 - Strong Girls on the Run Program.

CSO Capacity Analysis

Endeavor Charter Academy has consistently demonstrated strength in its educational program, organizational soundness, and fiscal stability. The school has a record of achieving relatively high academic growth with the student population it serves. It is academically competitive with statistically similar schools. The CSO believes that this is the result of implemented systems and procedures that focus on addressing student needs. Effective use of student performance data is practiced at the school and successful instructional strategies are aligned to address individual student learning needs. Strong administrative support is present to oversee academic performance and demonstrates a strong commitment to enhance teaching and learning. This evidence provides the CSO with confidence that the school's internal capacity to deliver strong academic results will remain solid.
