CSO Capacity Analysis

Crossroads Charter Academy has experienced several significant changes during the 2019-2020 school year, including a shift to Project Based Learning, entering into a management partnership with CS Partners, and the resignation of long-serving superintendent Dr. Chis White. The board and staff are adapting to these changes after months of uncertainty and hesitancy. Because of these changes, the CSO is closely monitoring outcomes in what will be a pivotal year as the academy moves into its 23rd year. However, the CSO remains confident that the school has the capacity to achieve positive academic and enrollment results.
