It is with pleasure that we send you the enclosed check to be used for student enrichment, professional development, or other activities preapproved by the GVSU Charter Schools Office. Your school has earned these funds by meeting the expectations as listed below.

The Charter School Board of Education must take official action to accept the Grant funds, which includes obtaining confirmation from the Educational Service Provider (ESP), if applicable, and assuring all management fees will be waived and no costs will be charged by ESP resulting from the Board's acceptance and use of the Grant.
