## CSO Capacity Analysis

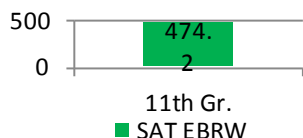

Taylor Preparatory High School (“TPHS”) has consistently demonstrated strength in its educational program, organizational soundness, and fiscal stability. Students typically outperform statistically similar schools and demonstrate a high rate of academic growth. As a preparatory high school, CSA has a strong college-going culture, including a college counseling program and a requirement that students complete at least two Advanced Placement courses to graduate. The CSO has observed that, in general, the support from the management company assists the school team and provides them with resources and counsel as needed. This evidence provides the CSO with confidence that the school’s internal capacity to deliver strong academic results will remain solid.
