## CSO Capacity Analysis

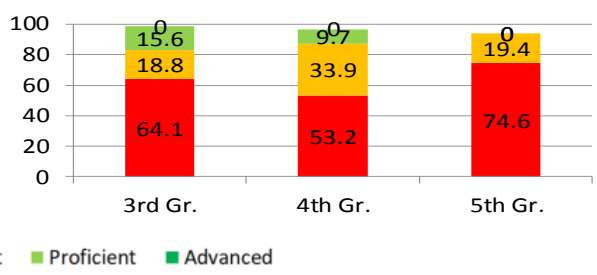

With Henry Ford Academy: School for Creative Studies' charter contract expiring on June 30, 2019, the school will begin the renewal process in 2018. This process will help to define the areas of focus, which are expected to include academic outcomes, and will provide the CSO additional information to assess its capacity. Because the school has a "Partnership Agreement" with the Michigan Department of Education, CSO school support staff has worked closely with school leadership and has noted a sense of urgency at the school to rapidly improve school performance. A close partnership has been formed with the Leadership Team at Henry Ford Academy to support Partnership Goals which include: ELA academic goals, workforce plan, implementation of data processes, and student attendance. The CSO will be better able to assess the Academy's capacity to maintain and improve these results after the renewal process occurs.
