Section 2.1. Independent Status of the University. The University Board is an authorizing body as defined by the Code. In approving this Contract, the University voluntarily exercises additional powers given to the University under the Code. Nothing in this Contract shall be deemed to be any waiver of the University's powers or independent status and the Academy shall not be deemed to be part of the University Board. The University Board has provided the Department the accreditation notice required under Section 552.

Section 2.2. Independent Status of the Academy. The Academy is a body corporate and governmental entity authorized by the Code. The Academy is organized and shall operate as a public school academy and a nonprofit corporation. The Academy is not a division or part of the University. The relationship between the Academy and the University Board is based solely on the applicable provisions of the Code and the terms of this Contract or other agreements between the University Board and the Academy, if applicable.

Section 2.3. University Board Resolutions. For purposes of this Contract, the University Board has adopted the following resolutions:

- a) Method of Selection Resolution. The University Board has adopted the Method of Selection Resolution which is incorporated into this Contract as part of Schedule 1. At anytime and at its sole discretion, the University Board may amend the Method of Selection. Upon University Board approval, changes to the Method of Selection Resolution shall automatically be incorporated into this Contract and shall be exempt from the amendment procedures under Article IX of the Terms and Conditions.
- b) Authorizing Resolutions. The University Board has adopted the Authorizing Resolution, which is incorporated into this Contract as part of Schedule 1.

Section 2.4. Method for Monitoring Academy's Compliance with Applicable Law and Performance of its Targeted Educational Outcomes. The Academy shall perform the compliance certification duties required by the University Board as outlined in the Contract and MCRR incorporated into this Contract as Schedule 5. Additionally, the Academy shall be responsible for the following:

- a) The Academy shall provide the Charter Schools Office with copies of reports and assessments concerning the educational outcomes achieved by pupils attending the Academy and shall provide necessary approvals for the Charter Schools Office to access electronic information received or stored by the State of Michigan including, but not limited to, the Department of Education or other agency authorized by the State to collect school data.
- b) In the event that the University President determines that the Academy's educational outcomes should be reviewed to help determine if the Academy is meeting the educational goals set forth in the Schedules, the University President, at his or her discretion, may require an objective evaluation of student performances by an educational consultant, acceptable to both the Academy and the University President. The Academy shall pay for the expense of the evaluation. In addition, at any time, the University President may require an evaluation of student performance to be selected by and at the expense of the University. The Academy shall cooperate with the evaluation, including any student testing required.
- c) The Academy shall submit audited financial statements, including auditor's management letters and any exceptions noted by the auditors, to the University Charter Schools Office. The financial statements and auditor's management letters

shall be submitted to the University Charter Schools Office within ninety (90) days after the end of the Academy's fiscal year.

- d) The Academy shall provide the University Charter Schools Office with a copy of the approved annual budget for the upcoming fiscal year of the Academy no later than July 1st. - h) The Academy shall permit review of the Academy's records and inspection of its premises at any time by representatives of the University. Normally, such inspections shall occur during the Academy's hours of operation and after advance notice to the Academy.

Section 2.5. University Board Administrative Fee. During the term of this Contract, the Academy shall pay the University Board an administrative fee of 3% of the state school aid payments received by the Academy. For purposes of this Contract, state school aid payments received by the Academy in July and August in any given year shall be deemed to have been received by the Academy during the Contract term. This fee shall be retained by the University Board from each state school aid payment received by the University Board for forwarding to the Academy. This fee shall compensate the University Board for issuing the Contract and overseeing the Academy's compliance with the Contract and all Applicable Law. This fee may also be used to fund college readiness work and scholarships for academies that are in compliance with this Contract.

Section 2.6. University Board as Fiscal Agent for the Academy. The University Board is the fiscal agent for the Academy. The University Charter Schools Office may disapprove the proposed agreement if it contains provisions in violation of this Contract or Applicable Law. No ESP agreement shall be effective unless and until the agreement complies with Section 11.16 of these Terms and Conditions. With respect to Academy employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages; (iii) dismiss employees; and (iv) control the employees' conduct, including the method by which the employee carries out his or her work. An employee hired by the Academy shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. The Academy Board shall prohibit any individual from being employed by the Academy, an ESP, or an employee leasing company involved in the operation of the Academy, in more than one (1) full-time position and simultaneously being compensated at a full-time rate for each of these positions. The Academy shall be responsible for carrying worker's compensation insurance and unemployment insurance for its employees.

Section 2.8. Financial Obligations of the Academy are Separate from the State of Michigan, University Board and the University. Any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral, of the State of Michigan, the University Board, or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of the University Board or the University shall ever be assigned or pledged for the payment of any Academy contract, agreement, note, mortgage, loan or other instrument of indebtedness.

Section 2.9. Academy Has No Power to Obligate or Bind State of Michigan, University Board or the University. The Academy has no authority whatsoever to enter into any contract or other agreement that would financially obligate the State of Michigan, University Board or the University, nor does the Academy have any authority whatsoever to make any representations to lenders or third parties, that the State of Michigan, University Board or the University in any way guarantee, are financially obligated, or are in any way responsible for any contract, agreement, note, mortgage, loan or other instrument of indebtedness entered into by the Academy.

Section 2.10. Authorizing Body Contract Authorization Process. Pursuant to the Code, the University Board is not required to issue a contract to the Academy. This Contract is for a fixed term and will terminate at the end of the Contract Term set forth in Section 12.14 without any further action of either the Academy or the University Board. Prior to the end of the Contract term, the University Board shall provide a description of the process and standards by which the Academy may be considered for the issuance of a new contract. The timeline for consideration of whether to issue a new contract to the Academy shall be solely determined by the University Board. The standards for issuance of a new contract shall include increases in academic achievement for all groups of pupils as measured by assessments and other objective criteria established by the University Board as the most important factor of whether to issue or not to issue a new contract. The University Board, at its sole discretion, may change its process and standards for issuance of a contract at anytime, and any such changes shall take effect automatically without the need for any amendment to this Contract. Consistent with the Code, the University Board may

elect, at its sole discretion, not to consider the issuance of a contract, consider reauthorization of the Academy and elect not to issue a contract, or consider reauthorization of the Academy and issue a contract for a fixed term.

Section 2.11. University Board Approval of Condemnation. In the event that the Academy desires to acquire property pursuant to the Uniform Condemnation Procedures Act or other applicable statutes, it shall obtain express written permission for such acquisition from the University Board. The Academy shall submit a written request to the Charter Schools Office Director describing the proposed acquisition and the purpose for which the Academy desires to acquire the property. The Charter Schools Office Director will generate a recommendation for consideration by the University Board with regard to the proposed acquisition. The request and the Charter Schools Office Director's recommendation will be submitted by the Charter Schools Office Director for the University Board's consideration in accordance with the University Board's generally applicable timelines and policies for the agendas of regularly-scheduled University Board committee meetings and formal sessions of the University Board. No acquisition may be made until the approval of the University Board is obtained by resolution adopted at a formal session of the University Board.

Section 2.12. Charter Schools Office Director Review of Certain Financing Transactions. If the Academy proposes to (i) finance the acquisition, by lease, purchase, or other means, of facilities or equipment, or renovation of facilities, in excess of \$150,000, pursuant to arrangements calling for payments over a period greater than one (1) year, and which include a pledge, assignment or direction to one or more third parties of a portion of the funds to be received by the Academy from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 et seq., or (ii) direct that a portion of its State School Aid Payments be forwarded by the Fiscal Agent University Board to a third party account for the payment of Academy debts and liabilities, the Academy shall submit the transaction for prior review by the Charter Schools Office Director as designee of the University Board, in the manner provided herein. The Academy shall, not later than thirty (30) days prior to the proposed closing date of the transaction, submit a written request to the Charter Schools Office Director describing the proposed transaction and the facilities or equipment to be acquired with the proceeds thereof (if any), and in the case of a transaction described in subparagraph (ii) of this Section, (a) a copy of the Academy Board's resolution authorizing the direct intercept of State School Aid Payments; (b) a copy of a State School Aid Payment Agreement and Direction document that is in a form acceptable to the University Charter Schools Office; and (c) copies of such other documentation regarding the transaction which is the subject of the proposed direct intercept as the University Charter Schools Office may request. Unless the Charter Schools Office Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the Charter Schools Office Director shall notify the Academy if the proposed transaction is disapproved. The Charter Schools Office Director may disapprove the proposed transaction if the proposed transaction violates this Contract or applicable law.
