CSO Capacity Analysis

Canton Preparatory High School' ("CPHS's") charter contract expires on June 30, 2021. To inform the renewal process, the CSO has conducted a comprehensive review of evidence of the school's capacity relative to expectations established in GVSU's charter renewal guidelines, a virtual site renewal visit, and stakeholder focus groups to assess CPHS's academic, organizational, and fiscal performance. During this process the CSO observed high-quality instruction, a strong leadership team, consistent adherence to the academy's mission and implementation of key design elements of it, and the organizational and fiscal capabilities to support a high-quality educational program. This evidence provides the CSO with confidence that the school has the internal capacity to deliver strong academic results during the subsequent term of its charter contract.
