CSO Capacity Analysis

Black River Public School's ("BRPS's") charter contract expires on June 30, 2021. To inform the renewal process, the CSO has conducted a comprehensive review of evidence of the school's capacity relative to expectations established in GVSU's charter renewal guidelines, a virtual site renewal visit, and stakeholder focus groups to assess BRPS's academic, organizational, and fiscal performance. During this process the CSO generally observed many practices of high-quality instruction, a strong leadership team, and the organizational and fiscal capabilities to support a high-quality educational program. The CSO also observed a strong college-bound culture, as well as a strong faithfulness to its mission and the design elements in a rigorous college preparatory liberal arts curriculum. This evidence provides the CSO with confidence that the school has the internal capacity to deliver strong academic results during the subsequent term of its charter contract.
