator under this Lease. The provisions of this subsection shall survive the expiration or termination of this Lease.

Section 18  EVENTS OF DEFAULT

The occurrence of any one or more of the following events (each hereinafter referred to as an “Event of Default”) shall constitute a breach of this Lease by Tenant: (a) if Tenant shall fail to pay the Base Rent or any other sum when and as the same becomes due and payable and such failure shall continue for more than thirty (30) days after written notice thereof is given by Landlord; (b) if Tenant shall be in breach or default of any other provision of this Lease and any such breach or default for more than thirty (30) days after written notice thereof is given by Landlord; or (c) if the Improvements are abandoned, vacated or not used as a high performance educational facility for a period of more than forty-eight (48) continuous months.
In the event that Landlord gives notice of a breach or default of such a nature that it cannot be cured by Tenant within such thirty (30) day period for reasons beyond Tenant’s control, then such breach or default shall not be deemed to continue so long as Tenant, immediately after receiving such notice, proceeds to cure the breach or default within such thirty (30) day period and thereafter, continues to diligently take all steps necessary to cure such breach or default within a period of time which, under all prevailing circumstances, shall be reasonable.

Section 19  REMEDIES

If any Event of Default shall occur and not be cured during any applicable cure period, Landlord, as its sole remedy, may elect, in the sole and unfettered discretion of Landlord, to purchase the improvements at Fair Market Value, as provided by Section 4(c) above.

Notwithstanding anything to the contrary contained in this Lease, it is understood and agreed that the remedies set forth in this Section shall be Landlord’s sole remedies upon an Event of Default by Tenant, and in no event shall Tenant be liable in damages to Landlord (except for the payment of amounts otherwise required to be paid by Tenant to Landlord hereunder).

In the event of a default by Landlord of its obligations hereunder, the sole remedies of Tenant shall be to terminate this Lease and/or, in the case of the covenant set forth in Section 22 hereof, to seek specific performance thereof, and in no event shall Landlord be liable in damages to Tenant (except for the payment of amounts otherwise required to be paid by Landlord to or on behalf of Tenant hereunder).

Section 20  ESTOPPEL CERTIFICATE; NON-DISTURBANCE

At any time and from time to time on not less than thirty (30) days prior written request by Landlord, Tenant will execute, acknowledge or deliver to Landlord a certificate indicating (a) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease is in full force and effect, as modified, and stating the date and nature of each modification), (b) the date, if any, to which Base Rent and other sums payable hereunder have been paid, (c) that no notice has been received by Tenant of any default which has not been cured, except as to defaults specified in said certificate, and (d) such other matters as may be reasonably requested by Landlord. Any such certificate may be relied upon by any prospective mortgagee or transferee of Landlord’s interest in the Demised Premises or the Science Center Property. Notwithstanding the foregoing, Tenant may condition such estoppel certificate upon receipt of a non-disturbance and attornment agreement from such mortgagee or transferee, in which such mortgagee or transferee shall agree in writing to recognize this Lease and to assure that Tenant’s peaceable possession of the Demised Premises and its rights under this Lease shall not be diminished and that so long as the Tenant is not in breach hereof, the holders of such interests will not disturb or otherwise interfere with the rights and interests of Tenant as created hereby until termination of this Ground Lease and Joint Use Agreement.
Section 21  LANDLORD'S TRANSFER

Landlord may sell or transfer any or all of the right title and interest of Landlord in the Demised Premises, this Lease and/or the Science Center Property (subject to this Lease) and upon doing, Landlord shall be released from any further liability under this Lease.

Section 22  COVENANT OF QUIET ENJOYMENT

Providing that Tenant performs its obligations under this Lease, Tenant may peacefully and quietly enjoy the Demised Premises during the Term of this Lease without disturbance or molestation by Landlord or anyone claiming through or under Landlord, subject to the terms of this Lease.

Section 23  RECORDING MEMORANDUM OF LEASE

At the request of Tenant, and at no cost to Landlord, Landlord shall execute a memorandum of lease, in recordable form, for purposes of making Tenant's leasehold interest hereunder a matter of public record.

Section 24  NO MERGER

There shall be no merger of the leasehold estate hereby created with the fee estate in the Demised Premises or any part thereof if the same person acquires or holds, directly or indirectly, this Lease or any interest in this Lease and the fee estate in the Demised Premises or any interest in such fee estate.

Section 25  LIABILITY OF LANDLORD

If Landlord fails to perform any covenant, term or condition of this Lease upon Landlord's, part to be performed, and if as a consequence of such default Tenant recovers a money judgment against Landlord, such judgment shall attach to and be satisfied only from the right, title and interest of Landlord in the Demised Premises.

Section 26  LANDLORD'S FEES

Whenever Tenant requests Landlord to take any action not required of it hereunder or give any consent required or permitted under this Lease, Tenant will reimburse Landlord for Landlord's reasonable, out-of-pocket costs payable to third parties and incurred by Landlord in reviewing the proposed action or consent, including reasonable attorneys', engineers' or architects' fees, within ten (10) days after Landlord's delivery to Tenant of a statement of such costs. Tenant shall be obligated to make such reimbursement without regard to whether Landlord consents to any such proposed action.

Section 27  ATTORNEYS' FEES
If as a result of any breach or default in the performance of any of the provisions of this Lease by either Party, the other Party uses the services of any attorney in order to: (a) secure compliance with such provisions or recover damages therefor; (b) recover the amounts required under this Lease; or (c) terminate this Lease; the Party against whom such action is taken shall reimburse the other Party upon demand for any and all reasonable attorneys' fees and expenses so incurred by such other Party.

Section 28 BROKERAGE

Neither Landlord nor Tenant has dealt with any broker or agent in connection with the negotiation or execution of this Lease. Tenant and Landlord shall each indemnify the other against all costs, expenses, attorneys' fees, liens and other liability for commissions or other compensation claimed by any broker or agent claiming the same by, through, or under the indemnifying party.

Section 29 NOTICES

All notices, consents, requests, demands, designations or other communications which may be or are required to be given by either Party to the other hereunder shall be in writing and shall be deemed to have been duly given when personally delivered, sent by a recognized overnight delivery service or when deposited in the United States mail, certified or registered, postage prepaid, and addressed as follows: (a) to Tenant at the address set forth in the first paragraph of this Lease, or to such other place as Tenant may from time to time designate in a written notice to Landlord; or (b) to Landlord at the address set forth in the first paragraph of this Lease, or to such other place as Landlord may from time to time designate in a written notice to Tenant.

Section 30 WAIVER

The waiver by Landlord or Tenant of any agreement, condition or provision herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition or provision herein contained, nor shall any custom or practice between the Parties in the administration of the terms hereof be construed to waive or to lessen the right of either Party to insist upon the performance by the other of the terms hereof in strict accordance with said terms.

Section 31 INABILITY TO PERFORM

Other than for Tenant's obligations under this Lease that can be performed by the payment of money, whenever a period of time is herein prescribed for action to be taken by either Party hereto, such Party shall not be liable or responsible for, and there shall be excluded from the computation of any such period of time, any delays due to strikes, riots, acts of God, shortages of labor or materials, war, terrorist acts or activities, governmental laws, regulations, or restrictions, or any other causes of any kind whatsoever which are beyond the control of such Party.
Section 12  CORPORATE AUTHORITY

Each Party executing this Lease does hereby covenant and warrant that such Party is duly authorized and existing Michigan non-profit corporation and that such corporation has full right and authority to enter into this Lease and perform the obligations of such corporation hereunder, and that each and all persons signing on behalf such corporation is authorized to do so.

Section 13  PARTIAL INVALIDITY

Section 14  ENTIRE AGREEMENT

This Lease and the exhibits hereto represent the entire agreement between the Parties with respect to the subject matter hereof. There are no oral agreements between Landlord and Tenant affecting this Lease, and this Lease supersedes and cancels any and all previous agreements, arrangements, negotiations, proposals, term sheets and understandings, if any, between Landlord and Tenant with respect to the subject matter of this Lease. There are no representations or warranties between Landlord and Tenant other than those contained in this Lease, if any, and all reliance with respect to any representations or warranties is solely upon such representations. This Lease may not be amended except in a written instrument signed by both Landlord and Tenant.

Section 35  CAPTIONS

The captions set forth herein are for convenience only, and do not represent or constitute matter to be construed.

Section 36  SUCCESSORS AND ASSIGNS

The agreements, conditions and provisions herein contained shall, subject to the provisions as to assignment, set forth in Section 16 hereof, apply to and bind the heirs, executors, administrators, successors and permitted assigns of the Parties hereto.

Section 37  LAWS OF MICHIGAN
This Lease shall be governed by and construed pursuant to the laws of the State of Michigan without regard to choice of law principles that would require application of the laws of any other jurisdiction.

4. USE OF PREMISES. Tenant covenants and agrees during the term of this Lease to use and to occupy the Demised Premises only for use as a public school academy for a high school.
5. RESERVED.

6. CARE AND MAINTENANCE OF PREMISES. 7. COMPLIANCE WITH LAWS. Tenant will make no unlawful use of the Demised Premises and agrees and represents that it will not use or permit any person to use the Demised Premises in violation of any law, statute, order, ordinance, code, rule or regulation of any federal, state or municipal body or other governmental agency or authority having jurisdiction thereof; including, without limitation, zoning, land use and building ordinances, uses and requirements; occupational safety and health requirements; community right-to-know requirements; the Americans With Disabilities Act of 1990; and state and federal environmental laws (collectively "Laws"), affecting the Demised Premises, if any; provided, however, that Tenant shall not be responsible for any violation of Laws or any condition at the Demised Premises existing on or before the Commencement Date.

Tenant agrees to pay all charges made against the Demised Premises for gas, heat, water, air conditioning, electricity, sanitary and storm sewage disposition, telephone and all other utilities ("Utilities") during the Lease term as the same shall become due all of which shall be separately metered and billed directly to Tenant. Landlord shall not be liable to Tenant for the quality or quantity of any such utilities, or for any interruption in the supply of any such utilities.

9. SURRENDER OF PREMISES AT END OF TERM—REMOVAL OF FIXTURES. Tenant agrees that upon the termination of this Lease it will surrender, yield up and deliver the Demised Premises in good and clean condition, except the effects of ordinary wear and tear and depreciation arising from lapse of time, or damage without fault or liability of Tenant. furnishings, fixtures or equipment during the Term of this Lease that are incorporated into and/or affixed to the buildings or improvements located on the Demised Premises and cannot be removed without substantial damage or injury to the buildings or improvements, then they shall automatically become the property of Landlord upon installation and shall not be removed without Landlord's prior written consent, which may be granted or withheld in its sole and absolute discretion.

10. ASSIGNMENT AND SUBLETTING. Tenant shall not sell, assign, sublet, hypothecate, encumber, mortgage or in any manner transfer this Lease or any estate or interest therein (including any transfer by operation of law or otherwise), the Demised Premises or any part thereof or permit the use of the Demised Premises by any person or entity other than Tenant without the prior written consent of the Landlord, which may be granted or withheld in its sole and absolute discretion.

11. ALL REAL ESTATE TAXES. Landlord shall pay all real and personal property tax, and assessments. Tenant shall pay all other governmental impositions which may be levied during the Lease Term upon the land, building, or other improvements constituting the Demised Premises or any part thereof, as pro rated on a due date basis.
12. INSURANCE. Landlord and Tenant will each keep its respective property interests in the premises and its liability in regard thereto, and the personal property on the premises, reasonably insured against hazards and casualties; that is, fire and those items usually covered by extended coverage; and Tenant will procure and deliver to the Landlord a certification from the respective insurance companies to that effect. Such insurance shall be made payable to the parties hereto as their interests may appear, except that the Tenant's share of such insurance proceeds are hereby assigned and made payable to the Landlord to secure rent or other obligations then due and owing Landlord by Tenant. Tenant will not do or omit the doing of any act which would vitiate any insurance, or increase the insurance rates in force upon the real estate improvements on the premises or upon any personal property of the Tenant upon which the Landlord by law or by the terms of this lease, has or shall have a lien. Subrogation rights are not to be waived unless a special provision is attached to this lease. Tenant further agrees to promptly pay, as if current rent, any increase in insurance rates on said premises and on the building of which said premises are a part, due to increased risks or hazards resulting from Tenant's use of the premises otherwise than as herein contemplated and agreed. Landlord shall settle and adjust any claim against any insurance company under its said policies of insurance for the premises, and said insurance monies shall be paid to and held by the Landlord to be used in payment for cost of repairs or restoration of damaged building, if the destruction is only partial.

13. INDEMNITY AND LIABILITY INSURANCE. Except as to any negligence of the Landlord, Tenant will protect, indemnify to the extend provided by law without waiving any privileges or immunities and save harmless the Landlord from and against any and all loss, costs, damage and expenses occasioned by, or arising out of, any accident or other occurrence causing or inflicting injury and/or damage to any person or property, happening or done, in, upon or about the Demised Premises, or due directly or indirectly to the tenancy, use or occupancy thereof, or any part thereof by the Tenant or any person claiming through or under the Tenant. The Tenant further covenants and agrees that it will at its own expense procure and maintain commercial, general liability insurance in a responsible company or companies authorized to do business in the State of Michigan, in an amount reasonably required by the Landlord, but in to event less than $3 Million combined single limit per occurrence, and $15 Million for personal and real property improvements damage which may be based on a combination of primary coverage plus excess insurance or umbrella coverage. Certificates or copies of said policies, naming the Landlord, and providing for fifteen (15) days' notice to the Landlord before cancellation shall be delivered to the Landlord within ten (10) days from the Commencement Date.

14. FIRE AND CASUALTY, PARTIAL DESTRUCTION OF PREMISES. In the event of a partial destruction or damage of the Demised Premises, which is a business interference, that is which prevents the conducting of a normal business operation and which damage is reasonably repairable within thirty (30) days after its occurrence, this lease shall not terminate but the rent for the leased premises shall abate during the time of such business interference. In the event of partial destruction, Landlord shall repair such damages within 30 (thirty) days of its occurrence unless prevented from so doing by acts of God, the elements, the public enemy, strikes, riots, insurrection, government regulations, city ordinances, labor, material or transportation shortages, or other causes beyond Landlord's reasonable control.

15. ZONING. Should the zoning ordinance of the city or municipality in which this property is located make it impossible for Landlord, using diligent and timely effort to obtain necessary permits and to repair and/or rebuild so that Tenant is not able to conduct its business on these premises, then such partial destruction shall be treated as a total destruction as provided in the next Section 16.

16. TOTAL DESTRUCTION OF BUSINESS USE. In the event of a destruction or damage of the Demised Premises including the parking area so that Tenant is not able to conduct its business on the premises or the then current legal use for which the premises are being used and which
damages cannot be repaired within thirty (30) days this Lease may be terminated at the option of either the Landlord or Tenant. Such termination in such event shall be effected by written notice of one party to the other, within five (5) days after such destruction. Tenant shall surrender possession within ten (10) days after such notice issues and each party shall be released from all future obligations hereunder, Tenant paying rental pro rata only to the date of such destruction. In the event of such termination of this lease, Landlord at its option, may rebuild or not, according to its own wishes and needs.

17. CONDEMNATION. If all or any material part of the Demised Premises shall be taken or condemned by any competent authority for any public use or purpose, the Lease Term shall, at the option of Landlord, end as of the date of the actual taking. If the Demised Premises may not be reasonably used for the purpose contemplated by this Lease following any taking, Tenant may terminate this Lease by written notice to Landlord. In the event of a termination pursuant to this Section, Rent shall be pro rated to the date of such taking. In the event of a condemnation, Landlord shall be entitled to the entire condemnation award, except that Tenant shall be entitled to receive any portion of the condemnation proceeds awarded for Tenant moving costs and related expenses, and diminution in value of the leasehold interest only.

18. TERMINATION OF LEASE AND DEFAULTS OF TENANT. This Lease shall terminate as set forth in Section 1. Upon default in payment of rental herein or upon any other default by Tenant in accordance with the terms and provisions of this lease, this Lease may at the option of the Landlord be cancelled and forfeited, PROVIDED, HOWEVER, Landlord shall give Tenant a written notice specifying the default, or defaults, and stating that this lease will be cancelled and forfeited ten (10) days after the giving of such notice, unless such default, or defaults, are remedied within such grace period. In the event Tenant is adjudicated a bankrupt or in the event of a judicial sale or other transfer of Tenant's leasehold interest by reason by any bankruptcy or insolvency proceedings or by other operation of law, but not by death, and such bankruptcy, judicial sale or transfer has not been vacated or set aside within ten (10) days from the giving of notice thereof by Landlord to Tenant, then and in any such events, Landlord may, at its option, immediately terminate this lease, and re-enter said premises, upon giving of ten (10) days' written notice by Landlord to Tenant, all to the extent permitted by applicable law. A waiver as to any default shall not constitute a waiver of any subsequent default or defaults. Acceptance of keys, advertising and re-renting by the Landlord upon the Tenant's default shall be construed only as an effort to mitigate damages by the Landlord, and not as an agreement to terminate this Lease.

19. RIGHT OF EITHER PARTY TO MAKE GOOD ANY DEFAULT OF THE OTHER. If default shall be made by either party in the performance of, or compliance with, any of the terms, covenants or conditions of this lease, and such default shall have continued for thirty (30) days after written notice thereof from one party to the other, the person aggrieved, in addition to all other remedies now or hereafter provided by law, may, but need not, perform such term, covenant or condition, or make good such default.

20. QUIET ENJOYMENT. Landlord covenants that so long as no default has occurred and is continuing, Tenant may peacefully and quietly hold and enjoy the Demised Premises for the Lease Term without interference by Landlord or any person claiming by, through or under Landlord.

21. SIGNS. Tenant will not place or cause to be placed or maintained any sign or advertising matter of any kind anywhere on the Demised Premises, except in the interior thereof, without Landlord's prior written approval, which approval shall not be unreasonably withheld.

22. LANDLORD'S LIEN AND SECURITY INTEREST. Landlord shall have in addition to the lien given by law, a security interest as provided by the Uniform Commercial Code of laws, if any, upon all personal property and all substitutions thereof, kept and used on said premises by
Tenant. Landlord may proceed at law or in equity with any remedy provided by law or by this lease for the recovery of rent or for termination of this lease because of Tenant's default in its performance.

23. RIGHTS CUMULATIVE. The various rights, powers, options, elections and remedies of either party, provided in this lease, shall be construed as cumulative and no one of this lease unless either party notifies the other, in writing, of a different address. Without prejudice to any other method of notifying a party in writing or making a demand or other communication, such message shall be considered given under the terms of this Lease when sent, addressed as above designated, postage prepaid, by registered or certified mail, return receipt requested, by the United States mail and so deposited in a United States mail box.

24. NOTICES AND DEMANDS. Notices as provided for in this Lease shall be given to the respective parties hereto at the respective addresses designated on page one of this lease unless either party notifies the other, in writing, of a different address. Without prejudice to any other method of notifying a party in writing or making a demand or other communication, such message shall be considered given under the terms of this lease when sent, addressed as above designated, postage prepaid, by registered or certified mail, return receipt requested, by the United States mail and so deposited in a United States mail box.

25. PROVISIONS TO BIND AND BENEFIT SUCCESSORS, ASSIGNS, ETC. This Lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, assigns and permitted transferees.

26. CHANGES TO BE IN WRITING. None of the covenants, provisions, terms or conditions of this Lease to be kept or performed by Landlord or Tenant shall be in any manner modified, waived or abandoned, except by a written instrument duly signed by the parties and delivered to the Landlord and Tenant. This Lease contains the whole agreement of the parties.

27. CONSTRUCTION. Words and phrases herein, including acknowledgement hereof, shall be construed as in the singular or plural number, and as masculine, feminine or neuter gender according to the context.

28. COUNTERPARTS. This Lease may be executed in any number of separate counterparts, each of which, when executed and delivered, shall be an original, but such counterparts shall together constitute one and the same document.
IN WITNESS WHEREOF, the parties hereto have duly executed this Lease as of the Commencement Date.

2.2 Term

The term of this Lease shall be for the Lease Term, unless the Lease Term is extended or sooner terminated in accordance with the provisions of this Lease, or automatically and immediately terminated in accordance with Article X of a certain Contract to Charter One or More Urban High School Academies and Related Documents dated December 14, 2007, as amended, by and between GVSU Board of Trustees ("Authorizer") and the Public School Academies of Detroit (the "Charter School Contract").

SECTION 3
CONSTRUCTION OF DEMISED PREMISES

3.1 Construction

Landlord agrees to cause Substantial Completion (defined below) of the Landlord Improvements, at Landlord's sole cost and expense, prior to the Commencement Date.

3.2 Delays

In the event Landlord's contractors shall be delayed or hindered in the construction of the Landlord Improvements or prevented from completing such construction or prevented from delivering possession of the Demised Premises on or prior to the Commencement Date because of any strike, lockout, labor dispute; fire, damage or destruction or casualty; unavailability of material; weather; power failures; unavailability of utilities; restrictive governmental laws or regulations; riots; insurrection; war; or any other reason, beyond the reasonable control of the Landlord or its contractors ("Force Majeure Event"), then Landlord shall be excused for the period of delay caused by the Force Majeure Event and the Commencement Date shall be extended for such period of delay, and the Termination Date shall be extended for the same number of days as the Commencement Date has been postponed.

3.3 Substantial Completion

"Substantial Completion" shall mean the completion of the Landlord Improvements so that the Demised Premises is available and all required governmental permits and approvals have been obtained (including a certificate of occupancy) for occupancy and use by Tenant as a public school academy for use as a high school.
SECTION 4
POSSESSION AND COMMENCEMENT OF TERM

4.1 Possession and Commencement of Lease Term

Landlord shall deliver actual possession of the Demised Premises to Tenant on or before the Commencement Date, but if delivery is delayed by reason of a Force Majeure Event, the date upon which such possession is delivered shall constitute the "Commencement Date" in lieu of the date provided in Section 1 and the Termination Date provided in Section 1 shall be extended for the same number of days. In the event that Tenant occupies the Demised Premises prior to the Commencement Date, the Commencement Date shall be the date that Tenant occupies the Demised Premises, but the Termination Date shall not be changed from the date provided in Section 1. Landlord shall, when construction progress so permits, notify Tenant of the date that Substantial Completion of the Landlord Improvements is anticipated. By occupying the Demised Premises, Tenant will be deemed to have accepted the Landlord Improvements and the Demised Premises. The Rent, as defined herein, due under this Lease and the term of this Lease shall commence on the Commencement Date.

4.2 Landlord Not Liable For Delays

Under no circumstances shall Landlord be liable for any delays in the delivery of possession to Tenant on the Commencement Date. Tenant's sole and exclusive remedy shall be the abatement of Rent until the Demised Premises are ready for occupancy and possession is delivered to Tenant.

4.3 Memorandum

Within 30 days after the delivery of possession to Tenant, Tenant shall join with Landlord in the execution of a written memorandum confirming the Commencement Date and Termination Date of the Lease Term. Tenant's failure to execute the Memorandum (if requested by Landlord) shall be a default by Tenant under this Lease.

SECTION 5

5.1 Base Rent

Tenant shall pay to Landlord Base Rent during the Lease Term. Base Rent shall be payable in one annual payment in advance on the Commencement Date and the first day of each Lease Year thereafter at the office of Landlord stated in Section 1 or such other place designated by Landlord.

5.2 Rent Net of Expenses

Landlord and Tenant intend that Base Rent due hereunder, together with any adjustments during the Lease Term shall be absolutely net of all costs, expenses, taxes (real and personal) and charges of every kind and nature whatsoever relating to the ownership, occupancy or use of the Demised Premises. To the extent permitted by law and without
waiving any privilege or immunity, Tenant shall indemnify and hold Landlord harmless from and against any such costs, expenses, taxes (real or personal) and charges for which Tenant is responsible under this Lease.

5.3 Additional Rent

All amounts due from Tenant and payable to Landlord or the provider of any service (such as utilities, maintenance, etc.), if provided direct to Tenant, excluding Base Rent, including, without limitation, utilities, taxes, maintenance and insurance costs shall be deemed to be additional rent ("Additional Rent"). Upon Tenant's failure to pay any such amount, Landlord, in addition to any other remedies, shall have the same remedies provided for Tenant's failure to pay Base Rent (Base Rent, together with the Additional Rent, shall be collectively referred to as "Rent"). Tenant shall pay any and all sums of money or charges required to be paid by Tenant under this Lease, including, but not limited to, Additional Rent, promptly when the same are due, without any deductions or setoff whatsoever except as otherwise specifically set forth herein. 7.2 Definition
"Taxes" shall be defined as: (a) all taxes (either real or personal), assessments (general or specific), all water and sewer charges, and all other governmental impositions, which may be levied during the Lease Term upon the land, buildings or improvements comprising the Demised Premises or any part thereof; (b) all other taxes and other charges imposed by the State of Michigan or any subdivision thereof which: (1) are in replacement of or in lieu of increases in all or any part of ad valorem taxes as sources of revenue and (2) are based in whole or in part upon Demised Premises or any interest therein or the ownership thereof, or the rents, profits or other income therefrom, including, without limitation, income, single business, franchise, excise, license, privilege, sales, use, and occupancy taxes; (c) a tax or surcharge of any kind or nature upon, against or with respect to the parking areas or the number of parking spaces on the Demised Premises; and (d) all costs and expenses incurred by Landlord during the lease term for negotiations for or contests of the amount of such taxes and assessments, without regard to the result, including, without limitation, actual attorneys' fees; provided, that Tenant pre-approves such contests for taxes or assessments. At the expiration of the Lease Term, or the sooner termination thereof, Tenant shall surrender the Demised Premises in as good condition and repair as existed at the time Tenant took possession, reasonable wear and tear excepted.

8.3 Hazardous Substances

Tenant shall not use, cause or permit the Demised Premises to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process hazardous substances.

SECTION 9
INDEMNITY

9.1 Indemnity

To the extent permitted by applicable law and without waiving any privilege or immunity, Tenant shall defend, indemnify and hold harmless Landlord and Landlord's officers, directors, employees and agents (regardless of any negligence imputed to Landlord by law due to its ownership of the real property involved), from and against any and all claims, suits, personal injuries, death, property damage, liabilities, damages, losses, costs or expenses, including, without limitation, reasonable legal, accounting, consulting, engineering and other expenses (collectively "Damages") which may be imposed upon, incurred by, or asserted against Landlord or Landlord's officers, directors, employees or agents (collectively "Indemnified Parties"), arising directly or indirectly from any (a) occurrence on or about the Demised Premises from any cause whatsoever from and after the Commencement Date and during the Lease Term, (b) failure of Tenant to comply with any provision of this Lease, (c) failure of any subtenant to comply with any provision of
any sublease, (d) occupancy or use by Tenant and/or subtenant of the Demised Premises or any act or omission of Tenant, its employees, agents, representatives, invitees, licensees and contracting parties or any subtenant, or (e) failure of Tenant to strictly comply with the terms and conditions of the Charter School Contract. The indemnities provided herein shall include attorneys' fees incurred by the Indemnified Parties in connection with such Damages or to enforce the indemnity given hereunder. Tenant shall not be required, however, to indemnify Landlord against Damages arising from Landlord's gross negligence or willful misconduct. Any liability or loss as to which the Indemnified Parties are entitled under this Section 9.1 and all expenses incurred in connection therewith including, but not limited to, attorneys fees, shall constitute Additional Rent payable upon demand.

9.2 Liability Insurance

Tenant shall procure and keep in effect during the Lease Term commercial, general liability insurance on an occurrence basis, including operations and insured contract coverage, for personal injury or death or property damage occurring in, upon or about the Demised Premises or any street, drive, sidewalk, curb or passageway adjacent thereto in the amount reasonably required by Landlord (but in no event less than Ten Million ($10,000,000) Dollars combined single limit per occurrence, which may be based on a combination of primary coverage plus excess insurance or "umbrella" coverage. Any contractual liability coverage for indemnifications given by Tenant under this Lease shall not in any way limit such indemnifications.

9.3 Delivery of Policy.

Tenant shall provide Landlord with evidence of the above-referenced insurance on or before the Commencement Date. Evidence of such insurance shall be in the form of an insurance policy or binder. Landlord shall be named as an additional insured on all such policies. Such insurance policies shall prohibit cancellation, alterations, changes, amendments, modifications, deletions or reductions in coverage either at the insistence of Tenant or the insurance company issuing the policy, without at least thirty (30) days prior written notice having been given to Landlord. If Tenant fails to maintain such insurance coverage, Landlord may, at its option, procure such insurance for the account of Tenant and the cost thereof shall be paid by Tenant to Landlord upon delivery to Tenant of bills therefore. The insurer or insurers shall be such as may from time to time be approved by Landlord and shall be issued by insurance companies authorized to do business in the State of Michigan.

SECTION 10

sole cost and expense, also repair or replace the driveways, walkways, parking areas, and
landscaping on the Demised Premises. Tenant shall, at its sole cost and expense, contract
with contractors acceptable to Landlord (except in the case of emergency) for the

Lease. Tenant shall perform such maintenance, repairs and replacement so as to maintain
the Demised Premises in the same condition in which it was delivered to Tenant,
reasonable wear and tear excepted. Such maintenance, repair and replacement obligations

capital repairs or replacement of the Demised Premises, such as major repair or
replacement of a building roof, an HVAC unit, the plumbing system, the water main, the

(i) by an “All Risk of Physical Loss” policy with the broadest form of extended coverage endorsement in an amount sufficient to prevent Landlord from becoming a co-insurer under the policies or Laws, including special extended coverage endorsements reasonably required by Landlord in an amount equal to the full replacement and reconstruction cost and valued on a replacement cost basis of the building and improvements which are a part of the Demised Premises (including any alterations made by Tenant and incorporated into the Demised Premise) as determined solely by Landlord, without allowance for depreciation and exclusive of the cost of excavations, foundations and footings;

(ii) against damage by flood if the Site is located in an area identified by the Secretary of Housing and Urban Development, or any successor, as an area having special flood hazard and in which flood insurance has been made available under the Flood Acts, in an amount determined solely by Landlord;

(iii) against damage or loss from (1) sprinkler system leakage, and (2) boilers, if any, boiler tanks, if any, heating and air-conditioning equipment, pressure vessels, auxiliary piping and similar apparatus, in an amount determined solely by Landlord; and

(iv) during the period of any construction, repair, restoration, or replacement of the Demised Premises, performed after the construction of the Landlord Improvements, by a standard builder’s risk policy with extended coverage in an amount at least equal to the full replacement and reconstruction cost and valued on a replacement cost basis, workers compensation in statutory amounts, and such endorsements as required by Landlord.

Tenant shall provide Landlord with evidence of the above-referenced insurance on or before the Commencement Date. Evidence of such insurance shall be in the form of an insurance policy or binder. Landlord shall be named as an additional insured and loss payee on all such policies. Such insurance policies shall prohibit cancellation, alterations, changes, amendments, modifications, deletions or reductions in coverage either at the
insistence of Tenant or the insurance company issuing the policy, without at least thirty (30) days prior written notice having been given to Landlord. If Tenant fails to maintain such insurance coverage, Landlord may, at its option, procure such insurance for the account of Tenant and the cost thereof shall be paid by Tenant to Landlord upon delivery to Tenant of bills therefore. The insurer or insurers shall be such as may from time to time be approved by Landlord and shall be issued by insurance companies authorized to do business in the State of Michigan.

12.2 Rebuilding

If the Demised Premises shall become damaged by fire or other casualty, Landlord may either restore the Demised Premises or make it tenable (to the extent of available insurance proceeds) or terminate this Lease by notifying the Tenant of such termination within thirty (30) days after the date of such damage, at its sole option. Tenant shall immediately notify Landlord of the occurrence of a fire or other casualty at the Demised Premises.

12.3 Waiver of Subrogation

Any property insurance policy carried by Landlord or Tenant or any policy covering both the interest of Landlord or Tenant under this Section 12 shall include a provision under which the insurance company waives all right of recovery by way of subrogation against Landlord or Tenant in connection with any loss or damage covered by any such policy. Landlord or Tenant hereby release and discharge each other from any liability whatsoever arising from any loss, damage or injury caused by fire or other casualty to the extent of the insurance covering such loss, damage or injury.

SECTION 13

In the event of a termination pursuant to this Section, Rent shall be pro rated to the date of such taking. The repair and/or replacement FF&E and Building Systems shall become the property of Landlord upon installation caused by Tenant and shall remain at the Demised Premises after termination and/or expiration of this Lease. FF&E and Building Systems expenditures shall be made prior to the commencement of the School Year during such Lease Year and if the Annual Cap Ex Amount is not expended by the start of the School Year, the remaining amount shall be placed in an escrow account or capital reserve budget line item (“Escrow Account”) before the start of the School Year with a federally insured bank with withdrawal privileges requiring the signatures of both Landlord and Tenant for withdrawals in excess of $10,000. Tenant’s failure to expend the Annual Cap Ex Amount in each Lease Year and/or escrow the shortfall or full amount thereof after the fourth Lease Year and for each and every year thereafter, including any Option Period (if exercised), in a timely fashion as outlined herein shall constitute a Default under this Lease.
On or before June 30, 2014, Landlord and Tenant shall negotiate in good faith to determine through a comprehensive building evaluation, the Annual Cap Ex Amount and include a schedule of Annual Cap Ex Amounts as an additional Exhibit C to this Lease.

10.2 Compliance With Laws

During the term of this Lease, Tenant shall comply with all Laws (as defined in Section 8.1) and make any repairs, additions, modifications or alterations to the Demised Premises, regardless of the nature thereof, which are required by any Laws or required by the insurance carrier to maintain the insurance required under this Lease; provided, however, that Tenant shall not be responsible for any conditions existing at the Demised Premises prior to the Lease Commencement Date.

SECTION 11
TENANT'S ALTERATIONS

Tenant shall not make any structural alterations, additions, modifications or improvements to the Demised Premises without the prior written consent of Landlord, which consent may be granted or withheld in the sole and absolute discretion of Landlord. Tenant shall not make any non-structural alterations, additions, modifications or improvements having a cost in excess of $10,000 to the Demised Premises without the prior written consent of Landlord, which consent shall not be unreasonably withheld.

SECTION 12
PROPERTY INSURANCE, REBUILDING AND WAIVER OF SUBROGATION

12.1 Property Insurance

Tenant shall, during the Lease Term, at its sole cost and expense, keep the Demised Premises and all Landlord owned FF&E insured for the benefit of Landlord and any mortgagee of Landlord:

(a) by an "All Risk of Physical Loss" policy with the broadest form of extended coverage endorsement in an amount sufficient to prevent Landlord from becoming a co-insurer under the policies or Laws, including special extended coverage endorsements reasonably required by Landlord in an amount equal to the full replacement and reconstruction cost and valued on a replacement cost basis of the building, improvements and Landlord owned FF&E which are a part of the Demised Premises (including any alterations) as determined solely by Landlord, without allowance for depreciation and exclusive of the cost of excavations, foundations and footings;

(b) against damage by flood if the Site is located in an area identified by the Secretary of Housing and Urban Development, or any successor, as an area having special flood hazard and in which flood insurance has been made available under the Flood Acts, in an amount determined solely by Landlord;

(c) against damage or loss from (1) sprinkler system leakage, and (2) boilers, if any, boiler tanks, if any, heating and air-conditioning equipment, pressure vessels, auxiliary piping
and similar apparatus, in an amount determined solely by Landlord; and

(d) during the period of any construction, repair, restoration, or replacement of the Demised Premises performed after the construction of the Landlord Improvements, by a standard builder's risk policy with extended coverage in an amount at least equal to the full replacement and reconstruction cost and valued on a replacement cost basis, workers compensation in statutory amounts, and such endorsements as required by Landlord.

Tenant shall provide Landlord with evidence of the above-referenced insurance on or before the Lease Commencement Date. Evidence of such insurance shall be in the form of an insurance policy or binder. Landlord and any mortgagee of Landlord shall be named as an additional insured on all such policies. If Tenant fails to maintain such insurance coverage, Landlord may, at its option, procure such insurance for the account of Tenant and the cost thereof shall be paid by Tenant to Landlord upon delivery to Tenant of bills therefor. The insurer or insurers shall be such as may from time to time be approved by Landlord and shall be issued by insurance companies authorized to do business in the State of Michigan.

12.2 Rebuilding

If the Demised Premises shall become damaged by fire or other casualty, Landlord may either restore the Demised Premises or make them tenable (to the extent of available insurance proceeds) or terminate this Lease by notifying the Tenant of such termination within thirty (30) days after the date of such damage, at its sole option. Tenant shall immediately notify Landlord of the occurrence of a fire or other casualty at the Demised Premises.

12.3 Waiver of Subrogation

Any property insurance policy carried by Landlord or Tenant or any policy covering both the interest of Landlord or Tenant under this Section 12 shall include a provision under which the insurance company waives all right of recovery by way of subrogation against Landlord or Tenant in connection with any loss or damage covered by any such policy. Landlord or Tenant hereby release and discharge each other from any liability whatsoever arising from any loss, damage or injury caused by fire or other casualty to the extent of the insurance covering such loss, damage or injury.

SECTION 13
EMINENT DOMAIN

13.1 Condemnation

If all or any material part of the Demised Premises shall be taken or condemned by any competent authority for any public use or purpose, the Lease Term shall, at the option of Landlord, end as of the date of the actual taking. If the Demised Premises may not be reasonably used for the purpose contemplated by this Lease following any taking, Tenant may terminate this Lease by written notice to Landlord. In the event of a termination pursuant to this Section, Rent shall be prorated to the date of such taking. In the event of a condemnation, Landlord shall be entitled to the entire condemnation award, except that Tenant shall be entitled to receive any portion of the condemnation proceeds awarded for Tenant moving costs and related expenses, and diminution in value of the leasehold interest only and loss of business.

UPSM Elementary Lease
13.2 Landlord's and Tenant's Damages

Subject to Section 13.1 above, all damages awarded for such taking under the power of eminent domain, whether for the whole or a part of the Demised Premises, shall belong to and be the property of Landlord.

SECTION 14
ACCESS TO PREMISES

Landlord or Landlord's agent shall have the right to enter the Demised Premises at all reasonable times to inspect or examine the same, and to make such tests, repairs, alterations, improvements or additions as Landlord may deem necessary or desirable. Landlord shall conduct all inspections and examinations and all repairs, alterations, improvements and/or additions in such a manner so as to not unreasonably disrupt the operations of Tenant at the Demised Premises.

SECTION 15
FIXTURES AND EQUIPMENT

All FF&E installed by Landlord shall remain the property of Landlord at the termination of this Lease. If Tenant installs any FF&E during the Lease Term that are incorporated into and/or affixed to the buildings or improvements located on the Demised Premises and cannot be removed without substantial damage or injury to the buildings or improvements, then such FF&E shall automatically become the property of Landlord upon installation and shall not be removed without Landlord's prior written consent, which may be granted or withheld in Landlord's sole and absolute discretion. All FF&E installed by Tenant and not removed at the termination of the Lease Term shall remain the property of Landlord. In the event Landlord consents to such removal, Tenant shall remove such FF&E in accordance with all applicable Laws and shall repair any damage or injury caused by the removal thereof in a good and workmanlike manner.

If Tenant installs any FF&E during the Lease Term of which can be removed from the Demised Premises without substantial damage or injury to the buildings or improvements, then Tenant may remove such FF&E at the termination of this Lease.

Annually, on or about April 15 of each calendar year, Tenant shall provide Landlord with an accounting as to any FF&E of Landlord which have been replaced or otherwise disposed of by Tenant. Except for any such items which have become damaged or unusable, Tenant shall offer Landlord the opportunity, in writing and with reasonable notice (not less than seven (7) days), to claim any items being replaced by Tenant. If Landlord does not exercise its right to claim such items, they may be disposed of by Tenant in such fashion as Tenant may deem appropriate.

SECTION 16
ASSIGNMENT, SUBLETTING AND TRANSFERS BY TENANT

Tenant shall not sell, assign, sublet, hypothecate, encumber, mortgage or in any manner transfer this Lease or any estate or interest therein (including any transfer by operation of law or otherwise), the Demised Premises or any part thereof or permit the use of the Demised Premises by any person or entity other than Tenant (collectively, a "Transfer"), without the prior written consent of Landlord, which may be granted or withheld in Landlord's sole and absolute discretion.

UPSM Elementary Lease
SECTION 17
MORTGAGE, SALE OR TRANSFER

17.1 Mortgage

Landlord shall have the right to mortgage or otherwise encumber (which shall include any form of encumbrance, mortgage, deed of trust or other similar instrument which will enable Landlord to secure tax credits relating to the Demised Premises and/or the use thereof) the Demised Premises ("Mortgage"). In the event of a Mortgage, the Tenant shall attorn to the mortgagee or other similarly situated party ("Mortgagee") and recognize the Mortgage as superior to the rights of the Tenant under this Lease upon the condition that the Mortgagee executes and delivers to Tenant an agreement ("SNDA Agreement") in a form satisfactory to Tenant and Mortgagee that provides that the Mortgagee will recognize this Lease and not disturb Tenant’s possession of the Demised Premises, so long as Tenant is not otherwise in Default beyond any applicable cure period, in the event of foreclosure or other enforcement activity. Tenant agrees, upon receipt of such SNDA Agreement, to execute such further reasonable instrument(s) as may be necessary to subordinate this Lease to the lien of any such Mortgage.

17.2 Sale or Transfer

Landlord shall have the right to sell, transfer or assign the Demised Premises ("Conveyance"). In the event of a Conveyance, Tenant shall attorn to the purchaser, transferee or assignee ("Transferee") and recognize such Transferee as Landlord under this Lease and Landlord shall be relieved from all subsequent obligations and liabilities under this Lease, provided such obligations are assumed in writing by such Transferee and a copy thereof is provided to Tenant.

SECTION 18
DEFAULT, RE-ENTRY AND DAMAGES

18.1 Default

The following shall constitute a default ("Default") under this Lease:

(a) Tenant fails to pay within seven (7) days of the due date any Base Rent or Additional Rent due hereunder on the day the same shall be due;

(b) Tenant fails to perform any of the terms and conditions under this Lease, other than the payment of Base Rent or Additional Rent, and such failure remains uncured for thirty (30) days following written notice thereof given by Landlord to Tenant;

(c) Tenant files bankruptcy or Tenant becomes insolvent;

(d) Tenant has abandoned for longer than thirty (30) days, except for the period from June 30 to August 30 of any Lease Year, which shall not be deemed abandonments, or Tenant has vacated the Demised Premises;

(e) In the event that a Change in Control of Tenant occurs without the prior approval of Landlord being obtained. "Change in Control" shall mean a change in Board President of the Tenant’s Board of Directors, or a change in the majority of members of the Tenant’s Board of

UPSM Elementary Lease
Directors from those holding office on the Lease Commencement Date, without the prior approval of Landlord having been obtained.

(f) In the event that a Change in Control of the Educational Management Company used by Tenant to operate the urban high school academy school district which is operating the building and facility which is the subject of this Lease occurs without the prior approval of Landlord being obtained. "Change in Control" shall mean any of the following: (1) a change in the President of the Board of Directors or Managing Member of the Educational Management Company; (2) a change in the majority of members of the Board of Directors or membership of the Educational Management Company from those holding such positions on the Lease Commencement Date; or (3) change in the Chief Executive Officer (or similar title); or (4) any change of the actual person in primary control of the operation of the respective school on behalf of the Educational Management Company.

(g) The failure of Tenant to establish policies required by the Charter School Contract in a timely manner, as required by the Charter School Contract.

(h) The termination or expiration of the Charter School Contract or any failure to renew or extend such Charter School Contract for any reason or no reason; unless Tenant enters into a replacement charter contract which authorizes Tenant to operate a public school academy at the Demised Premises for the same grade range as the Charter School Contract prior to the commencement of the next School Year. In the event the Charter School Contract is terminated during the School Year, thereby prohibiting the Tenant from operating a public school in accordance with Michigan law, this Lease shall terminate automatically.

(i) A default by Tenant under any current Leases (or subleases) between Tenant, or any entity related to Tenant, and Thompson Educational Foundation, or any subsidiary or related entity which may include but are not limited to TEF-ONE, LLC, TEF-TWO, LLC, TEF-THREE, LLC, TEF-FOUR, LLC, TEF-FIVE, LLC and TEF Franklin, LLC, that is not cured within the time specified in such Lease.

(j) Failure by Tenant to provide all information reasonably requested by Landlord to permit Landlord to confirm compliance with the terms of any tax credit arrangements relating to the Demised Premises and any Mortgage.

(k) Tenant fails to meet any one or more of the performance standards set forth on Exhibit B (collectively, the “Performance Standards”).

(l) In the event that there shall be a change in the Contract Administrator in place at the time of Lease Commencement Date, without the prior written approval of Landlord having been obtained.

18.2 Landlord’s Remedies Upon Default

(a) Immediately upon Tenant’s Default under this Lease, except (i) in the case of Tenant’s Default under 18.1(k), one (1) year from Tenant’s failure to meet any of the Performance Standards, and (ii) in the case of a Tenant’s Default under 18.1(f), if during a School Year, by June 30, Landlord shall, in addition to all of its other remedies under this Lease and available at law or in equity, have the right to re-enter the Demised Premises, in accordance
with applicable law, to remove all persons and property therefrom. Upon the occurrence of such Default, Landlord, at its option, may either terminate this Lease, or without terminating this Lease, re-let the Demised Premises or any part thereof on such terms and conditions as Landlord deems advisable in its sole and absolute discretion. No such eviction, entry or taking of possession of the Demised Premises, whether through summary eviction proceedings or by self-help, shall be construed as an election on its part to terminate this Lease unless Landlord provides written notice of such intention to Tenant or unless termination is declared by a court of competent jurisdiction.

(b) In addition to any other remedy provided for herein, if Landlord brings suit to recover possession of the Demised Premises or money due under this Lease or a suit for the breach of an obligation Tenant should have performed under the Lease and if Landlord prevails, Tenant shall pay Landlord for expenses incurred in such action, including reasonable attorney's fees. Such expenses shall be deemed to have been incurred when the action commences and shall be enforced whether or not the action is prosecuted to judgment. In the event Tenant prevails in any lawsuit in connection with the Demised Premises, Tenant shall have its expenses, including reasonable attorneys' fees, paid by Landlord.

18.3 Waiver of Jury Trial and Counterclaim

In the event Landlord commences any proceedings for non-payment of Rent, Additional Rent, or any other amount payable to Landlord by Tenant, Tenant shall not interpose any counterclaim of whatsoever nature or description in any such proceeding unless same is a compulsory or mandatory counterclaim. This shall not, however, be construed as a waiver of Tenant's right to assert such a claim in any separate action brought by Tenant. Landlord and Tenant waive trial by jury in any action or proceeding brought by either party on any matter whatsoever arising out of or in any way connected with this Lease, the relationship of lessor and lessee, Tenant's use or occupancy of the Demised Premises, or any claim of injury or damage.

SECTION 19
REPORTING

19.1 School Reports

During the Lease Term, as soon as available, but in no event after the period set forth herein, Tenant shall furnish, upon written request and to the extent not otherwise prohibited by law, or, where information is maintained on government online databases or formats, make available to Landlord the following documents with respect to the School:

a) within sixty (60) calendar days after the beginning of each fiscal year of Tenant, annual enrollment for the School, including, without limitation, federal free and reduced-price lunch eligibility and special education and ethnicity enrollment;

b) within thirty (30) calendar days of Tenant's receipt as to the School and to the extent not otherwise prohibited by applicable law: (A) "Annual School Report Card" required by the No Child Left Behind Act, and the following additional information if not included in the Annual School Report Card: performance on mandated state educational tests and internally-administered tests; (B) all programmatic quality reporting, including

UPSM Elementary Lease
reports to the charter authorizer; and (C) all material correspondence from the charter
authorizer; and

c) Promptly after request, Tenant shall furnish to Landlord such additional
information, reports, statements, and certificates with respect to the School as Landlord
may from time to time reasonably request, in form and content reasonably satisfactory to
the Landlord. Tenant and Landlord acknowledge and agree that certain student-
identifying information (including, without limitation, names and social security
numbers) may be redacted from documents provided to Landlord pursuant to this 19.1 to
protect the privacy of students of the School prior to such documents being delivered to
Landlord.

19.2 Financial Reports

Tenant shall deliver to Landlord (i) within one hundred twenty (120) days of the end of
Tenant’s fiscal year, financial statements for Tenant (including, at a minimum, a balance
sheet, an income statement showing breakeven or better financial performance, and a
statement of cash flow), which financial statements include specific details for Tenant
Business and are certified as true and correct by an authorized officer of Tenant, in a
form reasonably satisfactory to Landlord in all respects and audited by an independent
certified public accountant reasonably approved by Landlord. All financial statements
shall be prepared in accordance with generally accepted accounting practices for public
school accounting in the State of Michigan. Tenant shall deliver to Landlord such other
financial information with respect to Tenant and the Demised Premises as Landlord may
reasonably request from time to time.

SECTION 20
QUIET ENJOYMENT

Landlord covenants that so long as no Tenant Default has occurred and is continuing, Tenant
may peacefully and quietly hold and enjoy the Demised Premises for the Lease Term without
interference by Landlord or any person claiming by, through or under Landlord.

SECTION 21
SUBORDINATION

This Lease is and shall be subject and subordinate to all mortgages and ground or underlying
leases which may now or hereafter affect the Demised Premises, and to all renewals,
modifications, consolidations, replacements and extensions thereof. In confirmation of such
subordination, Tenant shall execute and deliver upon demand such further instrument or
instruments subordinating this Lease to the lien of any such mortgage or mortgages as shall be
desired by Landlord, as well as any mortgages or proposed mortgagees. Any mortgagee of the
Landlord shall be entitled to rely upon and enforce the terms of this Section 21 as a third party
beneficiary.

UPSM Elementary Lease
SECTION 22

SIGNS

Tenant will not place or cause to be placed or maintained any sign or advertising matter of any kind anywhere on the Demised Premises, except in the interior thereof, without Landlord's prior written approval.

SECTION 23

OPTION TO EXTEND

23.1 Option to Extend Lease Term

So long as no Default has occurred and is continuing, and Landlord and Tenant shall have agreed upon the terms of a revised, updated and replacement Exhibit B setting forth the Performance Standards for the Option Period (as defined below) (the “Replacement Exhibit B”), Tenant shall have one (1) option to extend the Lease Term on the same terms and conditions set forth herein but including the Replacement Exhibit B for a period of five (5) years (the “Option Period”) in accordance with the terms of this Section 23 (the “Option to Extend”) at the Annual Base Rent set forth for such years in Exhibit E. The Option to Extend the Lease Term is personal to the Tenant and is not transferable or exercisable by any transferee.

23.2 Exercise of Option

If this Lease is in full force and effect, and Tenant complies with Section 23.1, Tenant may exercise the Option to Extend by providing Landlord with written notice of exercise not more than fifteen (15) months or less than twelve (12) months prior to the expiration of the initial Lease Term, provided Tenant is in compliance with the Performance Standards, and the Replacement Exhibit B has been incorporated into the Lease and is applicable for the Option Period.

SECTION 24

MISCELLANEOUS

24.1 Condition of Demised Premises

This Lease and exhibits attached hereto and forming a part hereof, set forth all of the covenants, agreements, stipulations, promises, conditions, understandings and representations, hereinafter collectively "Representations" between Landlord and Tenant concerning the Demised Premises. Landlord and Tenant agree that there are no Representations other than set forth herein and agree to make no claims against each other based upon Representations not set forth herein.

24.2 Modification

This Lease shall not be modified or amended unless in writing signed by Landlord and Tenant.

24.3 Notices

Any notices or demands required under this Lease shall be in writing addressed to each party at the address set forth Section 1, except that after the Rent Commencement Date any notice to
Tenant shall be given in writing at the Demised Premises, or such changed address provided in writing by the applicable party and shall be served as follows: (a) by personal service with service being effective upon delivery, or (b) by certified mail, return receipt requested, with service being effective two (2) days after mailing, or (c) by telexcopy, facsimile, e-mail or other form of telecommunication, with service being effective upon the date of transmission with reasonable evidence that the transmission was sent, or (d) by recognized overnight courier service, with service being effective one (1) day after delivery to such courier service.

24.4 Survival

Any obligation of Tenant under this Lease which is not performed in full prior to the termination of this Lease shall survive the termination of this Lease and continue in full force and effect until performed in full.

24.5 Captions and Section Numbers

The captions, section numbers and article numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe, or describe the scope or intent of such sections or articles of this Lease.

24.6 Construction

This Lease shall be construed and enforced in accordance with the laws of the State of Michigan. If any provision of this Lease, or the application thereof to any person or circumstances, shall, to any extent be invalid or unenforceable, the remaining provisions of this Lease shall not be affected thereby and shall be valid and enforceable.

24.7 Binding Effect

This Lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, assigns and permitted transferees.

24.8 Joint Drafting

Landlord and Tenant acknowledge and agree that each has joined in and contributed to the drafting of this Lease and as a result there shall be no presumption in construing the provisions of this Lease favoring or burdening either Landlord or Tenant based upon draftsmanship or similar rule of construction.

24.9 Counterparts

This Lease may be executed in any number of separate counterparts, each of which, when executed and delivered, shall be an original, but such counterparts shall together constitute one and the same document.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease on the day and year first above written.
