Summary & Key School Highlights

Summary:

Light of the World Academy is a former private Montessori school that opened as a charter in 2015 in Pinckney, Michigan. The school is operated by Global Psychological Services and enrolls approximately 230 K-8 students.

Highlights:

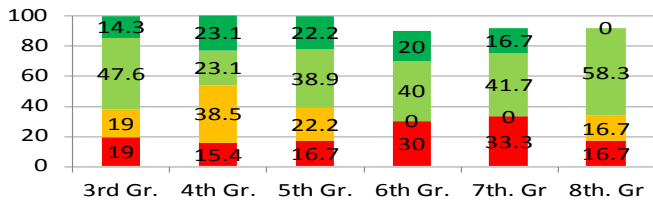

- Students involved in various community projects that encourages environmental consciousness and service to others.
- Excellent multi-aged learning environment with older students assisting younger students.

CSO Capacity Analysis

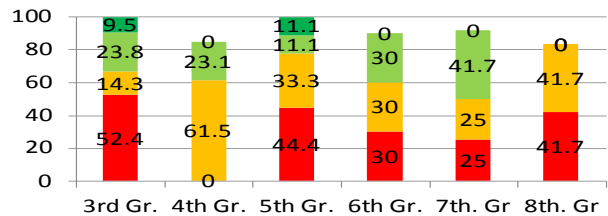

Light of the World Academy has consistently demonstrated strength in its educational program, organizational soundness, and fiscal stability. Through their commitment to a Montessori curriculum, the school provides a unique educational choice for students and parents, while also academically competitive with statistically similar schools. School leadership has established a strong school-wide learning culture with emphasis on targeted student interventions. This evidence provides the CSO with confidence that the school's internal capacity to deliver strong academic results will remain solid.
