CSO Capacity Analysis

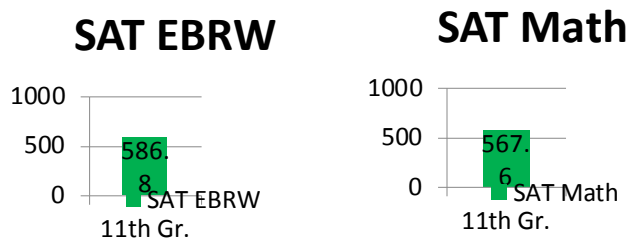

Black River Public School has demonstrated the ability to academically improve while maintaining its organizational soundness and fiscal stability. Black River receives strong support and resources from its management company and board. School leadership has built strong supportive relations with staff and community. Behavior expectations are consistent, fair, and modeled and reinforced by staff. School has a robust and well thought-out intervention program that reaches diverse student populations at the school, and believes that these systems are integral to the school's academic success. The CSO has confidence that the school's internal capacity to deliver strong academic results will remain.
